This document (the "**Base Prospectus**") constitutes a base prospectus in respect of the Programme (as defined below). Any Securities (as defined below) issued on or after the date of this Base Prospectus are issued subject to the provisions herein. This does not affect any Securities issued before the date of this Base Prospectus. This Base Prospectus constitutes a base prospectus for the purpose of Article 5.4 of Directive 2003/71/EC (the "**Prospectus Directive**").

Under the terms of the Warrant and Certificate Programme (the "**Programme**"), each of BNP Paribas Arbitrage Issuance B.V. ("**BNPP B.V.**") and BNP Paribas ("**BNPP**" or the "**Bank**" and, together with BNPP B.V., the "**Issuers**" and each an "**Issuer**") may from time to time issue warrants ("**Warrants**") or certificates ("**Certificates**" and, together with the Warrants, "**Securities**") of any kind including, but not limited to, Warrants or Certificates relating to a specified index or a basket of indices, a specified share or a basket of shares, a specified GDR or ADR or basket of GDRs and/or ADRs, a specified debt instrument or a basket of debt instruments, a specified currency or a basket of currencies, a specified commodity or a basket of commodities, a specified inflation index or a basket of inflation indices, a specified fund share or unit or basket of fund shares or units or the credit of a specified entity or entities, and any other types of Securities including hybrid Securities whereby the underlying asset(s) may be any combination of such indices, shares, debt, currency, commodities, inflation indices, fund shares or units, credit of specified entities, or other asset classes or types. Only BNPP may issue U.S. Securities (as defined below). Each issue of Warrants will be issued on the terms set out herein which are relevant to such Warrants under "*Terms and Conditions of the Warrants*" (the "**Warrant Conditions**") and each issue of Certificates will be issued on the terms set out herein which are relevant to such Certificates under "*Terms and Conditions of the Certificates*" (the "**Certificate Conditions**" and together with the Warrant Conditions, the "**Conditions**") and, in each case, on such final terms as will be set out in the final terms to be issued in respect of such Securities (the "**Final Terms**"), a form of which is contained in this Base Prospectus. References herein to the Final Terms may include, in the case of U.S. Securities, (x) a supplement to the Base Prospectus under Article 16 of the Prospectus Directive or (y) a prospectus.

The Securities shall be governed by either English law ("**English Law Warrants**" or "**English Law Certificates**", as the case may be, and, together, the "**English Law Securities**") or French law ("**French Law Warrants**" or "**French Law Certificates**", as the case may be, and, together, the "**French Law Securities**"), as specified in the relevant Final Terms, and the corresponding provisions in the Conditions will apply to such Securities. Only English Law Securities will be U.S. Securities.

Securities issued by BNPP B.V. will be guaranteed by BNPP (in such capacity, the "**Guarantor**") pursuant to (i) a Deed of Guarantee, in respect of English Law Securities (the "**English Law Guarantee**") or (ii) a *garantie*, in respect of French Law Securities (the "**French Law Guarantee**" and, together with the "**English Law Guarantee**", the "**Guarantees**"), the forms of which are set out herein.

Except in the case of U.S. Securities, each of BNPP B.V. and BNPP has a right of substitution as set out herein.

A description of the Final Terms (which for the avoidance of doubt may be issued in respect of more than one series of Warrants or Certificates) is set out herein on pages 39 to 68 (with respect to Warrants) and pages 184 to 228 (with respect to Certificates) and will specify with respect to each issue of Securities to which it relates, *inter alia*, the specific designation of the Securities, the aggregate number and type of the Securities, the date of issue of the Securities, the issue price, the underlying asset, index, fund, reference entity or other item(s) to which the Securities relate, the exercise period or date (in the case of Warrants), the redemption date, whether they are interest bearing, partly paid or redeemable in instalments (in the case of Certificates), the governing law of the Securities, whether the Securities are eligible for sale in the United States and certain other terms relating to the offering and sale of the Securities. With respect to issues of English Law Securities, the Final Terms relating to such issue of Securities will be attached to the Global Security, Rule 144A Global Security, Private Placement Definitive Security or Regulation S Global Security (each as defined below).

Each issue of Securities will entitle the holder thereof on due exercise (in the case of Warrants) or on the Instalment Date(s) and/or the Redemption Date (in the case of Certificates) either to receive a cash amount (if any) calculated in accordance with the relevant terms or to receive physical delivery of the underlying assets (against payment of a specified sum in the case of Warrants), all as set forth herein and in the applicable Final Terms.

Prospective purchasers of Securities should ensure that they understand the nature of the relevant Securities and the extent of their exposure to risks and that they consider the suitability of the relevant Securities as an investment in the light of their own circumstances and financial condition. Securities involve a high degree of risk and potential investors should be prepared to sustain a total loss of the purchase price of their Securities. See "Risk Factors" on pages 17 to 33.

In particular, the Securities and the Guarantees and, in the case of Physical Delivery Warrants or Physical Delivery Certificates (each as defined below) (together, the "Physical Delivery Securities"), the Entitlement (as defined herein) to be delivered upon the exercise (in the case of Physical Delivery Warrants) or the redemption (in the case of Physical Delivery Certificates) of such Securities have not been, and will not be, registered under the United States Securities Act of 1933, as amended (the "Securities Act"), or any state securities laws and trading in the Securities has not been approved by the Commodity Futures Trading Commission under the United States Commodity Exchange Act, as amended. Neither Issuer has registered as an investment company pursuant to the United States Investment Company Act of 1940, as amended (the "Investment Company Act"). Unless otherwise specified in the applicable Final Terms, the Securities are being

offered and sold pursuant to the registration exemption contained in Regulation S under the Securities Act. No Securities of such series, or interests therein, may at any time be offered, sold, resold, traded, pledged, exercised, redeemed, transferred or delivered, directly or indirectly, in the United States or to, or for the account or benefit of, a U.S. person (as defined in Regulation S under the Securities Act) and any offer, sale, resale, trade, pledge, exercise, redemption, transfer or delivery made, directly or indirectly, within the United States or to, or for the account or benefit of, a U.S. person will not be recognised. The Securities of such series may not be legally or beneficially owned at any time by any U.S. person (as defined in the "Offering and Sale" section below) and accordingly are being offered and sold outside the United States to non-U.S. persons in reliance on Regulation S.

Certain issues of Securities of BNPP only may also be offered and sold in the United States to (i) persons reasonably believed to be qualified institutional buyers ("QIBs") as defined in Rule 144A under the Securities Act ("Rule 144A") and (ii) certain accredited investors ("AIs") as defined in Rule 501(a) under the Securities Act.

Each purchaser of U.S. Securities within the United States is hereby notified that the offer and sale of such Securities is being made in reliance upon an exemption from the registration requirements of the Securities Act. For a description of certain further restrictions on offers and sales of the Securities and on the distribution of this Base Prospectus, see "Offering and Sale" below.

U.S. Securities will, unless otherwise specified in the Final Terms, be sold through BNP Paribas Securities Corp., a registered broker-dealer. Hedging transactions involving Physical Delivery Securities may not be conducted unless in compliance with the Securities Act. See "Terms and Conditions of the Warrants" and "Terms and Conditions of the Certificates" below.

Securities related to a specified currency or basket of currencies, a specified commodity or basket of commodities, a specified interest rate or basket of interest rates or a specified inflation index or basket of inflation indices may not at any time be offered, sold, resold, held, traded, pledged, exercised, redeemed, transferred or delivered, directly or indirectly, in the United States or to, by or for the account or benefit of, persons that are U.S. persons as defined in Regulation S under the Securities Act or that are not non-United States Persons as defined in Rule 4.7 under the United States Commodity Exchange Act, as amended.

The Securities are not insured by the Federal Deposit Insurance Corporation.

Application may be made for Securities issued under the Programme to be listed on the official list of Euronext Amsterdam ("AEX") and admitted to trading on the Regulated Market operated by AEX or the EuroMTF Market (as defined below) operated by the Luxembourg Stock Exchange. In relation to each separate issue of Securities, the final offer price and the amount of such Securities will be determined by the Issuer and the relevant manager in accordance with prevailing market conditions at the time of the issue of the Securities and will be set out in the relevant Final Terms.

No person is authorised to give any information or to make any representation not contained in or not consistent with this document or any other information supplied in connection with the Programme and, if given or made, such information or representation must not be relied upon as having been authorised by BNPP B.V., BNPP or any manager of an issue of Securities, including BNPP Securities Corp. (as applicable to such issue of Securities, each a "**Manager**"). This document does not constitute, and may not be used for the purposes of, an offer or solicitation by anyone in any jurisdiction in which such offer or solicitation is not authorised or to any person to whom it is unlawful to make such offer or solicitation and no action is being taken to permit an offering of the Securities or the distribution of this document in any jurisdiction where any such action is required.

This document is to be read and construed in conjunction with any Final Terms and with all documents which are deemed to be incorporated herein by reference (see "*Documents Incorporated by Reference*" below).

Warrants create options exercisable by the relevant holder or which will be automatically exercised as provided herein. There is no obligation on the Issuer to pay any amount or deliver any asset to any holder of a Warrant unless the relevant holder duly exercises such Warrant or such Warrants are automatically exercised and, where applicable, an Exercise Notice is duly delivered. The Warrants will be exercisable in the manner set forth herein and in the applicable Final Terms. In certain instances, the holder of a Warrant will be required to certify, *inter alia* (in accordance with the provisions outlined in "*Offering and Sale*" below) that it is not a U.S. person or exercising such Warrant on behalf of a U.S. person. Upon transfer, exchange or exercise of a U.S. Warrant (as defined above), the holder will, in certain circumstances, be required to certify that the transfer, exchange or exercise, as the case may be, is being made to, or on behalf of, a person whom the holder reasonably believes is not a U.S. person or is a QIB or an AI, as applicable, who acquired the right to such transfer, exchange or the benefit of such exercise in a transaction exempt from the registration requirements of the Securities Act. The proposed transferee may also be required to deliver an investment letter as a condition precedent to such proposed transfer or exchange (in accordance with the provisions outlined in Condition 1(D) of the Terms and Conditions of the Warrants below).

Certificates shall be redeemed on each instalment and/or the redemption date by payment of one or more Cash Settlement Amount(s) (in the case of Cash Settled Certificates) and/or by delivery of the Entitlement (in the case of Physical Delivery Certificates). Where Certificates are Exercisable Certificates, such Certificates will be automatically exercised as provided herein. Exercisable Certificates are Cash Settled Certificates. In order to receive the Entitlement, the holder of a Certificate will be required to submit an Asset Transfer Notice and in certain circumstances to certify, *inter alia* (in accordance with the provisions outlined in Condition 7(B)(1) of "*Terms and Conditions of the Certificates*"), that it is not a U.S. person or acting on behalf of a U.S. person. Upon transfer or exchange of a U.S. Certificate, the holder will, in certain circumstances, be required to certify that the transfer or exchange, as the case may be, is being made to a person whom the transferor or exchangor reasonably believes is not a U.S. person or is a QIB or an AI, as applicable, who acquired the right to such transfer or exchange in a transaction exempt from the registration requirements of the Securities Act. The proposed transferee may also be required to deliver an investment letter as a condition precedent to such proposed transfer or exchange (in accordance with the provisions outlined in Condition 1(C) of "*Terms and Conditions of the Certificates*" below).

The Securities of each issue may be sold by the relevant Issuer and/or any Manager at such time and at such prices as the Issuer and/or the Manager(s) may select. There is no obligation upon the Issuer or any Manager to sell all of the Securities of any issue. The Securities of any issue may be offered or sold from time to time in one or more transactions in the over-the-counter market or otherwise at prevailing market prices or in negotiated transactions, at the discretion of the Issuer.

Subject to the restrictions set forth herein, each Issuer shall have complete discretion as to what type of Securities it issues and when.

No Manager has separately verified the information contained herein. Accordingly, no representation, warranty or undertaking, express or implied, is made and no responsibility is accepted by any Manager as to the accuracy or completeness of the information contained in this Base Prospectus or any other information provided by BNPP B.V. and/or BNPP. The Manager(s) accept no liability in relation to the information contained in this Base Prospectus or any other information provided by BNPP B.V. and/or BNPP in connection with the Programme.

BNPP B.V. and BNPP have not investigated, and do not have access to information that would permit them to ascertain, whether any company that has issued equity, debt or other instruments to which any U.S. Securities relate is a passive foreign investment company for U.S. tax purposes. Prospective investors in any U.S. Securities that are U.S. taxpayers should consult their own advisers concerning U.S. tax considerations relevant to an investment in such U.S. Securities.

Neither this Base Prospectus nor any other information supplied in connection with the Programme should be considered as a recommendation by BNPP B.V., BNPP or any Manager that any recipient of this Base Prospectus or any other information supplied in connection with the Programme should purchase any Securities. Each investor contemplating purchasing any Securities should make its own independent investigation of the financial condition and affairs, and its own appraisal of the creditworthiness, of BNPP B.V. and/or BNPP. Neither this Base Prospectus nor any other information supplied in connection with the Programme constitutes an offer or an invitation by or on behalf of BNPP B.V. or BNPP or the Managers or any other person to subscribe for or to purchase any Securities.

The delivery of this Base Prospectus does not at any time imply that the information contained herein concerning BNPP B.V. or BNPP is correct at any time subsequent to the date hereof or that any other information supplied in connection with the Programme is correct as of any time subsequent to the date indicated in the document containing the same. No Manager undertakes to review the financial condition or affairs of BNPP B.V. or BNPP during the life of the Programme. Investors should review, *inter alia*, the most recently published audited annual non-consolidated financial statements of BNPP B.V. and/or the most recently published audited annual consolidated financial statements and unaudited semi-annual interim consolidated financial statements of BNPP, when deciding whether or not to purchase any Securities.

This Base Prospectus has been prepared on the basis that, except to the extent sub-paragraph (ii) below may apply, any offer of Securities in any Member State of the European Economic Area which has implemented the Prospectus Directive (each, a "**Relevant Member State**") will be made pursuant to an exemption under the Prospectus Directive, as implemented in that Relevant Member State, from the requirement to publish a prospectus for offers of Securities. Accordingly, any person making or intending to make an offer in that Relevant Member State of Securities which are the subject of an offering contemplated in this Base Prospectus as completed by final terms in relation to the offer of those Securities may only do so (i) in circumstances in which no obligation arises for the Issuer or any Manager to publish a prospectus pursuant to Article 3 of the Prospectus Directive or supplement a prospectus pursuant to Article 16 of the Prospectus Directive, in each case, in relation to such offer, or (ii) if a prospectus for such offer has been approved by the competent authority in that Relevant Member State, or where appropriate, approved in another Relevant Member State and notified to the competent authority in that Relevant Member State and (in either case)

published, all in accordance with the Prospectus Directive, provided that any such prospectus has subsequently been completed by final terms which specify that offers may be made other than pursuant to Article 3(2) of the Prospectus Directive in that Relevant Member State and such offer is made in the period beginning and ending on the dates specified for such purpose in such prospectus or final terms, as applicable. Except to the extent that sub-paragraph (ii) above may apply, neither the Issuer nor any Manager have authorised, nor do they authorise, the making of any offer of Securities in circumstances in which an obligation arises for the Issuer or any Manager to publish or supplement a prospectus for such offer.

The distribution of this Base Prospectus and the offering of Securities in certain jurisdictions may be restricted by law. Persons into whose possession this Base Prospectus comes are required by BNPP B.V., BNPP and each Manager to inform themselves about and to observe any such restrictions.

In this Base Prospectus references to U.S.\$ and U.S. dollars are to United States dollars and references to euro, € and EUR are to the currency introduced at the start of the third stage of European economic and monetary union pursuant to the treaty establishing the European Community, as amended.

Description of the Programme

Warrant and Certificate Programme

Risk Factors (Issuers)

There are certain factors that may affect each Issuer's ability to fulfil its obligations under Securities issued under the Programme. These include the following risk factors related to the Bank and its industry:

- (i) Eight main categories of risks are inherent in the Bank's activities:
 - Credit and Counterparty Risk;
 - Market Risk;
 - Operational Risk;
 - Asset-Liability Management Risk;
 - Liquidity and Refinancing Risk;
 - Insurance Underwriting Risk;
 - Business Risk; and
 - Strategic Risk.
- (ii) Adverse market or economic conditions may cause a decrease in net banking income or profitability.
- (iii) The Bank may incur significant losses on its trading and investment activities due to market fluctuations and volatility.
- (iv) The Bank may generate lower revenues from brokerage and other commission- and fee-based businesses during market downturns.

- (v) Protracted market declines can reduce liquidity in the markets, making it harder to sell assets and possibly leading to material losses.
- (vi) Significant interest rate changes could adversely affect the Bank's net banking income or profitability.
- (vii) Primary and secondary debt market conditions and deteriorating economic conditions could have a material adverse impact on the Bank's earnings and financial condition.
- (viii) A substantial increase in new provisions or a shortfall in the level of previously recorded provisions could adversely affect the Bank's results of operations and financial condition.
- (ix) The Bank's competitive position could be harmed if its reputation is damaged.
- (x) An interruption in or a breach of the Bank's information systems may result in lost business and other losses.
- (xi) Unforeseen events can interrupt the Bank's operations and cause substantial losses and additional costs.
- (xii) The Bank is subject to extensive supervisory and regulatory regimes in the countries in which it operates.
- (xiii) Notwithstanding, the Bank's risk management policies, procedures and methods, it could still be exposed to unidentified or unanticipated risks, which could lead to material losses.
- (xiv) The Bank's hedging strategies may not prevent losses.
- (xv) The Bank may have difficulty in identifying and executing acquisitions, which could materially harm the Bank's results of operations.
- (xvi) Intense competition, especially in the Bank's home market of France, where it has the largest single concentration of its businesses, could adversely affect the Bank's net banking income and profitability.

The following risk factors relate to BNPP B.V.: BNPP B.V. is not an operating company. BNPP B.V.'s sole business is the raising and borrowing of money by issuing Securities or other obligations. BNPP B.V. has, and will have, no assets other than fees payable to it, or other assets acquired by it, in each case in connection with the issue of Securities or entry into other obligations relating to the Programme from time to time. The net proceeds from each issue of Securities issued by the Issuer will become part of the general funds of BNPP B.V. BNPP B.V. may use such proceeds to maintain positions in certain Hedging Agreements. The ability of BNPP

B.V. to meet its obligations under Securities issued by it will depend on the receipt by it of payments under the relevant Hedging Agreements. Consequently, BNPP B.V. is exposed to the ability of counterparties in respect of such Hedging Agreements to perform their obligations under such Hedging Agreements.

Risk Factors (Securities)

There are certain factors which are material for the purposes of assessing the market risks associated with Securities issued under the Programme. These are set out under "Risk Factors" below and include exposure to one or more index, share, GDR and/or ADR, debt security, commodity and/or commodity index, inflation index and/or the credit of one or more reference entity (each an "**Underlying Reference**"), leverage, interest, factors affecting the value and trading price of Securities, certain considerations regarding hedging, specific risks in relation to Index Securities (including Index Securities linked to a property index or a custom index), Share Securities, GDR/ADR Securities, Debt Securities, Currency Securities, Commodity Securities, Inflation Index Securities, Fund Securities (including Fund Securities linked to an Exchange Traded Fund), Credit Certificates and Hybrid Securities (each as defined below), specific risks in relation to Securities linked to an Underlying Reference from an emerging or developing market, specific risks in relation to Dynamic Securities, limitations on the minimum trading size of Securities, limitations on the exercise of and time lag after exercise of Warrants, option to vary settlement, market disruption or failure to open of an exchange, settlement disruption, additional disruption events, potential adjustment events or extraordinary events affecting shares or fund shares, extraordinary fund events, expenses and taxation, illegality, meetings of holders, post-issuance information, change of law, effect of credit rating reduction, potential conflicts of interest and possible illiquidity of Securities in the secondary market.

Index Securities may be subject to cancellation or early redemption or adjustment if an Index is modified or cancelled and there is no successor index acceptable to the Calculation Agent, if the Index's sponsor fails to calculate and announce the Index, or certain events (such as illegality, disruptions or cost increases) occur with respect to the Issuer's or any of its affiliates' hedging arrangements.

If certain disruption events occur with respect to valuation of an Index such valuation will be postponed and may be made by the Calculation Agent. Payments may also be postponed.

Inflation Index Securities

Payments in respect of Inflation Index Securities will be calculated by reference to one or more inflation indices as set out in the applicable Final Terms.

Fund Securities

Payments in respect of Fund Securities will be calculated by reference to units, interests or shares in a single fund or basket of funds on such terms as set out in the applicable Final Terms. Fund Securities may also provide for settlement by physical delivery of the Entitlement.

Fund Securities linked to Exchange Traded Funds may in addition be subject to cancellation or early redemption or adjustment (including as to valuation and in certain circumstances fund share substitution) if certain corporate events (such as events affecting the value of a fund share (including fund share divisions or consolidation); de-listing of a fund share; insolvency, merger or nationalisation of a fund share issuer; or a tender offer or redenomination of a fund share) occur.

Listing and admission to trading

Securities of a particular Series may be listed and admitted to trading on AEX, the Italian Stock Exchange, the EuroMTF Market or on such other or additional stock exchanges as may be specified in the applicable Final Terms, and references to listing shall be construed accordingly. The applicable Final Terms will, if relevant, include information on the relevant market segment of the stock exchange on which the securities are to be listed.

Selling Restrictions

There are restrictions on the sale of Securities and the distribution of offering material — see "*Offering and Sale*" below.

Governing Law

The Securities and any related Guarantee will be governed by English or French Law, as specified in the applicable Final Terms.

RISK FACTORS

Prospective purchasers of the Securities offered hereby should consider carefully, among other things and in light of their financial circumstances and investment objectives, all of the information in this Base Prospectus and, in particular, the risk factors set forth below (which each Issuer, in its reasonable opinion, believes represents or may represent the risk factors known to it which may affect such Issuer's ability to fulfil its obligations under the Securities) in making an investment decision. Investors may lose the value of their entire investment in certain circumstances.

Terms used in this section and not otherwise defined have the meanings given to them in the relevant Conditions.

Risks Relating to the Bank and its Operations

See the section entitled "Risk Factors" contained on pages 5 to 10 of the Information Statement which is incorporated by reference in this Base Prospectus.

Risk Factors Relating to BNPP B.V.

BNPP B.V. is not an operating company. BNPP B.V.'s sole business is the raising and borrowing of money by issuing Securities or other obligations. BNPP B.V. has, and will have, no assets other than such fees (as agreed) payable to it, or other assets acquired by it, in each case in connection with the issue of Securities or entry into other obligations relating to the Programme from time to time. The net proceeds from each issue of Securities issued by the Issuer will become part of the general funds of BNPP B.V. BNPP B.V. may use such proceeds to maintain positions in options or futures contracts or other hedging instruments ("**Hedging Agreements**"). The ability of BNPP B.V. to meet its obligations under Securities issued by it will depend on the receipt by it of payments under the relevant Hedging Agreements. Consequently, BNPP B.V. is exposed to the ability of counterparties in respect of such Hedging Agreements to perform their obligations under such Hedging Agreements.

RISK FACTORS RELATING TO SECURITIES

General

The Securities involve a high degree of risk, which may include price risks associated with the Underlying Reference (as defined below), among others, interest rate, foreign exchange, inflation, time value and political risks. Prospective purchasers of Securities should recognise that their Securities may expire worthless or be redeemed for no value. Purchasers should be prepared to sustain a total loss of the purchase price of their Securities. See "*Certain Factors Affecting the Value and Trading Price of Securities*" below. Prospective purchasers of Securities should be experienced with respect to options and option transactions, should understand the risks of transactions involving the relevant Securities and should reach an investment decision only after careful consideration, with their advisers, of the suitability of such Securities in light of their particular financial circumstances, the information set forth herein and the information regarding the relevant Securities and the particular underlying index (or basket of indices), share (or basket of shares), GDR or ADR (or basket of GDRs and/or ADRs), debt instrument (or basket of debt instruments), currency (or basket of currencies), commodity (or basket of commodities), inflation index (or basket of inflation indices), fund share or unit (or basket of fund shares or units), or other basis of reference to which the value of the relevant Securities may relate, as specified in the applicable Final Terms (such reference being the "**Underlying Reference**"). The Issuer may also issue Securities linked to the credit of a specified entity (or entities) (each such entity a "**Reference Entity**" and, where the context admits, each an "**Underlying Reference**").

The risk of the loss of some or all of the purchase price of a Security upon expiration or redemption means that, in order to recover and realise a return upon his or her investment, a purchaser of a Security must generally be correct about the direction, timing and magnitude of an anticipated change in the value of the Underlying Reference or Credit Risk of the Reference Entity ("**Entities**") which may be specified in the applicable Final Terms. Assuming all other factors are held

constant, the lower the value of a Security and the shorter the remaining term of a Warrant to expiration or a Certificate to redemption, the greater the risk that purchasers of such Securities will lose all or part of their investment. With respect to Certificates and European-style Warrants, the only means through which a Holder can realise value from the Warrant or Certificate, as the case may be, prior to its Exercise Date or Redemption Date in relation to such Warrant or Certificate, as the case may be, is to sell it at its then market price in an available secondary market. See "*Possible Illiquidity of the Securities in the Secondary Market*" below.

Fluctuations in the value of the relevant index or basket of indices will affect the value of Index Securities or Inflation Index Securities. Fluctuations in the price of the relevant share or value of the basket of shares will affect the value of Share Securities. Fluctuations in the price of the relevant GDR and/or ADR or value of the basket of GDRs and/or ADRs will affect the value of GDR/ADR Securities. Fluctuations in the price or yield of the relevant debt instrument or value of the basket of debt instruments will affect the value of Debt Securities. Fluctuations in the rates of exchange between the relevant currencies will affect the value of Currency Securities. Fluctuations in the value of the relevant inflation index or basket of inflation indices will affect the value of Inflation Securities. Fluctuations in the value of the relevant fund share or units or basket of fund shares or units will affect the value of the Fund Securities. Fluctuations in the creditworthiness of the relevant Reference Entity or Reference Entities will affect the value of the Credit Linked Securities. Also, due to the character of the particular market on which a debt instrument is traded, the absence of last sale information and the limited availability of quotations for such debt instrument may make it difficult for many investors to obtain timely, accurate data for the price or yield of such debt instrument. Fluctuations in the value of the relevant commodity or basket of commodities will affect the value of Commodity Securities. In the case of Hybrid Securities the Underlying Reference in respect of which is any combination of such indices, shares, debt, currencies, commodities, inflation indices or any other asset class or type, fluctuations in the value of any one or more of such Underlying References will correspondingly affect the value of Hybrid Securities. Purchasers of Securities risk losing their entire investment if the value of the relevant Underlying Basis of Reference does not move in the anticipated direction.

Each Issuer may issue several issues of Securities relating to various Underlying References. However, no assurance can be given that the relevant Issuer will issue any Securities other than the Securities to which a particular Final Terms relates. At any given time, the number of Securities outstanding may be substantial. Securities provide opportunities for investment and pose risks to investors as a result of fluctuations in the value of the underlying investment. In general, certain of the risks associated with Warrants are similar to those generally applicable to other options or warrants of private corporate issuers. Warrants or certificates on shares, debt instruments or fund shares or units are priced primarily on the basis of the value of underlying securities, whilst Currency and Commodity Securities are priced primarily on the basis of present and expected values of the reference currency (or basket of currencies) or commodity (or basket of commodities) specified in the applicable Final Terms.

Claims Against the Underlying Reference

The Securities do not represent a claim against any Underlying Reference (or any issuer, sponsor, manager or other connected person in respect of an Underlying Reference) and Holders will not have any right of recourse under the Securities to any such Underlying Reference (or any issuer, sponsor, manager or other connected person in respect of an Underlying Reference). The Securities are not in any way sponsored, endorsed or promoted by any issuer, sponsor, manager or other connected person in respect of an Underlying Reference and such entities have no obligation to take into account the consequences of their actions on any Holders.

Securities are Unsecured Obligations

The Securities are unsubordinated and unsecured obligations of the relevant Issuer and will rank *pari passu* with themselves. Each issue of Securities issued by BNPP B.V. will be guaranteed by BNPP pursuant to the English Guarantee, in the case of English Law Securities, or the French Law Guarantee, in the case of French Law Securities. The obligations of BNPP under the Guarantees are unsubordinated and unsecured obligations of BNPP and will rank *pari passu* with all its other present and future unsubordinated and unsecured obligations, subject as may from time to time be mandatory under French law.

Certain Factors Affecting the Value and Trading Price of Securities

The trading price of the Securities is affected by a number of factors including, but not limited to, the price or level of the relevant Underlying Reference or Underlying References, the time to expiration or redemption of the Securities and the actual or implied volatility and the correlation risk of the relevant Underlying Reference or Underlying References. Such factors may mean that the trading price of the Securities is below the Cash Settlement Amount or the value of the Entitlement, as applicable.

Before exercising (in the case of Warrants) or selling Securities, Holders should carefully consider, among other things, (a) the trading price of the Securities, (b) the value and volatility of the Underlying Reference as specified in the applicable Final Terms, (c) the time remaining to expiration or redemption, as the case may be, (d) in the case of Cash Settled Securities, the probable range of Cash Settlement Amounts, (e) any change(s) in interim interest rates and dividend yields, if applicable, (f) any change(s) in currency exchange rates, (g) the depth of the market or liquidity of the Underlying Reference as specified in the applicable Final Terms and (h) any related transaction costs.

Meetings of Holders

The Terms and Conditions of the Securities contain provisions for calling meetings of Holders to consider matters affecting their interests generally. These provisions permit defined majorities to bind all Holders including Holders who did not attend and vote at the relevant meeting and Holders who voted in a manner contrary to the majority.

The Cash Settlement Amount or Redemption Amount May Be Less than the Value of an Investment in the Securities

Each Holder may receive a Cash Settlement Amount or Redemption Amount and/or physical delivery of the Entitlement the aggregate value of which may be less than the value of the Holder's investment in the relevant Securities. In certain circumstances Holders may lose the entire value of their investment.

Possible Illiquidity of the Securities in the Secondary Market

It is very difficult to predict the price at which Securities will trade in the secondary market or whether such market will be liquid or illiquid. The Issuer may, but is not obliged to, list Securities on a stock exchange (application has been made to list and admit the Securities described herein for trading on Euronext Amsterdam and application may be made to list Securities on other stock exchanges). Also, to the extent Securities of a particular issue are exercised or redeemed, the number of Securities of such issue outstanding will decrease, resulting in a diminished liquidity for the remaining Securities of such issue. A decrease in the liquidity of an issue of Securities may cause, in turn, an increase in the volatility associated with the price of such issue of Securities.

Each Issuer and any Manager may, but is not so obliged, at any time purchase Securities at any price in the open market or by tender or private offer/treaty. Any Securities so purchased may be held or resold or surrendered for cancellation as further described herein. A Manager may, but is not obliged to, be a market-maker for an issue of Securities and may cease to do so at any time. Even if a Manager is a market-maker for an issue of Securities, the secondary market for such Securities may be limited. In addition, affiliates of each Issuer (including the relevant Manager as referred to

above) may purchase Securities at the time of their initial distribution and from time to time thereafter. There may be no secondary market for the Securities and to the extent that an issue of Securities is or becomes illiquid, an investor may have to exercise or wait until redemption of such Securities, as applicable, to realise greater value than its then trading value.

Minimum Trading Amount

Investors should note that the Securities may have a minimum trading amount. In such cases, if, following the transfer of any Securities, a Holder holds fewer Securities than the specified minimum trading amount, such Holder will not be permitted to transfer their remaining Securities prior to expiration or redemption, as applicable, without first purchasing enough additional Securities in order to hold the minimum trading amount.

Potential Conflicts of Interest

Certain entities within the Group or its affiliates (including, if applicable, any Manager) may also engage in trading activities (including hedging activities) relating to the Underlying Reference or Reference Entity and other instruments or derivative products based on or relating to the Underlying Reference or Reference Entity of any Securities for their proprietary accounts or for other accounts under their management. BNPP B.V., BNPP and their affiliates (including, if applicable, any Manager) may also issue other derivative instruments in respect of the Underlying Reference. BNPP B.V., BNPP and their affiliates (including, if applicable, any Manager) may also act as underwriter in connection with future offerings of shares or other securities relating to an issue of Securities or may act as financial adviser to certain companies or companies whose shares or other securities are included in a basket or in a commercial banking capacity for such companies. In addition BNPP B.V., BNPP and their affiliates (including, if applicable, any Manager) may act in a number of different capacities in relation to an underlying index, including, but not limited to, issuer of the constituents of the index, index sponsor or calculation agent. Such activities could present certain conflicts of interest, could influence the prices of such shares or other securities and could adversely affect the value of such Securities.

Because the Calculation Agent (as defined below) may be an affiliate of the Issuer or the Guarantor, potential conflicts of interest may exist between the Calculation Agent and holders of the Securities, including with respect to certain determinations and judgments that the Calculation Agent must make, including whether a Market Disruption Event, a Settlement Disruption Event or Credit Event (each, as defined below) has occurred. The Calculation Agent is obligated to carry out its duties and functions as Calculation Agent in good faith and using its reasonable judgment. Furthermore, the Calculation Agent will not act as a fiduciary or as an advisor to the Holders in respect of its duties as Calculation Agent.

In the case of Securities listed on the Italian Stock Exchange, any additional conflicts of interest with respect to such Securities will be specified in the applicable Final Terms.

Certain Considerations Regarding Purchasing Securities as Hedges

Prospective purchasers intending to purchase Securities to hedge against the market risk associated with investing in the Underlying Reference which may be specified in the applicable Final Terms should recognise the complexities of utilising Securities in this manner. For example, the value of the Securities may not exactly correlate with the value of the Underlying Reference which may be specified in the applicable Final Terms. Due to fluctuating supply and demand for the Securities, there is no assurance that their value will correlate with movements of the Underlying Reference which may be specified in the applicable Final Terms. For these reasons, among others, it may not be possible to purchase or liquidate securities in a portfolio at the prices used to calculate the value of any relevant Underlying Reference. In addition, in certain cases, the ability of Holders to use Securities for hedging may be restricted by the provisions of the Securities Act.

Risk of Leveraged Exposure

Leverage involves the use of a number of financial techniques to increase the exposure to an Underlying Reference, and can therefore magnify both returns and losses. While the use of leverage allows for potential multiples of a return (assuming a return is achieved) when the Underlying Reference moves in the anticipated direction, it will conversely magnify losses when the Underlying Reference moves against expectations. If the relevant Securities include leverage, potential holders of such Securities should note that these Securities will involve a higher level of risk, and that whenever there are losses such losses may be higher than those of a similar security which is not leveraged. Investors should therefore only invest in leveraged Securities if they fully understand the effects of leverage.

Effect of Credit Rating Reduction

The value of the Securities is expected to be affected, in part, by investors' general appraisal of the creditworthiness of the relevant Issuer and, if applicable, the Guarantor. Such perceptions are generally influenced by the ratings accorded to the outstanding securities of BNPP B.V. or BNPP by standard statistical rating services, such as Moody's Investors Service Limited ("**Moody's**"), Standard & Poor's Ratings Services, a division of The McGraw Hill Companies, Inc. ("**Standard & Poor's**") and Fitch Ratings Ltd. ("**Fitch**"). A reduction in the rating, if any, accorded to outstanding debt securities of BNPP B.V. or BNPP by one of these rating agencies could result in a reduction in the trading value of the Securities.

Taxation

Potential purchasers and sellers of Securities should be aware that they may be required to pay stamp taxes or other documentary charges in accordance with the laws and practices of the country where the Securities are transferred and/or any asset(s) are delivered.

Change of Law

The Conditions of the English Law Securities are based on English law in effect as at the date of this Base Prospectus. The Conditions of the French Law Securities are based on French law in effect as at the date of this Base Prospectus. No assurance can be given as to the impact of any possible judicial decision or change to an administrative practice or change to English law or French law, as applicable, after the date of this Base Prospectus.

Termination of Securities in the Event of Illegality or Impracticability

If the Issuer determines that the performance of its obligations under the Securities has become illegal or impracticable in whole or in part for any reason, the Issuer may cancel, in the case of Warrants, or redeem, in the case of Certificates, the Securities by paying to each Holder the fair market value of such Securities less the cost to the Issuer and/or its Affiliates of unwinding any underlying related hedging arrangements. Such cancellation or redemption may result in an investor not realising a return on an investment in the Securities.

Post-issuance Information

Applicable Final Terms may specify that the relevant Issuer will not provide post-issuance information in relation to the Underlying Reference. In such an event, investors will not be entitled to obtain such information from the relevant Issuer.

Product Specific Risk Factors

Certain Considerations Associated with Index Securities

An investment in Index Securities will entail significant risks not associated with an investment in a conventional debt security. On redemption or exercise, as the case may be, of Index Securities, Holders will receive an amount (if any) determined by reference to the value of the underlying index/indices. Such underlying index may be a well known and widely published index or an index established and calculated by the Issuer or its affiliates or another entity which may not be widely published or available. The index may reference equities, bonds or other securities, it may be a property index referencing certain property price data which will be subject to market price fluctuations. A property index may include valuations only and not actual transactions and the property data sources used to compile the index may be subject to change, which may adversely affect the return on the Securities. Index Linked Interest Certificates pay interest calculated by reference the value of the underlying index/indices.

Certain Considerations Associated with Share Securities

An investment in Share Securities will entail significant risks not associated with an investment in a conventional debt security. On redemption or exercise, as the case may be, of Share Securities, Holders will receive an amount (if any) determined by reference to the value of the share(s) and/or the physical delivery of a given number of share(s). Accordingly, an investment in Share Securities may bear similar market risks to a direct equity investment and investors should take advice accordingly. Share Linked Interest Certificates pay interest calculated by reference to the value of the underlying share(s).

In the case of Share Securities, no issuer of the underlying shares will have participated in the preparation of the relevant Final Terms or in establishing the terms of the Securities, and none of the Issuer, the Guarantor or any Manager will make any investigation or enquiry in connection with such offering with respect to any information concerning any such issuer of shares contained in such Final Terms or in the documents from which such information was extracted. Consequently, there can be no assurance that all events occurring prior to the relevant issue date (including events that would affect the accuracy or completeness of the publicly available information described in this paragraph or in any relevant Final Terms) that would affect the trading price of the share will have been publicly disclosed. Subsequent disclosure of any such events or the disclosure of or failure to disclose material future events concerning such an issuer of shares could affect the trading price of the share and therefore the trading price of the Securities.

Except as provided in the Conditions, Holders will not have voting rights or rights to receive dividends or distributions or any other rights with respect to the relevant shares to which such Securities relate.

Certain Considerations Associated with GDR/ADR Securities

An investment in GDR/ADR Securities will entail significant risks not associated with an investment in a conventional debt security. On redemption or exercise, as the case may be, of GDR/ADR Securities, Holders will receive an amount (if any) determined by reference to the value of the GDRs/ADRs redemption or exercise, as the case may be, and/or the physical delivery of a given number of GDRs/ADRs. Accordingly, an investment in GDR/ADR Securities may bear similar market risks to a direct GDR investment, and investors should take advice accordingly. GDR/ADR Linked Interest Certificates pay interest calculated by reference to the value of the underlying GDRs/ADRs.

Certain Considerations Associated with Debt Securities

An investment in Debt Securities will entail significant risks not associated with an investment in a conventional debt security. On redemption or exercise, as the case may be, of Debt Securities, Holders will receive an amount (if any) determined by reference to the value of the underlying debt instrument(s) and/or the physical delivery of a given number of debt instrument(s). Accordingly, an investment in Debt Securities may bear similar market risks to a direct

debt instrument investment, and investors should take advice accordingly. Debt Linked Interest Certificates pay interest calculated by reference to the value of the underlying debt instrument(s).

Certain Considerations Associated with Currency Securities

An investment in Currency Securities will entail significant risks not associated with an investment in a conventional debt security. On redemption or exercise, as the case may be, of Currency Securities, Holders will receive an amount (if any) determined by reference to the value of the currency/currencies and/or the physical delivery of a given amount of a currency or currencies. Accordingly, an investment in Currency Securities may bear similar market risks to a direct currency investment, and investors should take advice accordingly. Currency Linked Interest Certificates pay interest calculated by reference to the value of the underlying currency/currencies.

Fluctuations in exchange rates of the relevant currency (or basket of currencies) will affect the value of Currency Securities. Furthermore, investors who intend to convert gains or losses from the exercise, redemption or sale of Currency Securities into their home currency may be affected by fluctuations in exchange rates between their home currency and the relevant currency (or basket of currencies). Currency values may be affected by complex political and economic factors, including governmental action to fix or support the value of a currency (or basket of currencies), regardless of other market forces. Purchasers of Currency Securities risk losing their entire investment if exchange rates of the relevant currency (or basket of currencies) do not move in the anticipated direction.

If additional warrants, securities or options relating to particular currencies or particular currency indices are subsequently issued, the supply of warrants and options relating to such currencies or currency indices, as applicable, in the market will increase, which could cause the price at which the Securities and such other warrants, securities and options trade in the secondary market to decline significantly.

Certain Considerations Associated with Commodity Securities

An investment in Commodity Securities will entail significant risks not associated with an investment in a conventional debt security. On exercise of Commodity Securities, Holders will receive an amount (if any) determined by reference to the value of the commodity, commodity index, commodities and/or commodity indices. Accordingly, an investment in Commodity Securities may bear similar market risks to a direct commodity investment, and investors should take advice accordingly. Commodity Linked Interest Certificates pay interest calculated by reference to the value of the underlying commodity, commodity index, commodities and/or commodity indices.

Certain Considerations Associated with Inflation Index Securities

An investment in Inflation Index Securities will entail significant risks not associated with an investment in a conventional debt security. On exercise of Inflation Index Securities, Holders will receive an amount (if any) determined by reference to the value of the underlying inflation index/indices. Inflation Index Linked Interest Certificates pay interest calculated by reference to the value of the underlying inflation index/indices.

Certain Considerations Associated with Fund Securities

An investment in Fund Securities will entail significant risks not associated with an investment in a conventional debt security. On exercise of Fund Securities, Holders will receive an amount (if any) determined by reference to the value of the fund shares or units and/or the physical delivery of a given number of fund shares or units. Accordingly, an investment in Fund Securities may bear similar market risks to a direct fund investment, and investors should take advice accordingly. Fund Index Linked Interest Certificates pay interest calculated by reference to the value of the underlying fund shares or units. The price of units or shares in a fund may be affected by the performance of the fund service providers, and in particular the investment adviser.

Certain Considerations Associated with Credit Certificates

The Issuers may issue Certificates where the amount payable is dependent upon whether certain events ("**Credit Events**") have occurred in respect of one or more Reference Entity/Entities and, if so, on the value of certain specified assets of such Reference Entity/Entities or where, if such events have occurred, such Issuers' obligation is to deliver certain specified assets.

The price of such Certificates may be volatile and will be affected by, amongst other things, the time remaining to the redemption date and the creditworthiness of the Reference Entity/Entities, which in turn may be affected by the economic, financial and political events in one or more jurisdictions.

Where the Certificates provide for physical delivery, the Issuer may determine that the specified assets to be delivered are either (a) assets which for any reason (including, without limitation, failure of the relevant clearance system or due to any law, regulation, court order or market conditions or the non-receipt of any requisite consents with respect to the delivery of assets which are loans) it is impossible or illegal to deliver on the specified settlement date or (b) assets which the Issuer and/or any Affiliate has not received under the terms of any transaction entered into by the Issuer and/or such Affiliate to hedge the Issuer's obligations in respect of the Certificates. Any such determination may delay settlement in respect of the Securities and/or cause the obligation to deliver such specified assets to be replaced by an obligation to pay a cash amount which, in either case, may affect the value of the Certificates and, in the case of payment of a cash amount, will affect the timing of the valuation of such Certificates and, as a result, the amount payable on redemption. Prospective purchasers should review the Terms and Conditions of the Certificates and the applicable Final Terms to ascertain whether and how such provisions should apply to the Certificates.

The Issuer's obligations in respect of Credit Linked Certificates are irrespective of the existence or amount of the Issuer's and/or any affiliates' credit exposure to a Reference Entity, and the Issuer and/or any affiliate need not suffer any loss nor provide evidence of any loss as a result of the occurrence of a Credit Event.

Certain Considerations Associated with Hybrid Securities

An investment in Hybrid Securities will entail significant risks not associated with an investment in a conventional debt security. On redemption or exercise, as the case may be, of Hybrid Securities Holders will receive an amount (if any) determined by reference to the value of a combination of a number of different Underlying References. Hybrid Linked Interest Certificates pay interest calculated by reference to the value of the combination of a number of Underlying References.

Additional Factors relating to certain Underlying References

Certain Considerations Associated with Securities linked to Funds

Where the Issuer issues Fund Securities linked to one or more Funds, including Hedge Funds, the relevant Securities reflect the performance of such fund(s).

Funds may trade and invest in a broad range of investments such as debt and equity securities, commodities and foreign exchange and may enter into derivative transactions, including, without limitation, futures and options. Funds may often be illiquid and may only be traded on a monthly, quarterly or even less frequent basis. The trading strategies of Funds are often opaque. Funds, as well as the markets and instruments in which they invest, are often not subject to review by governmental authorities, self-regulatory organisations or other supervisory authorities.

For all the above reasons, investing directly or indirectly in Funds is generally considered to be risky. If the underlying Fund does not perform sufficiently well, the value of the Security will fall, and may in certain circumstances be zero.

Certain Considerations Associated with Securities Linked to Emerging Markets

The Issuer may issue Securities where the amount payable on exercise or redemption or the interest payable is linked to Underlying References which consist of (i) securities, funds or indices comprising securities of issuers that are located in, or subject to regulation in, emerging or developing countries, or (ii) securities which are denominated in the currency of, or are traded in, emerging or developing countries or (iii) currencies of emerging or developing countries. Prospective investors should note that additional risks may be associated with investment in such Securities, including risks associated with political and economic uncertainty, adverse governmental policies, restrictions on foreign investment and currency convertibility, currency exchange rate fluctuations, possible lower levels of disclosure and regulation, and uncertainties as to the status, interpretation and application of laws including, but not limited to, those relating to expropriation, nationalisation and confiscation. Securities traded in emerging or developing countries tend to be less liquid and the prices of such securities more volatile. In addition, settlement of trades in some such markets may be slower and more subject to failure than in markets in developed countries.

Increased custodian costs as well as administrative difficulties (such as the applicability of the laws of the jurisdictions of emerging or developing countries to custodians in such jurisdictions in various circumstances, including bankruptcy, ability to recover lost assets, expropriation, nationalisation and record access) may also arise from the maintenance of assets in such emerging or developing countries.

Prospective purchasers of the Securities should also be aware that the probability of the occurrence of a Hedging Disruption Event (or other Adjustment Event under the relevant legal terms as set out further in the Warrant Conditions or the Certificate Conditions) and consequently loss of investment or profit by an investor may be higher for certain developing or emerging markets. Prospective purchasers are expected to conduct their own enquiries and be satisfied that there are additional risks associated with investments linked to the performance of underlying assets located in these markets.

Certain Considerations Associated with certain Dynamic Securities

The Issuer may issue dynamic Securities ("**Dynamic Securities**"). Dynamic Securities may be linked to a portfolio or strategy often comprising assets with a greater potential for return and consequently greater risk (e.g. a Hedge Fund) and assets with a lower return and consequently lesser risk (e.g. a zero coupon debt security issued by an issuer with a high credit rating). The portfolio or strategy may include leverage on certain specified terms. The portfolio or strategy is dynamic and may rebalance between the relevant assets based upon a specified allocation methodology. The value of Dynamic Securities is determined by reference to the underlying portfolio or strategy. This portfolio or strategy may change during the term of the Securities, which may affect the value of, and any return on, the Securities.

Considering the above aspects, Dynamic Securities are by their nature intrinsically complex, which makes their evaluation difficult in terms of risk at the time of the purchase as well as thereafter. Investors should therefore purchase Dynamic Securities only after having completely understood and evaluated either themselves or with a financial adviser the nature and the risk inherent in the Dynamic Security.

Disruption and Adjustment Provisions

Market Disruption Events or failure to open of an exchange

If an issue of Securities includes provisions dealing with the occurrence of a Market Disruption Event or failure to open of an exchange on the Strike Date (as defined below), a Valuation Date (as defined below), an Averaging Date (as defined below) or an Observation Date (as defined below) and the Calculation Agent determines that a Market Disruption Event or failure to open of an exchange has occurred or exists on the Strike Date, such Valuation Date, such Averaging Date or such Observation Date, any consequential postponement of the Strike Date, the Valuation Date, Averaging Date or Observation Date or any alternative provisions for valuation provided in any Securities may have an

adverse effect on the value and liquidity of such Securities. The occurrence of such a Market Disruption Event or failure to open of an exchange in relation to any Underlying Reference comprising a basket may also have such an adverse effect on Securities related to such basket. In addition, any such consequential postponement may result in the postponement of the relevant Settlement Date or Redemption Date.

Adjustment Events relating to Index Securities

In the case of Index Securities, if a relevant Index is (i) not calculated and announced by the Index Sponsor in respect of the Index but is calculated and announced by a successor sponsor or successor entity, as the case may be, acceptable to the Calculation Agent, or (ii) replaced by a successor index using, in the determination of the Calculation Agent, the same or a substantially similar formula for and method of calculation as used in the calculation of that Index, then, in each case, that index will be deemed to be the Index. In addition, if an Index Modification, an Index Cancellation or an Index Disruption (each as defined below) occurs (each being an Index Adjustment Event), then, except as may be limited in the case of U.S. Securities,

- (i) the Calculation Agent shall determine if such Index Adjustment Event has a material effect on the Securities and, if so, shall calculate the relevant Settlement Price on a modified basis as set out in the Conditions; or
- (ii) in the case of Warrants, unless otherwise specified in the applicable Final Terms or in the case of Certificates, unless Delayed Redemption on Occurrence of Index Adjustment Event is specified as applicable in the applicable Final Terms, the Issuer may cancel or redeem, as the case may be, the Securities. If the Securities are so cancelled or redeemed, the amount payable to each Holder in respect of each Security or, if Units are specified in the applicable Final Terms, each Unit, as the case may be, held by it shall be the fair market value of a Security or a Unit, as the case may be, taking into account the Index Adjustment Event less the cost to the Issuer and/or its Affiliates of unwinding any underlying related hedging arrangements, all as determined by the Calculation Agent in its sole and absolute discretion; or
- (iii) in the case of Certificates and if Delayed Redemption on Occurrence of Index Adjustment Event is specified as being applicable in the applicable Final Terms, the Calculation Agent shall calculate the fair market value of each Certificate taking into account the Index Adjustment Event less the cost to the Issuer and/or its Affiliates of unwinding any underlying related hedging arrangements (the "**Calculated Additional Disruption Amount**") as soon as practicable following the occurrence of the Index Adjustment Event (the "**Calculated Additional Disruption Amount Determination Date**") and, on the Redemption Date, shall redeem each Certificate at an amount calculated by the Calculation Agent equal to (x) the Calculated Additional Disruption Amount plus interest accrued from and including the Calculated Additional Disruption Amount Determination Date to but excluding the Redemption Date at a rate equal to the Issuer's funding cost at such time or (y) if greater, the Notional Amount.

Any such adjustment may have an adverse effect on the value and liquidity of such Securities.

*Potential Adjustment Events relating to Share Securities or Fund Securities linked to Exchange Traded Funds ("**ETF Linked Securities**")*

In the case of Share Securities or ETF Linked Securities, except as may be limited in the case of U.S. Securities, following the declaration by the Basket Company, Share Company or Fund, as the case may be, of the terms of any Potential Adjustment Event, the Calculation Agent will, in its sole and absolute discretion, determine whether such Potential Adjustment Event has a diluting or concentrative effect on the theoretical value of the Shares or Fund Shares and, if so, will (i) make the corresponding adjustment, if any, to any one or more of any Relevant Asset and/or the Entitlement and/or the Exercise Price and/or the Weighting and/or any of the other terms of the Terms and Conditions and/or the applicable Final Terms as the Calculation Agent in its sole and absolute discretion determines appropriate to account for that diluting or concentrative effect (provided that no adjustments will be made to account solely for

changes in volatility, expected dividends, stock loan rate or liquidity relative to the relevant Share or Fund Share) and (ii) determine the effective date of that adjustment. Such adjustment may have an adverse effect on the value and liquidity of the affected Share Securities or ETF Linked Securities.

Other Events relating to Share Securities or ETF Linked Securities

In the case of Share Securities or ETF Linked Securities, if a Merger Event, Tender Offer, De-Listing, Nationalisation or Insolvency occurs in relation to a Share or Fund Share, the Issuer in its sole and absolute discretion may take the action described in (i) or (ii) below (except as may be limited in the case of U.S. Securities):

- (i) require the Calculation Agent to determine in its sole and absolute discretion the appropriate adjustment, if any, to be made to any one or more of any Relevant Asset and/or the Entitlement and/or the Exercise Price and/or the Weighting and/or any of the other terms of these Terms and Conditions and/or the applicable Final Terms to account for the Merger Event, Tender Offer, De-Listing, Nationalisation or Insolvency, as the case may be, and determine the effective date of that adjustment, in which case such adjustment may have an adverse effect on the value and liquidity of the affected Share Securities or ETF Linked Securities; or
- (ii) in the case of Warrants unless otherwise specified in the applicable Final Terms or in the case of Certificates, unless Delayed Redemption on Occurrence of Extraordinary Event is specified as applicable in the applicable Final Terms, cancel or redeem, as the case may be, part (in the case of Share Securities or ETF Linked Securities relating to a basket of Shares or Fund Shares) or all (in any other case) of the Securities, in which case, following such cancellation, an investor generally would not be able to reinvest the redemption proceeds at an effective interest rate as high as the interest rate on the relevant Securities being redeemed and may only be able to do so at a significantly lower rate, and potential investors should consider reinvestment risk in light of other investments available at that time; or
- (iii) in the case of Certificates and if Delayed Redemption on Occurrence of Extraordinary Event is specified as being applicable in the applicable Final Terms, the Calculation Agent shall calculate the fair market value of each Certificate, taking into account the Merger Event, Tender Offer, De-Listing, Nationalisation or Insolvency, as the case may be, less the cost to the Issuer and/or its Affiliates of unwinding any underlying related hedging arrangements (the "**Calculated Additional Disruption Amount**") as soon as practicable following the occurrence of the relevant event (the "**Calculated Additional Disruption Amount Determination Date**") and, on the Redemption Date, shall redeem each Certificate at an amount calculated by the Calculation Agent equal to (x) the Calculated Additional Disruption Amount plus interest accrued from and including the Calculated Additional Disruption Amount Determination Date to but excluding the Redemption Date at a rate equal to the Issuer's funding cost at such time or (y) if greater, the Notional Amount.

Consequently the occurrence of a Merger Event, Tender Offer, De-Listing, Nationalisation or Insolvency in relation to a Share or Fund Share may have an adverse effect on the value or liquidity of the Securities.

Other Events relating to Fund Securities

In the case of Fund Securities, following the occurrence of an Extraordinary Fund Event, the Issuer may substitute the relevant Fund Shares with fund shares of a fund with similar characteristics or, if no such fund is selected, with a replacement index or terminate the Securities depending on whether such Extraordinary Fund Event is a Substitution Event or a Termination Event.

Consequently the occurrence of an Extraordinary Fund Event may have an adverse effect on the value or liquidity of the Securities.

Market Disruption Events relating to Commodity Securities

If a Market Disruption Event occurs then:

- (i) the Calculation Agent will determine if such event has a material effect on the Securities and, if so, will calculate the relevant Interest Amount and/or Cash Settlement Amount and/or make another relevant calculation using, in lieu of a published price for the relevant Commodity, the price for that Commodity as at the time specified on the relevant Pricing Date, as determined by the Calculation Agent taking into consideration the latest available quotation for such Commodity and any other information that in good faith it deems relevant; or
- (ii) in the case of Warrants unless otherwise specified in the applicable Final Terms or in the case of Certificates unless Delayed Redemption on Occurrence of Market Disruption Event is specified as being applicable in the applicable Final Terms, on giving notice to Holders, the Issuer will cancel or redeem, as applicable, the Securities, and pay in respect of each Security an amount equal to the fair market value of such Securities less the cost to the Issuer of unwinding any underlying related hedging arrangements, all as determined by the Calculation Agent in its sole and absolute discretion; or
- (iii) in the case of Certificates and if Delayed Redemption on Occurrence of Market Disruption Event is specified as being applicable in the applicable Final Terms, the Calculation Agent will calculate the fair market value of each Certificate, taking into account the Market Disruption Event less the cost to the Issuer and/or its Affiliates of unwinding any underlying related hedging arrangements (the "**Calculated Market Disruption Amount**") as soon as practicable following the occurrence of the Market Disruption Event (the "**Calculated Market Disruption Amount Determination Date**") and, on the Redemption Date, shall redeem each Certificate at an amount calculated by the Calculation Agent equal to (x) the Calculated Market Disruption Amount plus interest accrued from and including the Calculated Additional Market Amount Determination Date to but excluding the Redemption Date at a rate equal to Issuer's funding cost at such time or (y) if greater, the Notional Amount.

Consequently the occurrence of a Market Disruption Event in relation to a Commodity may have an adverse effect on the value or liquidity of the Securities.

Additional Disruption Events

If an Additional Disruption Event (other than a Failure to Deliver due to Illiquidity) occurs then:

- (i) the Calculation Agent will determine the appropriate adjustment, if any, to be made to any one or more of any Relevant Asset and/or the Entitlement and/or the Weighting and/or any of the other terms of the Terms and Conditions and/or the applicable Final Terms to account for the Additional Disruption Event and determine the effective date of that adjustment; or
- (ii) in the case of Warrants unless otherwise specified in the applicable Final Terms or in the case of Certificates unless Delayed Redemption on Occurrence of Additional Disruption Event is specified as being applicable in the applicable Final Terms, on giving notice to Holders in accordance with Condition 11, the Issuer will cancel or redeem the Securities, and pay in respect of each Security an amount equal to the fair market value of a Security taking into account the Additional Disruption Event less the cost to the Issuer and/or its Affiliates of unwinding any underlying related hedging arrangements, all as determined by the Calculation Agent in its sole and absolute discretion; or
- (iii) in the case of Certificates and if Delayed Redemption on Occurrence of Additional Disruption Event is specified as being applicable in the applicable Final Terms, the Calculation Agent will calculate the fair market

value of each Certificate, taking into account the Additional Disruption Event, less the cost to the Issuer and/or its Affiliates of unwinding any underlying related hedging arrangements (the "**Calculated Additional Disruption Amount**") as soon as practicable following the occurrence of the Additional Disruption Event (the "**Calculated Additional Disruption Amount Determination Date**") and on the Redemption Date shall redeem each Certificate at an amount calculated by the Calculation Agent equal to (x) the Calculated Additional Disruption Amount plus interest accrued from and including the Calculated Additional Disruption Amount Determination Date to but excluding the Redemption Date at a rate equal to Issuer's funding cost at such time or (y) if greater, the Notional Amount.

If a Failure to Deliver due to Illiquidity occurs:

- (i) subject as provided in the Conditions, any Relevant Assets which are not Affected Relevant Assets, will be delivered on the originally designated Redemption Date; and
- (ii) in respect of any Affected Relevant Assets, in lieu of physical settlement except in the case of U.S. Certificates (in which case another price or prices will be specified in the applicable Final Terms) the Issuer may elect in its sole discretion to satisfy its obligations in respect of the relevant Security, by payment to the relevant Holder of the Failure to Deliver Settlement Price on the fifth Business Day following the date that notice of such election is given to the Holders.

Consequently the occurrence of an Additional Disruption Event may have an adverse effect on the value or liquidity of the Securities.

Settlement Disruption Events

In the case of Physical Delivery Securities, if a Settlement Disruption Event occurs or exists on the Settlement Date or the Redemption Date respectively, settlement will be postponed until the next Settlement Business Day in respect of which there is no Settlement Disruption Event. The relevant Issuer in these circumstances also has the right to pay the Disruption Cash Settlement Price (as defined below) in lieu of delivering the Entitlement. As further described below, the Disruption Cash Settlement Price may be less than the fair market value of the Entitlement.

Option to Vary Settlement

If so indicated in the Final Terms, the relevant Issuer may, in its sole and absolute discretion, elect to vary the settlement of the Securities, by (i) in the case of Cash Settled Securities, delivering or procuring delivery of the Entitlement instead of making payment of the Cash Settlement Amount to the relevant Holders or (ii) in the case of Physical Delivery Securities, making payment of the Cash Settlement Amount to the relevant Holders instead of delivering or procuring delivery of the Entitlement.

Option to Substitute Assets or to Pay the Alternate Cash Amount

The Issuer may, in its sole and absolute discretion, if the Calculation Agent determines (in its sole and absolute discretion) that the Relevant Asset or Relevant Assets, as the case may be, comprise assets which are not freely tradable, elect either (i) to substitute a Substitute Asset or Substitute Assets, as the case may be, for the Relevant Asset or Relevant Assets or (ii) not to deliver or procure the delivery of the Entitlement or the Substitute Asset or Substitute Assets, as the case may be, to the relevant holders, but in lieu thereof to make payment to the relevant holders on the Settlement Date of the Alternate Cash Amount.

Certificates Subject to Optional Redemption or Cancellation by the Relevant Issuer or Other Early Redemption or Cancellation

An optional or other early redemption (or cancellation) feature is likely to limit the market value of the Certificates. In the case of Certificates having an optional redemption (or cancellation) feature, during any period when the relevant Issuer may elect to redeem (or cancel) the relevant Certificates, the market value of those Certificates generally will not rise substantially above the price at which they can be redeemed (or cancelled). This also may be true prior to any redemption (or cancellation) period. In addition, the Final Terms may provide that the relevant Certificates shall be redeemed (or cancelled) early in specified circumstances. Following an optional or early redemption (or cancellation), a Holder generally would not be able to reinvest the redemption (or cancellation) proceeds (if any) at an effective interest rate as high as the interest rate on the relevant Certificates being redeemed (or cancelled), and may only be able to do so at a significantly lower rate. Potential investors should consider reinvestment risk in light of other investments available at that time.

Interest

Interest linked to an Underlying Reference

Interest payable on Underlying Reference Linked Interest Certificates may be determined by reference to an Underlying Reference or combinations of a number of different Underlying References. Potential investors should be aware that:

- (i) the market price of such Securities may be volatile;
- (ii) they may receive no interest;
- (iii) payment of interest may occur at a different time or in a different currency than expected;
- (iv) an Underlying Reference may be subject to significant fluctuations that may not correlate with changes in interest rates, currencies or other indices;
- (v) if an Underlying Reference is applied to Certificates in conjunction with a weighting greater than one or contains some other leverage factor, the effect of changes in the Underlying Reference on interest payable will be magnified;
- (vi) the timing of changes in an Underlying Reference may affect the actual yield to investors, even if the average level is consistent with their expectations (in general, the earlier the change in the Underlying Reference, the greater the effect on yield); and
- (vii) interest may only be payable and/or calculated in respect of certain specified days and/or periods on or during which the Underlying Reference or its value equals, exceeds and/or is less than certain specified thresholds.

Limited Exposure to Underlying Reference

If the applicable Final Terms provide that the exposure of the relevant Securities to one or more Underlying References is limited or capped at a certain level or amount, the relevant Securities will not benefit from any upside in the value of any such Underlying References beyond such limit or cap.

Certain Additional Risk Factors Relating to market access products

Prospective purchasers of the Securities should note that the Securities are market access products in that the Issuer's obligations in respect thereof may be hedged by means of the Share(s), the Index, the Shares comprised in the Index, the Shares relating to the depositary receipts, the Debt Securities and/or any instrument used for the purposes of hedging obligations under the Securities being held by a Qualified Investor which is a company within the Issuer's

group. Although the prospective purchaser of the Securities will have no proprietary interest in such Share(s), the Index, the Shares comprised in the Index, the Shares relating to the depositary receipts, the Debt Securities and/or any instrument used for the purposes of hedging obligations under the Securities, the economic and other risks associated with such Shares, the Index, the Shares comprised in the Index, the Shares relating to the depositary receipts, the Debt Securities and/or instrument shall be assumed by the prospective purchasers of Securities as set out further in the Warrant Conditions or the Certificate Conditions.

No assurance can be given as to the liquidity of any trading market for the Securities. Prospective purchasers of the Securities should note that the liquidity of any trading market for the Securities is directly linked to the liquidity of any trading market for the Shares, the depositary receipts, the Debt Securities or the Index or contracts or instruments which reference the Index.

Prospective purchasers of the Securities should also be aware that the probability of the occurrence of a Hedging Disruption Event (or other Adjustment Event under the relevant legal terms as set out further in the Warrant Conditions or the Certificate Conditions) may be higher for certain developing or emerging markets as further described in "*Certain Considerations Associated with Securities Linked to Emerging Markets*" above.

Certain Additional Risk Factors Associated with Warrants

Limitations on Exercise of Warrants

If so indicated in the Final Terms, the relevant Issuer will have the option to limit the number of Warrants exercisable on any date (other than the final exercise date) to the maximum number specified in the Final Terms and, in conjunction with such limitation, to limit the number of Warrants exercisable by any person or group of persons (whether or not acting in concert) on such date. In the event that the total number of Warrants being exercised on any date (other than the final exercise date) exceeds such maximum number and the Issuer elects to limit the number of Warrants exercisable on such date, a Holder may not be able to exercise on such date all the Warrants that such Holder desires to exercise. In any such case, the number of Warrants to be exercised on such date will be reduced until the total number of Warrants exercised on such date no longer exceeds such maximum, such Warrants being selected at the discretion of the Issuer or in any other manner specified in the applicable Final Terms. Unless otherwise specified in the Final Terms, the Warrants tendered for exercise but not exercised on such date will be automatically exercised on the next date on which Warrants may be exercised, subject to the same daily maximum limitation and delayed exercise provisions.

Minimum Exercise Amount of Warrants

If so indicated in the Final Terms, a Holder must tender or, in the case of automatic exercise, hold, a specified number of Warrants at any one time in order to exercise. Thus, Holders with fewer than the specified minimum number of Warrants will either have to sell their Warrants or purchase additional Warrants, incurring transaction costs in each case, in order to realise their investment. Furthermore, holders of such Warrants incur the risk that there may be differences between the trading price of such Warrants and the Cash Settlement Amount (in the case of Cash Settled Warrants) or the Physical Settlement Value (in the case of Physical Delivery Warrants) of such Warrants.

Time Lag after Exercise of Warrants

In the case of any exercise of Warrants, there will be a time lag between the time a Holder gives instructions to exercise and the time the applicable Cash Settlement Amount (in the case of Cash Settled Warrants) relating to such exercise is determined. Any such delay between the time of exercise and the determination of the Cash Settlement Amount will be specified in the applicable Final Terms or the applicable Terms and Conditions. However, such delay could be significantly longer, particularly in the case of a delay in the exercise of Warrants arising from any daily maximum exercise limitation, the occurrence of a Market Disruption Event or the failure to open of an exchange (if applicable) or following the imposition of any exchange controls or other similar regulations affecting the ability to obtain or exchange any relevant currency (or basket of currencies) in the case of Currency Warrants. The applicable Cash

Settlement Amount may change significantly during any such period, and such movement or movements could decrease the Cash Settlement Amount of the relevant Warrants, and may result in such Cash Settlement Amount being zero.

("**Monte Titoli**") pursuant to Italian legislative decree no. 213/1998, as amended and implemented and subsequent implementing provisions. Italian Dematerialised Warrants will not be issued in definitive form.

In the event that the applicable Final Terms specify that Warrants are eligible for sale in the United States ("**US Warrants**") (such eligibility to be pursuant to an exemption from the registration requirements of the Securities Act of 1933, as amended (the "**Securities Act**")), (A) the Warrants sold in the United States to qualified institutional buyers ("**QIBs**") within the meaning of Rule 144A ("**Rule 144A**") under the Securities Act ("**Rule 144A Warrants**") will be represented by one or more Rule 144A global warrants (each, a "**Rule 144A Global Warrant**"), (B) the Warrants sold in the United States to certain accredited investors ("**AIs**") (as defined in Rule 501(a) under the Securities Act) will be constituted by private placement definitive warrants (the "**Private Placement Definitive Warrants**"), and (C) in either such case, the Warrants sold outside the United States to non-U.S. persons under the exemption contained in Regulation S ("**Regulation S**") under the Securities Act will be represented by one or more Regulation S global warrants (each, a "**Regulation S Global Warrant**"). References herein to a Clearing System Global Warrant include, as the context so requires, a Rule 144A Global Warrant and a Regulation S Global Warrant. In the event that the Final Terms does not specify that Warrants are eligible for sale in the United States or to U.S. persons, the Warrants offered and sold outside the United States to non-U.S. persons under the exemption contained in Regulation S will be represented by a Clearing System Global Warrant or a Registered Global Warrant, as the case may be.

In the event that the Warrants are constituted by a Clearing System Global Warrant (such Warrants being hereinafter referred to as "**Clearing System Warrants**"), the Clearing System Global Warrant will be deposited with a depository (the "**Common Depository**") common to Clearstream Banking, société anonyme ("**Clearstream, Luxembourg**") and Euroclear Bank S.A./N.V. ("**Euroclear**") and/or any other relevant Clearing System (as defined below) or (in the case of English Law Warrants held through Euroclear France) with Euroclear France, in each case in accordance with the rules and regulations of the relevant clearing system(s). If the Clearing System specified in the Final Terms is Iberclear, the term Common Depository and/or Custodian shall be deemed to refer to the foreign custodian (*Entidad Custodia*) or Iberclear Participant (*Entidad Miembro de Iberclear*), as the case may be, appointed in accordance with the rules and regulations of Iberclear. Warrants represented by a Rule 144A Global Warrant will be either (i) deposited with a custodian (a "**Custodian**") for, and registered in the name of a nominee of, The Depository Trust Company ("**DTC**"), or (ii) issued and deposited with the Common Depository on behalf of Clearstream, Luxembourg and Euroclear and/or any other relevant Clearing System.

In the event that the Warrants are constituted by a Registered Global Warrant (such Warrants being hereafter referred to as "**Registered Warrants**"), the Registered Global Warrant will be held by the Registrar on behalf of the holders.

Interests in a Rule 144A Global Warrant and a Regulation S Global Warrant may be exchanged for interests in the other Clearing System Global Warrant and for Private Placement Definitive Warrants and Private Placement Definitive Warrants may be exchanged for an interest in a Rule 144A Global Warrant or Regulation S Global Warrant only as described herein. Interests in a Clearing System Global Warrant or a Private Placement Definitive Warrant may not be exchanged for interests in a Registered Global Warrant and interests in a Registered Global Warrant may not be exchanged for interests in a Clearing System Global Warrant or a Private Placement Definitive Warrant.

Each of the Clearing System Global Warrant and the Registered Global Warrant is referred to in these Terms and Conditions as a "**Global Warrant**". The applicable Final Terms (or the relevant provisions thereof) will be attached to such Global Warrant.

In the case of Warrants represented by a Rule 144A Global Warrant held by a Custodian on behalf of DTC, if DTC notifies BNPP that it is unwilling or unable to continue as a depository for that Global Warrant or if at any time DTC ceases to be a "clearing agency" registered under the Exchange Act, and a successor depository is not appointed by BNPP within 90 days of such notice, BNPP will deliver Warrants in definitive registered form (bearing such legends as may be required by BNPP) in exchange for that Rule 144A Global Warrant. Except in these circumstances, owners of beneficial interests in a Rule 144A Global Warrant held by a Custodian on behalf of DTC will not be entitled to have any portion of such Warrants registered in their name and will not receive or be entitled to receive physical delivery of registered Warrants in definitive form in exchange for their interests in that Rule 144A Global Warrant. Transfer, exercise, settlement and other mechanics related to any Warrants issued in definitive form in exchange for Warrants represented by such Rule 144A Global Warrant shall be as agreed between BNPP and the New York Warrant Agent.

French Law Warrants (as defined in Condition 4 below) are issued in dematerialised form (*au porteur*) (such Warrants hereinafter also referred to as "**Clearing System Warrants**"). No physical document of title (including *certificats représentatifs* pursuant to Article R.211-7 of the French *Code Monétaire et Financier*) will be issued in respect of French Law Warrants.

The applicable Final Terms for the Warrants supplements these Terms and Conditions and may specify other terms and conditions which shall, to the extent so specified or to the extent inconsistent with these Terms and Conditions, supplement, replace or modify these Terms and Conditions for the purposes of the Warrants.

References herein to the "applicable Final Terms" are to the Final Terms or two or more sets of Final Terms (in the case of any further warrants issued pursuant to Condition 13 and forming a single series with the Warrants) (which, for the avoidance of doubt, may be issued in respect of more than one series of Warrants) insofar as they relate to the Warrants.

Subject as provided in Condition 3 and in the relevant Guarantee (as defined below), where the Issuer is BNPP B.V., the obligations of BNPP B.V. with respect to physical delivery (if applicable) and/or the payment of amounts payable by BNPP B.V. are guaranteed by BNPP (in such capacity, the "**Guarantor**") pursuant to the Guarantee. The original of each Guarantee is held by BNP Paribas Securities Services, Luxembourg Branch on behalf of the Holders at its specified office.

Copies of the Agency Agreement, the Guarantees and the applicable Final Terms may be obtained from the specified office of the relevant Warrant Agent and the Registrar (in the case of Registered Warrants), save that if the Warrants are unlisted, the applicable Final Terms will only be obtainable by a Holder and such Holder must produce evidence satisfactory to the relevant Warrant Agent as to identity. Copies of the VPC Agency Agreement and the English Law Guarantee will be available for inspection at the office of the VPC Warrant Agent specified in the applicable Final Terms.

Words and expressions defined in the Agency Agreement or used in the applicable Final Terms shall have the same meanings where used in these Terms and Conditions unless the context otherwise requires or unless otherwise stated.

The Holders (as defined in Condition 1(B)) are entitled to the benefit of and are deemed to have notice of and are bound by all the provisions of the Agency Agreement (insofar as they relate to the Warrants) and the applicable Final Terms, which are binding on them.

1. Type, Title and Transfer

(A) Type

The Warrants relate to a specified Index or basket of Indices ("**Index Warrants**"), a specified Share or basket of Shares ("**Share Warrants**"), a specified depository receipt (a "**GDR/ADR**") referencing a share (an "**Underlying Share**") or basket of GDRs and/or ADRs ("**GDR/ADR Warrants**"), a specified debt instrument ("**Debt Security**") or basket of Debt Securities ("**Debt Warrants**"), a specified currency ("**Currency**") or basket of Currencies ("**Currency Warrants**"), a specified commodity ("**Commodity**") or basket of Commodities ("**Commodity Warrants**"), a specified inflation Index or basket of inflation Indices ("**Inflation Index Warrants**"), a specified fund share or unit or basket of fund shares or Units ("**Fund Warrants**"), the credit of a specified reference entity or entities ("**Credit Linked Warrants**") or any other or further type of warrants as is specified in the applicable Final Terms including Warrants which relate to any combination of such indices, shares, debt securities, currencies, fund shares or units, commodities and other asset classes or types ("**Hybrid Warrants**"). Warrants related to a specified currency or basket of currencies, a specified commodity or basket of commodities, a specified interest rate or basket of interest rates or a specified inflation index or basket of inflation indices, a specified fund share or unit or basket of fund shares or units, the credit of a specified reference entity or reference entities, or Hybrid Warrants related to any of these asset classes, may not at any time be offered, sold, resold, held, traded, pledged, exercised, settled, transferred or delivered, directly or indirectly, in the United States or to, by or for the account or benefit of, persons that are U.S. persons as defined in Regulation S under the Securities Act or that are not non-United States Persons as defined in Rule 4.7 under the United States Commodity Exchange Act, as amended.

The applicable Final Terms will indicate whether the Warrants are American style Warrants ("**American Style Warrants**") or European style Warrants ("**European Style Warrants**"), Registered Warrants or such other type as may be specified in the applicable Final Terms, in the case of Cash Settled Warrants whether automatic exercise ("**Automatic Exercise**") applies to the Warrants, whether settlement shall be by way of cash payment ("**Cash Settled Warrants**") or physical delivery ("**Physical Delivery Warrants**"), whether the Warrants are call Warrants ("**Call Warrants**") or put Warrants ("**Put Warrants**"), or such other type as may be specified in the applicable Final Terms, whether the Warrants may only be exercised in units ("**Units**") and whether Averaging ("**Averaging**") will apply to the Warrants. If Units are specified in the applicable Final Terms, Warrants must be exercised in Units and any Exercise Notice which purports to exercise Warrants in breach of this provision shall be void and of no effect. If Averaging is specified as applying in the applicable Final Terms the applicable Final Terms will state the relevant Averaging Dates and, if an Averaging Date is a Disrupted Day, whether Omission, Postponement or Modified Postponement (each as defined in Condition 4 below) applies. If the Warrants are VPC Warrants they will be European Style Warrants and Cash Settlement and Automatic Exercise will apply. If the Warrants are Italian Dematerialised Warrants they will be European Style Warrants or American Style Warrants and Cash Settlement and Automatic Exercise will apply.

References in these Terms and Conditions, unless the context otherwise requires, to Cash Settled Warrants shall be deemed to include references to (a) Physical Delivery Warrants, which include an option (as set out in the applicable Final Terms) at the Issuer's election to request cash settlement of such Warrant pursuant to Condition 5(D)(i) and where settlement is to be by way of cash payment, and (b) Physical Delivery Warrants where settlement is to be automatically varied to be by way of a cash payment pursuant to Condition 5(D)(i). References in these Terms and Conditions, unless the context otherwise requires, to Physical Delivery Warrants shall be deemed to include references to Cash Settled Warrants which include an option (as set out in the applicable Final Terms) at the Issuer's election to request physical delivery of the relevant underlying asset in settlement of such Warrant pursuant to Condition 5(D)(i) and where settlement is to be by way of physical delivery. Unless otherwise specified in the applicable Final Terms, BNPP does not have the option to vary settlement in respect of the U.S. Warrants pursuant to Condition 5(D)(i).

Warrants may, if specified in the applicable Final Terms, allow Holders to elect for settlement by way of cash payment or by way of physical delivery or by such other method of settlement as is specified in the applicable Final Terms. Those Warrants where the Holder has elected for cash payment will be Cash Settled Warrants and those Warrants where the Holder has elected for physical delivery will be Physical Delivery Warrants. The rights of a Holder as described in this paragraph may be subject to the Issuer's right to vary settlement as indicated in the applicable Final Terms and will be subject to the Issuer's right to substitute assets or pay the Alternate Cash Amount (as defined below) in lieu of physical delivery in accordance with Condition 5(E).

(B) Title to Warrants

The Warrants will, upon issue, be inscribed in the books of Euroclear France which will credit the accounts of the relevant Account Holders.

For the purpose of these Conditions, "**Account Holder**" means any authorised financial intermediary institution entitled to hold accounts, directly or indirectly, on behalf of its customers with Euroclear France, and includes the depositary bank for Clearstream Luxembourg and Euroclear and any other relevant Clearing System.

In the case of Warrants represented by a Rule 144A Global Warrant held by a Custodian on behalf of DTC, the Rule 144A Global Warrant will be registered in the name of Cede & Co., as nominee of DTC, but this does not confer any rights or benefits on Cede & Co. or any other nominee of DTC in whose name a Rule 144A Global Warrant may be registered. Transfers of such Rule 144A Global Warrant by such nominee of DTC shall be limited to transfers of such Rule 144A Global Warrant, in whole but not in part, to another nominee of DTC or to a successor of DTC or such successor's nominee. Rights conferred by the Rule 144A Global Warrant are only enforceable by the Holders (as defined below) as provided therein. treated as the absolute owner of such amount of Warrants for all purposes (regardless of any notice of ownership, trust, or any interest in it, any writing on it, or its theft or loss) and no person will be liable for so treating such person.

(D) Transfers of Interests in Clearing System Warrants and Private Placement Definitive Warrants

Transfers of Warrants may not be effected after the exercise of such Warrants pursuant to Condition 6.

Guarantor will as soon as practicable following the failure by the Issuer to satisfy its obligations under such Warrants deliver or procure delivery of such Entitlement using the method of delivery specified in the applicable Final Terms provided that, if in the opinion of BNPP, delivery of the Entitlement using such method is not practicable by reason of (x) a Settlement Disruption Event (as defined in Condition 5(C)(2)) or (y) if "Failure to Deliver due to Illiquidity" is specified as applying in the applicable Final Terms, a Failure to Deliver due to Illiquidity (as defined in Condition 16(A)), in lieu of such delivery BNPP will make payment in respect of each such Warrant of, in the case of (x) above, the Guaranteed Cash Settlement Amount or, in the case of (y) above, the Failure to Deliver Settlement Price (as defined in Condition 16(C)). Subject as set out below, any Renouncement Notice so determined to be incomplete or not in proper form shall be null and void. If such Renouncement Notice is subsequently corrected to the satisfaction of the Italian Warrant Agent, it shall be deemed to be a new Renouncement Notice submitted at the time such correction was delivered to the Italian Warrant Agent.

(B) Cash Settlement

If the Warrants are Cash Settled Warrants, each such Warrant or, if Units are specified in the applicable Final Terms, each Unit entitles its Holder, upon due exercise and subject, in the case of Warrants represented by a Clearing System Global Warrant, other than a Rule 144A Global Warrant, or a Registered Warrant, to certification as to non-U.S. beneficial ownership, and, in the case of Warrants represented by Rule 144A Global Warrants and Private Placement Definitive Warrants, to such certifications as to compliance with U.S. securities laws as BNPP shall require or as shall be set out in the applicable Final Terms, to receive from the Issuer on the Settlement Date a Cash Settlement Amount calculated by the Calculation Agent (which shall not be less than zero) equal unless otherwise specified in the applicable Final Terms to:

- (i) where Averaging is not specified in the applicable Final Terms:
 - (a) if such Warrants are Call Warrants,

(Settlement Price less Exercise Price) multiplied by, in the case of Debt Warrants only, the nominal amount;
 - (b) if such Warrants are Put Warrants,

(Exercise Price less Settlement Price) multiplied by, in the case of Debt Warrants only, the nominal amount; and
 - (c) if such Warrants are not Call Warrants or Put Warrants, settlement will be as specified in the applicable Final Terms;
- (ii) where Averaging is specified in the applicable Final Terms:
 - (a) if such Warrants are Call Warrants,

(the arithmetic mean of the Settlement Prices for all the Averaging Dates less Exercise Price) multiplied by, in the case of Debt Warrants only, the nominal amount;
 - (b) if such Warrants are Put Warrants,

(Exercise Price less the arithmetic mean of the Settlement Prices for all the Averaging Dates) multiplied by, in the case of Debt Warrants only, the nominal amount; and
 - (c) if such Warrants are not Call Warrants nor Put Warrants, settlement will be as specified in the applicable Final Terms.

Any amount determined pursuant to the above, if not an amount in the Settlement Currency, will be converted into the Settlement Currency at the Exchange Rate specified in the applicable Final Terms for the purposes of determining the Cash Settlement Amount. The Cash Settlement Amount will be rounded to the nearest two decimal places in the relevant Settlement Currency, 0.005 being rounded upwards, with Warrants exercised at the same time by the same Holder being aggregated for the purpose of determining the aggregate Cash Settlement Amounts payable in respect of such Warrants or Units, as the case may be. In such cases, the formula for determining the Cash Settlement Amount may include a deduction for sales tax in the manner specified in the applicable Final Terms.

(C) Physical Settlement

(1) Exercise Rights in relation to Physical Delivery Warrants

If the Warrants are Physical Delivery Warrants, each such Warrant or, if Units are specified in the applicable Final Terms, each Unit, as the case may be, entitles its Holder, upon due exercise and subject, in the case of Warrants, represented by a Clearing System Global Warrant, other than a Rule 144A Global Warrant, or a Registered Warrant, to certification as to non-U.S. beneficial ownership, and, in the case of Warrants represented by a Rule 144A Global Warrant or a Private Placement Definitive Warrant, to such certifications as to compliance with U.S. securities laws as BNPP shall require or as shall be set out in the applicable Final Terms, to receive from the Issuer on the Settlement Date the Entitlement subject to payment of the relevant Exercise Price and any other sums payable. The method of delivery of the Entitlement is set out in the applicable Final Terms.

Warrants or Units, as the case may be, exercised at the same time by the same Holder will be aggregated for the purpose of determining the aggregate Entitlements in respect of such Warrants or Units, as the case may be, provided that the aggregate Entitlements in respect of the same Holder will be rounded down to the nearest whole unit of the Relevant Asset or each of the Relevant Assets, as the case may be, in such manner as the Calculation Agent shall determine. Therefore, fractions of the Relevant Asset or of each of the Relevant Assets, as the case may be, will not be delivered and no cash adjustment will be made in respect thereof.

Following exercise of a Share Warrant which is a Physical Delivery Warrant, all dividends on the relevant Shares to be delivered will be payable to the party that would receive such dividend according to market practice for a sale of the Shares executed on the relevant Actual Exercise Date and to be delivered in the same manner as such relevant Shares. Any such dividends to be paid to a Holder will be paid to the account specified by the Holder in the relevant Exercise Notice as referred to in Condition 6.

(2) Settlement Disruption

If, following the exercise of Physical Delivery Warrants, in the opinion of the Calculation Agent, delivery of the Entitlement using the method of delivery specified in the applicable Final Terms or such commercially reasonable manner as the Calculation Agent has determined is not practicable by reason of a Settlement Disruption Event (as defined below) having occurred and continuing on any Settlement Date, then such Settlement Date for such Warrants shall be postponed to the first following Settlement Business Day in respect of which there is no such Settlement Disruption Event, provided that the Issuer may elect in its sole discretion to satisfy its obligations in respect of the relevant Warrant or Unit, as the case may be, by delivering the Entitlement using such other commercially reasonable manner as it may select and in such event the Settlement Date shall be such day as the Issuer deems appropriate in connection with delivery of the Entitlement in such other commercially reasonable manner. For the avoidance of doubt, where a Settlement Disruption Event affects some but not all of the Relevant Assets comprising the Entitlement, the Settlement Date for the Relevant Assets not affected by the Settlement Disruption Event will be the originally designated Settlement Date. In the event that a Settlement Disruption Event will result in the delivery on a Settlement Date of some but not all of the Relevant Assets comprising the Entitlement, the Calculation Agent shall determine in its discretion the appropriate *pro rata*

portion of the Exercise Price to be paid by the relevant Holder in respect of that partial settlement. For so long as delivery of the Entitlement is not practicable by reason of a Settlement Disruption Event, then in lieu of physical settlement and notwithstanding any other provision hereof, except in the case of U.S. Warrants (in which case another price or prices will be specified in the applicable Final Terms) the Issuer may elect in its sole discretion to satisfy its obligations in respect of the relevant Warrant or Unit, as the case may be, by payment to the relevant Holder of the Disruption Cash Settlement Price (as defined below) on the fifth Business Day following the date that notice of such election is given to the Holders in accordance with Condition 11. Payment of the Disruption Cash Settlement Price will be made in such manner as shall be notified to the Holders in accordance with Condition 11. The Calculation Agent shall give notice as soon as practicable to the Holders in accordance with Condition 11 that a Settlement Disruption Event has occurred. No Holder shall be entitled to any payment in respect of the relevant Warrant or Unit, as the case may be, in the event of any delay in the delivery of the Entitlement due to the occurrence of a Settlement Disruption Event and no liability in respect thereof shall attach to the Issuer or the Guarantor (if any).

For the purposes hereof:

"Disruption Cash Settlement Price" in respect of any relevant Warrant or Unit, as the case may be, shall be the fair market value of such Warrant or Unit, as the case may be (taking into account, where the Settlement Disruption Event affected some but not all of the Relevant Assets comprising the Entitlement and such non-affected Relevant Assets have been duly delivered as provided above, the value of such Relevant Assets), less the cost to the Issuer and/or its Affiliates of unwinding any underlying related hedging arrangements (unless otherwise provided in the applicable Final Terms), all as determined by the Issuer in its sole and absolute discretion, plus, if applicable and if already paid, the Exercise Price (or, where as provided above some Relevant Assets have been delivered, and a *pro rata* portion thereof has been paid, such *pro rata* portion);

"Settlement Business Day" in respect of each Warrant, has the meaning specified in the applicable Final Terms relating to such Warrant; and

"Settlement Disruption Event" means, in the opinion of the Calculation Agent or, if the proviso to Condition 3 applies, BNPP, an event beyond the control of the Issuer or, if the proviso to Condition 3 applies, BNPP as a result of which the Issuer or BNPP, as the case may be, cannot make delivery of the Relevant Asset(s) using the method specified in the applicable Final Terms.

- (3) Failure to Deliver due to Illiquidity

"Failure to Deliver due to Illiquidity" if specified as applying in the applicable Final Terms, will be an Additional Disruption Event, as described in Condition 16(A) below.

(D) Variation of Settlement

- (i) If the applicable Final Terms indicate that the Issuer has an option to vary settlement in respect of the Warrants (which, unless otherwise specified, will not apply to U.S. Warrants), upon a valid exercise of Warrants in accordance with these Terms and Conditions, the Issuer may at its sole and unfettered discretion in respect of each such Warrant or, if Units are specified in the applicable Final Terms, each Unit, elect not to pay the relevant Holders the

Cash Settlement Amount or to deliver or procure delivery of the Entitlement to the relevant Holders, as the case may be, but, in lieu thereof to deliver or procure delivery of the Entitlement or make payment of the Cash Settlement Amount on the Settlement Date to the relevant Holders, as the case may be. Notification of such election will be given to Holders in accordance with Condition 11.

- (ii) If specified in the applicable Final Terms, following a valid exercise of Warrants in accordance with these Conditions, the Issuer shall, in respect of each such Warrant or, if Units are specified in the applicable Final Terms, each Unit, in lieu of delivering or procuring the delivery of the Entitlement to the relevant Holders, make payment of the Cash Settlement Amount on the Settlement Date to the relevant Holders.

(E) Issuer's Option to Substitute Assets or to pay the Alternate Cash Amount

Following a valid exercise of Warrants in accordance with these Conditions, the Issuer may, in its sole and absolute discretion in respect of such Warrants, if the Calculation Agent determines (in its sole and absolute discretion) that the Relevant Asset or Relevant Assets, as the case may be, comprise(s) shares which are not freely tradable, elect either (i) to substitute for the Relevant Asset or the Relevant Assets, as the case may be, an equivalent value (as determined by the Calculation Agent in its sole and absolute discretion) of such other shares which the Calculation Agent determines, in its sole and absolute discretion, are freely tradable (the "**Substitute Asset**" or the "**Substitute Assets**", as the case may be) or (ii) not to deliver or procure the delivery of the Entitlement or the Substitute Asset or Substitute Assets, as the case may be, to the relevant Holders, but in lieu thereof to make payment to the relevant Holders on the Settlement Date of an amount equal to the fair market value of the Entitlement on the Valuation Date as determined by the Calculation Agent in its sole and absolute discretion by reference to such sources as it considers appropriate (the "**Alternate Cash Amount**"). Notification of any such election will be given to Holders in accordance with Condition 11.

For purposes hereof, a "**freely tradable**" share shall mean (i) with respect to the United States, a share which is registered under the Securities Act or not restricted under the Securities Act and which is not purchased from the issuer of such share and not purchased from an affiliate of the issuer of such share or which otherwise meets the requirements of a freely tradable share for purposes of the Securities Act, in each case, as determined by the Calculation Agent in its sole and absolute discretion or (ii) with respect to any other jurisdiction, a share not subject to any legal restrictions on transfer in such jurisdiction.

(F) General

In relation to any Cash Settled Warrants where Automatic Exercise is specified as applying in the applicable Final Terms, the expressions "**exercise**", "**due exercise**" and related expressions shall be construed to apply to any such Cash Settled Warrants which are automatically exercised in accordance with the above provisions.

None of the Issuers, the Guarantor, the Calculation Agent and any Warrant Agent shall have any responsibility for any errors or omissions in the calculation of any Cash Settlement Amount or of any Entitlement.

The purchase of Warrants does not confer on any Holder of such Warrants any rights (whether in respect of voting, distributions or otherwise) attaching to any Relevant Asset.

All references in this Condition to "**Luxembourg or Brussels time**" or "**New York time**" shall, where Warrants are cleared through an additional or alternative clearing system, be deemed to refer as appropriate to the time in the city where the relevant clearing system is located.

(A) Warrant Agents and Registrar

The specified offices of each of the Warrant Agents and the Registrar are as set out at the end of these Terms and Conditions.

Each of the Issuer and the Guarantor, if any, reserves the right at any time to vary or terminate the appointment of any Warrant Agent or the Registrar and to appoint further or additional Warrant Agents or a further or additional Registrar, provided that no termination of appointment of the Warrant Agent or the Registrar, as the case may be, shall become effective until a replacement Warrant Agent or a replacement Registrar, as the case may be, shall have been appointed and provided that, so long as any of the Warrants are listed on a stock exchange, there shall be a Warrant Agent having a specified office in each location required by the rules and regulations of the relevant stock exchange and, if the Warrants are Registered Warrants, there shall be a Registrar. So long as any of the Warrants are Private Placement Definitive Warrants, there shall be a Definitive Warrant Agent, and so long as any of the Warrants are represented by a Rule 144A Global Warrant held by a Custodian on behalf of DTC, there shall be a New York Warrant Agent. Notice of any termination of appointment and of any changes in the specified office of any of the Warrant Agents or the Registrar will be given to Holders in accordance with Condition 11. In acting under the Agency Agreement, the Warrant Agent and the Registrar act solely as agents of the Issuer and the Guarantor, if any, and do not assume any obligation or duty to, or any relationship of agency or trust for or with, the Holders and any determinations and calculations made in respect of the Warrants by the Warrant Agent or the Registrar shall (save in the case of manifest error) be final, conclusive and binding on the Issuer, the Guarantor, if any, and the respective Holders.

In the case of VPC Warrants the relevant Issuer is entitled to vary or terminate the appointment of the VPC Warrant Agent, provided that it appoints another VPC Warrant Agent that is duly authorised under the SFIA Act as an account operator.

(B) Calculation Agent

In relation to each issue of Warrants, the Calculation Agent (whether it be BNP Paribas, BNP Paribas Arbitrage SNC or another entity) acts solely as agent of the Issuer and the Guarantor, if any, and does not assume any obligation or duty to, or any relationship of agency or trust for or with, the Holders. All calculations and determinations made in respect of the Warrants by the Calculation Agent shall (save in the case of manifest error) be final, conclusive and binding on the Issuer, the Guarantor, if any, and the Holders. Because the Calculation Agent may be an affiliate of the Issuers, potential conflicts of interest may exist between the Calculation Agent and the Holders, including with respect to certain determinations and judgments that the Calculation Agent must make.

The Calculation Agent may, with the consent of the Issuer, delegate any of its obligations and functions to a third party as it deems appropriate.

(C) Determinations by the Issuer and the Guarantor

Any determination made by the Issuer or the Guarantor, if any, pursuant to these Terms and Conditions shall (save in the case of manifest error) be final, conclusive and binding on the Issuer, the Guarantor, if any, and the Holders.

(D) Meetings of Holders

(i) English Law Warrants

The Agency Agreement contains provisions for convening meetings of the Holders of English Law Warrants of a series to consider any matter affecting their interests, including the sanctioning by Extraordinary Resolution (as defined in the Agency Agreement) of a modification of the Terms and Conditions or the Agency Agreement. At least 21 days' notice (exclusive of the day on which the notice is given and of the day on which the meeting is held) specifying the date, time and place of the meeting shall be given to Holders. Such a meeting may be convened by the Issuer, the Guarantor or Holders holding not less than 5 per cent. (by number) of the Warrants for the time being remaining unexercised. The quorum at a meeting of the Holders (except for the purpose of passing an Extraordinary Resolution) will be two or more persons holding or representing not less than 20 per cent. (by number) of the Warrants for the time being remaining unexercised, or at any adjourned meeting two or more persons being or representing Holders whatever the number of Warrants so held or represented. The quorum at a meeting of Holders for the purpose of passing an Extraordinary Resolution will be two or more persons holding or representing not less than 50 per cent. (by number) of the Warrants for the time being remaining unexercised or at any adjourned meeting two or more persons being holding or representing not less than 10 per cent. (by number) of the Warrants for the time being remaining unexercised. A resolution will be an Extraordinary Resolution when it has been passed at a duly convened meeting by not less than three fourths of the votes cast by Holders at such meeting who, being entitled to do so, vote in person or by proxy. An Extraordinary Resolution passed at any meeting of the Holders shall be binding on all the Holders, whether or not they are present at the meeting, save for those Warrants remaining unexercised but for which an Exercise Notice shall have been received as described in Condition 6 prior to the date of the meeting. Warrants which have not been exercised but in respect of which an Exercise Notice has been received as described in Condition 6 will not confer the right to attend or vote at, or join in convening, or be counted in the quorum for, any meeting of the Holders. Resolutions can be passed in writing if passed unanimously.

(ii) French Law Warrants

(a) Representation

In respect of any series of French Law Warrants, Holders shall not be grouped automatically for the defence of their common interests in a *masse* constituting a separate legal body and governed by the provisions of Articles L.228-46 *et seq* of the French *Code de commerce*. Consequently the Holders shall not be represented by any representative of such body.

However, general meetings of Holders (a "**General Meeting**") may be convened to consider some matters relating to any series of French Law Warrants as provided hereunder.

(b) Powers of the General Meetings

The General Meeting is empowered to deliberate on any proposal relating to any matter affecting the interests of the Holders of the French Law Warrants and their

rights, actions and benefits which now or in the future may accrue with respect to the Warrants, including the:

- (A) power to agree to any modification of the Warrants including but not limited to, a modification of the Exercise Price, Exercise Period, Cash Settlement Amount, Entitlement, Expiration Date, Settlement Date or more generally the modification of any term which can affect the amount to be paid under a Warrant or the scheduled payment date, which is proposed by the Issuer;
- (B) power to give any authority or approval which under the provisions of this Condition 10(D)(ii) is required to be given by a resolution of the General Meeting;
- (C) power to appoint any persons (whether Holders or not) as a committee or committees to confer upon any such committee or committees any powers or discretions which the Holders could themselves exercise by a resolution of the General Meeting; and
- (D) power to approve any contractual compromise or arrangement proposed to be made between the Issuer and the relevant Holders in respect of the rights of the Holders against the Issuer or against any of its property.

It is specified, however, that a General Meeting may not:

- (E) appoint any person as the representative of the Holders of any series for all actions intended to defend the common interests of the Holders, and particularly to bring any court or arbitration action or proceedings, against the Issuer or any Agent; and
- (F) agree on (1) any modification of the majority required to pass a resolution of the General Meeting, (2) any proposal relating to a change in the Issuer's corporate purpose or status, (3) any proposal for a settlement or a transaction concerning disputed rights or rights in respect of which court decisions have been handed down, or (4) proposals to merge or demerge the Issuer.

Any resolution passed at a General Meeting of the Holders of a given series of French Law Warrants, duly convened and held in accordance with the provisions of this Condition, shall be binding upon all the Holders of such series of French Law Warrants whether present or not present at the meeting and whether or not voting and each of them shall be bound to give effect to the resolution accordingly and the passing of any resolution shall be conclusive evidence that the circumstances justify its passing.

General Meetings may deliberate validly on first convocation only if Holders present or represented hold at least a fifth of the Warrants then outstanding. On second convocation, no quorum shall be required. Decisions at meetings shall be taken by a two-third majority of votes cast by Holders attending such General Meetings or represented thereat.

Decisions of General Meetings must be published in accordance with the provisions set forth in Condition 11 by the Issuer within 14 calendar days of the result being known provided that non-publication shall not invalidate the resolution.

(c) Convening and holding of the General Meeting

The General Meeting shall be convened by an authorised representative of the Issuer or by the liquidators or natural or physical persons performing equivalent functions during any possible winding-up or equivalent insolvency period and held, all with the same formal and deadline conditions as the shareholders' meetings of the Issuer including the provisions of Articles R. 225-66, R. 225-95, R. 225-101, R. 225-106 and R. 225-107 but excluding the provisions of Articles R. 225-72 to R. 225-74 of the French *Code de commerce*.

Any meeting unduly convened may be cancelled. However, the action to cancel this shall not be admissible when all the Holders of the relevant series are present or represented.

The day, time and place of the meeting and agenda of a meeting are determined at its discretion by the person convening it. However, one or more Holders holding at least one thirtieth of the relevant series of Warrants then outstanding are entitled to require that draft resolutions be placed on the agenda. Such resolutions are placed on the agenda and put to the vote by the chairman of the meeting. The meeting shall not deliberate on an item which is not placed on the agenda. The agenda for the meeting may be amended on a second convening.

The meeting shall be chaired by a representative of the Issuer.

An attendance sheet is kept for each meeting. The decisions taken at each meeting are recorded in minutes signed by the members of the committee which are entered in a special register kept at the registered office of the Issuer. The elements that must be included in the attendance sheet and the minutes are the same as with respect to the shareholders' meetings of the Issuer.

All Holders of the relevant series of French Law Warrants are entitled to participate in the meeting or to be represented at it by the representative of their choice. Any Holder may vote by correspondence with the same formal and deadline conditions as the shareholders' meetings of the Issuer. Any contrary provision in the articles of association is deemed not to exist. When the quorum is calculated, only voting forms received by the Issuer before the date of the meeting in the manner and within the time limits being the same as for the shareholders' meetings of the Issuer shall be included in such calculation. Forms which do not indicate a voting intention or which express an abstention are treated as negative votes. If the articles of association of the Issuer so provide, Holders who participate in the meeting via videoconferencing or via a telecommunications medium which permits their identification are deemed to be present for calculation of the quorum and the majority.

The rights of each Holder to participate in General Meetings will be evidenced by the entries in the books of the relevant Account Holder of the name of such Holder on the third business day in Paris preceding the date set for the meeting of the

relevant General Meeting at 00:00, Paris time. The voting right in General Meetings shall belong to the bare owner (*nu-propritaire*) of the relevant Warrants. Each Warrant shall confer the right to one vote.

Holders shall not be allowed individually to exercise control over the operations of the Issuer or to request notification of Issuer documents.

(d) Information to Holders

Each Holder thereof will have the right, during the 15-day period preceding the holding of the relevant General Meeting, to consult or make a copy of the text of the resolutions which will be proposed and of the reports which will be presented at the General Meeting, all of which will be available for inspection by the relevant Holders at the registered office of the Issuer, at the specified offices of any of the Warrant Agents during usual business hours and at any other place specified in the notice of the General Meeting. Notwithstanding the foregoing, none of the Issuer, the Guarantor, if any, the Calculation Agent and the Warrant Agents shall be liable to any Holder or other person for any commissions, costs, losses or expenses in relation to or resulting from the transfer of euro or any currency conversion or rounding effected in connection therewith;

 - (3) an Early Closure in respect of such Component; and
- (b) the aggregate of all Components in respect of which a Trading Disruption, an Exchange Disruption or an Early Closure occurs or exists comprises 20 per cent. or more of the level of such Index; or

For the purposes of determining whether a Market Disruption Event exists in respect of a Component at any time, if a Market Disruption Event occurs in respect of such Component at that time, then the relevant percentage contribution of that Component to the level of such Index shall be based on a comparison of (x) the portion of the level of such Index attributable to that Component to (y) the overall level of such Index, in each case using the official opening weightings as published by the Index Sponsor as part of the market "opening data"; and

For the purposes of determining whether a Market Disruption Event in respect of such Index exists at any time, if a Market Disruption Event occurs in respect of a security included in such Index at any time, then the relevant percentage contribution of that security to the level of the Index shall be based on a comparison of (a) the portion of the level of such Index attributable to that security and (b) the overall level of such Index, in each case immediately before the occurrence of such Market Disruption Event.

The Calculation Agent shall give notice as soon as practicable to the Holders in accordance with General Condition 11 of the occurrence of a Disrupted Day on any day that, but for the occurrence of a Disrupted Day, would have been an Averaging Date, an Observation Date or a Valuation Date.

3. Adjustments to an Index

(A) Successor Index Sponsor Calculates and Reports an Index

If a relevant Index is (i) not calculated and announced by the Index Sponsor but is calculated and announced by a successor sponsor acceptable to the Calculation Agent, or (ii) replaced by a successor index using, in the determination of the Calculation Agent, the same or a substantially similar formula for and method of calculation as used in the calculation of that Index, then in each case that index (the "**Successor Index**") will be deemed to be the Index.

(B) Modification and Cessation of Calculation of an Index

If (i) on or prior to the last Valuation Date, the last Observation Date or the last Averaging Date, the relevant Index Sponsor makes or announces that it will make a material change in the formula for or the method of calculating a relevant Index or in any other way materially modifies that Index (other than a modification prescribed in that formula or method to maintain that Index in the event of changes in constituent stock and capitalisation, contracts or commodities and other routine events) (an "**Index Modification**"), or permanently cancels a relevant Index and no Successor Index exists (an "**Index Cancellation**"), or (ii) on a Valuation Date, an Observation Date or an Averaging Date, the Index Sponsor or (if applicable) the Successor Index Sponsor fails to calculate and announce a relevant Index (an "**Index Disruption**" and, together with an Index Modification and an Index Calculation, each an "**Index Adjustment Event**"), then, except as may be limited in the case of U.S. Warrants:

- (i) the Calculation Agent shall determine if such Index Adjustment Event has a material effect on the Warrants and, if so, shall calculate the relevant Settlement Price using, in lieu of a published level for that Index, the level for that Index as at the Valuation Time on that Valuation Date, that Observation Date or that Averaging Date, as the case may be, as determined by the Calculation Agent in accordance with the formula for and method of calculating that Index last in effect prior to the change, failure or cancellation, but using only those securities/commodities that comprised that Index immediately prior to that Index Adjustment Event; or
- (ii) unless Cancellation on Occurrence of Index Adjustment Event is specified as being not applicable in the applicable Final Terms, the Issuer may cancel the Warrants by giving notice to Holders in accordance with General Condition 11. If the Warrants are so cancelled the Issuer will pay an amount to each Holder in respect of each Warrant or, if Units are specified in the applicable Final Terms, each Unit, as the case may be, held by him which amount shall be the fair market value of a Warrant or a Unit, as the case may be, taking into account the Index Adjustment Event, less the cost to the Issuer and/or its Affiliates of unwinding any underlying related hedging arrangements, all as determined by the Calculation Agent in its sole and absolute discretion. Payments will be made in such manner as shall be notified to the Holders in accordance with General Condition 11.

(C) Notice

The Calculation Agent shall, as soon as practicable, notify the relevant Warrant Agent or the Registrar, as the case may be, of any determination made by it pursuant to paragraph (B) above and the action proposed to be taken in relation thereto and such Warrant Agent or the Registrar, as the case may be, shall make available for inspection by Holders copies of any such determinations.

4. Correction of Index

With the exception of any corrections published after the day which is three Exchange Business Days prior to the due date for any payment of a Cash Settlement Amount, if the Index published on a given day and used or to be used by the Calculation Agent to make any determination under the Warrants, is subsequently corrected and the correction published by the relevant Index Sponsor within the number of days equal to the Index Correction Period of the original publication, the level to be used shall be the level of the Index as so corrected. Corrections published after the day which is three Exchange Business Days prior to the relevant Settlement Date will be disregarded by the Calculation Agent for the purposes of determining any Cash Settlement Amount.

5. Knock-in Event and Knock-out Event

- (A) If "Knock-in Event" is specified as applicable in the Final Terms, then, unless otherwise specified in such Final Terms, payment under the relevant Warrants which is expressed in the applicable Final Terms to be subject to a Knock-in Event, shall be conditional upon the occurrence of such Knock-in Event.

- (C) If the Knock-in Valuation Time or the Knock-out Valuation Time specified in the applicable Final Terms is the Valuation Time and if on any Knock-in Determination Day or Knock-out Determination Day at any time during the one hour period that begins and/or ends at the Valuation Time the level of the Index triggers the Knock-in Level or the Knock-out Level, a Trading Disruption, Exchange Disruption or Early Closure occurs or exists, then the Knock-in Event or the Knock-out Event shall be deemed not to have occurred, provided that if, by operation of this provision, no Knock-in Determination Day or Knock-out Determination Day would occur in the Knock-in Determination Period or Knock-out Determination Period, the Knock-in Period Ending Date or Knock-out Period Ending Date shall be treated as a Valuation Date and the Calculation Agent shall determine the level of the Index as at the Knock-in Valuation Time or Knock-out Valuation Time in accordance with the provisions contained in the definition of "Valuation Date".
- (D) If the Knock-in Valuation Time or the Knock-out Valuation Time specified in the applicable Final Terms is any time or period of time during the regular trading hours on the relevant Exchange and if on any Knock-in Determination Day or Knock-out Determination Day and at any time during the one-hour period that begins and/or ends at the time on which the level of the Index triggers the Knock-in Level or the Knock-out Level, a Trading Disruption, Exchange Disruption or Early Closure occurs or exists, then, the Knock-in Event or the Knock-out Event shall be deemed not to have occurred, provided that if, by operation of this provision, no Knock-in Determination Day or Knock-out Determination Day would occur in the Knock-in Determination Period or Knock-out Determination Period, the Knock-in Period Ending Date or Knock-out Period Ending Date shall be treated as a Valuation Date and the Calculation Agent shall determine the level of the Index as at the Knock-in Valuation Time or Knock-out Valuation Time in accordance with the provisions contained in the definition of "Valuation Date".

- (a) require the Calculation Agent to determine in its sole and absolute discretion the appropriate adjustment, if any, to be made to any one or more of any Relevant Asset and/or the Entitlement and/or the Exercise Price and/or the Weighting and/or any of the other terms of these Terms and Conditions and/or the applicable Final Terms to account for the Merger Event, Tender Offer, De-Listing, Nationalisation or Insolvency, as the case may be, and determine the effective date of that adjustment. The relevant adjustments may include, without limitation, adjustments to account for changes in volatility, expected dividends, stock loan rate or liquidity relevant to the Shares or to the Warrants. The Calculation Agent may (but need not) determine the appropriate adjustment by reference to the adjustment in respect of the Merger Event, Tender Offer, De-listing, Nationalisation or Insolvency made by any options exchange to options on the Shares traded on that options exchange. In addition such adjustment may be made in accordance with the provisions of sub-paragraph (e) below;
- (b) in the case of Share Warrants relating to a basket of Shares cancel part of the Warrants by giving notice to Holders in accordance with General Condition 11. If the Warrants are so cancelled in part the portion (the **"Cancelled Amount"**) of each Warrant or if Units are specified in the applicable Final Terms each Unit representing the affected Share(s) shall be cancelled and the Issuer will (i) pay to each Holder in respect of each Warrant or Units, as the case may be, held by him an amount equal to the fair market value of the Cancelled Amount, taking into account the Merger Event, Tender Offer, De-Listing, Nationalisation or Insolvency, as the case may be, less the cost to the Issuer and/or its Affiliates of unwinding any underlying related hedging arrangements, all as determined by the

For the avoidance of doubt the remaining part of each Warrant or Unit, as the case may be, after such cancellation and adjustment shall remain outstanding with full force and effect. Payments will be made in such manner as shall be notified to the Holders in accordance with General Condition 11;

- (c) unless Cancellation on Occurrence of Extraordinary Event is specified as being not applicable in the applicable Final Terms, cancel the Warrants by giving notice to Holders in accordance with General Condition 11. If the Warrants are so cancelled the Issuer will pay an amount to each Holder in respect of each Warrant or, if Units are specified in the applicable Final Terms, each Unit, as the case may be, held by him which amount shall be the fair market value of a Warrant or a Unit, as the case may be, taking into account the Merger Event, Tender Offer, De-Listing, Nationalisation or Insolvency, as the case may be, less the cost to the Issuer and/or its Affiliates of unwinding any underlying related hedging arrangements plus, if already paid, the Exercise Price, all as determined by the Calculation Agent in its sole and absolute discretion. Payments will be made in such manner as shall be notified to the Holders in accordance with General Condition 11; or
- (d) following such adjustment to the settlement terms of options on the Shares traded on such exchange(s) or quotation system(s) as the Issuer in its sole discretion shall select (the "**Options Exchange**"), require the Calculation Agent to make a corresponding adjustment to any one or more of any Relevant Asset and/or the Entitlement and/or the Exercise Price and/or the Weighting and/or any of the other terms of these Terms and Conditions and/or the applicable Final Terms, which adjustment will be effective as of the date determined by the Calculation Agent to be the effective date of the corresponding adjustment made by the Options Exchange. If options on the Shares are not traded on the Options Exchange, the Calculation Agent will make such adjustment, if any, to any one or more of any Relevant Asset and/or the Entitlement and/or the Exercise Price and/or the Weighting and/or any of the other terms of these Terms and Conditions and/or the applicable Final Terms as the Calculation Agent in its sole and absolute discretion determines appropriate, with reference to the rules and precedents (if any) set by the Options Exchange to account for the Merger Event, Tender Offer, De-Listing, Nationalisation or Insolvency, as the case may be, that in the determination of the Calculation Agent would have given rise to an adjustment by the Options Exchange if such options were so traded; or
- (e) on or after the relevant Merger Date, Tender Offer Date, or the date of the Nationalisation, Insolvency or De-Listing (as the case may be), the Calculation Agent may adjust the basket to include a share selected by it in accordance with the criteria for share selection set out below (each, a "**Substitute Share**") for each Share (each, an "**Affected Share**") which is affected by such Merger Event, Tender Offer, Nationalisation, Insolvency or De-Listing and the Substitute Share will be deemed to be a "**Share**" and the relevant issuer of such shares "**Basket Company**" for the purposes of the Warrants, and the Calculation Agent will make such adjustment, if any, to any one or more of any Relevant Asset and/or the Entitlement and/or the Weighting and/or any of the other terms of these Terms and Conditions and/or the applicable Final Terms as the Calculation Agent in its sole and absolute discretion determines appropriate, provided that (for the avoidance of doubt) the Exercise Price of each Substitute Share will be determined by the Calculation Agent in accordance with the following formula:

"B" is the Exercise Price of the relevant Affected Share; and

"C" is the official closing price of the relevant Affected Share on the relevant Exchange on the Substitution Date.

The Weighting of each Substitute Share in the basket will be equal to the Weighting of the relevant Affected Share.

In order to be selected as a Substitute Share, the relevant share must be a share which, in the sole and absolute discretion of the Calculation Agent:

1. is not already included in the basket;
2. the relevant issuer of such share belongs to a similar economic sector as the Basket Company in respect of the Affected Share; and
3. the relevant issuer of such share has a comparable market capitalisation, international standing and exposure as the Basket Company in respect of the Affected Share.

Upon the occurrence of a Merger Event, Tender Offer, De-Listing, Nationalisation or Insolvency, the Issuer shall give notice as soon as practicable to the Holders in accordance with General Condition 11 stating the occurrence of the Merger Event, Tender Offer, De-Listing, Nationalisation or Insolvency, as the case may be, giving details thereof and the action proposed to be taken in relation thereto including, in the case of a Share Substitution, the identity of the Substitute Shares and the Substitution Date.

The Substitute Inflation Index Level so determined pursuant to this Inflation Index Warrant Condition 2 will be the definitive level for that Reference Month.

3. **Successor Inflation Index**

If the Calculation Agent determines that the level of an Inflation Index is not calculated and announced by the Index Sponsor for two consecutive months and/or the Index Sponsor announces that it will no longer continue to publish or announce the Inflation Index and/or the Index Sponsor cancels the Inflation Index, then the Calculation Agent shall determine a successor index (a **"Successor Inflation Index"**) (in lieu of any previously applicable Index) for the purposes of the Warrants as follows:

- (a) if Related Bond is specified as applicable in the relevant Final Terms, the Calculation Agent shall determine a "Successor Inflation Index" by reference to the corresponding successor index determined under the terms and conditions of the Related Bond;
- (b) if (i) Related Bond is specified as not applicable in the applicable Final Terms or (ii) a Related Bond Redemption Event has occurred and Fallback Bond is specified as not applicable in the applicable Final Terms, the Index Sponsor announces that it will no longer publish or announce the Inflation Index but that it will be superseded by a replacement Inflation Index specified by the Index Sponsor, and the Calculation Agent determines that such replacement Inflation Index is calculated using the same or a substantially similar formula or method of calculation as used in the calculation of the Inflation Index, such replacement index shall be designated a "Successor Inflation Index";
- (c) if no Successor Inflation Index has been deemed under (a) or (b) the Calculation Agent shall ask five leading independent dealers to state what the replacement index for the Inflation Index should be; if between four and five responses are received, and of those four or five responses, three or more leading independent dealers state the same index, such index will be deemed the "Successor Inflation Index"; if three responses are received, and two or more leading independent dealers state the same index, such index will be deemed the "Successor Inflation Index"; if fewer than three responses are

received by the Cut-Off Date the Calculation Agent will determine an appropriate alternative index for such Affected Payment Date, and such index will be deemed a "Successor Inflation Index"; or

- (d) if the Calculation Agent determines that there is no appropriate alternative index there will be deemed to be no Successor Index and an Index Cancellation will be deemed to have occurred.

For the avoidance of doubt, the Calculation Agent shall determine the date on which the Successor Inflation Index shall be deemed to replace the Index for the purposes of the Inflation Index Warrants. Notice of the determination of a Successor Inflation Index, the effective date of the Successor Inflation Index or the occurrence of an Index Cancellation will be given to holders of the Inflation Index Warrants by the Issuer in accordance with General Condition 11.

4. Adjustments

- (A) Successor Inflation Index

If a Successor Inflation Index is determined in accordance with Inflation Index Warrant Condition 3 (Successor Inflation Index) above, the Calculation Agent may make any adjustment or adjustments (without limitation) to the final Cash Settlement Amount payable under the Warrants (if any) and/or any other relevant term of the Warrants as the Calculation Agent deems necessary. The Issuer shall give notice to the Holders of any such adjustment in accordance with General Condition 11.

- (B) Substitute Inflation Index Level

If the Calculation Agent determines a Substitute Inflation Index Level in accordance with Inflation Index Warrant Condition 2 (Delay in Publication) above, the Calculation Agent may make any adjustment or adjustments (without limitation) to (i) the Substitute Inflation Index Level determined in accordance with Inflation Index Warrant Condition 2 (Delay in Publication) above and/or (ii) the Cash Settlement Amount payable under the Warrants (if any) and/or any other relevant term of the Warrants, in each case, as the Calculation Agent deems necessary. The Issuer shall give notice to the Holders of any such adjustment in accordance with General Condition 11.

- (C) Index Level Adjustment Correction

- (i) The first publication or announcement of the Relevant Level (disregarding estimates) by the Index Sponsor for any Reference Month shall be final and conclusive and, subject to Inflation Index Warrant Condition 4(F) (*Index Modification*) below, later revisions to the level for such Reference Month will not be used in any calculations, save that in respect of the EUR-All Items-Revised Consumer Price Index, the ESP National-Revised Consumer Price Index (CPI) and the ESP-Harmonised-Revised Consumer Price Index HCPI, revisions to the Relevant Level which are published or announced up to and including the day that is two Business Days prior to any relevant Valuation Date will be valid and the revised Relevant Level for the relevant Reference Month will be deemed to be the final and conclusive Relevant Level for such Reference Month. The Issuer shall give notice to the Holders of any valid revision in accordance with General Condition 11.
- (ii) If, within 30 days of publication or at any time prior to a Valuation Date in respect of which a Relevant Level will be used in any calculation or determination in respect of such Valuation Date, the Calculation Agent determines that the Index Sponsor has corrected the Relevant Level to correct a manifest error, the Calculation Agent may make any adjustment to the Cash Settlement Amount payable under the Warrants (if any) and/or any other relevant

term of the Warrants as the Calculation Agent deems appropriate as a result of such correction and/or determine the amount (if any) that is payable as a result of that correction. The Issuer shall give notice to the Holders of any such adjustment and/or amount in accordance with General Condition 11.

- (iii) If a Relevant Level is published or announced at any time after the Cut-Off Date in respect of a Valuation Date in respect of which a Substitute Inflation Index Level was determined, the Calculation Agent may either (a) determine that such Relevant Level shall not be used in any calculation or determination under the Inflation Index Warrants and that the Substitute Inflation Index Level shall be deemed to be the definitive Relevant Level for the relevant Reference Month, or (b) to make any adjustment to the Cash Settlement Amount payable under the Warrants (if any) and/or any other relevant term of the Warrants as it deems appropriate as a result of the announcement or publication of the Relevant Level and/or determine the amount (if any) that is payable as a result of such publication or announcement. The Issuer shall give notice to the Holders of any determination in respect of (a) or (b), together with any adjustment or amount in respect thereof, in accordance with General Condition 11.

(D) Currency

If the Calculation Agent determines that any event occurs affecting the Specified Currency (whether relating to its convertibility into other currencies or otherwise) which the Calculation Agent determines necessitates an adjustment or adjustments to the Cash Settlement Amount, Exercise Price and/or any other relevant term of the Warrants (including the date on which any amount is payable by the Issuer), the Calculation Agent may make such adjustment or adjustments to the Cash Settlement Amount, Exercise Price and/or any other relevant term of the Warrants as the Calculation Agent deems necessary. The Issuer shall give notice to the Holders of any such adjustment in accordance with General Condition 11.

(E) Rebasing

If the Calculation Agent determines that the Inflation Index has been or will be rebased at any time, the Inflation Index as so rebased (the "**Rebased Index**") will be used for purposes of determining the Relevant Level from the date of such rebasing; provided, however, that the Calculation Agent may make (i) if Related Bond is specified as applicable in the relevant Final Terms, any adjustments as are made pursuant to the terms and conditions of the Related Bond, if any, to the levels of the Rebased Index so that the Rebased Index levels reflect the same rate of inflation as before the rebasing, and/or (ii) if Related Bond is specified as not applicable in the relevant Final Terms or a Related Bond Redemption Event has occurred, the Calculation Agent may make adjustments to the levels of the Rebased Index so that the Rebased Index levels reflect the same rate of inflation as the Inflation Index before it was rebased, and in each case the Calculation Agent may make any adjustment(s) to the Cash Settlement Amount payable under the Warrants (if any) and/or any other term of the Warrants as the Calculation Agent may deem necessary. If the Calculation Agent determines that neither (i) nor (ii) above would produce a commercially reasonable result, the Issuer may cancel each Warrant on a date notified by the Issuer to Holders in accordance with General Condition 11 in which event the Issuer will pay to each Holder in respect of each such Warrant or, if Units are specified in the relevant Final Terms, each Unit, as the case may be, held by him an amount equal to the fair market value of a Warrant or a Unit, as the case may be, as determined by the Calculation Agent as at the date of cancellation taking into account the rebasing, less the cost to the Issuer of unwinding or amending any related underlying hedging arrangements. Notice of any adjustment, cancellation of the Warrants or

determination pursuant to this paragraph shall be given to Holders in accordance with General Condition 11.

(F) Index Modification

- (i) If on or prior to the Cut-Off Date in respect of any Valuation Date, the Calculation Agent determines that an Index Modification has occurred, the Calculation Agent may (a) if Related Bond is specified as applicable in the relevant Final Terms, make any adjustments to the relevant Inflation Index, any Relevant Level and/or any other relevant term of the Warrants (including, without limitation, the Cash Settlement Amount payable under the Warrants), consistent with any adjustments made to the Related Bond as the Calculation Agent deems necessary, or (b) if Related Bond is specified as not applicable in the Final Terms or a Related Bond Redemption Event has occurred, make only those adjustments to the relevant Inflation Index, any Relevant Level and/or any other term of the Inflation Index Warrants (including, without limitation, the Cash Settlement Amount payable under the Warrants), as the Calculation Agent deems necessary for the modified Index to continue as the relevant Inflation Index and to account for the economic effect of the Index Modification.
- (ii) If the Calculation Agent determines that an Index Modification has occurred at any time after the Cut-Off Date in respect of any Valuation Date, the Calculation Agent may determine either to ignore such Index Modification for the purposes of any calculation or determination made by the Calculation Agent with respect to such Valuation Date, in which case the relevant Index Modification will be deemed to have occurred with respect to the immediately succeeding Settlement Date such that the provisions of sub-paragraph (i) above will apply, or, notwithstanding that the Index Modification has occurred following the Cut-Off Date, to make any adjustments as the Calculation Agent deems fit in accordance with sub-paragraph (i) above.

(G) Index Cancellation

If the Calculation Agent determines that an Index Cancellation has occurred, the Issuer may:

- (i) elect for the Calculation Agent to calculate the relevant Settlement Price using, in lieu of a published level for that Inflation Index, the level for that Inflation Index, as determined by the Calculation Agent in accordance with the formula for and method of calculating that Inflation Index last in effect prior to cancellation;
- (ii) cancel each Warrant on the date notified by the Issuer to Holders in accordance with General Condition 11 in which event the Issuer will pay to each Holder in respect of such Warrant, or if Units are specified in the relevant Final Terms, each Unit, as the case may be, held by him an amount equal to fair market value of a Warrant or a Unit, as the case may be, as determined by the Calculation Agent as at the date of cancellation taking into account the Index Cancellation, less the cost to the Issuer of unwinding or amending any related underlying hedging arrangements. Notice of any cancellation of the Warrants pursuant to this paragraph shall be given to Holders in accordance with General Condition 11.

- (iii) if no alternative fund can be determined pursuant to the preceding sub-paragraph (ii) above, use reasonable efforts to substitute the relevant Fund with an index (the "**Replacement Index**") (or a fund tracking such index) selected by the Calculation Agent in its sole and absolute discretion which reflects or tracks the performance of one or more hedge funds and may be (but is not obliged to be) a Potential Replacement Index; and
- (iv) following any substitution in accordance with sub-paragraph (ii) or (iii) above (a "**Substitution**"), in its sole and absolute discretion amend such of the terms of the Terms and Conditions and/or the applicable Final Terms as it determines to be appropriate to take account of such Substitution.

In respect of an event as set out in paragraph (h) of the definition of Potential Adjustment Event (as amended by GDR/ADR Warrant Condition 2), in lieu of making any adjustment to the terms of the Warrants, the Issuer or a Qualified Investor may exercise its discretion to sell any or all of the property a holder of the Shares should receive and pass the net sale proceeds to the Holders instead in accordance with Share Warrant Condition 3.

3. **Stock Dividends or Stock Distributions and Rights Issues**

- (a) In the event that a stock dividend in respect of the Shares or dividend in the form of Shares (a "**Stock Dividend**") is declared by the Share Company or the Basket Company, as applicable, during the period from and including the Issue Date to but excluding the Expiration Date, (or in the case of GDR/ADR Warrants, in the event that there has been any stock distribution (a "**Stock Distribution**") in respect of the Underlying Shares the record or effective date of which falls during the period from and including the Issue Date to but excluding the Expiration Date), in lieu of making an adjustment to the Warrants, the Issuer may issue an amount of further Warrants (the "**Further Warrants**") to the holder of Warrants that would receive such Stock Dividend or Stock Distribution according to market practice in relation to a sale of Shares executed on the Business Day preceding the date of declaration of such Stock Dividend (or in the case of GDR/ADR Warrants relating, on the Business Day preceding the record or effective date in relation to such Stock Distribution) (if such holder of Warrant had been the buyer in such sale) to reflect the issue of the Stock Dividend or Stock Distribution (as adjusted for any withholding tax or charges) notwithstanding that such person may not be the holder of the Warrant as of the date on which the Further Warrants are issued. Further Warrants issued pursuant to this paragraph may be issued to the holders of the Warrants free of charge or at an issue price as determined in the sole discretion of the Calculation Agent acting in good faith.
- (b) In addition, in the event that a rights issue (a "**Rights Issue**") in respect of the Shares is declared by the Share Company or the Basket Company during the period from and including the Issue Date to but excluding the Expiration Date, in lieu of making an adjustment to the Warrants, the Issuer may issue an amount of Further Warrants to the holder of the Warrant that would receive such Rights Issue according to market practice in relation to a sale of Shares executed on the Business Day preceding the date of declaration of such Rights Issue (or in the case of GDR/ADR Warrants, on the Business Day preceding the record or effective date in relation to such Rights Issue) (if such holder of a Warrant had been the buyer in such sale) to reflect the Rights Issue (as adjusted for any withholding tax or charges) notwithstanding that such person may not be the holder of the Warrant as of the date on which the Further Warrants are issued. Further Warrants issued pursuant to this paragraph may be issued to the holders of the Warrants at an issue price as determined in the sole discretion of the Calculation Agent acting in good faith.
- (c) The Issuer may issue the Further Warrants, if any, to the relevant person five Business Days following the day on which a foreign investor would have received the relevant Stock Dividends or Shares upon exercise of the Rights Issue or such later date as the Calculation Agent shall determine in its sole discretion. Any determination by the Calculation Agent in respect of the persons to whom the

Further Warrants should be issued shall (save in the case of manifest error) be final, conclusive and binding on the Issuer and the holders of Warrants.

- (d) If a Holder holds more than one Warrant, the number of Warrants held by such Holder may be aggregated for the purposes of determining the number of Further Warrants to be issued to such Holder pursuant to the above.
- (e) In the event that any Further Warrants are to be issued at an issue price, no Holder will be obliged to purchase such Further Warrants but if such Further Warrants are not purchased pursuant to the relevant terms of offer, the Issuer shall have no further obligations to the relevant Holder in respect of such Stock Dividend or Rights Issue, as the case may be.
- (f) Upon the declaration of a Stock Dividend or a Rights Issue by the Share Company or the Basket Company and the election by the Issuer to issue Further Warrants, the Calculation Agent shall give notice as soon as practicable to the Holders in accordance with General Condition 11 stating the declaration of the Stock Dividend or the Rights Issue, the election by the Issuer to issue Further Warrants and giving details thereof.

4. Issuer's option following an Additional Disruption Event

If so specified in the applicable Final Terms, the following provisions shall apply:

- (a) Issuer's Option following Additional Disruption Event

Upon the occurrence of any event that constitutes more than one of an Additional Disruption Event or a Market Disruption Event, the Calculation Agent shall have sole discretion to determine which one or more of such events it shall be deemed to constitute. The Calculation Agent shall act in good faith in making such determination.

If the Issuer decides to give notice to holders of Warrants of the occurrence of an Additional Disruption Event, it shall state in such notice whether the Warrants will be terminated (in whole or in part) pursuant to Market Access Warrant Condition 4(b) below or whether the Issuer's obligations under the Warrants will be suspended pursuant to Market Access Warrant Condition 4(c) below. If the Issuer elects to give notice to holders of Warrants of a suspension of its obligations under the Warrants pursuant to Market Access Warrant Condition 4(c) below, the Issuer shall nevertheless retain the right at all times to terminate the Warrants pursuant to Market Access Warrant Condition 4(b) below by giving notice to Holders in accordance with General Condition 11.

- (b) Termination

Upon the Issuer's election to terminate the Warrants as aforesaid (or upon expiry of the 30 day period referred to in Market Access Warrant Condition 4(c) below), the Issuer will, in respect of each and every Warrant terminated (the "**Terminated Warrant**") cause to be paid to the holders of Warrants an amount determined to be the fair market value of the Terminated Warrant as at termination (which may be nil) taking into consideration all information which the Calculation Agent deems relevant (including the circumstances that resulted in the occurrence of the Additional Disruption Event) less the cost to the Issuer and/or its affiliates of unwinding any related hedging arrangements (including but not limited to selling or otherwise realising the Shares or the Debt Securities or any options or futures contracts in relation to the Shares or the Debt Securities), all as determined by the Calculation Agent in its discretion acting in good faith and in a commercially reasonable manner. At the election of the Issuer such payment may be made in the Local Currency in the Relevant Jurisdiction, in which

case the holders of Warrants will have responsibility for establishing an account in the Relevant Jurisdiction in order to receive such payments; provided that if it is impracticable or unlawful for the Issuer to pay such amount in the Relevant Jurisdiction, or the relevant holders of Warrants do not establish the necessary account in the Relevant Jurisdiction, to receive payment(s) in the currency the Issuer elects, the Issuer shall not be obliged to make payment of any such amounts so affected, as applicable. Payment will be made, as the case may be, in such manner as shall be notified to the holders of Warrants in accordance with General Condition 11.

(c) Suspension

Upon the Issuer's election to suspend the Warrants, the Issuer's obligations in respect of the Warrants may be suspended up until the tenth day after such Additional Disruption Event shall cease to exist. In the event that such date shall not have arisen before the date which falls 30 days after the Expiration Date, the Warrants shall be terminated pursuant to paragraph (b) above.

(d) Conclusive Determination

All determinations made by the Issuer and/or Calculation Agent pursuant to this Market Access Warrant Condition 4 shall be conclusive and binding on the Holders and the Issuer. No holders of Warrants will be entitled to any compensation from the Issuer for any loss suffered as a result of the occurrence of an Additional Disruption Event.

5. Regulatory Change Event

If so specified in the applicable Final Terms, the following provisions shall apply:

Upon the occurrence of a Regulatory Change Event, the Calculation Agent will (a) make the corresponding adjustment, if any, to any one or more of any Exercise Price and/or Share Amount and/or the Cash Settlement Amount and/or any of the other terms of the Terms and Conditions and/or the applicable Final Terms as the Calculation Agent in its sole and absolute discretion determines appropriate to account for the effect of such Regulatory Change Event and (b) determine the effective date of that adjustment.

Upon the making of any such adjustment by the Calculation Agent, the Calculation Agent shall give notice as soon as practicable to the Holders in accordance with General Condition 11, stating the adjustment to any Exercise Price and/or Share Amount and/or the Cash Settlement Amount and/or any of the other terms of the Terms and Conditions and/or the applicable Final Terms and giving brief details of the Regulatory Change Event.

"Regulatory Change Event" means any event which, in the determination of the Calculation Agent acting in good faith and in a commercially reasonable manner, constitutes:

- (1) the adoption of, change in or change in the interpretation or administration of, any law, rule or regulation by any governmental authority, central bank or comparable agency ("**governmental authority**"); and/or
- (2) the compliance by the Issuer and/or any of its affiliates with any request or directive of any governmental authority (whether or not having the force of law),

and which (1) imposes, modifies, applies or eliminates any tax, reserve, special deposit, insurance assessment or any other requirement in respect of assets or deposits of the Issuer and/or any of its affiliates in respect of (i) the issue and/or exercise of the Warrants or (ii) any transaction entered into by the Issuer and/or any of its affiliates to hedge, either directly or indirectly, the obligations of the Issuer in respect of the Warrants; and/or

(2) affects in any other way the cost to the Issuer and/or any of its affiliates of: (i) the issue and/or exercise of Warrants; and/or (ii) hedging, either directly or indirectly, the obligations of the Issuer in respect of the Warrants.

6. Early Termination Event

If so specified in the applicable Final Terms, the following provisions shall apply:

(a) In the event that in the determination of the Calculation Agent, the Debt Securities (in whole or in part) (x) become due and repayable by reason of a default in payment, an event of default or any similar credit event of the Security Issuer, or (y) become due and repayable on a date prior to its maturity date (other than by reason of any default), or (z) become subject to conversion into underlying shares or stock (each an "**Early Termination Event**"), the Issuer will be entitled to:

- (i) cancel the Warrants by giving notice to the Holders in accordance with General Condition 11 and pay the Early Termination Amount to each Holder in respect of each Warrant held by him on the Early Termination Date; or
- (ii) in relation to a redemption and/or conversion in part of the Debt Securities (a "**Partial Early Termination**"), require the Calculation Agent to determine whether such partial redemption and/or conversion affects the Debt Securities held by the Issuer and/or its affiliates in order to hedge the Issuer's obligations in respect of the Warrants (the "**Aggregate Hedge Position**") or otherwise makes it impossible, impracticable or unduly onerous for the Issuer and/or its affiliates to hedge the Issuer's obligations in respect of the Warrants and, if so, gives notice to the Warrantheolders in accordance with General Condition 11,

and:

- (x) pay the Early Termination Amount to each Warrantheolder in respect of each Warrant held by him on the Early Termination Date; and/or
- (y) reduce the Debt Securities Amount by an amount equal to the Affected Portion and/or require the Calculation Agent to determine in its sole discretion the appropriate adjustment, if any, to be made to any one or more of the Settlement Price and/or any of the other terms of these Conditions and/or the Final Terms to account for such payment and determine the effective date of that adjustment.

Payments will be made in such manner as shall be notified to the Warrantheolders in accordance with General Condition 11.

(b) Definitions

For the purposes of this Market Access Warrant Condition 6:

"**Early Termination Amount**" means, in respect of each Warrant, an amount calculated by the Calculation Agent equal to the arithmetic average price per Early Termination Securities Amount (net of any costs) which the Issuer or its affiliate obtains in selling or otherwise realising the Debt Securities (the "**Sale Proceeds**"), provided however that:

- (a) if Market Access Warrant Condition 6(a)(y) applies in respect of the Warrants, the Issuer may elect to pay, in lieu of the Sale Proceeds, the amount of principal which a Qualified Investor would have received pursuant to the terms of the Debt Securities as a result of the

Early Termination Event if it held the Early Termination Securities Amount (net of any costs, including those that would have been withheld in relation to payment of such cash amount to a Qualified Investor); or

- (b) if Market Access Warrant Condition 6(a)(z) applies in respect of the Warrants, the Issuer may elect to pay, in lieu of the Sale Proceeds, the arithmetic average price per Early Termination Securities Amount (net of any costs) which the Issuer or its affiliate obtains in selling or otherwise realising the underlying shares or stock after conversion (the "**Shares**"),

such resulting amount to be converted into the Settlement Currency at the Exchange Rate;

"Early Termination Date" means the date falling four Business Days after the date on which the Early Termination Amount is determined; and

"Early Termination Securities Amount" means (a) in the case of Market Access Warrant Condition 6(a)(i), the Debt Securities Amount and (b) in the case of Market Access Warrant Condition 6(a)(ii), each Warrant's pro rata portion (the Affected Portion) of the nominal amount of Debt Securities comprising the Aggregate Hedge Position affected by the Partial Early Termination, all as determined by the Calculation Agent in its sole and absolute discretion.

7. Additional Condition

If so specified in the applicable Final Terms, the following provisions shall apply:

The Issuer may modify or amend these Terms and Conditions of the Warrants or the applicable Final Terms without the consent of the Holders in any manner which the Issuer may deem necessary or desirable for the purpose of obtaining listing of the Warrants on the Official List of AEX and admission to trading on the regulated market of AEX as promptly as practicable provided that any such modification or amendment is not materially prejudicial to the Holders.

8. Early Exercise Event

If so specified in the applicable Final Terms, the following provisions shall apply:

If an Early Exercise Event (as defined in the applicable Final Terms) occurs, the Issuer shall have the right to accelerate the Exercise Date or Expiration Date, as applicable, of all or some only of the outstanding Warrants by giving notice of its election and of the number of Warrants to be early exercised (the "**Early Terminated Warrants**") to the holders of Warrants in accordance with General Condition 11. In the event that the Issuer decides to exercise its right to accelerate the Exercise Date or Expiration Date, as applicable, of some only of the outstanding Warrants, the Issuer may, subject to the standard procedures of Euroclear and/or Clearstream, Luxembourg, arrange for the Early Terminated Warrants to be selected individually by lot to determine which interests in the Clearing System Global Warrant are to be subject to the exercise of such right.

For the avoidance of doubt, in such case, the Issuer will, in respect of each and every Warrant, cause to be paid to the holder of each such Warrant the Cash Settlement Amount specified in the Final Terms.

9. Warrants linked to underlying Shares that are yet to be listed

If so specified in the applicable Final Terms, the following provisions shall apply:

- (a) An Exercise Notice shall be deemed to have been delivered by the holders of the Warrants on the expiration of three months after the Expected Listing Date (as specified in the Final Terms), if the

Shares do not become listed at the Scheduled Closing Time on the Exchange as specified in the Final Terms, on or before such date, all as determined by the Calculation Agent in its sole and absolute discretion and in a commercially reasonable manner. The Issuer will, in respect of each and every Warrant, cause to be paid to the holder of each such Warrant the Cash Settlement Amount specified in the applicable Final Terms. For the purposes of calculating the Cash Settlement Amount pursuant to this paragraph, the Settlement Price shall be equal to the Issue Price per Warrant (net of any Costs).

- (b) All determinations made by the Issuer and/or Calculation Agent pursuant to the foregoing paragraph shall be conclusive and binding on the Holders and the Issuer. No Holder will be entitled to any compensation from the Issuer for any loss suffered as a result of the Shares not becoming listed on the Exchange at the Scheduled Closing Time on or before the expiration of three months after the Expected Listing Date.

Item") by the occurrence of a Disrupted Day shall be the first succeeding Scheduled Trading Day that is not a Disrupted Day relating to the Affected Item unless each of the number of consecutive Scheduled Trading Days equal to the Specified Maximum Days of Disruption immediately following the Scheduled Valuation Date is a Disrupted Day relating to the Affected Item. In that case, (i) the last such consecutive Scheduled Trading Day shall be deemed to be the Valuation Date for the Affected Item, notwithstanding the fact that such day is a Disrupted Day, and (ii) the Calculation Agent shall determine the Settlement Price using, in relation to the Affected Item, the level or value as applicable, determined in the manner set out in the applicable Final Terms or, if not set out or if not practicable, using:

- (x) in the case of an Index, the level of that Index as of the Valuation Time on the last such consecutive Scheduled Trading Day in accordance with the formula for and method of calculating that Index last in effect prior to the occurrence of the first Disrupted Day using the Exchange traded or quoted price as of the Valuation Time on the last such consecutive Scheduled Trading Day of each security comprised in that Index (or, if an event giving rise to a Disrupted Day has occurred in respect of the relevant security on that last such consecutive Scheduled Trading Day, its good faith estimate of the value for the relevant security as of the Valuation Time on the last such consecutive Scheduled Trading Day); or
- (y) in the case of a Share or Debt Security, its good faith estimate of the value for the Affected Item as of the Valuation Time on that last such consecutive Scheduled Trading Day,

and otherwise in accordance with the above provisions;

- (B) in the case of Commodity Certificates, the date specified in the applicable Final Terms;

"Valuation Time" means:

- (a) the Valuation Time specified in the applicable Final Terms; or
- (b) in the case of Index Certificates relating to a Composite Index, unless otherwise specified in the applicable Final Terms, (A) for the purposes of determining whether a Market Disruption Event has occurred: (i) in respect of any Component, the Scheduled Closing Time on the Exchange in respect of such Component, and (ii) in respect of any options contracts or futures contracts on such Index, the close of trading on the Related Exchange; and (B) in all other circumstances, the time at which the official closing level of such Index is calculated and published by the Index Sponsor; or
- (c) in the case of Index Certificates relating to Indices other than Composite Indices or Share Certificates, unless otherwise specified in the applicable Final Terms, the Scheduled Closing Time on the relevant Exchange on the relevant Strike Date, Valuation Date, Observation Date or Averaging Date, as the case may be, in relation to each Index or Share to be valued, provided that if the relevant Exchange closes prior to its Scheduled Closing Time and the specified Valuation Time is after the actual closing time for its regular trading session, then the Valuation Time shall be such actual closing time;

"Vietnamese QI" means a corporation that both (a) is incorporated outside Vietnam and (b) does not have any permanent establishment in Vietnam;

"VPC" means VPC AB (the Swedish Central Securities Depository authorised as such under the SFIA Act);

"**VPC Register**" means the register opened in the VPC System for VPC Certificates issued or to be issued by the Issuer;

5. Interest

If so specified in the applicable Final Terms the Certificates will pay interest, such interest to be calculated on the basis of a fixed rate of interest ("**Fixed Rate Certificates**"), a floating rate of interest ("**Floating Rate Certificates**") or by reference to the performance of one or more Index, Share, GDR and/or ADR, Debt Security, Currency, Commodity, Inflation Index, Fund Share or any other underlying security or any combination thereof in the manner specified in the applicable Final Terms (such Certificates "**Linked Interest Certificates**"):

(A) Interest on Fixed Rate Certificates

Each Fixed Rate Certificate pays interest calculated from (and including) the Interest Commencement Date at the rate(s) per annum equal to the Rate(s) of Interest. Interest will accrue in respect of each Interest Period (which expressions shall in these Terms and Conditions mean the period from (and including) an Interest Period End Date (or if none the Interest Commencement Date) to (but excluding) the next (or first) Interest Period End Date (each such latter date the "**Interest Period End Final Date**" for the relevant Interest Period)). Interest will be payable in arrear on the Interest Payment Date(s) in each year up to (and including) the Redemption Date. If an Interest Payment date falls after the Interest Period End Final Date in respect of the relevant Interest Period, no additional interest or other amount shall be payable as a result of such interest being payable on such later date. If a Business Day Convention is specified in the applicable Final Terms as applying to an Interest Period End Date or an Interest Payment Date and (x) if there is no numerically corresponding day on the calendar month in which an Interest Period End Date or Interest Payment Date, as the case may be, should occur or (y) if any Interest Period End Date or Interest Payment Date, as the case may be, would otherwise fall on a day which is not a Business Day, then, if the Business Day Convention specified is:

- (1) the Following Business Day Convention, such Interest Period End Date or Interest Payment Date, as the case may be, shall be postponed to the next day which is a Business Day; or
- (2) the Modified Following Business Day Convention, such Interest Period End Date or Interest Payment Date, as the case may be, shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event such Interest Period End Date or Interest Payment Date, as the case may be, shall be brought forward to the immediately preceding Business Day; or
- (3) the Preceding Business Day Convention, such Interest Period End Date or Interest Payment Date, as the case may be, shall be brought forward to the immediately preceding Business Day.

If no Business Day Convention is specified as applicable to an Interest Period End Date in the applicable Final Terms except as provided in the applicable Final Terms the amount of interest

payable on each Interest Payment Date in respect of the Interest Period ending on (but excluding) the Interest Period End Final Date in respect of such Interest Period, will amount to the Fixed Coupon Amount.

Interest shall be calculated by applying the Rate of Interest to the Notional Amount of each Certificate and multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Settlement Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention.

"**sub-unit**" means, with respect to any currency other than euro, the lowest amount of such currency that is available as legal tender in the country of such currency and, with respect to euro, means one cent.

(B) Interest on Floating Rate Certificates and Linked Interest Certificates

(i) Interest, Interest Periods and Business Day Convention

Each Floating Rate Certificate and, subject to the provisions of Condition 5(C) below and unless otherwise specified in the applicable Final Terms, each Linked Interest Certificate pays interest (or, if it is a Partly Paid Certificate, in accordance with Condition 5(E) in respect of each Interest Period (which expression shall in these Terms and Conditions mean the period from (and including) an Interest Period End Date (or if none the Interest Commencement Date to (but excluding) the next (or first) Interest Period End Date (each such latter date the "**Interest Period End Final Date**" for the relevant Interest Period)). For the purposes of this Condition 5(B) "**Interest Period End Date**" shall mean either: (i) the Interest Period End Date(s) in each year specified in the applicable Final Terms or (ii) if no Interest Period End Date(s) is/are specified in the applicable Final Terms, each date which falls the number of months or other period specified as the Specified Period in the applicable Final Terms after the preceding Interest Period End Date or, in the case of the first Interest Period End Date, after the Interest Commencement Date.

Interest will be payable in arrear on the Interest Payment Date(s) in each year up to (and including) the Redemption Date. If an Interest Payment Date falls after an Interest Period End Final Date in respect of the relevant Interest Period, no additional interest or other amount shall be payable as a result of such interest being payable on such later date.

If a Business Day Convention is specified in the applicable Final Terms as applying to an Interest Period End Date or an Interest Payment Date and (x) if there is no numerically corresponding day on the calendar month in which an Interest Period End Date or Interest Payment Date, as the case may be, should occur or (y) if any Interest Period End Date or Interest Payment Date, as the case may be, would otherwise fall on a day which is not a Business Day, then, if the Business Day Convention specified is:

- (1) in any case where Specified Periods are specified in accordance with Condition 5(B)(ii) below, the Floating Rate Convention, such Interest Period End Date or Interest Payment Date, as the case may be, (i) in the case of (x) above, shall be the last day that is a Business Day in the relevant month and the provisions of (iv) below shall apply *mutatis mutandis* or (ii) in the case of (y) above, shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event (A) such Interest Period End Date or Interest Payment Date, as the case may be, shall be brought forward to the

immediately preceding Business Day and (B) each subsequent Interest Period End Date or Interest Payment Date, as the case may be, shall be the last Business Day in the month which falls the Specified Period after the preceding applicable Interest Period End Date or Interest Payment Date, as the case may be, occurred; or

- (2) the Following Business Day Convention, such Interest Period End Date or Interest Payment Date, as the case may be, shall be postponed to the next day which is a Business Day; or
- (3) the Modified Following Business Day Convention, such Interest Period End Date or Interest Payment Date, as the case may be, shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event such Interest Period End Date or Interest Payment Date, as the case may be, shall be brought forward to the immediately preceding Business Day; or
- (4) the Preceding Business Day Convention, such Interest Period End Date or Interest Payment Date, as the case may be, shall be brought forward to the immediately preceding Business Day.

(ii) Rate of Interest

The Rate of Interest payable from time to time in respect of Floating Rate Certificates and Linked Interest Certificates will be determined in the manner specified in the applicable Final Terms.

(iii) ISDA Determination

Where ISDA Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will be the relevant ISDA Rate plus or minus (as indicated in the applicable Final Terms) the Margin (if any). For the purposes of this sub-paragraph (iii), "ISDA Rate" for an Interest Period means a rate equal to the Floating Rate that would be determined by the Calculation Agent under an interest rate swap transaction if the Calculation Agent were acting as Calculation Agent for that swap transaction under the terms of an agreement incorporating the 2006 ISDA Definitions as published by the International Swaps and Derivatives Association, Inc. and as amended and updated as at the Issue Date of the Certificates (the "**ISDA Definitions**") and under which:

- (a) the Floating Rate Option is as specified in the applicable Final Terms;
- (b) the Designated Maturity is a period specified in the applicable Final Terms; and
- (c) the relevant Reset Date is either (x) if the applicable Floating Rate Option is based on the London interbank offered rate ("**LIBOR**") or on the Euro-zone inter-bank offered rate ("**EURIBOR**") for a currency, the first day of that Interest Period or (y) in any other case, as specified in the applicable Final Terms.

For the purposes of this sub-paragraph (iii), "**Floating Rate**", "**Calculation Agent**", "**Floating Rate Option**", "**Designated Maturity**" and "**Reset Date**" have the meanings given to those terms in the ISDA Definitions.

(iv) AFB Determination

Where so specified in the applicable Final Terms, interest will be payable on such dates, at such a rate (the "**AFB Rate**") and in such amounts, plus or minus (as indicated in the applicable Final Terms) the Margin (if any), as would have been payable (regardless of any event of default or termination event thereunder) by the Issuer if it had entered into an interest rate swap transaction governed by an agreement in the form of the Master Agreement relating to foreign exchange and derivatives transactions (an "**AFB Agreement**"), as in effect on the date of issue of the Certificates, published by the *Association Française des Banques/Fédération Bancaire Française* and evidenced by a Confirmation (as defined in the AFB Agreement) with the holder of the relevant Certificate under which:

- (a) the Issuer was the Floating Amount Payer;
- (b) the Principal Certificate Agent (as defined herein) was the Agent (as defined in the AFB Agreement) or as otherwise specified in the applicable Final Terms;
- (c) the Interest Commencement Date was the Transaction Date;
- (d) the Notional Amount in respect of a Certificate was the Notional Amount;
- (e) the Interest Payment Dates were the Floating Amount Payment Dates; and
- (f) all other terms were as specified in the applicable Final Terms.

When the preceding sentence applies, in respect of each relevant Interest Payment Date:

- (a) the amount of interest determined for such Interest Payment Date will be the Interest Amount for the relevant Interest Period for the purposes of these Terms and Conditions as though determined under sub-paragraph (vi) below;
- (b) the Rate of Interest for such Interest Period will be the Floating Rate (as defined in the AFB Agreement) determined by the Principal Certificate Agent in accordance with the preceding sentence; and
- (c) the Principal Certificate Agent will be deemed to have discharged its obligations under sub-paragraph (vi) below if it has determined the Rate of Interest and the Interest Amount payable on such Interest Payment Date in the manner provided in the preceding sentence.

(v) Screen Rate Determination

Where Screen Rate Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will, subject as provided below, be either:

- (a) the offered quotation; or
- (b) the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the offered quotations,

(expressed as a percentage rate per annum) for the Reference Rate(s) which appears or appear, as the case may be, on the Relevant Screen Page as at the Specified Time indicated in the applicable Final Terms (which will be 11.00 a.m., London time, in the case of LIBOR, or Brussels time, in the case of EURIBOR) on the Interest Determination Date in question plus or minus (as indicated in the applicable Final Terms) the Margin (if any), all as determined by the Calculation Agent. If five or more of such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Calculation Agent for the purpose of determining the arithmetic mean (rounded as provided above) of such offered quotations.

If the Relevant Screen Page is not available or if, in the case of sub-paragraph a, no offered quotation appears or, in the case of sub-paragraph b, fewer than three offered quotations appear, in each case as at the Specified Time, the Calculation Agent shall request each of the Reference Banks to provide the Calculation Agent with its offered quotation (expressed as a percentage rate per annum) for the Reference Rate at approximately the Specified Time on the Interest Determination Date in question. If two or more of the Reference Banks provide the Calculation Agent with offered quotations, the Rate of Interest for the Interest Period shall be the arithmetic mean (rounded if necessary to the fifth decimal place with 0.000005 being rounded upwards) of the offered quotations plus or minus (as appropriate) the Margin (if any), all as determined by the Calculation Agent.

If on any Interest Determination Date one only or none of the Reference Banks provides the Calculation Agent with an offered quotation as provided in the preceding paragraph, the Rate of Interest for the relevant Interest Period shall be the rate per annum which the Calculation Agent determines as being the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the rates, as communicated to (and at the request of) the Calculation Agent by the Reference Banks or any two or more of them, at which such banks were offered, at approximately the Specified Time on the relevant Interest Determination Date, deposits in the Settlement Currency for a period equal to that which would have been used for the Reference Rate by leading banks in the inter-bank market applicable to the Reference Rate (which will be the London inter-bank market, if the Reference Rate is LIBOR, or the Euro-zone inter-bank market, if the Reference Rate is EURIBOR) plus or minus (as appropriate) the Margin (if any) or, if fewer than two of the Reference Banks provide the Calculation Agent with offered rates, the offered rate for deposits in the Settlement Currency for a period equal to that which would have been used for the Reference Rate, or the arithmetic mean (rounded as provided above) of the offered rates for deposits in the Settlement Currency for a period equal to that which would have been used for the Reference Rate, at which, at approximately the Specified Time on the relevant Interest Determination Date, any one or more banks (which bank or banks is or are in the opinion of the Calculation Agent suitable for the purpose) informs the Calculation Agent it is quoting to leading banks in the inter-bank market applicable to the Reference Rate (which will be the London inter-bank market, if the Reference Rate is LIBOR, or the Euro-zone inter-bank market, if the Reference Rate is EURIBOR) plus or minus (as appropriate) the Margin (if any), provided that, if the Rate of Interest cannot be determined in accordance with the foregoing provisions of this paragraph, the Rate of Interest shall be determined as at the last preceding Interest Determination Date (though substituting, where a different Margin is to be applied to the relevant Interest Period from that which applied to

the last preceding Interest Period, the Margin relating to the relevant Interest Period in place of the Margin relating to that last preceding Interest Period).

If the Reference Rate from time to time in respect of Floating Rate Certificates is specified in the applicable Final Terms as being other than LIBOR or EURIBOR, the Rate of Interest in respect of such Certificates will be determined as provided in the applicable Final Terms.

(vi) Determination of Rate of Interest and Calculation of Interest Amount

In the case of Floating Rate Certificates and Linked Interest Certificates the Calculation Agent will, on or as soon as practicable after each date on which the Rate of Interest is to be determined (the "**Interest Determination Date**"), determine the Rate of Interest (subject to any Minimum Interest Rate or Maximum Interest Rate specified in the applicable Final Terms) for the relevant Interest Period. In the case of Floating Rate Certificates and Linked Interest Certificates, the Calculation Agent will notify the Principal Certificate Agent of the Rate of Interest for the relevant Interest Period as soon as practicable after calculating the same.

The Calculation Agent will calculate the amount of interest (the "**Interest Amount**") payable on each Certificate for the relevant Interest Period by applying the Rate of Interest to the Notional Amount of such Certificate and multiplying such sum by the Day Count Fraction specified in the applicable Final Terms and rounding the resultant figure to the nearest sub-unit (defined above) of the relevant Specified Currency, one half of such a sub-unit being rounded upwards or otherwise in accordance with applicable market convention.

(vii) Minimum and/or Maximum Interest Rate

If the applicable Final Terms specifies a Minimum Interest Rate for any Interest Period, then, in the event that the Rate of Interest in respect of such Interest Period determined in accordance with the provisions of sub-paragraph (ii), (iii), (iv) or (v) above (as appropriate) is less than such Minimum Interest Rate, the Rate of Interest for such Interest Period shall be such Minimum Interest Rate.

If the applicable Final Terms specifies a Maximum Interest Rate for any Interest Period, then, in the event that the Rate of Interest in respect of such Interest Period determined in accordance with the provisions of sub-paragraph (ii), (iii), (iv) or (v) above (as appropriate) is greater than such Maximum Interest Rate, the Rate of Interest for such Interest Period shall be such Maximum Interest Rate.

(viii) Notification of Rate of Interest and Interest Amount

The Calculation Agent will cause the Rate of Interest and each Interest Amount for each Interest Period and the relevant Interest Payment Date to be notified to the Principal Certificate Agent, the Issuer and the Guarantor (such notifications to occur no later than the Business Day following such determination), (in the case of Certificates which are listed on Euronext Amsterdam and the rules of such stock exchange so require) Euronext Amsterdam and, if applicable, to any other stock exchange on which the relevant Certificates are for the time being listed. In addition, the Calculation Agent shall publish or cause to be published such Rate of Interest, Interest Amount and Interest Payment Date in accordance with Condition 11 as soon as possible after their determination but in no event later than the fourth Amsterdam Business Day thereafter. Each Interest Amount and Interest Payment Date

so notified may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) in the event of an extension or shortening of the Interest Period. Any such amendment will be promptly notified to each stock exchange on which the relevant Certificates are for the time being listed and to the Noteholders in accordance with Condition 11. For the purposes of the Terms and Conditions, the expression "**Amsterdam Business Day**" means a day (other than a Saturday or a Sunday) on which commercial banks are open for business in Amsterdam. The determination of each Interest Rate and Interest Amount, the obtaining of each quote and the making of each determination or calculation by the Calculation Agent shall (in the absence of manifest error) be final and binding upon all parties.

(C) Day Count Fractions

"**Day Count Fraction**" means, in respect of the calculation of an amount of interest for any Interest Period:

- (a) if "**Actual/Actual (ICMA)**" is specified in the applicable Final Terms:
 - (i) in the case of Certificates where the number of days in the relevant period from (and including) the most recent Interest Period End Date (or, if none, the Interest Commencement Date) to (but excluding) the relevant payment date (the "**Accrual Period**") is equal to or shorter than the Determination Period during which the Accrual Period ends, the number of days in such Accrual Period divided by the product of (1) the number of days in such Determination Period and (2) the number of Determination Dates (as specified in the applicable Final Terms) that would occur in one calendar year; or
 - (ii) in the case of Certificates where the Accrual Period is longer than the Determination Period during which the Accrual Period ends, the sum of:
 - (x) the number of days in such Accrual Period falling in the Determination Period in which the Accrual Period begins divided by the product of (1) the number of days in such Determination Period and (2) the number of Determination Dates (as specified in the applicable Final Terms) that would occur in one calendar year; and
 - (y) the number of days in such Accrual Period falling in the next Determination Period divided by the product of (1) the number of days in such Determination Period and (2) the number of Determination Dates that would occur in one calendar year;

"**Determination Date(s)**" means the date(s) specified in the applicable Final Terms;

"**Determination Period**" means each period from (and including) a Determination Date to but excluding the next Determination Date (including, where either the Interest Commencement Date or the Interest Period End Date is not a Determination Date, the period commencing on the first Determination Date prior to, and ending on the first Determination Date falling after, such date);

- (b) if "**Actual/Actual (ISDA)**" or "**Actual/Actual**" is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365 (or, if any portion of that Interest

Period falls in a leap year, the sum of (1) the actual number of days in that portion of the Interest Period falling in a leap year divided by 366 and (2) the actual number of days in that portion of the Interest Period falling in a non-leap year divided by 365);

- (c) if "Actual/365 (Fixed)" is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365;

- (e) if "Actual/360" is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 360;
- (f) if "30/360", "360/360" or "Bond Basis" is specified in the applicable Final Terms, the number of days in the Interest Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

"Y₁" is the year, expressed as a number, in which the first day of the Interest Period falls;

- (g) if "30E/360" or "Eurobond Basis" is specified in the applicable Final Terms, the number of days in the Interest Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

"D₂" is the calendar day, expressed as a number, immediately following the last day included in the Interest Period, unless such number would be 31, in which case D₂ will be 30;

- (h) if "30E/360 (ISDA)" is specified in the applicable Final Terms, the number of days in the Interest Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

"Y₁" is the year, expressed as a number, in which the first day of the Interest Period falls;

(F) Accrual of Interest

Each Certificate (or in the case of the redemption of part only of a Certificate, that part only of such Certificate) will cease to bear interest (if any) from the date for its redemption or exercise, as the case may be, unless payment of principal and/or delivery of all assets deliverable is improperly withheld or refused. In such event, interest will continue to accrue until whichever is the earlier of:

- (i) the date on which all amounts due in respect of such Certificate have been paid and/or all assets deliverable in respect of such Certificate have been delivered; and
- (ii) five days after the date on which the full amount of the moneys payable in respect of such Certificate has been received by the Principal Certificate Agent and/or all assets in respect of such Certificate have been received by any agent appointed by the Issuer to deliver such assets to Holders and notice to that effect has been given to the Holders in accordance with Condition 11,

provided that if Credit Certificate Condition 1(B) or Credit Certificate Condition 2 applies in respect of the Certificates; and

- (A) "Accrual of Interest upon Credit Event" is specified as Not Applicable in the applicable Final Terms, each Certificate shall cease to bear interest from the Interest Period End Date immediately preceding the Credit Event Determination Date, or if the Credit Event Determination Date is an Interest Period End Date such Interest Period End Date or, if the Credit Event Determination Date falls prior to the first Interest Period End Date, no interest shall accrue on the Certificates; or

If the date for payment of any amount in respect of the Certificates is not a Business Day, the holder thereof shall not be entitled to payment until the next following Business Day and shall not be entitled to any payment in respect of such delay.

(C) Issuer Call Option

If Issuer Call Option is specified in the applicable Final Terms, the Issuer may, having given:

- (i) except in the case of Certificates represented by Private Placement Definitive Certificates and Certificates represented by a Rule 144A Global Certificate held by a Custodian on behalf of DTC, not less than 15 nor more than 30 days' notice to the Holders in accordance with Condition 11 and, in the case of Certificates represented by Private Placement Definitive Certificates and Certificates represented by a Rule 144A Global Certificate held by a Custodian on behalf of DTC, not less than 30 nor more than 45 days' notice to the Holders in accordance with Condition 11; and
- (ii) not less than 15 days before the giving of the notice referred to in (i), notice to the relevant Certificate Agent,

(which notices shall be irrevocable and shall specify the date fixed for redemption), redeem all or some only of the Certificates then outstanding on any date fixed for redemption as specified in the applicable Final Terms (an "**Optional Redemption Date**") and at an amount specified in, or determined in the manner specified in, the applicable Final Terms (the "**Optional Redemption Amount**") together, if appropriate, with interest accrued to (but excluding) the relevant Optional Redemption Date.

In the case of a partial redemption, the rights of Holders of Certificates represented by a Global Certificate, or Holders of Italian Dematerialised Certificates or VPC Certificates will, unless otherwise provided in the applicable Final Terms, be governed by the standard procedures of Euroclear, Clearstream Luxembourg, Euroclear France, DTC, Monte Titoli, VPC, as applicable, or any relevant Clearing System (as the case may be). With respect to Certificates represented by Private Placement Definitive Certificates, the Definitive Certificate Agent will select the Certificates to be redeemed individually by lot, not more than 45 days prior to the date fixed for redemption, and give notice to Holders, in accordance with Condition 11, of the serial numbers of the Certificates to be redeemed not less than 15 days prior to the date fixed for redemption. Private Placement Definitive Certificates may only be redeemed in minimum amounts of U.S.\$250,000 or more, and the remaining unredeemed portion thereof must be at least U.S.\$250,000. So long as the Certificates are listed on the official list of Euronext Amsterdam ("**AEX**") and admitted to trading on the regulated market of AEX and the rules of that stock exchange so require, the Issuer shall, once in each year in which there has been a partial redemption of the Certificates, cause to be published on the website of AEX ("www.euronext.com") a notice specifying the aggregate nominal amount of Certificates outstanding.

(D) Holder Put Option

If Holder Put Option is specified in the applicable Final Terms, upon the Holder of any Certificate giving to the Issuer not less than 15 nor more than 30 days' notice the Issuer will, upon the expiry of such notice, redeem, subject to, and in accordance with, the terms specified in the applicable Final Terms, in whole (but not in part), such Certificate on the Optional Redemption Date and at the Optional Redemption Amount together, if appropriate, with interest accrued to (but excluding) the Optional Redemption Date (each date and amount as defined in the applicable Final Terms).

If the Certificate is held outside DTC, Euroclear and Clearstream, Luxembourg, Euroclear France and/or any other relevant Clearing System, to exercise the right to require redemption of the Certificate the Holder of the Certificate must deliver at the specified office of any Certificate Agent at any time during normal business hours of such Registrar or Certificate Agent falling within the notice period, a duly completed and signed notice of exercise in the form (for the time being current) obtainable from any specified office of any Certificate Agent (a "**Put Notice**") and in which the Holder must specify a bank account (or, if payment is required to be made by cheque, an address) to which payment is to be made under this Condition 6(D), accompanied by the Certificate or evidence satisfactory to the Certificate Agent concerned that the Certificate will, following delivery of the Put Notice, be held to its order or under its control in a manner reasonably satisfactory to the Certificate Agent concerned. If the Certificate is held through DTC, Euroclear or Clearstream, Luxembourg, Euroclear France, Monte Titoli, VPC and/or any other relevant Clearing System, to exercise the right to require redemption of the Certificate the Holder of the Certificate must, within the notice period, give notice to the Certificate Agent concerned of such exercise in accordance with the standard procedures of DTC, Euroclear and Clearstream, Luxembourg, Euroclear France, Monte Titoli, VPC and/or any other relevant Clearing System (which may include notice being given on his instruction by DTC, Euroclear or Clearstream, Luxembourg, Euroclear France, Monte Titoli, VPC and/or any other relevant Clearing System or any common depository for them to the Certificate Agent by

electronic means) in a form acceptable to DTC, Euroclear and Clearstream, Luxembourg, Euroclear France, Monte Titoli, VPC and/or any other relevant Clearing System from time to time and, if the Certificate is represented by a Global Certificate, at the same time present or procure the presentation of the relevant Global Certificate to the relevant Certificate Agent for notation accordingly. Any Put Notice given by a Holder of any Certificate pursuant to this Condition 6(D) shall be irrevocable.

(E) Redemption in Instalments

If the applicable Final Terms specify that the Certificates are Instalment Certificates, each Certificate will be redeemed in the Instalment Amounts and on the Instalment Dates specified in the applicable Final Terms.

(F) Redemption of Partly Paid Certificates

Partly Paid Certificates will be redeemed in accordance with the provisions set out in the applicable Final Terms.

(G) Exercise of Certificates

If the Certificates are Cash Settled Certificates and Exercise of Certificates is specified as applying in the applicable Final Terms, the Certificates (such Certificates "**Exercisable Certificates**") will be automatically exercised on the Exercise Date, subject as provided in the following paragraph and, in the case of Credit Certificates, to the provisions of Annex 10 (*Additional Terms and Conditions for Credit Certificates*). Upon automatic exercise each Certificate entitles its Holder to receive from the Issuer the Cash Settlement Amount on the Redemption Date.

If the Certificates are Italian Listed Certificates, prior to the Renouncement Notice Cut-off Time, as specified in the applicable Final Terms, on the Exercise Date, the Holder of a Certificate may renounce automatic exercise of such Certificate by the delivery or sending by fax of a duly completed Renouncement Notice (a "**Renouncement Notice**") in the form set out in the applicable Final Terms to the Italian Certificate Agent. Once delivered a Renouncement Notice shall be irrevocable. Any determination as to whether a Renouncement Notice is duly completed and in proper form shall be made by the Italian Certificate Agent (in consultation with Monte Titoli) and shall be conclusive and binding on the Issuer, the Guarantor, if applicable, the Warrant Agents and the relevant Holder. Subject as set out below, any Renouncement Notice so determined to be incomplete or not in proper form shall be null and void. If such Renouncement Notice is subsequently corrected to the satisfaction of the Italian Certificate Agent, it shall be deemed to be a new Renouncement Notice submitted at the time such correction was delivered to the Italian Certificate Agent.

7. Payments and Physical Delivery

(A) Payments

Except in the case of VPC Certificates and subject as provided below, the Issuer or, failing which, the Guarantor, if any, shall pay or cause to be paid the Cash Settlement Amount or Credit Event Redemption Amount (if any) (or in the case of Instalment Certificates, each Instalment Amount) for each Certificate by credit or transfer to the Holder's account with the relevant Clearing System or the Definitive Certificate Agent, as the case may be (in the case of English Law Certificates other than VPC Certificates and Euroclear France Certificates) or with the relevant Account Holder (in the case of Euroclear France Certificates) for value on the Redemption Date (or in the case of Instalment Certificates, on the relevant Instalment Date) less any Expenses, such payment to be made in

Each of the persons shown in the records of the relevant Clearing System or the Definitive Certificate Agent, as the case may be, or whose name appears in the account of the relevant Account Holder (in the case of Euroclear France Certificates) as the holder of a particular amount of the Certificates must look solely to the relevant Clearing System or the Definitive Certificate Agent, as the case may be, or, as the case may be, the relevant Account Holder for his share of each such payment so made to, or to the order of, such Clearing System or the Definitive Certificate Agent, as the case may be or Account Holder.

In the case of Private Placement Definitive Certificates only, if a Holder has given wire transfer instructions to the Issuer and Definitive Certificate Agent, the Company will make all payments in accordance with those instructions.

Payments will be subject in all cases to any fiscal or other laws and regulations applicable thereto in the place of payment.

In the case of VPC Certificates, payment of the Cash Settlement Amount (if any) (or in the case of Instalment Certificates, each Instalment Amount) or Credit Event Redemption Amount (if any) and Interest Amount (if any) will be made to persons registered as Holders in the register maintained by VPC on the fifth Business Day immediately prior to the Redemption Date (or in the case of Instalment Certificates, Instalment Date) or Interest Payment Date, as the case may be (the "**Payment Date**") (the "**Record Date**"). The VPC Certificate Agent will pay the relevant amount through VPC to each Holder appearing in the VPC Register on the Record Date on the Payment Date.

(2) Verification of the Holder

Upon receipt of an Asset Transfer Notice, the relevant Clearing System or, as the case may be, the relevant Account Holder shall verify that the person delivering the Asset Transfer Notice is the holder of the Certificates described therein according to its records. Subject thereto, the relevant Clearing System or, as the case may be, the relevant Account Holder will confirm to the Principal Certificate Agent the series number and number of Certificates the subject of such notice, the relevant account details and the details for the delivery of the Entitlement of each Certificate. Upon receipt of such confirmation, the Principal Certificate Agent will inform the Issuer thereof. The relevant Clearing System or, as the case may be, the relevant Account Holder will on or before the Delivery Date or (in the case of Credit Certificates) the Settlement Date debit the securities account of the relevant Holder with the relevant Certificates.

In the case of Certificates represented by a Rule 144A Global Certificate held by a Custodian on behalf of DTC, upon receipt of an Asset Transfer Notice, the New York Certificate Agent shall verify that the person delivering the Asset Transfer Notice is the Holder according to the records of DTC. Upon receipt of such confirmation, the Definitive Certificate Agent will inform BNPP thereof. The Definitive Certificate Agent will, on or before the Delivery Date or (in the case of Credit Certificates) the Settlement Date, update the Private Placement Register.

(3) Determinations and Delivery

Any determination as to whether an Asset Transfer Notice is duly completed and in proper form shall be made by (i) in the case of Global Certificates (other than Certificates represented by a Rule 144A Global Certificate held by a Custodian on behalf of DTC), the relevant Clearing System or, as the case may be, the relevant Account Holder, (ii) in the case

of Certificates represented by a Rule 144A Global Certificate held by a Custodian on behalf of DTC, the New York Certificate Agent, or (iii) in the case of Private Placement Definitive Certificates, the Definitive Certificate Agent, in each case, in consultation with the Principal Certificate Agent, and shall be conclusive and binding on the Issuer, the Guarantor, if any, the Certificate Agents and the relevant Holder. Subject as set out below, any Asset Transfer Notice so determined to be incomplete or not in proper form, or which is not copied to the Principal Certificate Agent immediately after being delivered or sent to the relevant Clearing System or, as the case may be, the relevant Account Holder, the New York Certificate Agent or the Definitive Certificate Agent, as provided in paragraph (1) above, shall be null and void.

If such Asset Transfer Notice is subsequently corrected to the satisfaction of the relevant Clearing System, the New York Certificate Agent or the Definitive Certificate Agent or, as the case may be, the relevant Account Holder in consultation with the Principal Certificate Agent, it shall be deemed to be a new Asset Transfer Notice submitted at the time such correction was delivered to the relevant Clearing System or, as the case may be, the relevant Account Holder and the Principal Certificate Agent.

The relevant Clearing System, the New York Certificate Agent or the Definitive Certificate Agent, as the case may be, or, as the case may be, the relevant Account Holder shall use its best efforts promptly to notify the Holder submitting an Asset Transfer Notice if, in consultation with the Principal Certificate Agent, it has determined that such Asset Transfer Notice is incomplete or not in proper form. In the absence of negligence or wilful misconduct on its part, none of the Issuer, the Guarantor, if any, the Certificate Agents or the relevant Clearing System or, as the case may be, the relevant Account Holder shall be liable to any person with respect to any action taken or omitted to be taken by it in connection with such determination or the notification of such determination to a Holder.

No Asset Transfer Notice may be withdrawn after receipt thereof by the relevant Clearing System, the relevant Account Holder or the relevant Certificate Agent, as the case may be, as provided above. After delivery of an Asset Transfer Notice, the relevant Holder may not transfer the Certificates which are the subject of such notice.

The Entitlement will be delivered at the risk of the relevant Holder, in the manner provided below on the Redemption Date (such date, subject to adjustment in accordance with this Condition, the "**Delivery Date**") or (in the case of Credit Certificates) the Settlement Date, provided that the Asset Transfer Notice is duly delivered to the relevant Clearing System or the relevant Certificate Agent or, as the case may be, the relevant Account Holder with a copy to the Principal Certificate Agent, as provided above on or prior to the Cut-Off Date.

If a Holder fails to give an Asset Transfer Notice as provided herein with a copy to the Principal Certificate Agent, on or prior to the Cut-Off Date, then the Entitlement will be delivered or, as the case may be, Delivered as soon as practicable after the Redemption Date (in which case, such date of delivery shall be the Delivery Date) or (in the case of Credit Certificates) the Settlement Date, at the risk of such Holder in the manner provided herein. For the avoidance of doubt, in such circumstances such Holder shall not be entitled to any payment, whether of interest or otherwise, as a result of the Delivery Date or the Settlement Date, as the case may be, falling after the Redemption Date or the originally designated Settlement Date, as applicable, and no liability in respect thereof shall attach to the Issuer or the Guarantor, if any.

The Issuer shall at the risk of the relevant Holder, deliver or procure the delivery of the Entitlement or (in the case of Credit Certificates) Deliver the Deliverable Obligations comprising the Entitlement for each Certificate, pursuant to the details specified in the Asset Transfer Notice or in such commercially reasonable manner as the Calculation Agent shall in its sole discretion determine and notify to the person designated by the Holder in the relevant Asset Transfer Notice. All Expenses arising from the delivery of the Entitlement or Delivery of the Deliverable Obligations comprising the Entitlement, as the case may be, in respect of such Certificates shall be for the account of the relevant Holder and no delivery of the Entitlement or Delivery of the Deliverable Obligations comprising the Entitlement, as the case may be, shall be made until all Expenses have been paid to the satisfaction of the Issuer by the relevant Holder.

(4) General

Certificates held by the same Holder will be aggregated for the purpose of determining the aggregate Entitlements in respect of such Certificates, provided that, the aggregate Entitlements in respect of the same Holder will be rounded down to the nearest whole unit of the Relevant Asset, each of the Relevant Assets, the Deliverable Obligation or the Deliverable Obligations, as the case may be, in such manner as the Calculation Agent shall determine. Therefore, fractions of the Relevant Asset, of each of the Relevant Assets, the Deliverable Obligation or the Deliverable Obligations, as the case may be, will not be delivered and in lieu thereof a cash adjustment calculated by the Calculation Agent in its sole and absolute discretion shall be paid to the Holder.

Following the Delivery Date of a Share Certificate all dividends on the relevant Shares to be delivered will be payable to the party that would receive such dividend according to market practice for a sale of the Shares executed on the Delivery Date and to be delivered in the same manner as such relevant Shares. Any such dividends to be paid to a Holder will be paid to the account specified by the Holder in the relevant Asset Transfer Notice as referred to in Condition 7(B)(1).

For such period of time after delivery or Delivery of the Entitlement as the Issuer or any person acting on behalf of the Issuer shall continue to be the legal owner of the securities or Deliverable Obligations comprising the Entitlement (the "**Intervening Period**"), none of the Issuer, the Guarantor, if any, the Calculation Agent nor any other person shall at any time (i) be under any obligation to deliver or procure delivery to any Holder any letter, certificate, notice, circular or any other document or, except as provided herein, payment whatsoever received by that person in respect of such securities, obligations or Deliverable Obligations, (ii) be under any obligation to exercise or procure exercise of any or all rights attaching to such securities, obligations or Deliverable Obligations or (iii) be under any liability to a Holder in respect of any loss or damage which such Holder may sustain or suffer as a result, whether directly or indirectly, of that person being registered during such Intervening Period as legal owner of such securities, obligations or Deliverable Obligations.

(5) Settlement Disruption

The provisions of this Condition 7(B)(5) apply to Physical Delivery Certificates other than Credit Certificates.

If, in the opinion of the Calculation Agent, delivery of the Entitlement using the method of delivery specified in the applicable Final Terms or such commercially reasonable manner as the Calculation Agent has determined is not practicable by reason of a Settlement Disruption Event (as defined below) having occurred and continuing on the Delivery Date, then the Delivery Date shall be postponed to the first following Settlement Business Day in respect of which there is no such Settlement Disruption Event, provided that, the Issuer may elect in its sole discretion to satisfy its obligations in respect of the relevant Certificate by delivering the Entitlement using such other commercially reasonable manner as it may select and in such event the Delivery Date shall be such day as the Issuer deems appropriate in connection with delivery of the Entitlement in such other commercially reasonable manner. For the avoidance of doubt, where a Settlement Disruption Event affects some but not all of the Relevant Assets comprising the Entitlement, the Delivery Date for the Relevant Assets not affected by the Settlement Disruption Event will be the originally designated Delivery Date. For so long as delivery of the Entitlement is not practicable by reason of a Settlement Disruption Event, then in lieu of physical settlement and notwithstanding any other provision hereof, except in the case of U.S. Certificates (in which case another price or prices will be specified in the applicable Final Terms) the Issuer may elect in its sole discretion to satisfy its obligations in respect of the relevant Certificate by payment to the relevant Holder of the Disruption Cash Settlement Price (as defined below) on the fifth Business Day following the date that notice of such election is given to the Holders in accordance with Condition 11. Payment of the Disruption Cash Settlement Price will be made in such manner as shall be notified to the Holders in accordance with Condition 11. The Calculation Agent shall give notice as soon as practicable to the Holders in accordance with Condition 11 that a Settlement Disruption Event has occurred. No Holder shall be entitled to any payment in respect of the relevant Certificate in the event of any delay in the delivery of the Entitlement due to the occurrence of a Settlement Disruption Event and no liability in respect thereof shall attach to the Issuer or the Guarantor.

For the purposes hereof:

"Disruption Cash Settlement Price", in respect of any relevant Certificate, shall be the fair market value of such Certificate (taking into account, where the Settlement Disruption Event affected some but not all of the Relevant Assets comprising the Entitlement and such non-affected Relevant Assets have been duly delivered as provided above, the value of such Relevant Assets), less the cost to the Issuer and/or its Affiliates of unwinding any underlying related hedging arrangements (unless provided in the applicable Final Terms), all as determined by the Issuer in its sole and absolute discretion;

"Settlement Business Day", in respect of each Certificate, has the meaning specified in the applicable Final Terms relating to such Certificate; and

"Settlement Disruption Event" means, in the opinion of the Calculation Agent or, if the proviso to Condition 3 applies, BNPP, an event beyond the control of the Issuer or, if the proviso to Condition 3 applies, BNPP as a result of which the Issuer or BNPP, as the case may be, cannot make delivery of the Relevant Asset(s) using the method specified in the applicable Final Terms.

(6) Failure to Deliver due to Illiquidity

"Failure to Deliver due to Illiquidity" if specified as applying in the applicable Final Terms, will be an Additional Disruption Event, as described in Condition 16(A).

(C) Variation of Settlement

The provisions of this Condition 7(C) apply to Physical Delivery Certificates other than Credit Certificates.

- (i) If the applicable Final Terms indicate that the Issuer has an option to vary settlement in respect of the Certificates (which, unless otherwise specified, will not apply to U.S. Certificates), the Issuer may at its sole and unfettered discretion in respect of each such Certificate, elect not to pay the relevant Holders the Cash Settlement Amount or to deliver or procure delivery of the Entitlement to the relevant Holders, as the case may be, but, in lieu thereof to deliver or procure delivery of the Entitlement or make payment of the Cash Settlement Amount on the Redemption Date to the relevant Holders, as the case may be. Notification of such election will be given to Holders in accordance with Condition 11.
- (ii) If specified in the applicable Final Terms, the Issuer shall, in respect of each Certificate, in lieu of delivering or procuring the delivery of the Entitlement to the relevant Holders, make payment of the Cash Settlement Amount on the Redemption Date to the relevant Holders.

(D) Issuer's Option to Substitute Assets or to pay the Alternate Cash Amount

The provisions of this Condition 7(D) apply to Physical Delivery Certificates other than Credit Certificates.

Following a valid redemption of Certificates in accordance with these Conditions, the Issuer may, in its sole and absolute discretion in respect of such Certificates, if the Calculation Agent determines (in its sole and absolute discretion) that the Relevant Asset or Relevant Assets, as the case may be, comprises shares which are not freely tradable, elect either (i) to substitute for the Relevant Asset or the Relevant Assets, as the case may be, an equivalent value (as determined by the Calculation Agent in its sole and absolute discretion) of such other shares which the Calculation Agent determines, in its sole and absolute discretion, are freely tradable (the "**Substitute Asset**" or the "**Substitute Assets**", as the case may be) or (ii) not to deliver or procure the delivery of the Entitlement or the Substitute Asset or Substitute Assets, as the case may be, to the relevant Holders, but in lieu thereof to make payment to the relevant Holders on the Settlement Date of an amount equal to the fair market value of the Entitlement on the Valuation Date as determined by the Calculation Agent in its sole and absolute discretion by reference to such sources as it considers appropriate (the "**Alternate Cash Amount**"). Notification of any such election will be given to Holders in accordance with Condition 11.

For the purposes hereof, a "**freely tradable**" share shall mean (i) with respect to the United States, a share which is registered under the Securities Act or not restricted under the Securities Act and which is not purchased from the issuer of such share and not purchased from an affiliate of the issuer of such share or which otherwise meets the requirements of a freely tradable share for purposes of the Securities Act, in each case, as determined by the Calculation Agent in its sole and absolute discretion or (ii) with respect to any other jurisdiction, a share not subject to any legal restrictions on transfer in such jurisdiction.

(E) Rights of Holders and Calculations

None of the Issuers, the Guarantor, the Calculation Agent and the Certificate Agents shall have any responsibility for any errors or omissions in the calculation of any Cash Settlement Amount or of any Entitlement.

The purchase of Certificates does not confer on any Holder of such Certificates any rights (whether in respect of voting, distributions or otherwise) attaching to any Relevant Asset.

(F) Prescription

Claims against the Issuer or the Guarantor, if any, for payment of principal or interest in respect of the Certificates shall become void unless made within 60 months from the Redemption Date and no claims shall be made after such date.

8. Illegality and Force Majeure

(A) Illegality

If the Issuer determines that the performance of its obligations under the Certificates has become illegal in whole or in part for any reason, the Issuer may, on giving notice to Holders in accordance with Condition 11, redeem all but not some only of the Certificates.

If the Issuer redeems the Certificates early then the Issuer will, if and to the extent permitted by applicable law, and except as may be limited in the case of U.S. Certificates, pay to each Holder in respect of each Certificate held by such Holder an amount equal to the fair market value of a Certificate, notwithstanding such illegality less the cost to the Issuer and/or its Affiliates of unwinding any underlying related hedging arrangements (unless otherwise provided in the relevant Final Terms) as determined by the Calculation Agent in its sole and absolute discretion. Payment will be made in such manner as shall be notified to the Holders in accordance with Condition 11.

Should any one or more of the provisions contained in these Terms and Conditions be or become invalid, the validity of the remaining provisions shall not in any way be affected thereby.

(B) Force Majeure

If the Issuer determines that by reason of force majeure or act of state occurring after the Trade Date it becomes impossible or impracticable to perform in whole or in part its obligations under the Certificates and/or any related hedging arrangements, the Issuer may redeem the Certificates by giving notice to Holders in accordance with Condition 11.

If the Issuer redeems the Certificates then the Issuer will, if and to the extent possible or practicable, pay an amount (if any) to each Holder in respect of each Certificate held by such Holder, which amount shall be the fair market value (if any) of a Certificate taking into account such force majeure or act of state less the cost to the Issuer and/or its Affiliates of unwinding any underlying related hedging arrangements, all as determined by the Calculation Agent in its sole and absolute discretion. Any payment will be made in such manner as shall be notified to the Holders in accordance with Condition 11.

9. Purchases

The Issuer may, but is not obliged to, at any time purchase Certificates at any price in the open market or by tender or private treaty. In the case of BNPP B.V., any Certificates so purchased may be held or resold or surrendered for cancellation; provided, however, that Certificates so purchased may only be resold pursuant to an exemption from the registration requirements of the Securities Act provided by Rule 144A, Regulation S or otherwise thereunder. In the case of BNPP, any Certificates so purchased will forthwith be cancelled and accordingly may not be re-issued or resold.

10. Certificate Agents, Determinations, Meetings Provisions and Modifications

(A) Certificate Agents

The specified offices of each Certificate Agent are as set out at the end of these Terms and Conditions.

Each of the Issuer and the Guarantor, if any, reserves the right at any time to vary or terminate the appointment of any Certificate Agent and to appoint further or additional Certificate Agents, provided that no termination of appointment of the Agent shall become effective until a replacement Certificate Agent shall have been appointed and provided that, so long as any of the Certificates are listed on a stock exchange or are admitted to trading by another relevant authority, there shall be an Agent having a specified office in each location required by the rules and regulations of the relevant stock exchange or other relevant authority. So long as any of the Certificates are Private Placement Definitive Certificates, there shall be a Definitive Certificate Agent, and so long as any of the Certificates are represented by a Rule 144A Global Certificate held by a Custodian on behalf of DTC, there shall be a New York Certificate Agent. Notice of any termination of appointment and of any changes in the specified office of the Certificate Agent will be given to Holders in accordance with Condition 11. In acting under the Agency Agreement, the Certificate Agent acts solely as agent of the Issuer and the Guarantor and does not assume any obligation or duty to, or any relationship of agency or trust for or with, the Holders and any determinations and calculations made in respect of the Certificates by the Agent shall (save in the case of manifest error) be final, conclusive and binding on the Issuer, the Guarantor, if any, and the respective Holders.

In the case of VPC Certificates the relevant Issuer is entitled to vary or terminate the appointments of the VPC Certificate Agent, provided that it appoints another VPC Certificate Agent that is duly authorised under the SFIA Act as an account operator.

(B) Calculation Agent

In relation to each issue of Certificates, the Calculation Agent (whether it be BNP Paribas, BNP Paribas Arbitrage SNC or another entity) acts solely as agent of the Issuer and the Guarantor, if any, and does not assume any obligation or duty to, or any relationship of agency or trust for or with, the Holders. All calculations and determinations made in respect of the Certificates by the Calculation Agent shall (save in the case of manifest error) be final, conclusive and binding on the Issuer, the Guarantor, if any, and the Holders. Because the Calculation Agent may be an affiliate of the Issuers, potential conflicts of interest may exist between the Calculation Agent and the Holders, including with respect to certain determinations and judgments that the Calculation Agent must make.

The Calculation Agent may, with the consent of the Issuer, delegate any of its obligations and functions to a third party, as it deems appropriate.

(C) Determinations by the Issuer and the Guarantor

Any determination made by the Issuer or the Guarantor, if any, pursuant to these Terms and Conditions shall (save in the case of manifest error) be final, conclusive and binding on the Issuer, the Guarantor, if any, and the Holders.

(D) Meetings of Holders

(i) English Law Certificates

The Agency Agreement contains provisions for convening meetings of the Holders of English Law Certificates to consider any matter affecting their interests, including the sanctioning by Extraordinary Resolution (as defined in the Agency Agreement) of a modification of the Terms and Conditions or the Agency Agreement. At least 21 days' notice (exclusive of the day on which the notice is given and of the day on which the meeting is held) specifying the date, time and place of the meeting shall be given to Holders. Such a meeting may be convened by the Issuer, the Guarantor or Holders holding not less than 5 per cent. (by number) of the Certificates for the time being outstanding. The quorum at a meeting of the Holders (except for the purpose of passing an Extraordinary Resolution) will be two or more persons holding or representing not less than 20 per cent. (by number) of the Certificates outstanding, or at any adjourned meeting two or more persons being or representing Holders whatever the number of English Law Certificates so held or represented. The quorum at a meeting of Holders for the purpose of passing an Extraordinary Resolution will be two or more persons holding or representing not less than 50 per cent. (by number) of the Certificates outstanding or at any adjourned meeting two or more persons being, holding or representing not less than 10 per cent. (by number) of the Certificates outstanding. A resolution will be an Extraordinary Resolution when it has been passed at a duly convened meeting by not less than three-fourths of the votes cast by Holders at such meeting as, being entitled to do so, vote in person or by proxy. An Extraordinary Resolution passed at any meeting of the Holders shall be binding on all the Holders, whether or not they are present at the meeting. Resolutions can be passed in writing if passed unanimously.

(ii) French Law Certificates

(a) Representation

In respect of any series of French Law Certificates, Holders shall not be grouped automatically for the defence of their common interests in a *masse* constituting a separate legal body and governed by the provisions of Articles L.228-46 *et seq* of the French *Code de commerce*. Consequently, the Holders shall not be represented by any representative of such body.

However, general meetings of Holders (a "**General Meeting**") may be convened to consider some matters relating to any series of Certificates as provided hereunder.

(b) Powers of the General Meetings

The General Meeting is empowered to deliberate on any proposal relating to any matter affecting the interests of the Holders of the Certificates and their rights,

actions and benefits which now or in the future may accrue with respect to the Certificates, including the:

- (A) power to agree to any modification of the Certificates, including but not limited to, a modification of the Cash Settlement Amount, Entitlement, Redemption Date, Settlement Date or more generally the modification of any term which can affect the amount to be paid under a Certificate or the scheduled payment date, which is proposed by the Issuer;
- (B) power to give any authority or approval which under the provisions of this Condition 10(D)(ii) is required to be given by a resolution of the General Meeting;
- (C) power to appoint any persons (whether Holders or not) on a committee or committees to confer upon any such committee or committees any powers or discretions which the Holders could themselves exercise by a resolution of the General Meeting; and
- (D) power to approve any contractual compromise or arrangement proposed to be made between the Issuer and the relevant Holders in respect of the rights of the Holders against the Issuer or against any of its property.

It is specified, however, that a General Meeting may not:

- (i) appoint any person as the representative of the Holders of any series for all actions intended to defend the common interests of the Holders, and particularly to bring any court or arbitration action or proceedings, against the Issuer or any Agent; and
- (ii) agree on (1) any modification of the majority required to pass a resolution of the General Meeting, (2) any proposal relating to a change in the Issuer's corporate purpose or status, (3) any proposal for a settlement or a transaction concerning disputed rights or rights in respect of which court decisions have been handed down, or (4) proposals to merge or demerge the Issuer.

Any resolution passed at a General Meeting of the Holders of a series of Certificates, duly convened and held in accordance with the provisions of this Condition, shall be binding upon all the Holders of such series of Certificates whether present or not present at the meeting and whether or not voting and each of them shall be bound to give effect to the resolution accordingly and the passing of any resolution shall be conclusive evidence that the circumstances justify its passing.

General Meetings may deliberate validly on first convocation only if Holders present or represented hold at least a fifth of the Certificates then outstanding. On second convocation, no quorum shall be required. Decisions at meetings shall be taken by a two-thirds majority of votes cast by Holders attending such General Meetings or represented thereat.

Decisions of General Meetings must be published in accordance with the provisions set forth in Condition 11 by the Issuer within 14 calendar days of the result being known provided that non-publication shall not invalidate the resolution.

(c) Convening and holding of the General Meeting

The General Meeting shall be convened by an authorised representative of the Issuer or by the liquidators or natural or physical persons performing equivalent functions during any possible winding-up or equivalent insolvency period and held, all with the same formal and deadline conditions as the shareholders' meetings of the Issuer including the provisions of Articles R. 225-66, R. 225-95, R. 225-101, R. 225-106 and R. 225-107 but excluding the provisions of Articles R. 225-72 to R. 225-74 of the French *Code de commerce*.

Any meeting unduly convened may be cancelled. However, the action to cancel this shall not be admissible when all the Holders of the relevant series are present or represented.

The day, time and place of the meeting and agenda of a meeting are determined at its discretion by the person convening it. However, one or more Holders holding at least one-thirtieth of the relevant series of Certificates then outstanding are entitled to require that draft resolutions be placed on the agenda. Such resolutions are placed on the agenda and put to the vote by the chairman of the meeting. The meeting shall not deliberate on an item which is not placed on the agenda. The agenda for the meeting may be amended on a second convening.

The meeting shall be chaired by a representative of the Issuer.

An attendance sheet is kept for each meeting. The decisions taken at each meeting are recorded in minutes signed by the members of the committee which are entered in a special register kept at the registered office of the Issuer. The elements that must be included in the attendance sheet and the minutes are the same as with respect to the shareholders' meetings of the Issuer.

All Holders of the relevant series of Certificates are entitled to participate in the meeting or to be represented at it by the representative of their choice. Any Holder may vote by correspondence with the same formal and deadline conditions as the shareholders' meetings of the Issuer. Any contrary provision in the articles of association is deemed not to exist. When the quorum is calculated, only voting forms received by the Issuer before the date of the meeting in the manner and within the time limits being the same as for the shareholders' meetings of the Issuer shall be included in such calculation. Forms which do not indicate a voting intention or which express an abstention are treated as negative votes. If the articles of association of the Issuer so provide, Holders who participate in the meeting via videoconferencing or via a telecommunications medium which permits their identification are deemed to be present for calculation of the quorum and the majority.

The rights of each Holder to participate in General Meetings will be evidenced by the entries in the books of the relevant Account Holder of the name of such Holder on the third business day in Paris preceding the date set for the meeting of the

relevant General Meeting at 0:00, Paris time. The voting right in General Meetings shall belong to the bare owner (*nu-propritaire*) of the relevant Certificates. Each Certificate shall confer the right to one vote.

Holders shall not be allowed individually to exercise control over the operations of the Issuer or to request notification of Issuer documents.

(d) Information to Holders

Each Holder thereof will have the right, during the 15-day period preceding the holding of the relevant General Meeting, to consult or make a copy of the text of the resolutions which will be proposed and of the reports which will be presented at the General Meeting, all of which will be available for inspection by the relevant Holders at the registered office of the Issuer, at the specified offices of any of the Certificate Agents during usual business hours and at any other place specified in the notice of the General Meeting. The relevant Holders shall at all times have the same right with regard to the minutes and attendance sheets of the said General Meeting.

- (i) the Calculation Agent shall determine if such Index Adjustment Event has a material effect on the Certificates and, if so, shall calculate the relevant Settlement Price using, in lieu of a published level for that Index, the level for that Index as at the Valuation Time on that Valuation Date, that Observation Date or that Averaging Date, as the case may be, as determined by the Calculation Agent in accordance with the formula for and method of calculating that Index last in effect prior to the change, failure or cancellation, but using only those securities/commodities that comprised that Index immediately prior to that Index Adjustment Event; or
- (ii) unless Delayed Redemption on Occurrence of Index Adjustment Event is specified as being applicable in the applicable Final Terms, the Issuer may redeem the Certificates by giving notice to Holders in accordance with General Condition 11. If the Certificates are so redeemed the Issuer will pay an amount to each Holder in respect of each redeemed Certificate being redeemed at an amount equal to the fair market value of a Certificate, taking into account the Index Adjustment Event, less the cost to the Issuer and/or its Affiliates of unwinding any underlying related hedging arrangements, all as determined by the Calculation Agent in its sole and absolute discretion. Payments will be made in such manner as shall be notified to the Holders in accordance with General Condition 11; or
- (iii) if Delayed Redemption on Occurrence of Index Adjustment Event is specified as being applicable in the applicable Final Terms, the Calculation Agent shall calculate the fair market value of each Certificate taking into account the Index Adjustment Event less the cost to the Issuer and/or its Affiliates of unwinding any underlying related hedging arrangements (the "**Calculated Additional Disruption Amount**") as soon as practicable following the occurrence of the Index Adjustment Event (the "**Calculated Additional Disruption Amount Determination Date**") and on the Redemption Date shall redeem each Certificate

at an amount calculated by the Calculation Agent equal to (x) the Calculated Additional Disruption Amount plus interest accrued from and including the Calculated Additional Disruption Amount Determination Date to but excluding the Redemption Date at a rate equal to Issuer's funding cost at such time or (y) if greater, the Notional Amount.

The relevant adjustments may include, without limitation, adjustments to account for changes in volatility, expected dividends, stock loan rate or liquidity relevant to the Shares or to the Certificates. The Calculation Agent may (but need not) determine the appropriate adjustment by reference to the adjustment in respect of the Merger Event, Tender Offer, De-listing, Nationalisation or Insolvency made by any options exchange to options on the Shares traded on that options exchange. In addition such adjustment may be made in accordance with the provisions of sub-paragraph (f) below;
- (b) in the case of Share Certificates relating to a basket of Shares redeem the Certificates in part by giving notice to Holders in accordance with General Condition 11. If the Certificates are so redeemed in part the portion (the "**Redeemed Amount**") of each Certificate representing the affected Share(s) shall be redeemed and the Issuer will (i) pay to each Holder in respect of each Certificate held by him an amount equal to the fair market value of the Redeemed Amount, taking into account the Merger Event, Tender Offer, De-listing, Nationalisation or Insolvency, as the case may be, less the cost to the Issuer and/or its Affiliates of unwinding any underlying related hedging arrangements, all as determined by the Calculation Agent in its sole and absolute discretion; and (ii) require the

For the avoidance of doubt the remaining part of each Certificate, after such redemption and adjustment shall remain outstanding with full force and effect. Payments will be made in such manner as shall be notified to the Holders in accordance with General Condition 11;

- (c) unless Delayed Redemption on Occurrence of Extraordinary Event is specified as being applicable in the applicable Final Terms, on giving notice to Holders in accordance with General Condition 11 redeem all but not some only of the Certificates, each Certificate being redeemed by payment of an amount equal to the fair market value of a Certificate, taking into account the Merger Event, Tender Offer, De-Listing, Nationalisation or Insolvency, as the case may be, less the cost to the Issuer and/or its Affiliates of unwinding any underlying related hedging arrangements, all as determined by the Calculation Agent in its sole and absolute discretion. Payments will be made in such manner as shall be notified to the Holders in accordance with General Condition 11;
- (d) if Delayed Redemption on Occurrence of Extraordinary Event is specified as being applicable in the applicable Final Terms, the Calculation Agent shall calculate the fair market value of each Certificate, taking into account the Merger Event, Tender Offer, De-Listing, Nationalisation or Insolvency, as the case may be, less the cost to the Issuer and/or its Affiliates of unwinding any underlying related hedging arrangements (the "**Calculated Additional Disruption Amount**") as soon as practicable following the occurrence of the relevant event (the "**Calculated Additional Disruption Amount Determination Date**") and on the Redemption Date shall redeem each Certificate at an amount calculated by the Calculation Agent equal to (x) the Calculated Additional Disruption Amount plus interest accrued from and including the Calculated Additional Disruption Amount Determination Date to but excluding the Redemption Date at a rate equal to Issuer's funding cost at such time or (y) if greater, the Notional Amount,;
- (e) following such adjustment to the settlement terms of options on the Shares traded on such exchange(s) or quotation system(s) as the Issuer in its sole discretion shall select (the "**Options Exchange**"), require the Calculation Agent to make a corresponding adjustment to any one or more of any Relevant Asset and/or the Entitlement and/or the Weighting and/or any of the other terms of these Terms and Conditions and/or the applicable Final Terms, which adjustment will be effective as of the date determined by the Calculation Agent to be the effective date of the corresponding adjustment made by the Options Exchange. If options on the Shares are not traded on the Options Exchange, the Calculation Agent will make such adjustment, if any, to any one or more of any Relevant Asset and/or the Entitlement and/or the Weighting and/or any of the other terms of these Terms and Conditions and/or the applicable Final Terms as the Calculation Agent in its sole and absolute discretion determines appropriate, with reference to the rules and precedents (if any) set by the Options Exchange to account for the Merger Event, Tender Offer, De-Listing, Nationalisation or Insolvency, as the case may be, that in the determination of the Calculation Agent would have given rise to an adjustment by the Options Exchange if such options were so traded; or
- (f) on or after the relevant Merger Date, Tender Offer Date, or the date of the Nationalisation, Insolvency or De-Listing (as the case may be), the Calculation Agent may adjust the basket to include a share selected by it in accordance with the criteria for share selection set out below (each, a "**Substitute Share**") for each Share (each, an "**Affected Share**") which is affected by such Merger Event, Tender Offer, Nationalisation, Insolvency or De-Listing and the Substitute Share will be deemed to be a "**Share**" and the relevant issuer of such shares the "**Basket Company**" for the purposes of the

Certificates and the Calculation Agent will make such adjustment, if any, to any one or more of any Relevant Asset and/or the Entitlement and/or the Weighting and/or any of the other terms of these Terms and Conditions and/or the applicable Final Terms as the Calculation Agent in its sole and absolute discretion determines appropriate, provided that in the event that any amount payable under the Certificates was to be determined by reference to the Initial Price of the Affected Share, the Initial Price of each Substitute Share will be determined by the Calculation Agent in accordance with the following formula:

$$\text{Initial Price} = A \times (B/C)$$

where:

"A" is the official closing price of the relevant Substitute Share on the relevant Exchange on the Substitution Date;

"B" is the Initial Price of the relevant Affected Share; and

"C" is the official closing price of the relevant Affected Share on the relevant Exchange on the Substitution Date.

The Weighting of each Substitute Share in the basket will be equal to the Weighting of the relevant Affected Share.

In order to be selected as a Substitute Share, the relevant share must be a share which, in the sole and absolute discretion of the Calculation Agent:

2. the relevant issuer of such share belongs to a similar economic sector as the Basket Company in respect of the Affected Share; and

If the Related Bond specified in the applicable Final Terms is "Fallback Bond", then for any Related Bond determination, the Calculation Agent shall use the Fallback Bond. The Substitute Inflation Index Level so determined pursuant to this Inflation Index Certificate Condition 2 will be the definitive level for that Reference Month.

3. **Successor Inflation Index**

If the Calculation Agent determines that the level of an Inflation Index is not calculated and announced by the Index Sponsor for two consecutive months and/or the Index Sponsor announces that it will no longer continue to publish or announce the Inflation Index and/or the Index Sponsor cancels the Inflation Index, then the Calculation Agent shall determine a successor index (a **"Successor Inflation Index"**) (in lieu of any previously applicable Index) for the purposes of the Certificates as follows:

- (a) if Related Bond is specified as applicable in the relevant Final Terms, the Calculation Agent shall determine a "Successor Inflation Index" by reference to the corresponding successor index determined under the terms and conditions of the Related Bond;

- (c) if no Successor Inflation Index has been deemed under (a) or (b) the Calculation Agent shall ask five leading independent dealers to state what the replacement index for the Inflation Index should be; if between four and five responses are received, and of those four or five responses, three or more leading independent dealers state the same index, such index will be deemed the "Successor Inflation

Index"; if three responses are received, and two or more leading independent dealers state the same index, such index will be deemed the "Successor Inflation Index"; if fewer than three responses are received by the Cut-Off Date the Calculation Agent will determine an appropriate alternative index for such Affected Payment Date, and such index will be deemed a "Successor Inflation Index"; or

- (d) if the Calculation Agent determines that there is no appropriate alternative index there will be deemed to be no Successor Index and an Index Cancellation will be deemed to have occurred.

For the avoidance of doubt, the Calculation Agent shall determine the date on which the Successor Inflation Index shall be deemed to replace the Index for the purposes of the Inflation Index Certificates. Notice of the determination of a Successor Inflation Index, the effective date of the Successor Inflation Index or the occurrence of an Index Cancellation will be given to holders of the Inflation Index Certificates by the Issuer in accordance with General Condition 11.

4. Adjustments

The Issuer shall give notice to the Holders of any valid revision in accordance with General Condition 11.

- (ii) If, within 30 days of publication or at any time prior to a Valuation Date in respect of which a Relevant Level will be used in any calculation or determination in respect of such Valuation Date, the Calculation Agent determines that the Index Sponsor has corrected the Relevant Level to correct a manifest error, the Calculation Agent may make any adjustment to any relevant Interest Amount and/or the Cash Settlement Amount payable under the Certificates (if any) and/or any other relevant term of the Certificates as the Calculation Agent deems appropriate as a result of such correction and/or determine the amount (if any) that is payable as a result of that correction. The Issuer shall give notice to the Holders of any such adjustment and/or amount in accordance with General Condition 11.
- (iii) If a Relevant Level is published or announced at any time after the Cut-Off Date in respect of a Valuation Date in respect of which a Substitute Inflation Index Level was determined, the Calculation Agent may either (a) determine that such Relevant Level shall not be used in any calculation or determination under the Inflation Index Certificates and that the Substitute Inflation Index Level shall be deemed to be the definitive Relevant Level for the relevant Reference Month, or (b) to make any adjustment to any relevant Interest Amount and/or the Cash Settlement Amount payable under the Certificates (if any) and/or any other relevant term of the Certificates as it deems appropriate as a result of the announcement or publication of the Relevant Level and/or determine the amount (if any) that is payable as a result of such publication or announcement. The Issuer shall give notice to the Holders of any such adjustment in accordance with General Condition 11.

(E) Rebasing

If the Calculation Agent determines that the Inflation Index has been or will be rebased at any time, the Inflation Index as so rebased (the "**Rebased Index**") will be used for purposes of determining the Relevant Level from the date of such rebasing; provided, however, that the Calculation Agent may make (i) if Related Bond is specified as applicable in the relevant Final Terms, any adjustments as are made pursuant to the terms and conditions of the Related Bond, if any, to the levels of the Rebased Index so that the Rebased Index levels reflect the same rate of inflation as before the rebasing, and/or (ii) if Related Bond is specified as not applicable in the relevant Final Terms or a Related Bond Redemption Event has occurred, the Calculation Agent may make adjustments to the levels of the Rebased Index so that the Rebased Index levels reflect the same rate of inflation as the Inflation Index before it was rebased, and in each case the Calculation Agent may make any adjustment(s) to any relevant Interest Amount and/or the Cash Settlement Amount payable under the Certificates (if any) and/or any other term of the Certificates as the Calculation Agent may deem necessary. Notice of any adjustment, cancellation of the Certificates or determination pursuant to this paragraph shall be given to Holders in accordance with General Condition 11.

- (ii) If the Calculation Agent determines that an Index Modification has occurred at any time after the Cut-Off Date in respect of any Valuation Date, the Calculation Agent may determine either to ignore such Index Modification for the purposes of any calculation or determination made by the Calculation Agent with respect to such Valuation Date, in which case the relevant Index Modification will be deemed to have occurred with respect to the immediately succeeding Interest Payment Date and/or Redemption Date, as the case may be, such that the provisions of sub-paragraph (i) above will apply, or, notwithstanding that the Index Modification has occurred following the Cut-Off Date, to make any adjustments as the Calculation Agent deems fit in accordance with sub-paragraph (i) above.

(G) Index Cancellation

If the Calculation Agent determines that an Index Cancellation has occurred, the Issuer may:

- (i) elect for the Calculation Agent to calculate the relevant Interest Amount and/or Settlement Price using, in lieu of a published level for that Inflation Index, the level for that Inflation Index, as determined by the Calculation Agent in accordance with the formula for and method of calculating that Inflation Index last in effect prior to cancellation;
- (ii) redeem all but not some only of the Certificates on the date notified by the Issuer to Holders in accordance with General Condition 11 in which event the Issuer will pay to each Holder in respect of such Certificate held by him an amount equal to fair market value of a Certificate, as determined by the Calculation Agent as at the date of cancellation taking into account the Index Cancellation, less the cost to the Issuer of unwinding or amending any related underlying hedging arrangements. Notice of any cancellation of the Certificates pursuant to this paragraph shall be given to Holders in accordance with General Condition 11.

consideration all information which the Calculation Agent deems relevant (including the circumstances that resulted in the occurrence of the Additional Disruption Event) less the cost to the Issuer and/or its affiliates of unwinding any related hedging arrangements (including but not limited to selling or otherwise realising the Shares or the Debt Securities or any options or futures contracts in relation to the Shares or the Debt Securities), all as determined by the Calculation Agent in its discretion acting in good faith and in a commercially reasonable manner. At the election of the Issuer such payment may be made in the Local Currency in the Relevant Jurisdiction, in which case the holders of Certificates will have responsibility for establishing an account in the Relevant Jurisdiction in order to receive such payments; provided that if it is impracticable or unlawful for the Issuer to pay such amount in the Relevant Jurisdiction, or the relevant holders of Certificates do not establish the necessary account in the Relevant Jurisdiction, to receive payment(s) in the currency the Issuer elects, the Issuer shall not be obliged to make payment of any such amounts so affected, as applicable. Payment will be made, as the case may be, in such manner as shall be notified to the holders of Certificates in accordance with General Condition 11.

(c) Suspension

Upon the Issuer's election to suspend the Certificates, the Issuer's obligations in respect of the Certificates may be suspended up until the tenth day after such Additional Disruption Event shall cease to exist. In the event that such date shall not have arisen before the date which falls 30 days after the Redemption Date or any earlier date on which the Certificates become due for redemption, the Certificates shall be redeemed pursuant to paragraph (b) above.

(d) Conclusive Determination

All determinations made by the Issuer and/or Calculation Agent pursuant to this Market Access Certificate Condition 4 shall be conclusive and binding on the Holders and the Issuer. No holders of Certificates will be entitled to any compensation from the Issuer for any loss suffered as a result of the occurrence of an Additional Disruption Event.

5. Regulatory Change Event

If so specified in the applicable Final Terms, the following provisions shall apply:

Upon the occurrence of a Regulatory Change Event, the Calculation Agent will (a) make the corresponding adjustment, if any, to any one or more of any Share Amount and/or the Cash Settlement Amount and/or any of the other terms of the Terms and Conditions and/or the applicable Final Terms as the Calculation Agent in its sole and absolute discretion determines appropriate to account for the effect of such Regulatory Change Event and (b) determine the effective date of that adjustment.

Upon the making of any such adjustment by the Calculation Agent, the Calculation Agent shall give notice as soon as practicable to the Holders in accordance with General Condition 11, stating the adjustment to any Share Amount and/or the Cash Settlement Amount and/or any of the other terms of the Terms and Conditions and/or the applicable Final Terms and giving brief details of the Regulatory Change Event.

"Regulatory Change Event" means any event which, in the determination of the Calculation Agent acting in good faith and in a commercially reasonable manner, constitutes:

- (1) the adoption of, change in or change in the interpretation or administration of, any law, rule or regulation by any governmental authority, central bank or comparable agency ("**governmental authority**"); and/or

- (2) the compliance by the Issuer and/or any of its affiliates with any request or directive of any governmental authority (whether or not having the force of law),

and which (1) imposes, modifies, applies or eliminates any tax, reserve, special deposit, insurance assessment or any other requirement in respect of assets or deposits of the Issuer and/or any of its affiliates in respect of (i) issue and/or redemption of the Certificates or (ii) any transaction entered into by the Issuer and/or any of its affiliates to hedge, either directly or indirectly, the obligations of the Issuer in respect of the Certificates; and/or (2) affects in any other way the cost to the Issuer and/or any of its affiliates of: (i) the issue and/or redemption of Certificates; and/or (ii) hedging, either directly or indirectly, the obligations of the Issuer in respect of the Certificates.

6. Early Redemption Event

If so specified in the applicable Final Terms, the following provisions shall apply:

- (a) In the event that in the determination of the Calculation Agent, the Debt Securities (in whole or in part) (x) become due and repayable by reason of a default in payment, an event of default or any similar credit event of the Security Issuer, or (y) become due and repayable on a date prior to its maturity date (other than by reason of any default), or (z) become subject to conversion into underlying shares or stock (each an "**Early Redemption Event**"), the Issuer will be entitled to:

- (i) redeem the Certificates by giving notice to the Holders in accordance with General Condition 11 and pay the Debt Securities Early Redemption Amount to each Holder in respect of each Certificate on the Early Termination Date; or
- (ii) in relation to a redemption and/or conversion in part of the Debt Securities (a "**Partial Early Redemption**"), require the Calculation Agent to determine whether such partial redemption and/or conversion affects the Debt Securities held by the Issuer and/or its affiliates in order to hedge the Issuer's obligations in respect of the Certificates (the "**Aggregate Hedge Position**") or otherwise makes it impossible, impracticable or unduly onerous for the Issuer and/or its affiliates to hedge the Issuer's obligations in respect of the Certificates and, if so, gives notice to the Holders in accordance with General Condition 11,

and:

- (x) pay the Debt Securities Early Redemption Amount to each Holder in respect of each Certificate held by him on the Early Termination Date; and/or
- (y) reduce the Debt Securities Amount by an amount equal to the Affected Portion and/or require the Calculation Agent to determine in its sole discretion the appropriate adjustment, if any, to be made to any one or more of the Settlement Price and/or any of the other terms of these Conditions and/or the Final Terms to account for such payment and determine the effective date of that adjustment.

Payments will be made in such manner as shall be notified to the Holders in accordance with General Condition 11.

- (b) Definitions

"Early Termination Amount" means, in respect of each Certificate, an amount calculated by the Calculation Agent equal to the arithmetic average price per Debt Securities Early Redemption Securities Amount (net of any costs) which the Issuer or its affiliate obtains in selling or otherwise realising the Debt Securities (the **"Sale Proceeds"**), provided however that:

- (i) if Market Access Certificate Condition 6(a)(i) applies in respect of the Certificates, the Issuer may elect to pay, in lieu of the Sale Proceeds, the amount of principal which a Qualified Investor would have received pursuant to the terms of the Debt Securities as a result of the Debt Securities Early Redemption Event if it held the Debt Securities Early Redemption Securities Amount (net of any costs, including those that would have been withheld in relation to payment of such cash amount to a Qualified Investor); or
- (ii) if Market Access Certificate Condition 6(a)(ii) applies in respect of the Certificates, the Issuer may elect to pay, in lieu of the Sale Proceeds, the arithmetic average price per Debt Securities Early Redemption.

7. Additional Condition

If so specified in the applicable Final Terms, the following provisions shall apply:

The Issuer may modify or amend these Terms and Conditions of the Certificates or the applicable Final Terms without the consent of the Holders in any manner which the Issuer may deem necessary or desirable for the purpose of obtaining listing of the Certificates on the Official List of AEX and admission to trading on the regulated market of the AEX as promptly as practicable provided that any such modification or amendment is not materially prejudicial to the Holders.

8. Certificates linked to underlying shares that are yet to be listed

If so specified in the applicable Final Terms, the following provisions shall apply:

- (a) The Issuer may, by notice to the Holders in accordance with General Condition 11, redeem all but not some only of the Certificates if, upon the expiration of three months after the Expected Listing Date (as specified in the Final Terms), the Shares do not become listed at the Scheduled Closing Time on the Exchange as specified in the Final Terms, on or before such date, all as determined by the Calculation Agent in its sole and absolute discretion and in a commercially reasonable manner. The Issuer will, in respect of each and every Certificate, cause to be paid to the holder of each such Certificate the Cash Settlement Amount specified in the applicable Final Terms.
- (b) All determinations made by the Issuer and/or Calculation Agent pursuant to the foregoing paragraph shall be conclusive and binding on the Holders and the Issuer. No Holder will be entitled to any compensation from the Issuer for any loss suffered as a result of the Shares not becoming listed on the Exchange at the Scheduled Closing Time on or before the expiration of three months after the Expected Listing Date.

1. Definitions

"**Accreted Amount**" means, with respect to an Accreting Obligation, an amount equal to (a) the sum of (i) the original issue price of such obligation and (ii) the portion of the amount payable at maturity that has accreted in accordance with the terms of the obligation (or as otherwise described below), less (b) any cash payments made by the obligor thereunder that, under the terms of such obligation, reduce the amount payable at maturity (unless such cash payments have been accounted for in (a)(ii) above), in each case calculated as of the earlier of (A) the date on which any event occurs that has the effect of fixing the amount of a claim in respect of principal and (B) the Delivery Date or applicable Valuation Date, as the case may be. Such Accreted Amount shall include any accrued and unpaid periodic cash interest payments (as determined by the Calculation Agent in its sole and absolute discretion) only if "Include Accrued Interest" is specified as applicable in the applicable Final Terms. If an Accreting Obligation is expressed to accrete pursuant to a straight-line method or if such Obligation's yield to maturity is not specified in, nor implied from, the terms of such Obligation, then, for the purposes of (a)(ii) above, the Accreted Amount shall be calculated using a rate equal to the yield to maturity of such Obligation. Such yield shall be determined on a semi-annual bond equivalent basis using the original issue price of such obligation and the amount payable at the scheduled maturity of such obligation, and shall be determined as of the earlier of (A) the date on which any event occurs that has the effect of fixing the amount of a claim in respect of principal and (B) the Delivery Date or applicable Valuation Date, as the case may be. The Accreted Amount shall exclude, in the case of an Exchangeable Obligation, any amount that may be payable under the terms of such obligation in respect of the value of the Equity Securities for which such obligation is exchangeable;

"**Accreting Obligation**" means any obligation (including, without limitation, a Convertible Obligation or an Exchangeable Obligation), the terms of which expressly provide for an amount payable upon acceleration equal to the original issue price (whether or not equal to the face amount thereof) plus an additional amount or amounts (on account of original issue discount or other accruals of interest or principal not payable on a periodic basis) that will or may accrete, whether or not (a) payment of such additional amounts is subject to a contingency or determined by reference to a formula or index, or (b) periodic cash interest is also payable;

"**Aggregate Notional Amount**" means the product of (a) the Notional Amount and (b) the number of Certificates of the relevant series issued;

- (c) makes a general assignment, arrangement or composition with or for the benefit of its creditors;

- (d) institutes or has instituted against it a proceeding seeking a judgment of insolvency or bankruptcy or any other relief under any bankruptcy or insolvency law or other similar law affecting creditors' rights, or a petition is presented for its winding-up or liquidation, and, in the case of any such proceeding or petition instituted or presented against it, such proceeding or petition (i) results in a judgment of insolvency or bankruptcy or the entry of an order for relief or the making of an order for its winding-up or liquidation or (ii) is not dismissed, discharged, stayed or restrained in each case within 30 calendar days of the institution or presentation thereof or before the Redemption Date, whichever is earlier;
- (e) has a resolution passed for its winding-up, official management or liquidation (other than pursuant to a consolidation, amalgamation or merger);
- (f) seeks or becomes subject to the appointment of an administrator, provisional liquidator, conservator, receiver, trustee, custodian or other similar official for it or for all or substantially all its assets;
- (g) has a secured party take possession of all or substantially all its assets or has a distress, execution, attachment, sequestration or other legal process levied, enforced or sued on or against all or substantially all its assets and such secured party maintains possession, or any such process is not dismissed, discharged, stayed or restrained, in each case within 30 calendar days thereafter or before the Redemption Date, whichever is earlier; or

"Best Available Information" means:

- (i) in the case of a Reference Entity which files information with its primary securities regulator or primary stock exchange that includes unconsolidated *pro forma* financial information which assumes that the relevant Succession Event has occurred or which provides such information to its shareholders, creditors or other persons whose approval of the Succession Event is required, that unconsolidated *pro forma* financial information and, if provided subsequently to the provision of unconsolidated *pro forma* financial information but before the Calculation Agent makes its determination for the purposes of the definition of "Successor", other relevant information that is contained in any written communication provided by the Reference Entity to its primary securities regulator, primary stock exchange, shareholders, creditors or other persons whose approval of the Succession Event is required; or

than Bonds (or the consent of the relevant obligor if a Reference Entity is guaranteeing such Deliverable Obligation) or any agent is required for such novation, assignment or transfer so long as the terms of such Deliverable Obligation provide that such consent may not be unreasonably withheld or delayed. Any requirement that notification of novation, assignment or transfer of a Deliverable Obligation be provided to a trustee, fiscal agent, administrative agent, clearing agent or paying agent for a Deliverable Obligation shall not be considered to be a requirement for consent for purposes of this definition of "Conditionally Transferable Obligation";

For purposes of determining whether a Deliverable Obligation satisfies the requirements of the definition of Conditionally Transferable Obligation, such determination shall be made as of the Delivery Date for the Deliverable Obligation, taking into account only the terms of the Deliverable Obligation and any related transfer or consent documents which have been obtained by the Issuer or the Guarantor, as the case may be;

- (a) the Scheduled Redemption Date;

A Convertible Obligation, an Exchangeable Obligation and an Accreting Obligation shall constitute Deliverable Obligations that are Not Contingent if such Deliverable Obligation otherwise meets the requirements of the preceding sentence so long as, in the case of a Convertible Obligation or an Exchangeable Obligation, the right (x) to convert or exchange such obligation or (y) to require the issuer to purchase or redeem such obligation (if the issuer has exercised or may exercise the right to pay the purchase or redemption price, in whole or in part, in Equity Securities) has not been exercised (or such exercise has been effectively rescinded) on or before the Delivery Date.

If a Reference Obligation is a Convertible Obligation or an Exchangeable Obligation, then such Reference Obligation may be included as a Deliverable Obligation only if the rights referred to in

clauses (x) and (y) of the preceding paragraph have not been exercised (or such exercise has been effectively rescinded) on or before the Delivery Date;

"Assignable Loan" means a Loan that is capable of being assigned or novated to, at a minimum, commercial banks or financial institutions (irrespective of their jurisdiction or organisation) that are not then a lender or a member of the relevant lending syndicate, without the consent of the relevant Reference Entity or the guarantor, if any, of such Loan (or the consent of the applicable borrower if a Reference Entity is guaranteeing such Loan) or any agent;

"Maximum Maturity" means an obligation that has a remaining maturity from the Settlement Date of not greater than the period specified in the applicable Final Terms;

- (2) if (i) either of the Deliverable Obligation Characteristics "Listed" or "Not Bearer" is specified in the applicable Final Terms, the Final Terms shall be construed as though such Deliverable Obligation Characteristic had been specified as a Deliverable Obligation Characteristic only with respect to Bonds and shall only be relevant if Bonds are covered by the selected Deliverable Obligation Category; (ii) the Deliverable Obligation Characteristic "Transferable" is specified in the applicable Final Terms, the Final Terms shall be construed as though such Deliverable Obligation Characteristic had been specified as a Deliverable Obligation Characteristic only with respect to Deliverable Obligations that are not Loans (and shall only be relevant to the extent that obligations other than Loans are covered by the selected Deliverable Obligation Category); or (iii) any of the Deliverable Obligation Characteristics "Assignable Loan", "Consent Required Loan" or "Direct Loan Participation" is specified in the applicable Final Terms, the Final Terms shall be construed as though such Deliverable Obligation Characteristic had been specified as a Deliverable Obligation Characteristic only with respect to Loans and shall only be relevant if Loans are covered by the selected Deliverable Obligation Category;

- (4) in the event that an Obligation or a Deliverable Obligation is a Qualifying Guarantee, the following will apply:
 - (a) For purposes of the application of the Obligation Category or the Deliverable Obligation Category, the Qualifying Guarantee shall be deemed to be described by the same category or categories as those that describe the Underlying Obligation.

For these purposes, unless otherwise specified in the applicable Final Terms, (x) the lawful currency of any of Canada, Japan, Switzerland, the United Kingdom or the United States of America or the euro shall not be a Domestic Currency and (y) the laws of England and the laws of the State of New York shall not be a Domestic Law.
 - (c) For purposes of the application of the Obligation Characteristics or the Deliverable Obligation Characteristics, only the Qualifying Guarantee must satisfy on the

relevant date the Obligation Characteristic or the Deliverable Obligation Characteristic of Not Subordinated, if specified in the applicable Final Terms.

- (d) For purposes of the application of the Obligation Characteristics or the Deliverable Obligation Characteristics, only the Underlying Obligation must satisfy on the relevant date each of the applicable Obligation Characteristics or the Deliverable Obligation Characteristics, if any, specified in the applicable Final Terms from the following list: Listed, Not Contingent, Not Domestic Issuance, Assignable Loan, Consent Required Loan, Direct Loan Participation, Transferable, Maximum Maturity, Accelerated or Matured and Not Bearer.

For the purposes of the definition of Restructuring and Credit Certificate Condition 11, the term Obligation shall be deemed to include Underlying Obligations for which the Reference Entity is acting as provider of a Qualifying Affiliate Guarantee or, if All Guarantees is specified as applicable in the applicable Final Terms, as provider of any Qualifying Guarantee. In the case of a Qualifying Guarantee and an Underlying Obligation, references to the Reference Entity in the initial paragraph and sub-paragraphs (i) to (v) above of the definition of Restructuring shall be deemed to refer to the Underlying Obligor and the reference to the Reference Entity in the second paragraph of this definition of Restructuring shall continue to refer to the Reference Entity;

- (a) In the event that:
 - (i) a Reference Obligation is redeemed in whole; or
 - (ii) in the opinion of the Calculation Agent (A) the aggregate amounts due under any Reference Obligation have been materially reduced by redemption or otherwise (other than due to any scheduled redemption, amortisation or prepayments), (B) any Reference Obligation is an Underlying Obligation with a Qualifying Guarantee of a Reference Entity and, other than due to the existence or occurrence of a Credit Event, the Qualifying Guarantee is no longer a valid and binding obligation of such Reference Entity enforceable in accordance with its terms or (C) for any other reason, other than due to the existence or occurrence of a Credit Event, any Reference Obligation is no longer an obligation of a Reference Entity, the Calculation Agent shall identify one or more Obligations to replace such Reference Obligation.
- (b) Any Substitute Reference Obligation or Substitute Reference Obligations shall be an Obligation that (1) ranks *pari passu* (or, if no such Obligation exists, then, at the Issuer's option, an Obligation that ranks senior) in priority of payment with such Reference Obligation (with the ranking in priority of payment of such Reference Obligation being determined as of the later of (A) the Trade Date and (B) the date on which such Reference Obligation was issued or incurred and not reflecting any change to such ranking in priority of payment after such later date), (2) preserves the economic equivalent, as closely as practicable as determined by the Calculation Agent of the delivery and payment obligations of the Issuer and (3) is an obligation of a Reference Entity (either directly or as provider of a Qualifying Affiliate Guarantee or, if All Guarantees is specified as applicable in the applicable Final Terms, as provider of any Qualifying Guarantee). The Substitute Reference Obligation or Substitute Reference Obligations identified by the Calculation Agent shall, without further action, replace such Reference Obligation or Reference Obligations.
- (c) If more than one specific Reference Obligation is identified as a Reference Obligation in relation to a Series, any of the events set forth in paragraph (a) above has occurred with respect to one or more but not all of the Reference Obligations, and the Calculation Agent determines that no Substitute Reference Obligation is available for one or more of such Reference Obligations, each Reference Obligation for which no Substitute Reference Obligation is available shall cease to be a Reference Obligation.
- (d) If more than one specific Reference Obligation is identified as a Reference Obligation in relation to a Series, any of the events set forth in paragraph (a) above has occurred with respect to all of the Reference Obligations, and the Calculation Agent determines that at least one Substitute Reference Obligation is available for any such Reference Obligation, then each such Reference Obligation shall be replaced by a Substitute Reference Obligation and each Reference Obligation for which no Substitute Reference Obligation is available will cease to be a Reference Obligation.
- (e) If:

- (i) more than one specific Reference Obligation is identified as a Reference Obligation in relation to a Series, any of the events set forth in paragraph (a) above has occurred with respect to all of the Reference Obligations and the Calculation Agent determines that no Substitute Reference Obligation is available for any of the Reference Obligations; or
- (ii) only one specific Reference Obligation is identified as a Reference Obligation in relation to a Series, any of the events set forth in paragraph (a) above has occurred with respect to such Reference Obligation and the Calculation Agent determines that no Substitute Reference Obligation is available for that Reference Obligation,

then the Calculation Agent shall continue to attempt to identify a Substitute Reference Obligation until the later of (A) the Scheduled Redemption Date, (B) the Grace Period Extension Date (if any) and (C) the Repudiation/Moratorium Evaluation Date (if any). If (i) either Cash Settlement is specified in the applicable Final Terms and the Credit Event Redemption Amount is determined by reference to a Reference Obligation or Physical Delivery is specified in the applicable Final Terms and the Reference Obligation is the only Deliverable Obligation and (ii) on or prior to the later of (A) the Scheduled Redemption Date, (B) the Grace Period Extension Date or (C) the Repudiation/Moratorium Evaluation Date, a Substitute Reference Obligation has not been identified, the Issuer's obligations under the Certificates shall cease as of the later of (A) the Scheduled Redemption Date, (B) the Grace Period Extension Date or (C) the Repudiation/Moratorium Evaluation Date.

"Successor" means:

 - (ii) if only one entity directly or indirectly succeeds to more than twenty-five per cent. (but less than seventy-five per cent.) of the Relevant Obligations of the Reference Entity by way of a Succession Event, and not more than twenty-five per cent. of the Relevant Obligations of the Reference Entity remain with the Reference Entity, the entity that succeeds to more than twenty-five per cent. of the Relevant Obligations will be the sole Successor;
 - (iii) if more than one entity each directly or indirectly succeed to more than twenty-five per cent. of the Relevant Obligations of the Reference Entity by way of a Succession Event, and not more than twenty-five per cent. of the Relevant Obligations of the Reference Entity remain

with the Reference Entity, the entities that succeed to more than twenty-five per cent. of the Relevant Obligations will each be a Successor and these Terms and Conditions and/or the applicable Final Terms will be adjusted as provided below;

- (iv) if one or more entity each directly or indirectly succeed to more than twenty-five per cent. of the Relevant Obligations of the Reference Entity by way of a Succession Event, and more than twenty-five per cent. of the Relevant Obligations of the Reference Entity remain with the Reference Entity, each such entity and the Reference Entity will each be a Successor and these Terms and Conditions and/or the applicable Final Terms will be adjusted as provided below;
 - (v) if one or more entities directly or indirectly succeed to a portion of the Relevant Obligations of the Reference Entity by way of a Succession Event, but no entity succeeds to more than twenty-five per cent. of the Relevant Obligations of the Reference Entity and the Reference Entity continues to exist, there will be no Successor and the Reference Entity will not be changed in any way as a result of the Succession Event; and
 - (vi) if one or more entities directly or indirectly succeed to a portion of the Relevant Obligations of the Reference Entity by way of a Succession Event, but no entity succeeds to more than twenty-five per cent. of the Relevant Obligations of the Reference Entity and the Reference Entity ceases to exist, the entity which succeeds to the greatest percentage of Relevant Obligations (or, if two or more entities succeed to an equal percentage of Relevant Obligations, the entity from among those entities which succeeds to the greatest percentage of obligations of the Reference Entity) will be the sole Successor; and
- (b) in relation to a Sovereign Reference Entity, any direct or indirect successor(s) to that Reference Entity irrespective of whether such successor(s) assume(s) any of the obligations of such Reference Entity.

In the case of (a) above, the Calculation Agent will be responsible for determining, as soon as reasonably practicable after it becomes aware of the relevant Succession Event (but no earlier than fourteen calendar days after the legally effective date of the Succession Event), and with effect from the legally effective date of the Succession Event, whether the relevant thresholds set forth above have been met, or which entity qualifies under (a)(vi) above, as applicable. In calculating the percentages used to determine whether the relevant thresholds set forth above have been met, or which entity qualifies under (a)(vi) above, as applicable, the Calculation Agent shall use, in respect of each applicable Relevant Obligation included in such calculation, the amount of the liability in respect of such Relevant Obligation listed in the Best Available Information and shall, as soon as practicable after such calculation, make such calculation available for inspection by Holder(s) at the specified office of the Principal Certificate Agent.

Where pursuant to paragraph (a)(iii) or (a)(iv) above, more than one Successor has been identified, the Calculation Agent shall adjust such of the Terms and Conditions and/or the applicable Final Terms as it in its sole and absolute discretion acting in a commercially reasonable manner shall determine to be appropriate to reflect that the relevant Reference Entity has been succeeded by more than one Successor and shall determine the effective date of that adjustment. The Calculation Agent shall be deemed to be acting in a commercially reasonable manner if it adjusts such of the Terms and Conditions and/or the applicable Final Terms in such a manner as to reflect the adjustment to and/or division of any credit derivative transaction(s) related to or underlying the Certificates under the provisions of the 2003 ISDA Credit Derivatives Definitions.

Upon the Calculation Agent making such adjustment, the Issuer shall give notice as soon as practicable to Holders in accordance with General Condition 11, stating the adjustment to the Terms and Conditions and/or the applicable Final Terms and giving brief details of the relevant Succession Event.

For the purposes of this definition of "Successor", "**succeed**" means, with respect to a Reference Entity and its Relevant Obligations (or, as applicable, obligations), that a party other than such Reference Entity (i) assumes or becomes liable for such Relevant Obligations (or, as applicable, obligations) whether by operation of law or pursuant to any agreement or (ii) issues Bonds that are exchanged for Relevant Obligations (or, as applicable, obligations), and in either case such Reference Entity is no longer an obligor (primarily or secondarily) or guarantor with respect to such Relevant Obligations (or, as applicable, obligations). The determinations required pursuant to paragraph (a) of this definition of "Successor" shall be made, in the case of an exchange offer, on the basis of the Outstanding Principal Balance of Relevant Obligations tendered and accepted in the exchange and not on the basis of the Outstanding Principal Balance of Bonds for which Relevant Obligations have been exchanged.

Where:

9. Redemption following a Merger Event

If this Credit Certificate Condition 9 is specified as applicable in the applicable Final Terms, in the event that in the determination of the Calculation Agent a Merger Event has occurred, the Issuer may give notice to the Holders in accordance with General Condition 11 and redeem all but not some only of the Certificates at the Merger Event Redemption Amount on the Merger Event Redemption Date.

10. Credit Event Notice after Restructuring Credit Event

If this Credit Certificate Condition 10 is specified as applicable in the applicable Final Terms, then, notwithstanding anything to the contrary in these Terms and Conditions, upon the occurrence of a Restructuring Credit Event during the Notice Delivery Period:

- (a) the Calculation Agent may deliver a Credit Event Notice in respect of an amount (the "**Partial Redemption Amount**") that is less than the Notional Amount of each Certificate immediately prior to the delivery of such Credit Event Notice. 11. Provisions relating to Multiple Holder Obligation

If this Credit Certificate Condition 11 is specified as applicable in the applicable Final Terms, notwithstanding anything to the contrary in the definition of Restructuring and related provisions, the occurrence of, agreement to, or announcement of, any of the events described in sub-paragraphs (i) to (v) of the definition of "Restructuring" in Credit Certificate Condition 1 shall not be a Restructuring unless the Obligation in respect of any such events is a Multiple Holder Obligation.

"**Multiple Holder Obligation**" means an Obligation that (i) at the time of the event which constitutes a Restructuring Credit Event is held by more than three holders that are not Affiliates of each other and (ii) with respect to which a percentage of holders (determined pursuant to the terms of the Obligation as in effect on the date of such event) at least equal to sixty-six and two-thirds is required to consent to the event which constitutes a Restructuring Credit Event.

12. Provisions taken from the ISDA supplement titled "Additional Provisions - Monoline Insurer as Reference Entity (January 2005)"

If Credit Certificate Condition 12 is specified as applicable in the applicable Final Terms, the following provisions will apply:

- (a) **Obligation and Deliverable Obligation.** Paragraph (a) of the definition of "Obligation" in the Credit Certificate Conditions and paragraph (a) of the definition of "Deliverable Obligation" in the Credit Certificate Conditions are hereby amended by adding "or Qualifying Policy" after "or as provider of a Qualifying Affiliate Guarantee".
- (b) **Interpretation of Provisions.** In the event that an Obligation or a Deliverable Obligation is a Qualifying Policy, paragraph (b) of the definition of "Deliverable Obligation" in the Credit Certificate Conditions will apply, with references to the "Qualifying Guarantee", the "Underlying Obligation" and the "Underlying Obligor" deemed to include the "Qualifying Policy", the "Insured Instrument" and the "Insured Obligor", respectively, except that:
 - (i) the Obligation Category Borrowed Money and the Obligation Category and Deliverable Obligation Category Bond shall be deemed to include distributions payable under an Insured Instrument in the form of a pass-through certificate or similar funded beneficial interest, the Deliverable Obligation Category Bond shall be deemed to include such an Insured Instrument, and the terms "obligation" and "obligor" as used in the Credit Certificate Conditions in respect of such an Insured Instrument shall be construed accordingly;
 - (ii) references in the definitions of "Assignable Loan" and "Consent Required Loan" to "the guarantor" and "guaranteeing" shall be deemed to include "the insurer" and "insuring", respectively;

- (iii) neither the Qualifying Policy nor the Insured Instrument must satisfy on the relevant date the Deliverable Obligation Characteristic of Accelerated or Matured, whether or not that characteristic is otherwise specified as applicable in the applicable Final Terms;
- (iv) if the Assignable Loan, Consent Required Loan, Direct Loan Participation or Transferable Deliverable Obligation Characteristics are specified in the applicable Final Terms and if the benefit of the Qualifying Policy is not transferred as part of any transfer of the Insured Instrument, the Qualifying Policy must be transferable at least to the same extent as the Insured Instrument; and
- (v) with respect to an Insured Instrument in the form of a pass-through certificate or similar funded beneficial interest, the term "Outstanding Principal Balance" shall mean the outstanding Certificate Balance and "maturity", as such term is used in the Maximum Maturity Deliverable Obligation Characteristic, shall mean the specified date by which the Qualifying Policy guarantees or insures, as applicable, that the ultimate distribution of the Certificate Balance will occur.

For the avoidance of doubt, if Credit Certificate Condition 13 is specified as applying in the applicable Final Terms, the amendments to paragraph (b) of the definition of "Deliverable Obligation" in the Credit Certificate Conditions provided in Credit Certificate Condition 13 shall not be construed to apply to Qualifying Policies and Insured Instruments.

- (c) Not Contingent. An Insured Instrument will not be regarded as failing to satisfy the Not Contingent Deliverable Obligation Characteristic solely because such Insured Instrument is subject to provisions limiting recourse in respect of such Insured Instrument to the proceeds of specified assets (including proceeds subject to a priority of payments) or reducing the amount of any Instrument Payments owing under such Insured Instrument, provided that such provisions are not applicable to the Qualifying Policy by the terms thereof and the Qualifying Policy continues to guarantee or insure, as applicable, the Instrument Payments that would have been required to be made absent any such limitation or reduction. By specifying that this Credit Certificate Condition 12 is applicable, no inference should be made as to the interpretation of the "Not Contingent" Deliverable Obligation Characteristic in the context of limited recourse or similar terms applicable to Deliverable Obligations other than Qualifying Policies.
- (d) Deliver. For the purposes of the definition of "Deliver" in the Credit Certificate Conditions, "Deliver" with respect to an obligation that is a Qualifying Policy means to Deliver both the Insured Instrument and the benefit of the Qualifying Policy (or a custodial receipt issued by an internationally recognised custodian representing an interest in such an Insured Instrument and the related Qualifying Policy), and "Delivery" and "Delivered" will be construed accordingly.
- (e) Provisions for Determining a Successor. The paragraph commencing "For the purposes of this definition of "Successor" ... " in the definition of "Successor" in the Credit Certificate Conditions is hereby amended by adding "or insurer" after "or guarantor".
- (f) Substitute Reference Obligation. The first paragraph of the definition of "Substitute Reference Obligation" and paragraph (b) thereof in the Credit Certificate Conditions is hereby amended by adding "or Qualifying Policy" after "or as provider of a Qualifying Affiliate Guarantee". For the purposes of sub-paragraph (a)(ii)(B) of the definition of "Substitute Reference Obligation", references to "the Qualifying Guarantee" and the "Underlying Obligation" shall be deemed to include "the Qualifying Policy" and "the Insured Instrument" respectively.

(g) Restructuring

- (i) With respect to an Insured Instrument that is in the form of a pass-through certificate or similar funded beneficial interest or a Qualifying Policy with respect thereto, paragraphs (i) to (v) inclusive of the definition of "Restructuring" in Credit Certificate Condition 1 are hereby amended to read as follows:
- (A) ""a reduction in the rate or amount or the Instrument Payments in clause (A)(x) of the definition thereof that are guaranteed or insured by the Qualifying Policy;
 - (B) a reduction in the amount of the Instrument Payments described in clause (A)(y) of the definition thereof that are guaranteed or insured by the Qualifying Policy;
 - (C) a postponement or other deferral of a date or dates for either (x) the payment or accrual of the Instrument Payments described in clause (A)(x) of the definition thereof or (y) the payment of the Instrument Payments described in clause (A)(y) of the definition thereof, in each case that are guaranteed or insured by the Qualifying Policy;
 - (D) a change in the ranking in priority of payment of (x) any Obligation under a Qualifying Policy in respect of Instrument Payments, causing the Subordination of such Obligation to any other Obligation or (y) any Instrument Payments, causing the Subordination of such Insured Instrument to any other instrument in the form of a pass-through certificate or similar funded beneficial interest issued by the Insured Obligor, it being understood that, for this purpose, Subordination will be deemed to include any such change that results in a lower ranking under a priority of payments provision applicable to the relevant Instrument Payments; or
 - (E) any change in the currency or composition of any payment of Instrument Payments that are guaranteed or insured by the Qualifying Policy to any currency which is not a Permitted Currency.
- (ii) Paragraph (iii) of the definition of "Restructuring" in the Credit Certificate Conditions is hereby amended by adding "or, in the case of a Qualifying Policy and an Insured Instrument, where (A) the Qualifying Policy continues to guarantee or insure, as applicable, that the same Instrument Payments will be made on the same dates on which the Qualifying Policy guaranteed or insured that such Instrument Payments would be made prior to such event and (B) such event is not a change in the ranking in the priority of payment of the Qualifying Policy" after "Reference Entity".
- (iii) The definition of "Restructuring" in the Credit Certificate Conditions is hereby amended by the insertion of the following paragraph after the final paragraph thereof:

"For purposes of the definition of "Restructuring" in the Credit Certificate Conditions and if Credit Certificate Condition 11 is specified as applying in the applicable Final Terms, for the purposes the Credit Certificate Conditions the term Obligation shall be deemed to include Insured Instruments for which the Reference Entity is acting as provider of a Qualifying Policy. In the case of a Qualifying Policy and an Insured Instrument, references to the Reference Entity in the definition of

"Restructuring" shall be deemed to refer to the Insured Obligor and the reference to the Reference Entity in paragraphs (a) to (c) inclusive in the definition of "Restructuring" shall continue to refer to the Reference Entity. "

- (h) Fully Transferable Obligation and Conditionally Transferable Obligation. In the event that "Restructuring Maturity Limitation and Fully Transferable Obligation" and/or "Modified Restructuring Maturity Limitation and Conditionally Transferable Obligation" is specified as applying in the applicable Final Terms and a Fully Transferable Obligation or Conditionally Transferable Obligation is a Qualifying Policy, the Insured Instrument must meet the requirements of the relevant definition. References in the definition of "Conditionally Transferable Obligation" to the "guarantor" and "guaranteeing" shall be deemed to include "the "insurer" and "insuring" respectively. With respect to an Insured Instrument in the form of a pass-through certificate or similar funded beneficial interest, the term "final maturity date", as such term is used in Credit Certificate Condition 3 and the definition of "Restructuring Maturity Limitation Date", shall mean the specified date by which the Qualifying Policy guarantees or insures, as applicable, that the ultimate distribution of the Certificate Balance will occur.
- (i) Other Provisions. For purposes of paragraph (a)(ii) of the definition of "Deliverable Obligation" and the definitions of "Credit Event" and "Deliver" in the Credit Certificate Conditions, references to the "Underlying Obligation" and the "Underlying Obligor" shall be deemed to include "Insured Instruments" and the "Insured Obligor" respectively.
- (j) Additional Definitions.

"Qualifying Policy" means a financial guaranty insurance policy or similar financial guarantee pursuant to which a Reference Entity irrevocably guarantees or insures all Instrument Payments of an instrument that constitutes Borrowed Money (modified as set forth in this Credit Certificate Condition 12) (the **"Insured Instrument"**) for which another party (including a special purpose entity or trust) is the obligor (the **"Insured Obligor"**). Qualifying Policies shall exclude any arrangement (i) structured as a surety bond, letter of credit or equivalent legal arrangement or (ii) pursuant to the express contractual terms of which the payment obligations of the Reference Entity can be discharged or reduced as a result of the occurrence or non-occurrence of an event or circumstance (other than the payment of Instrument Payments);

"Instrument Payments" means (A) in the case of any Insured Instrument that is in the form of a pass-through certificate or similar funded beneficial interest, (x) the specified periodic distributions in respect of interest or other return on the Certificate Balance on or prior to the ultimate distribution of the Certificate Balance and (y) the ultimate distribution of the Certificate Balance on or prior to a specified date and (B) in the case of any other Insured Instrument, the scheduled payments of principal and interest, in the case of both (A) and (B) (1) determined without regard to limited recourse or reduction provisions of the type described in Credit Certificate Condition 12 (c) above and (2) excluding sums in respect of default interest, indemnities, tax gross-ups, make-whole amounts, early redemption premiums and other similar amounts (whether or not guaranteed or insured by the Qualifying Policy).

"Certificate Balance" means, in the case of an Insured Instrument that is in the form of a pass-through certificate or similar funded beneficial interest, the unit principal balance, certificate balance or similar measure of unreimbursed principal investment.

13. **Supplement to provisions relating to Qualifying Guarantee and Underlying Obligation**

(a) If this Credit Certificate Condition 13 is specified as applicable in the applicable Final Terms, the Credit Certificate Conditions shall be amended by:

(i) the deletion of the definition of "Downstream Affiliate" and the substitution of the following therefor:

" **Downstream Affiliate**" means an entity whose outstanding Voting Shares were, at the date of issuance of the Qualifying Guarantee, more than 50 per cent. owned, directly or indirectly, by the Reference Entity. ";

(ii) the deletion of paragraphs (B)(4)(b) and (B)(4)(c) of the definition of "Deliverable Obligation", the substitution of the following therefor and the re-numbering of the remaining paragraphs accordingly:

"(ii) For purposes of the application of the Obligation Characteristics or the Deliverable Obligation Characteristics, both the Qualifying Guarantee and the Underlying Obligation must satisfy on the relevant date each of the applicable Obligation Characteristics or Deliverable Obligation Characteristics, if any, specified in the applicable Final Terms from the following list: Not Subordinated, Specified Currency, Not Sovereign Lender, Not Domestic Currency and Not Domestic Law. For these purposes, unless otherwise specified in the applicable Final Terms, (A) the lawful currency of any of Canada, Japan, Switzerland, the United Kingdom or the United States of America or the euro shall not be a Domestic Currency and (B) the laws of England and the laws of the State of New York shall not be a Domestic Law."; and

(iii) the deletion of the definition of "Qualifying Guarantee" and the substitution of the following therefor:

"**Qualifying Guarantee**" means an arrangement evidenced by a written instrument pursuant to which a Reference Entity irrevocably agrees (by guarantee of payment or equivalent legal arrangement) to pay all amounts due under an obligation (the "**Underlying Obligation**") for which another party is the obligor (the "**Underlying Obligor**"). Qualifying Guarantees shall exclude any arrangement (i) structured as a surety bond, financial guarantee insurance policy, letter of credit or equivalent legal arrangement or (ii) pursuant to the terms of which the payment obligations of the Reference Entity can be discharged, reduced or otherwise altered or assigned (other than by operation law) as a result of the occurrence or non-occurrence of an event or circumstance (other than payment). The benefit of a Qualifying Guarantee must be capable of being Delivered together with the Delivery of the Underlying Obligation.".

(b) Credit Certificate Condition 11 shall be amended by the insertion of the following at the end of the first paragraph thereof:

"provided that any Obligation that is a Bond shall be deemed to satisfy the requirement in (ii) of the definition of "Multiple Holder Obligation" below".

14. Calculation Agent

The determination by the Calculation Agent of any amount or of any state of affairs, circumstance, event or other matter, or the formation of any opinion or the exercise of any discretion required or permitted to be determined, formed or exercised by the Calculation Agent pursuant to the Credit Certificate Conditions and related provisions shall (in the absence of manifest error) be final and binding on the Issuer, the Guarantor and the Holders. In performing its duties pursuant to the Certificates, the Calculation Agent shall act in its sole and absolute discretion. Any delay, deferral or forbearance by the Calculation Agent in the performance or exercise of any of its obligations or its discretion under the Certificates including, without limitation, the giving of any notice by it to any person, shall not affect the validity or binding nature of any later performance or exercise of such obligation or discretion, and none of the Calculation Agent, the Issuer and the Guarantor shall, in the absence of wilful misconduct and gross negligence, bear any liability in respect of, or consequent upon, any such delay, deferral or forbearance.

15. Adherence to ISDA Protocols in Relation to Alternative Settlement or Valuation Method

In the event that a protocol setting out an alternative settlement or valuation method is published by the International Swaps and Derivatives Association (a "**Protocol**") in relation to a Reference Entity, the Calculation Agent may in its sole discretion determine whether or not to follow some or all of the terms of such Protocol for purposes of the Credit Certificate Conditions and related provisions.

Notwithstanding any other provisions in the Credit Certificate Conditions and related provisions, in the event that the Calculation Agent decides to adhere to a Protocol, the Calculation Agent may adjust such terms of the Credit Certificate Conditions and related provisions as it deems appropriate to reflect some or all of the relevant settlement, valuation and other provisions of the Protocol. These may include, without limitation, Final Price or Entitlement or determining that Cash Settlement rather than Physical Settlement shall apply or vice versa. Nothing in this Credit Certificate Condition 15 should be taken as requiring the Calculation Agent to follow the terms of the Protocol.

16. Standard Terms

WHEREAS:

BNP Paribas Arbitrage Issuance B.V. ("**BNPP B.V.**") and BNPP have established a Warrant and Certificate Programme (the "**Warrant and Certificate Programme**") under which, *inter alia*, BNPP B.V. may from time to time issue warrants and certificates governed by English law (the "**Securities**") of any kind including, but not limited to, Securities relating to a specified index or a basket of indices, a specified share or a basket of shares, a specified GDR or ADR or basket of GDRs and/or ADRs, a specified debt security or basket of debt securities, a specified currency or basket of currencies, a specified commodity or basket of commodities a specified inflation index or basket of inflation indices or a specified fund share or unit or basket of fund shares or units or Credit Certificates. BNPP intends to guarantee the obligations of BNPP B.V. under the Securities.

The Securities may be issued pursuant to (a) an Amended and Restated Agency Agreement (the "**Agency Agreement**", which expression includes the same as it may be amended, supplemented or restated from time to time) dated 30 May 2008 between, *inter alia*, BNPP B.V., BNPP, BNP Paribas Securities Services, Luxembourg Branch as agent, BNP Paribas Arbitrage SNC as calculation agent and BNP Paribas Securities (Japan) Limited, Tokyo Branch as registrar (the "**Registrar**") or (b) any other agency or analogous agreement entered into by BNPP and/or BNPP B.V. from time to time.

Terms defined in the Terms and Conditions of the Securities, as amended and/or supplemented by the applicable Final Terms (the "**Conditions**") and/or the Agency Agreement and not otherwise defined in this Deed of Guarantee shall have the same meanings when used in this Guarantee.

NOW THIS DEED WITNESSES as follows:

1. Guarantee

Subject as provided below, BNPP unconditionally and irrevocably guarantees by way of deed poll to each Holder that, if for any reason BNPP B.V. does not pay any sum payable by it or perform any other obligation in respect of any Security on the date specified for such payment or performance BNPP will, in accordance with the Conditions pay that sum in the currency in which such payment is due in immediately available funds or, as the case may be, perform or procure the performance of the relevant obligation on the due date for such performance. In case of the failure of BNPP B.V. to satisfy such obligations as and when the same become due, BNPP hereby undertakes to make or cause to be made such payment or satisfy or cause to be satisfied such obligations as though BNPP were the principal obligor in respect of such obligation after a demand has been made on BNPP pursuant to clause 8 hereof PROVIDED THAT [in the case of Securities other than Credit Certificates] (A) in the case of Physical Delivery Securities where BNPP B.V. has the obligation, pursuant to the terms and conditions of the relevant Security, to deliver the Entitlement, notwithstanding that BNPP B.V. had the right to vary settlement in respect of such Physical Delivery Securities in accordance with Condition 5(D) (in the event that the relevant Securities are Warrants) and Condition 7(C) (in the event that the relevant Securities are Certificates) and exercised such right or failed to exercise such right, BNPP will have the right at its sole and unfettered discretion to elect not to deliver or procure delivery of the Entitlement to the Holders of such Physical Delivery Securities, but in lieu thereof, to make payment in respect of each such Physical Delivery Securities of an amount equal to the Guaranteed Cash Settlement Amount (as defined in the Conditions) and (B) in the case of Securities where the obligations of BNPP B.V. which fall to be satisfied by BNPP constitute the delivery of the Entitlement to the Holders, BNPP will as soon as practicable following

BNPP B.V.'s failure to satisfy its obligations under such Securities deliver or procure delivery of such Entitlement using the method of delivery specified in the applicable Final Terms provided that, if in the opinion of BNPP, delivery of the Entitlement using such method is not practicable by reason of (i) a Settlement Disruption Event (as defined in Condition 5(C)(2) (in the event that the relevant Securities are Warrants) or Condition 7(B)(5) (in the event that the relevant Securities are Certificates) or (ii) a Failure to Deliver due to Illiquidity (as defined in Condition 5(C)(3) (in the event that the relevant Securities are Warrants) or Condition 7(B)(6) (in the event that the relevant Securities are Certificates)) (if "Failure to Deliver due to Illiquidity" is specified as applying in the applicable Final Terms), in lieu of such delivery BNPP will make payment in respect of each such Security of, in the case of (i) above, the Guaranteed Cash Settlement Amount or, in the case of (ii) above, the Failure to Deliver Settlement Price (as defined in Condition 16(C) (in the event that the relevant Securities are Warrants) or Condition 16(C) (in the event that the relevant Securities are Certificates)). Any payment of the Guaranteed Cash Settlement Amount or the Failure to Deliver Settlement Price, as the case may be, in respect of a Security shall constitute a complete discharge of the BNPP's obligations in respect of such Security.

2. BNPP as Principal Obligor

As between BNPP and the holder of each Security but without affecting BNPP B.V.'s obligations, BNPP will be liable under this Guarantee as if it were the sole principal obligor and not merely a surety. Accordingly, it will not be discharged, nor will its liability be affected, by anything which would not discharge it or affect its liability if it were the sole principal obligor (including (1) any time, indulgence, waiver or consent at any time given to BNPP B.V. or any other person, (2) any amendment to any of the Conditions or to any security or other guarantee or indemnity, (3) the making or absence of any demand on BNPP B.V. or any other person for payment or performance of any other obligation in respect of any Security, (4) the enforcement or absence of enforcement of any Security or of any security or other guarantee or indemnity, (5) the release of any such security, guarantee or indemnity, (6) the dissolution, amalgamation, reconstruction or reorganisation of BNPP B.V. or any other person, or (7) the illegality, invalidity or unenforceability of or any defect in any provision of the Conditions, the Agency Agreement or any of BNPP B.V.'s obligations under any of them).

3. BNPP's Obligations Continuing

BNPP's obligations under this Guarantee are and will remain in full force and effect by way of continuing security until no sum remains payable and no other obligation remains to be performed under any Security (in the case where the relevant Security is a Warrant, subject to its exercise). Furthermore, those obligations of BNPP are additional to, and not instead of, any security or other guarantee or indemnity at any time existing in favour of any person, whether from BNPP or otherwise. BNPP irrevocably waives all notices and demands of any kind.

4. Discharge by BNPP B.V.

If any payment received by, or other obligation discharged to or to the order of, the holder of any Security is, on the subsequent bankruptcy or insolvency of BNPP B.V., avoided under any laws relating to bankruptcy or insolvency, such payment or obligation will not be considered as having discharged or diminished the liability of BNPP and this Guarantee will continue to apply as if such payment or obligation had at all times remained owing due by BNPP B.V.

5. Indemnity

As a separate and alternative stipulation, BNPP unconditionally and irrevocably agrees (1) that any sum or obligation which, although expressed to be payable or deliverable under the Securities, is for any reason (whether or not now existing and whether or not now known or becoming known to BNPP B.V., BNPP or any

Holder) not recoverable from BNPP on the basis of a guarantee will nevertheless be recoverable from it as if it were the sole principal obligor and will be paid or performed by it in favour of the Holder on demand and (2) as a primary obligation to indemnify each Holder against any loss suffered by it as a result of any sum or obligation expressed to be payable or deliverable under the Securities not being paid or performed by the time, on the date and otherwise in the manner specified in the Securities or any obligation of BNPP B.V. under the Securities being or becoming void, voidable or unenforceable for any reason (whether or not now existing and whether or not known or becoming known to BNPP B.V., BNPP or any Holder), in the case of a payment obligation the amount of that loss being the amount expressed to be payable by BNPP B.V. in respect of the relevant sum, PROVIDED THAT the proviso to Clause 2 of this Guarantee shall apply mutatis mutandis to this Clause 5.

6. Incorporation of Terms

BNPP agrees that it shall comply with and be bound by those provisions contained in the Conditions which relate to it.

7. Deposit of Guarantee

This Guarantee shall be deposited with and held by BNP Paribas Securities Services, Luxembourg for the benefit of the Holders. This Guarantee replaces the guarantee dated 30 May 2007 granted by the Guarantor in respect of all Securities issued on or after the date of this Guarantee.

8. Demand on BNPP

Any demand hereunder shall be given in writing addressed to BNPP served at its office at Legal and Transaction Management Group, 3 rue Taitbout, 75009 Paris, France. A demand so made shall be deemed to have been duly made five Paris Business Days (as used herein, "**Paris Business Day**" means a day (other than a Saturday or Sunday) on which banks are open for business in Paris) after the day it was served or if it was served on a day that was not a Paris Business Day or after 5.30 p.m. (Paris time) on any day, the demand shall be deemed to be duly made five Paris Business Days after the Paris Business Day immediately following such day.

9. Governing law

This Guarantee shall be governed by and construed in accordance with English law.

10. Jurisdiction

This Clause is for the benefit of the Holders only. Subject as provided below, the courts of England shall have exclusive jurisdiction to settle any disputes which may, directly or indirectly, arise out of or in connection with this Guarantee and accordingly BNPP submits to the exclusive jurisdiction of the English courts to hear all suits, actions or proceedings (together hereinafter termed the "**Proceedings**") relating to any such dispute. BNPP waives any objection to the courts of England on the grounds that they are an inconvenient or inappropriate forum. Nothing in this Clause shall limit the rights of the Holders to take any Proceedings against BNPP in any other court of competent jurisdiction and concurrent Proceedings in any number of jurisdictions.

11. Service of Process

BNPP agrees that service of process in England may be made on it at its London branch. Nothing in this Guarantee shall affect the right to serve process in any other manner permitted by law.

Accordingly, BNPP acknowledges that it will not be released from liability, nor will its liability be reduced, at any time, by extension or grace periods regarding payment or performance, any waiver or any consent granted to BNPP B.V. or to any other person, or by the failure of any execution proceedings brought against BNPP B.V. or any other person. Furthermore, BNPP acknowledges that (1) it will not be relieved of its obligations in the event that BNPP B.V.'s obligations become void for reasons relating to BNPP B.V.'s capacity, limitation of powers or lack thereof (including any lack of authority of persons having entered into contracts in the name, or on behalf, of BNPP B.V.), (2) its obligations under this Guarantee will remain valid and in full effect notwithstanding the dissolution, merger, takeover or reorganisation of BNPP B.V., as well as the opening of insolvency proceedings (*procédures collectives*), or any other proceedings similar to receivership or liquidation proceedings, in respect of BNPP B.V., (3) it will not avail itself of any subrogation rights in respect of the Holders' rights and that it will take no steps to enforce any rights or demands against BNPP B.V., so long as any amounts remain due; or any obligation remains unperformed, under the Securities, (4) its duties under this Guarantee will not be conditional on or subject to the validity or execution of any other security granted by BNPP B.V. or any other person to the Holders, or to the existence or creation of any security for the benefit of the Holders, and (5) neither the notification of, nor the serving of a formal request upon, BNPP B.V. or any other person is a prior condition to a payment or performance by BNPP under this Guarantee.

3. BNPP's continuing liability

BOOK-ENTRY CLEARANCE SYSTEMS

*The information set out below is subject to any change in or reinterpretation of the rules, regulations and procedures of DTC, Clearstream, Luxembourg, Euroclear, Euroclear France, Iberclear or Interbolsa (together, the "**Clearing Systems**") currently in effect and subject as provided in the applicable Final Terms. Investors wishing to use the facilities of any of the Clearing Systems are advised to confirm the continued applicability of the rules, regulations and procedures of the relevant Clearing System. None of BNPP B.V., BNPP, or any agent party to the Agency Agreement will have any responsibility or liability for any aspect of the records relating to or payments or deliveries made on account of beneficial ownership interests in the Securities held through the facilities of any Clearing System or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.*

BOOK ENTRY SYSTEMS

DTC

DTC has advised BNPP that it is a limited purpose trust company organised under the New York Banking Law, a banking organisation within the meaning of the New York Banking Law, a clearing corporation within the meaning of the New York Uniform Commercial Code and a clearing agency registered pursuant to Section 17A of the Exchange Act. DTC holds securities that its participants ("**Direct Participants**") deposit with DTC. DTC also facilitates the settlement among Direct Participants of securities transactions, such as transfers and pledges, in deposited securities through electronic computerised book-entry changes in Direct Participants accounts, thereby eliminating the need for physical movement of securities certificates. Direct Participants include securities brokers and dealers, banks, trust companies, clearing corporations and certain other organisations. DTC is owned by a number of its Direct Participants and by the New York Stock Exchange, Inc., the American Stock Exchange, Inc. and the The Financial Industry Regulatory Authority, Inc., Access to the DTC system is also available to others such as securities brokers and dealers, banks and trust companies that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("**Indirect Participants**").

Under the rules, regulations and procedures creating and affecting DTC and its operations (the "**Rules**"), DTC makes book-entry transfers of Securities represented by Rule 144A Global Securities held by a Custodian on behalf of DTC among Direct Participants on whose behalf it acts with respect to Securities accepted into DTC's book-entry settlement system ("**DTC Securities**") as described below and receives and transmits payments on DTC Securities. The Rules are on file with the Securities and Exchange Commission. Direct Participants and Indirect Participants with which beneficial owners of DTC Securities ("**Beneficial Owners**") have accounts with respect to the DTC Securities similarly are required to make book-entry transfers and receive and transmit such payments on behalf of their respective Beneficial Owners. Accordingly, although Beneficial Owners who hold DTC Securities through Direct Participants or Indirect Participants will not possess definitive Securities, the Rules, by virtue of the requirements described above, provide a mechanism by which Direct Participants will receive payments and will be able to transfer their interest in respect of the DTC Securities.

Purchases of DTC Securities under the DTC system must be made by or through Direct Participants, which will receive a credit for the DTC Securities on DTC's records. The ownership interest of each Beneficial Owner is in turn to be recorded on the Direct and Indirect Participant's records. Beneficial Owners will not receive written confirmation from DTC of their purchase, but Beneficial Owners are expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct Participant or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the DTC Securities are to be accomplished by entries made on the books of Direct Participants or Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in DTC Securities, except in the event that use of the book-entry system for the DTC Securities is discontinued.

To facilitate subsequent transfers, all DTC Securities deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or any other nominee as may be requested by an authorised representative of DTC. The deposit of DTC Securities with DTC and their registration in the name of Cede & Co. or any other nominee effect no change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the DTC Securities; DTC's records reflect only the identity of the Direct Participants to whose accounts such DTC Securities are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

Clearstream, Luxembourg and Euroclear customers are worldwide financial institutions, including underwriters, securities brokers and dealers, banks, trust companies and clearing corporations. Indirect access to Clearstream, Luxembourg and Euroclear is available to other institutions that clear through or maintain a custodial relationship with an account holder of either system.

Euroclear France

Euroclear France holds securities for its customers and facilitates the clearance and settlement of securities transactions by electronic book-entry transfer between its respective account holders. Iberclear

"Sociedad de Gestión de los Sistemas de Registro, Compensación y Liquidación de Valores, S.A. Unipersonal" – whose commercial name is Iberclear – is the Spanish Central Securities Depository. Iberclear is set up as a company as stated in article 44 bis of the "Stock Market" Law 24/1988, 28 July (article introduced by Section Two of Article 1 of the Reform Measures of the Financial System Law 44/2002, 22 November). Article "44" bis of Law 24/1988 dated 28 July assigns Iberclear the right of all functions as indicated in the legal regulations containing its legal regime, in accordance with the following: (a) to maintain the Securities Registry by means of book-entry form of all eligible securities listed on the Spanish Stock Exchanges and the Public Debt Market as well as the securities listed on other secondary markets when requested by the appropriate governing bodies; (b) to manage the settlement, and when appropriate, the clearing of securities and money resulting from those trades settled on the Stock Exchanges, Public Debt Market and, when appropriate, the secondary markets; (c) to provide technical and operational services directly related to the Registering, Clearing and Settlement of securities which allows Iberclear to collaborate in, or co-ordinate with, other services related to Registering, Clearing and Settlement of securities as well as allowing it to participate in them; and (d) anything else that the Government entrusts to Iberclear provided permission has been first sought from the market supervisory bodies, be it the CNMV (*Comisión Nacional del Mercado de Valores*) or the Banco de España.

Interbolsa

"Interbolsa – Sociedade Gestora de Sistemas de Liquidação e de Sistemas Centralizados de Valores Mobiliários, S.A." ("**Interbolsa**") is the operator and manager of the *Central de Valores Mobiliários* ("**CVM**").

Interbolsa manages the operation of the central securities depository in the Republic of Portugal known as "*sistema centralizado*" – the CVM – in which all securities in book-entry form must be registered.

According to Portuguese law, securities in book-entry form, which are admitted to trading in a regulated market operating or located in Portugal, shall be integrated in and held through the CVM managed by Interbolsa. This obligation may also apply to securities which are admitted to trading in a non-regulated market operating or located in Portugal, depending on the applicable market rules.

In the event that the Securities admitted to trading in a regulated market (and/or in a non-regulated market, depending on the applicable market rules) operating or located in Portugal are registered in a foreign central securities depository and clearing system (including Clearstream, Luxembourg and Euroclear), they shall also be registered with Interbolsa, in an account specifically opened for that purpose with the CVM in the name of the relevant financial intermediary for liaison with the market (a "**special issue account**"). This account will reflect the status of the account opened with the foreign central securities depository and clearing system (including Clearstream, Luxembourg and Euroclear). In such case, the Issuer shall appoint a financial intermediary for liaison with the market.

Portuguese laws and regulations, notably the regulations from time to time issued and applied by the "*Comissão do Mercado de Valores Mobiliários*" (the Portuguese Securities Market Commission or the CMVM) and Interbolsa, establish a set of procedures, described in the Final Terms for the Securities, as applicable, for the purposes of the transfer of the Securities from and into Portugal, notably for their trading in the Portuguese market, as well as for payments and exercise of rights in connection with the Securities.

Book-entry Ownership of and Payments in respect of DTC Securities

If a Rule 144A Global Security is to be registered in the name of a nominee of DTC, the Issuer will apply to DTC in order to have the Securities represented by such Rule 144A Global Security accepted in its book-entry settlement system. Upon the issue of any Rule 144A Global Security to be held by a Custodian on behalf of DTC, DTC or the Custodian will credit, on its internal book-entry system, the respective nominal amounts of the individual beneficial interests represented by such Rule 144A Global Security to the accounts of the relevant Direct Participants. Ownership of beneficial interests in any such Rule 144A Global Security will be limited to Direct Participants or Indirect Participants, including the respective depositories of Clearstream, Luxembourg, Euroclear and any other clearing systems as may be applicable. Ownership of beneficial interests in any such Rule 144A Global Security held by a Custodian on behalf of DTC will be shown on, and the transfer of such ownership will be effected only through, records maintained by DTC or its nominee (with respect to the interests of Direct Participants) and the records of Direct Participants (with respect to interests of Indirect Participants).

Payments in U.S. dollars in respect of a Rule 144A Global Security registered in the name of DTC's nominee will be made to the New York Warrant Agent or New York Certificate Agent, as the case may be, to the order of such nominee as the registered Holder. In the case of any payment in a currency other than U.S. dollars, payment will be made to the New York Warrant Agent or New York Certificate Agent, as the case may be, on behalf of DTC's nominee and the New York Warrant Agent or New York Certificate Agent, as the case may be, will (in accordance with instructions received by it) remit all or a portion of such payment for credit directly to the beneficial Holders of interests in the Rule 144A Global Security held by a Custodian on behalf of DTC in the currency in which such payment was made and/or cause all or a portion of such payment to be converted into U.S. dollars and credited to the applicable Direct Participants' account, provided that (a) the New York Warrant Agent or New York Certificate Agent, as the case may be, shall not be obligated to convert any currency whose conversion the New York Warrant Agent or New York

Certificate Agent, as the case may be, in its sole discretion, deems impracticable, and (b) the New York Warrant Agent or New York Certificate Agent, as the case may be, has received notice by 11:00 a.m. two Business Days prior to the Settlement Date, Redemption Date or Interest Payment Date, as the case may be, of the currency and the amount thereof to be converted into U.S. dollars. Conversion of a currency other than U.S. dollars into U.S. dollars will be carried out by the New York Warrant Agent or New York Certificate Agent, as the case may be, based on the actual exchange rate received in the currency conversion, which will occur at the New York Warrant Agent's or New York Certificate Agent's, as the case may be, bid quotation for U.S. dollars at or prior to 11:00 a.m. on the Settlement Date, Redemption Date or Interest Payment Date, as the case may be. The costs of conversion will be deducted from the amount of the payment credited to the applicable Participants' account. Except in the case of its gross negligence or wilful misconduct, the New York Warrant Agent or New York Certificate Agent, as the case may be, shall not be liable to any holder of Securities for any delay in conversion or for any amounts in excess of the amounts actually received by it upon conversion of a currency other than U.S. dollars into U.S. dollars, or for its inability to convert any such currency into U.S. dollars at a commercially reasonable rate or at any rate.

BNPP expects that payments by Direct Participants to Beneficial Owners of Securities will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers, and will be the responsibility of such Direct Participant and not the responsibility of DTC, any Warrant Agent or Certificate Agent, as the case may be, or BNPP. Payments on Securities to DTC is the responsibility of BNPP.

Transfers of Securities Represented by Global Securities

Transfers of any interests in Securities represented by a Global Security within DTC, Clearstream, Luxembourg, Euroclear, Euroclear France and/or any other clearing systems as may be applicable will be effected in accordance with the customary rules and operating procedures of the relevant clearing system. The laws in some states within the United States require that certain persons take physical delivery of securities in definitive form. Consequently, the ability to transfer Securities represented by a Global Security to such persons may depend upon the ability to exchange such Securities for Securities in definitive form. Similarly, because DTC can only act on behalf of Direct Participants in the DTC system who in turn act on behalf of Indirect Participants, the ability of a person having an interest in Securities represented by a Rule 144A Global Security held by a Custodian on behalf of DTC to pledge such Securities to persons or entities that do not participate in the DTC system or otherwise to take action in respect of such Securities may depend upon the ability to exchange such Securities for Securities in definitive form. The ability of any person having a beneficial interest in Securities represented by a Rule 144A Global Security held by a Custodian on behalf of DTC to resell, pledge or otherwise transfer such Securities may be impaired if the proposed transferee of such Securities is not eligible to hold such Securities through a Direct Participant or Indirect Participant in the DTC system.

Subject to compliance with the transfer restrictions applicable to Rule 144A Global Securities described under "Notice to Purchasers and Holders of U.S. Securities and Transfer Restrictions", crossmarket transfers between DTC, on the one hand, and direct or indirect account holders of Clearstream, Luxembourg, Euroclear or any other clearing systems as may be applicable, on the other, will be effected by the relevant Clearing System in accordance with its rules and through action taken by the relevant Warrant Agent or Certificate Agent and any custodian with whom the relevant Global Securities have been deposited.

On or after the issue date for any Securities, transfers of such Securities between account Holders in Clearstream, Luxembourg, Euroclear and/or any other clearing system as may be applicable and transfers of such Securities between Direct Participants in DTC will generally have a settlement date three business days after the trade date (T+3). The customary arrangements for delivery versus payment may apply to such transfers.

For cross-market transfers between accountholders in Clearstream, Luxembourg or Euroclear, DTC and/or any other clearing system as may be applicable, participants will need to have an agreed settlement date between the parties to such transfer. Because there is no direct link between DTC, on the one hand, and Clearstream, Luxembourg or

Euroclear, on the other, transfers of interests in the relevant Global Securities will be effected through relevant Warrant Agent or Certificate Agent receiving instructions (and where appropriate certification) from the transferor and arranging for delivery of the interests being transferred to the credit of the designated account for the transferee. In the case of cross-market transfers, settlement between Clearstream, Luxembourg, Euroclear and/or any other clearing systems as may be applicable accountholders and Direct Participants cannot be made on a delivery versus payment basis. The securities will be delivered on a free delivery basis and arrangements for payment must be made separately.

DTC, Clearstream, Luxembourg, Euroclear and any other clearing system as may be applicable have each published rules and operating procedures designed to facilitate transfers of beneficial interests in Global Securities among participants and accountholders of DTC, Clearstream, Luxembourg, Euroclear and any other clearing systems as may be applicable. However, they are under no obligation to perform or continue to perform such procedures, and such procedures may be discontinued or changed at any time. None of the Issuer, any Warrant Agent or any Certificate Agent will be responsible for any performance by DTC, Clearstream, Luxembourg, Euroclear or any other clearing system as may be applicable or their respective direct or indirect participants or accountholders of their respective obligations under the rules and procedures governing their operations and none of them will have any liability for any aspect of the records relating to or payments made on account of beneficial interests in the Securities represented by Global Securities or for maintaining, supervising or reviewing any records relating to such beneficial interests.

TAXATION

The statements herein regarding taxation are based on the laws in force in France, The Netherlands, the Grand Duchy of Luxembourg, Belgium, Spain, the United Kingdom, Italy, Germany, Portugal and the United States, as applicable, as of the date of this Base Prospectus and are subject to any changes in law. The following summary does not purport to be a comprehensive description of all the tax considerations which may be relevant to a decision to purchase, own or dispose of the Securities. Each prospective holder or beneficial owner of Securities should consult its tax adviser as to each of the French, the Dutch, the Luxembourg, the Belgian, the Spanish, the UK, the Italian, the German, the Portuguese and the U.S. federal income tax consequences, as applicable, of any investment in or ownership and disposition of the Securities.

EU DIRECTIVE ON THE TAXATION OF SAVINGS INCOME

On 3 June 2003, the European Council of Economic and Finance Ministers adopted the Directive 2003/48/EC on the taxation of savings income (the "**Directive**"). Pursuant to the Directive and subject to a number of conditions being met, Member States are required, since 1 July 2005, to provide to the tax authorities of another Member State, *inter alia*, details of payments of interest within the meaning of the Directive (interests, products, premiums or other debt income) made by a paying agent located within its jurisdiction to, or for the benefit of, an individual resident in that other Member State (the "**Disclosure of Information Method**").

For these purposes, the term "**paying agent**" is defined widely and includes in particular any economic operator who is responsible for making interest payments, within the meaning of the Directive, for the immediate benefit of individuals.

However, throughout a transitional period, certain Member States (the Grand Duchy of Luxembourg, Belgium and Austria), instead of using the Disclosure of Information Method used by other Member States, unless the relevant beneficial owner of such payment elects for the Disclosure of Information Method, withhold an amount on interest payments. The rate of such withholding tax equals 15 per cent. during the first three years, 20 per cent. during the subsequent three years and 35 per cent. until the end of the transitional period.

Such transitional period will end at the end of the first full fiscal year following the later of: (i) the date of entry into force of an agreement between the European Community, following a unanimous decision of the European Council, and Switzerland, Liechtenstein, San Marino, Monaco and Andorra, providing for the exchange of information upon request as defined in the OECD Model Agreement on Exchange of Information on Tax Matters released on 18 April 2002 (the "**OECD Model Agreement**") with respect to interest payments within the meaning of the Directive, in addition to the simultaneous application by those same countries of a withholding tax on such payments at the rate applicable for the corresponding periods mentioned above; and (ii) the date on which the European Council unanimously agrees that the United States of America is committed to exchange of information upon request as defined in the OECD Model Agreement with respect to interest payments within the meaning of the Directive.

A number of non-EU countries and dependent or associated territories have agreed to adopt similar measures (transitional withholding or exchange of information) with effect since 1 July 2005.

DUTCH TAXATION

General

The following summary describes the principal Netherlands tax consequences of the acquisition, holding, settlement, redemption and disposal of the Securities, but does not purport to be a comprehensive description of all Netherlands tax considerations thereof. This summary is intended as general information only and each prospective investor should consult a professional tax adviser with respect to the tax consequences of an investment in the Securities.

This summary is based on the tax legislation, published case law, treaties, regulations and published policy, in force as of the date of this Base Prospectus, though it does not take into account any developments or amendments thereof after that date whether or not such developments or amendments have retroactive effect.

This summary does not address the Netherlands tax consequences for:

- (a) holders of Securities holding a substantial interest (*aanmerkelijk belang*) in the Issuer. Generally speaking, a holder of Securities holds a substantial interest in the Issuer, if such holder of Securities, alone or, where such holder is an individual, together with his or her partner (statutory defined term) or certain other related persons, directly or indirectly, holds (i) an interest of 5 per cent. or more of the total issued capital of the Issuer or of 5 per cent. or more of the issued capital of a certain class of shares of the Issuer, (ii) rights to acquire, directly or indirectly, such interest or (iii) certain profit sharing rights in the Issuer;
- (b) investment institutions (*fiscale beleggingsinstellingen*) and exempt investment institutions (*vrijgestelde beleggingsinstellingen*);
- (c) pension funds or other entities that are exempt from Netherlands corporate income tax; and
- (d) holders of a participation in an Issuer within the meaning of article 13 of the Netherlands Corporate Income Tax Act 1969 (*Wet op de vennootschapsbelasting 1969*), including holders that are considered to have such a participation as a result of acquiring option rights such as the Warrants under the Programme.

Withholding tax

All payments made by BNPP under the Securities may be made free of withholding or deduction for any taxes of whatsoever nature imposed, levied, withheld or assessed by the Netherlands or any political subdivision or taxing authority thereof or therein, and all payments made by BNPP B.V. under the Securities may be made free of withholding or deduction for any taxes of whatsoever nature imposed, levied, withheld or assessed by the Netherlands or any political subdivision or taxing authority thereof or therein provided that the Securities do not in fact function as equity of BNPP B.V. within the meaning of article 10, paragraph 1, under d of the Netherlands corporate income tax act 1969 (*Wet op de vennootschapsbelasting 1969*).

Corporate and individual income tax

Residents of the Netherlands

If a holder is resident or deemed to be resident of the Netherlands for Netherlands tax purposes and is fully subject to Netherlands corporate income tax or is only subject to Netherlands corporate income tax in respect of its enterprise to which the Securities are attributable, income derived from the Securities and gains realised upon the redemption, settlement or disposal of the Securities are generally taxable in the Netherlands (up to a maximum rate of 25.5 per cent.).

If an individual holder is resident or deemed to be resident of the Netherlands for Netherlands tax purposes (including the individual holder who has opted to be taxed as a resident of the Netherlands), income derived from the Securities and gains realised upon the redemption, settlement or disposal of the Securities are taxable at the progressive rates of the Netherlands Income Tax Act 2001 (up to a maximum rate of 52 per cent.), if:

- (a) the holder has an enterprise or an interest in an enterprise, to which enterprise the Securities are attributable; or
- (b) such income or gains qualify as income from miscellaneous activities (*resultaat uit overige werkzaamheden*), which include the performance of activities with respect to the Securities that exceed regular, active portfolio management (*normaal, actiefvermogensbeheer*).

If neither condition (a) nor condition (b) applies to the holder of the Securities, taxable income with regard to the Securities must be determined on the basis of a deemed return on income from savings and investments (*sparen en beleggen*), rather than on the basis of income actually received or gains actually realised. At present, this deemed return on income from savings and investments has been fixed at a rate of 4 per cent. of the average of the individual's yield basis (*rendementsgrondslag*) at the beginning of the calendar year and the individual's yield basis at the end of the calendar year, insofar as the average exceeds a certain threshold. The average of the individual's yield basis is determined as the fair market value of certain qualifying assets held by the holder of the Securities less the fair market value of certain qualifying liabilities on 1 January and 31 December, divided by two. The fair market value of the Securities will be included as an asset in the individual's yield basis. The deemed return on income from savings and investments of 4 per cent. will be taxed at a rate of 30 per cent.

Non-residents of the Netherlands

If a holder is not a resident nor deemed to be a resident of the Netherlands for Netherlands tax purposes (nor has opted to be taxed as a resident of the Netherlands), such holder is not taxable in respect of income derived from the Securities and gains realised upon the settlement, redemption or disposal of the Securities, unless:

- (a) the holder has an enterprise or an interest in an enterprise that is, in whole or in part, carried on through a permanent establishment or a permanent representative in the Netherlands to which permanent establishment or a permanent representative the Securities are attributable; or
- (b) the holder is entitled to a share in the profits of an enterprise that is effectively managed in the Netherlands, other than by way of securities or through an employment contract, and to which enterprise the Securities are attributable; or
- (c) the holder is an individual and such income or gains qualify as income from miscellaneous activities in the Netherlands, which include the performance of activities in the Netherlands with respect to the Securities that exceed regular, active portfolio management.

If a Holder is a corporate entity, that corporate entity is subject to a maximum corporate income tax rate of 25.5 per cent. If the holder is an individual, that holder is subject to a maximum individual income tax rate of 52 per cent.

Gift and Inheritance taxes

Residents of the Netherlands

Generally, gift and inheritance taxes will be due in the Netherlands in respect of the acquisition of the Securities by way of a gift by, or on the death of, a holder that is a resident or deemed to be a resident of the Netherlands for the purposes of Netherlands gift and inheritance tax at the time of the gift or his or her death.

A holder of the Netherlands nationality is deemed to be a resident of the Netherlands for the purposes of the Netherlands gift and inheritance tax, if he or she has been resident in the Netherlands during the ten years preceding the gift or his or her death. A holder of any other nationality is deemed to be a resident of the Netherlands for the purposes of the Netherlands gift and inheritance tax if he or she has been resident in the Netherlands at any time during the 12 months preceding the time of the gift. The same 12-month rule may apply to entities that have transferred their seat of residence out of the Netherlands.

Non-residents of the Netherlands

No gift or inheritance taxes will arise in the Netherlands in respect of the acquisition of the Securities by way of gift by or as a result of the death of a holder that is neither a resident nor deemed to be a resident of the Netherlands for the purposes of the Netherlands gift and inheritance tax, unless:

- (a) such holder at the time of the gift, or at the time of his or her death, has an enterprise or an interest in an enterprise that is, in whole or in part, carried on through a permanent establishment or a permanent representative in the Netherlands and to which permanent establishment or a permanent representative, the Securities are (deemed to be) attributable; or
- (b) the Securities are (deemed to be) attributable to the assets of an enterprise that is effectively managed in the Netherlands and the donor or the deceased is entitled, other than by way of securities or through an employment contract, to a share in the profits of that enterprise, at the time of the gift or at the time of his or her death; or
- (c) in the case of a gift of the Securities by a holder who at the date of the gift was neither a resident nor deemed to be a resident of the Netherlands, such holder dies within 180 days after the date of the gift, while at the time of his or her death being a resident or deemed to be a resident of the Netherlands.

Value added tax

In general, no value added tax will arise in respect of payments in consideration for the issue of the Securities or in respect of the cash payment made under the Securities, or in respect of a transfer of Securities.

Other taxes and duties

No registration tax, customs duty, transfer tax, stamp duty or any other similar documentary tax or duty, will be payable in the Netherlands by a holder in respect of or in connection with the subscription, issue, placement, allotment, delivery or transfer of the Securities.

EU Savings Directive

Under EC Council Directive 2003/48/EC on the taxation of savings income, Member States are required, from 1 July 2005, to provide to the tax authorities of another Member State details of payment of interest (or similar income) paid by a person within its jurisdiction to an individual resident in that other Member State. However for a transitional period, Belgium, Luxembourg and Austria are instead required (unless during that period they elect otherwise) to operate a withholding system in relation to such payments (the ending of such transitional period being dependent upon the conclusion of certain other agreements relating to information exchange with certain other countries).

Also with effect from 1 July 2005, a number of non-EU countries including Switzerland, and certain dependent or associated territories of certain Member States have agreed to adopt similar measures (either provision of information or transitional withholding) (a withholding system in the case of Switzerland) in relation to payments made by a person within its jurisdiction to, or collected by such a person for, an individual resident in a Member State. In addition, the Member States have entered into reciprocal provision of information or transitional withholding arrangements with

certain of those dependent or associated territories in relation to payments made by a person in a Member State to, or collected by such a person for, an individual resident in one of those territories.

FRENCH TAXATION

The treatment regarding withholding tax in relation to any Securities will depend on the nature and characterisation of such Securities. Potential purchasers of Securities are advised to consult their own appropriate independent and professionally qualified tax advisors as to the tax consequences of any investment in, ownership of or transactions involving the Securities.

Payments with respect to Certificates issued by BNP Paribas which constitute “*obligations*” under French law and which are issued or deemed to be issued outside the Republic of France are exempt from French withholding tax. Accordingly, such payments do not give the right to any tax credit from any French source.

Payments in respect of Warrants and Certificates which do not constitute “*obligations*” under French law might also benefit from an exemption from withholding tax provided that the beneficial owner of such Warrants or Certificates and the payments thereunder is located or domiciled in a country which has entered into an appropriate double taxation treaty with France.

Potential purchasers of Securities which are not located or domiciled in a country which has entered into an appropriate double taxation treaty with France are advised to consult their own appropriate independent and professionally qualified tax advisors as to the tax consequences of any investment in, ownership of or transactions involving the Securities.

LUXEMBOURG TAXATION

The statements herein regarding withholding tax considerations in Luxembourg are based on the laws in force in the Grand Duchy of Luxembourg as of the date of this Base Prospectus and are subject to any changes in law.

The following summary does not purport to be a comprehensive description of all the Luxembourg tax considerations which may be relevant to a decision to purchase, own or dispose of the Securities. In particular, this summary does not describe the tax consequences for a holder of Securities that are redeemable in exchange for, or convertible into, shares.

Each prospective holder or beneficial owner of the Securities should consult its tax adviser as to the Luxembourg tax consequences of the ownership and disposition of the Securities.

Withholding tax

(i) Non-resident holders of Securities

Under Luxembourg tax law currently in force and subject to the laws of 21 June 2005 (the **Laws**) mentioned below, there is no withholding tax on payments of principal, premium or interest made to non-resident holders of Securities, nor on accrued but unpaid interest in respect of the Securities, nor is any Luxembourg withholding tax payable upon redemption, reimbursement, repurchase or exchange of the Securities held by non-resident holders of Securities.

Under the Laws implementing the Council Directive 2003/48/EC of 3 June 2003 on taxation of savings income in the form of interest payments and ratifying the treaties entered into by Luxembourg and certain dependent and associated territories of EU Member States (the "**Territories**"), payments of interest or similar income made or ascribed by a paying agent established in Luxembourg to or for the immediate benefit of an individual beneficial owner or a residual entity, as defined by the Laws, which are resident of, or established in, an EU Member State (other than Luxembourg) or one of the Territories will be subject to a withholding tax unless the relevant recipient has adequately instructed the relevant paying agent to provide details of the relevant payments of interest or similar income to the fiscal authorities of his/her/its country of residence or establishment, or, in the case of an individual beneficial owner, has provided a tax certificate issued by the fiscal authorities of his/her country of residence in the required format to the relevant paying agent. Where withholding tax is applied, it will be levied at a rate of 15 per cent. during the first three-year period starting 1 July 2005, at a rate of 20 per cent. for the subsequent three-year period and at a rate of 35 per cent. thereafter. Responsibility for the withholding of the tax will be assumed by the Luxembourg paying agent. Payments of interest under the Securities coming within the scope of the Laws would at present be subject to withholding tax of 15 per cent. (to be increased to 20 per cent. as of 1 July 2008).

(ii) Resident holders of Securities

Under Luxembourg general tax laws currently in force and subject to the law of 23 December 2005 (the "**Law**") mentioned below, there is no withholding tax on payments of principal, premium or interest made to Luxembourg resident holders of Securities, nor on accrued but unpaid interest in respect of Securities, nor is any Luxembourg withholding tax payable upon redemption or repurchase of Securities held by Luxembourg resident holders of Securities.

Under the Law payments of interest or similar income made or ascribed by a paying agent established in Luxembourg to or for the immediate benefit of an individual beneficial owner who is resident of Luxembourg will be subject to a withholding tax of 10 per cent. Such withholding tax will be in full discharge of income tax if the beneficial owner is an individual acting in the course of the management of his/her private wealth.

Responsibility for the withholding of the tax will be assumed by the Luxembourg paying agent. Payments of interest under the Securities coming within the scope of the Law would be subject to withholding tax of 10 per cent.

BELGIAN TAXATION

Taxation in Belgium

The following summary describes the principal Belgian withholding tax considerations with respect to the holding of the Certificates and/or Warrants obtained by an investor following this offer in Belgium.

This information is of a general nature and does not purport to be a comprehensive description of all Belgian tax considerations that may be relevant to a decision to acquire, to hold and to dispose of the Certificates and/or the Warrants. In some cases, different rules may be applicable. Furthermore, the tax rules can be amended in the future, possibly with retrospective effect, and the interpretation of the tax rules may change.

This summary is based on the Belgian tax legislation, treaties, rules, and administrative interpretations and similar documentation, in force as of the date of the publication of this offer in Belgium, without prejudice to any amendments introduced at a later date, even if implemented with retrospective effect.

This summary does not describe the tax consequences for a holder of Certificates and/or Warrants that are redeemable in exchange for, or convertible into shares, of the exercise, settlement or redemption of such Certificates and/or Warrants and/or any tax consequences after the moment of exercise, settlement or redemption. Neither does it describe the indirect taxes (including, *inter alia*, transfer taxes, stamp duties, stock exchange taxes, taxes on the physical delivery of bearer securities) that may be due following the acquisition, transfer or disposal of the Certificates and/or Warrants. In addition, it does not cover Warrants issued in accordance with the rules set out in the Act of 26 March 1999 on the Belgian Action Plan for Employment 1998 and other miscellaneous measures.

Each prospective holder of Certificates and/or Warrants should consult a professional adviser with respect to the tax consequences of an investment in the Certificates and/or Warrants, taking into account the influence of each regional, local or national law.

1. Certificates

1.1 Individual private investors

Natural persons who are Certificate holders and who are Belgian residents for tax purposes, i.e. who are subject to Belgian personal income tax ("*Personenbelasting/Impôt des personnes physiques*"), are subject to the following tax treatment with respect to the Certificates in Belgium. Other rules may be applicable in special situations, in particular when natural persons resident in Belgium acquire the Certificates for professional purposes or when their transactions with respect to the Certificates fall outside the scope of the normal management of their own private estate.

According to Belgian tax law, interest includes any amount paid by the Issuer in excess of the issuance price of the Certificates (e.g. at the redemption date or at early redemption).

Payments of interest on the Certificates made through a paying agent in Belgium will in principle be subject to a 15 per cent. withholding tax in Belgium (calculated on the interest received after deduction of any non-Belgian withholding taxes). The Belgian withholding tax constitutes the final income tax for natural persons. This means that they do not have to declare the interest obtained on the Certificates in their personal income tax return, provided withholding tax was levied on these interest payments.

If the interest is paid outside Belgium without the intervention of a Belgian paying agent, the interest received (after deduction of any non-Belgian withholding tax) must be declared in the personal income tax return and will be taxed at a flat rate of 15 per cent. (plus local surcharges).

If the Certificates qualify as fixed income securities for the purposes of article 2, 1,8° of the Belgian Income Tax Code ("TTC"), in the event of a transfer of the Certificates between two interest payment dates, income equal to the accrued interest corresponding to the detention period must be declared and income tax at a flat rate of 15 per cent. plus local surcharges will be due if no Belgian withholding tax has been levied on that amount.

Capital gains realised on the sale of the Certificates to a Party other than the Issuer, except in respect of that part of the sale price attributable to the *pro rata* interest component, are in principle tax exempt.

Capital losses on the Certificates are generally not tax deductible.

1.2 Tax treatment of Belgian corporations

Certificate holders who are Belgian residents for tax purposes, i.e. who are subject to Belgian Corporate Income Tax ("*Vennootschapsbelasting/Impôt des sociétés*") are subject to the following tax treatment with respect to the Certificates in Belgium.

Interest received by Belgian corporate investors on the Certificates and capital gains realised on the Certificates will be subject to Belgian corporate income tax of 33.99 per cent. Capital losses are in principle deductible.

Interest payments on the Certificates made through a paying agent in Belgium can under certain circumstances be exempt from withholding tax, provided a certificate is delivered. The withholding tax that has been levied is creditable in accordance with the legal provisions.

1.3 Other legal entities

Certificate holders who are Belgian residents for tax purposes, i.e. who are subject to Belgian tax on legal entities ("*Rechtspersonenbelasting/impôt des personnes morales*") are subject to the following tax treatment with respect to the Certificates in Belgium.

According to Belgian tax law, interest includes any amount paid by the Issuer in excess of the issuance price of the Certificates (e.g. at the maturity day or at early redemption).

Payments of interest on the Certificates made through a paying agent in Belgium will in principle be subject to a 15 per cent. withholding tax in Belgium and no further tax on legal entities will be due on the interest.

However, if the interest is paid outside Belgium without the intervention of a Belgian paying agent and without the deduction of Belgian withholding tax, the legal entity itself is responsible for the deduction and payment of the 15 per cent. withholding tax.

If the Certificates qualify as fixed income securities for the purposes of article 2, 1,8° of the ITC, in the event of a transfer of the Certificates between two interest payment dates, Belgian legal entities have to pay a 15 per cent. withholding tax on the accrued interest corresponding to the detention period.

Capital gains realised on the sale of the Certificates to a party other than the Issuer, except in respect of that part of the sale price attributable to the *pro rata* interest component, are in principle tax exempt.

Capital losses on the Certificates are generally not tax deductible.

1.4 **Non-resident investors**

The interest income on the Certificates paid through a professional intermediary in Belgium will, in principle, be subject to a 15 per cent. withholding tax. If the investor is a resident of a country that has entered into a double taxation agreement with Belgium, a reduction or an exemption of withholding tax may be applicable under specified circumstances.

Non-resident investors can obtain an exemption of Belgian withholding tax on interest from the Certificates if they deliver an affidavit confirming their non-resident status, provided (i) they hold the Certificates in full ownership or usufruct, (ii) the Certificates are paid through a Belgian financial institution, stock market company or clearing institution and (iii) the Certificates are not used for carrying out a business in Belgium by the Issuer or by the Certificate holder.

The non-residents who use the debt instruments to exercise a professional activity in Belgium through a permanent establishment are subject to similar tax rules as Belgian resident companies.

1.5 **The EU Savings Directive**

Under EC Council Directive 2003/48/EC regarding the taxation of savings income, since 1 July 2005 Member States are required to provide to the tax authorities of other Member States details of payments of interest and other similar income paid by a paying agent (within the meaning of the Savings Directive) to (or under certain circumstances, to the benefit of) an individual resident in another Member State. However, this requirement does not apply to Austria, Belgium and Luxembourg who are instead required to impose a withholding system (i.e. the source tax) for a transitional period unless the beneficiary of the interest payments elects for the exchange of information. The Source Tax rate is initially 15 per cent., increasing steadily to 20 per cent. and to 35 per cent. The ending of such transitional period depends on the conclusion of certain other agreements relating to exchange of information with certain other countries.

A number of non-EC countries and territories, including Switzerland, have agreed to adopt similar measures with effect from the same date.

2. **Warrants**

Payments with respect to the Warrants should not be subject to Belgian withholding tax in the sense of article 261 ITC.

Other rules can be applicable in special situations, in particular with respect to Debt Warrants, when the return on the underlying basket of debt securities or single debt security is fixed, in which case the holders of Warrants could be subject to the tax regime applicable to the Certificates.

SPANISH TAXATION

The statements herein regarding withholding taxes in Spain are based on the laws in force in Spain as of the date of this Base Prospectus and are subject to any changes in law. The following summary does not purport to be a comprehensive description of all the tax considerations which may be relevant to a decision to purchase, own or dispose of the Securities. Each prospective holder or beneficial owner of Securities should consult its tax adviser as to the Spanish tax consequences of the ownership and disposition of the Securities.

1. Spanish resident individuals

1.1 Certificates

Personal Income Tax

Personal Income Tax (hereinafter, **PIT**) is levied on an annual basis on the worldwide income obtained by Spanish resident individuals, whatever its source and wherever the relevant payer is established. Therefore any income that a Spanish holder of the Certificates may receive under the Certificates will be subject to Spanish taxation.

Both interest periodically received and income arising on the disposal, redemption or reimbursement of the Certificates obtained by individuals who are tax resident in Spain will be regarded as financial income for tax purposes (i.e. a return on investment derived from the transfer of own capital to third parties).

Both parts of income will be included in the savings part of the taxable income subject to PIT at the flat tax rate which is currently 18 per cent.

Spanish holders of the Certificates shall compute the gross interest obtained in the savings part of the taxable base of the tax period in which it is due, including amounts withheld, if any.

Income arising on the disposal, redemption or reimbursement of the Certificates will be calculated as the difference between (a) their disposal, redemption or reimbursement value and (b) their acquisition or subscription value. Costs and expenses effectively borne on the acquisition and transfer of the Certificates may be taken into account for calculating the relevant taxable income, provided that they can be duly justified.

Likewise, expenses related to the management and deposit of the Certificates, if any, will be tax-deductible, excluding those pertaining to discretionary or individual portfolio management.

Losses that may derive from the transfer of the Certificates cannot be offset if the investor acquires homogeneous securities within the two-month period prior or subsequent to the transfer of the Certificates, until he/she transfers such homogeneous securities.

Additionally, tax credits for the avoidance of international double taxation may apply in respect of taxes paid outside Spain on income deriving from the Certificates, if any.

Spanish Inheritance and Gift Tax

Spanish Inheritance and Gift Tax is levied on transfers of Certificates upon death or by gift to Spanish tax resident individuals, with the taxpayer being the transferee. General tax rates currently range from 7.65 to 81.60 per cent., although the tax situation may vary depending on any applicable regional tax laws.

Spanish Wealth Tax

Spanish Wealth Tax is levied, on an annual basis, on the Certificates held on 31 December. General tax rates currently range between 0.2 and 2.5 per cent., although these may vary depending on any applicable regional tax laws.

1.2 Warrants

Personal Income Tax

The premium or amount paid for the subscription of the Warrants would not be considered as a deductible expense, but as the acquisition value, which would include the expenses and commissions, inherent to the acquisition, paid by the acquirer.

Income obtained by holders of the Warrants covered by this Prospectus on their transfer before the expiration date, will be considered as capital gains or losses on the terms of article 33 Law 35/2006 of Personal Income Tax of 28 November (the **PIT Act**). The gain or loss shall be calculated as a difference between the transfer value, once any expenses and commissions paid by the taxpayer have been deducted, and the acquisition value, as it has been defined above.

Upon the exercise of the Warrants, income obtained would be considered as capital gain or loss, being calculated as the difference between (i) the Cash Settlement Amount, once expenses have been deducted and commissions paid by the taxpayer, and (ii) the acquisition value defined above.

Failure to exercise any Warrants on the expiration date would give rise to a capital loss on the acquisition value.

Income derived from the transfer or exercise of the Warrants will be included in the savings part of the taxable income subject to PIT at the flat tax rate which is currently 18 per cent.

Spanish Inheritance and Gift Tax

Spanish Inheritance and Gift Tax is levied on transfers of Warrants upon death or by gift to Spanish tax resident individuals, with the taxpayer being the transferee. General tax rates currently range from 7.65 to 81.60 per cent., although the tax situation may vary depending on any applicable regional tax laws.

Spanish Wealth Tax

Spanish Wealth Tax is levied, on an annual basis, on the Warrants held on 31 December. General tax rates currently range between 0.2 and 2.5 per cent., although these may vary depending on any applicable regional tax laws.

2. Legal Entities with Tax Residence in Spain

2.1 Certificates

Corporate Income Tax

Both interest periodically received and income arising on the disposal, redemption or reimbursement of the Certificates obtained by entities which are tax resident in Spain shall be computed as taxable income of the tax period in which they accrue.

The general tax rate for limited liability companies is currently 30 per cent. However, small sized companies could benefit from the reduced tax rate of 25 per cent. on the first €120,202.41 of their taxable profits. Special rates apply in respect of certain types of entities (such as qualifying collective investment institutions).

Tax credits for the avoidance of international double taxation may apply in respect of taxes paid outside Spain on income deriving from the Certificates, if any.

2.2 Warrants

As a general rule, income obtained either through the transfer or the exercise of the warrants and obtained by taxpayers subject to Corporate Income Tax will be included in their taxable income under general provisions.

3. Individuals and Legal Entities with no Tax Residence in Spain

3.1 Certificates

A non-resident holder of Certificates who has a permanent establishment in Spain to which such Certificates are attributable is subject to Spanish Non-Residents' Income Tax on any income obtained under the Certificates including both interest periodically received and income arising on the disposal, redemption or reimbursement of the Certificates. In general terms, the tax rules applicable to individuals and legal entities with no tax residence in Spain but acting through a permanent establishment in Spain are the same as those applicable to resident corporate income taxpayers.

3.2 Warrants

As a general rule, income obtained by a permanent establishment located in Spain of a non-resident would be subject to taxation in a similar way than that applicable to Spanish tax resident corporate income tax payers, without prejudice of the Double Taxation Treaties signed by Spain.

4. Spanish withholding tax

BNP Paribas has been advised that, under Spanish tax law currently in effect, the Issuer should not be obliged to deduct withholdings on account of Spanish income taxes since it is not a Spanish tax resident entity and does not have a permanent establishment in Spain to which the issue of the Certificates is connected (income from Warrants will always be exempt from withholding in Spain).

Where a financial institution (either resident in Spain or acting through a permanent establishment in Spain) acts as depositary of the Certificates or intervenes as manager on the collection of any income under the Certificates, such financial institution will be responsible for making the relevant withholding on account of Spanish tax on any income deriving from the Certificates.

The current withholding tax in Spain is 18 per cent. Amounts withheld in Spain, if any, can be credited against the final Spanish PIT liability, in the case of Spanish resident individuals, or against Spanish final Corporate Income Tax liability, in the case of Spanish corporate or Spanish permanent establishments of non-resident entities. However, holders of the Certificates who are Corporate Income Taxpayers can benefit from a withholding tax exemption when the Certificates are listed in an OECD official stock exchange.

Furthermore, such financial institution may become obliged to comply with the formalities set out in the regulations of the Spanish PIT Act when intervening in the transfer or reimbursement of the Certificates.

With regard to Warrants, any income will be exempt from withholding in Spain.

UNITED KINGDOM TAXATION

The following comments are of a general nature, apply only to persons who are the beneficial owners of Securities issued by BNP Paribas and are a summary of the Issuer's understanding of current law and practice in the United Kingdom relating to certain aspects of United Kingdom taxation. Some aspects do not apply to certain classes of person (such as dealers and persons connected with the Issuer) to whom special rules may apply. These comments are not intended to be, nor should they be regarded as, legal or tax advice. The precise tax treatment of a holder of Securities will depend for each issue on the terms of the Securities, as specified in the Terms and Conditions of the Securities as amended and supplemented by the applicable Final Terms under the law and practice at the relevant time. Prospective holders of Securities should consult their own tax advisers in all relevant jurisdictions to obtain advice about their particular tax treatment in relation to such Securities.

1. Warrants

1.1 Withholding Tax

Payments under Warrants issued by BNP Paribas that are derivative contracts under which it is chargeable to tax in accordance with Schedule 26 of the Finance Act 2002 should not be subject to United Kingdom withholding tax.

1.2 Stamp Duty and Stamp Duty Reserve Tax ("SDRT")

A Global Warrant may be subject to United Kingdom stamp duty if it is executed in the United Kingdom or if it relates to any property situate, or to any matter or thing done or to be done, in the United Kingdom. However, in the context of retail covered warrants listed on the London Stock Exchange, HM Revenue and Customs ("HMRC") has indicated that no charge to United Kingdom stamp duty will arise on the grant of such warrants. It is not clear whether or not HMRC would be prepared to take such a view in relation to a Global Warrant.

If a Global Warrant is subject to United Kingdom stamp duty, but the stamp duty has not been paid, the Global Warrant cannot be used for any purpose in the United Kingdom; for example it will be inadmissible in evidence in civil proceedings in a United Kingdom court.

If a Global Warrant is subject to United Kingdom stamp duty, and it becomes necessary to pay that stamp duty (for example because this is necessary in order to enforce the document in the United Kingdom), interest will be payable (in addition to the stamp duty) in respect of the period from 30 days after the date of execution of the Global Warrant to the date of payment of the stamp duty. Penalties may also be payable if a Global Warrant which was executed outside the United Kingdom is not stamped within 30 days of first being brought into the United Kingdom. If any United Kingdom stamp duty is required to be paid, it would be payable at a rate of 0.5 per cent. by reference to the amount of consideration given for the issue of Warrants represented by that Global Warrant.

SDRT may be payable in relation to any agreement to transfer Physical Delivery Warrants which give the holder an interest in, rights arising out of, or the right to acquire stocks, shares or loan capital registered on a register kept in the United Kingdom.

SDRT may be payable in respect of the agreement to transfer an asset pursuant to a Physical Delivery Warrant following the exercise of the Warrant. However, any such liability to SDRT will be cancelled (or, if already paid, will be repaid) if the instrument effecting the transfer is chargeable with stamp duty (or is otherwise required to be stamped) and has been duly stamped within six years of the agreement being made or, in the case of a conditional agreement, within six years of all conditions being satisfied.

2. Certificates

2.1 Withholding Tax

- (a) The Issuer, provided that it continues to be a bank within the meaning of section 991 of the Income Tax Act 2007 (the "Act"), and provided that the interest on the Certificates is paid in the ordinary course of its business within the meaning of section 878 of the Act, will be entitled to make payments of interest without withholding or deduction for or on account of United Kingdom income tax.
- (b) Payments of interest on the Certificates may be made without deduction of or withholding on account of United Kingdom income tax provided that the Certificates continue to be listed on a "recognised stock exchange" within the meaning of section 1005 of the Act. The London Stock Exchange is a recognised stock exchange. Securities will be treated as listed on the London Stock Exchange if they are included in the Official List (within the meaning of and in accordance with the provisions of Part 6 of the Financial Services and Markets Act 2006) and admitted to trading by the London Stock Exchange. The Luxembourg Stock Exchange is also a recognised stock exchange. The Certificates will satisfy this requirement if they are officially listed in Luxembourg in accordance with provisions corresponding to those generally applicable in EEA states and are admitted to trading on the Luxembourg Stock Exchange. Provided, therefore, that the Certificates remain so listed, interest on the Certificates will be payable without withholding or deduction on account of United Kingdom tax whether or not the Issuer carries on a banking business in the United Kingdom and whether or not the interest is paid in the ordinary course of its business.
- (c) Interest on the Certificates may also be paid without withholding or deduction on account of United Kingdom tax where interest on the Certificates is paid by a company and, at the time the payment is made, the Issuer reasonably believes (and any person by or through whom interest on the Certificates is paid reasonably believes) that the beneficial owner is within the charge to United Kingdom corporation tax as regards the payment of interest; provided that HMRC has not given a direction (in circumstances where it has reasonable grounds to believe that the above exemption is not available in respect of such payment of interest at the time the payment is made) that the interest should be paid under deduction of tax.
- (d) Interest on the Certificates may also be paid without withholding or deduction on account of United Kingdom tax where the maturity of the Certificates is less than 365 days.
 - (i) In other cases, an amount must generally be withheld from payments of interest on the Certificates on account of United Kingdom income tax at the savings rate (currently 20 per cent.) (or, if the Finance Bill 2008 is enacted in its current form, from 6 April 2008, the basic rate, which would also be 20 per cent.). However, where an applicable double tax treaty provides for a lower rate of withholding tax (or for no tax to be withheld) in relation to a Holder of Certificates, HMRC can issue a notice to the Issuer to pay interest to the Holder of Certificates without deduction of tax (or for interest to be paid with tax deducted at the rate provided for in the relevant double tax treaty).

2.2 Provision of Information

Holders may wish to note that, in certain circumstances, HMRC has power to obtain information (including the name and address of the beneficial owner of the interest) from any person in the United Kingdom who either pays or credits interest to or receives interest for the benefit of a Holder. HMRC also has power, in certain circumstances, to obtain information from any person in the United Kingdom who pays amounts payable on redemption of Certificates which are deeply discounted securities for the purposes of the Income Tax (Trading and Other Income) Act 2005 to or receives such amounts for the benefit of another person, although HMRC published practice indicates that HMRC will not exercise the power referred to above to require this information in respect of amounts payable on redemption of deeply discounted securities where such amounts

are paid on or before 5 April 2009. Such information may include the name and address of the beneficial owner of the amount payable on redemption. Any information obtained may, in certain circumstances, be exchanged by HMRC with the tax authorities of the jurisdiction in which the Holder is resident for tax purposes.

2.3 **Stamp Duty and SDRT**

United Kingdom stamp duty may be required to be paid in relation to the transfer of an asset on redemption of a Physical Delivery Certificate.

SDRT may be payable in relation to any agreement to transfer Physical Delivery Certificates which give the holder an interest in, rights arising out of, or the right to acquire stocks, shares or loan capital registered on a register kept in the United Kingdom.

SDRT may be payable in respect of the agreement to transfer an asset on redemption of a Physical Delivery Certificate. However, any such liability to SDRT will be cancelled (or if already paid, will be repaid) if the instrument effecting the transfer is chargeable with stamp duty (or is otherwise required to be stamped) and has been duly stamped within six years of the agreement being made or, in the case of a conditional agreement, within six years of all conditions being satisfied.

ITALIAN TAXATION

The following is a summary of current Italian law and practice relating to the taxation of the Warrants and Certificates (the "**Securities**"). The statements herein regarding taxation are based on the laws in force in Italy as at the date of this Base Prospectus and are subject to any changes in law occurring after such date, which changes could be made on a retroactive basis. The following summary does not purport to be a comprehensive description of all the tax considerations which may be relevant to a decision to subscribe for, purchase, own or dispose of the Securities and does not purport to deal with the tax consequences applicable to all categories of investors, some of which (such as dealers in securities or commodities) may be subject to special rules.

Prospective investors are advised to consult their own tax advisers concerning the overall tax consequences of their interest in the Securities.

Italian taxation of Securities

Pursuant to Article 67 of Presidential Decree No. 917 of 22 December 1986 and Legislative Decree No. 461 of 21 November 1997, as subsequently amended, where the Italian resident Securityholder is (i) an individual not engaged in an entrepreneurial activity to which the Securities are connected, (ii) a non-commercial partnership, (iii) a non-commercial private or public institution, or (iv) an investor exempt from Italian corporate income taxation, capital gains accrued under the sale or the exercise of the Securities are subject to a 12.5 per cent. substitute tax (*imposta sostitutiva*). The recipient may opt for three different taxation criteria:

- (1) Under the tax declaration regime (*regime della dichiarazione*), which is the default regime for Italian resident individuals not engaged in an entrepreneurial activity to which the Securities are connected, the *imposta sostitutiva* on capital gains will be chargeable, on a cumulative basis, on all capital gains, net of any incurred capital loss, realised by the Italian resident individual holding the Securities not in connection with an entrepreneurial activity pursuant to all sales or redemptions of the Securities carried out during any given tax year. Italian resident individuals holding the Securities not in connection with an entrepreneurial activity must indicate the overall capital gains realised in any tax year, net of any relevant incurred capital loss, in the annual tax return and pay *imposta sostitutiva* on such gains together with any balance income tax due for such year. Capital losses in excess of capital gains may be carried forward against capital gains realised in any of the four succeeding tax years.
- (2) As an alternative to the tax declaration regime, Italian resident individuals holding the Securities not in connection with an entrepreneurial activity may elect to pay the *imposta sostitutiva* separately on capital gains realised on each sale or redemption of the Securities (the "*risparmio amministrato*" regime). Such separate taxation of capital gains is allowed subject to: (i) the Securities being deposited with Italian banks, SIMs or certain authorised financial intermediaries; and (ii) an express election for the *risparmio amministrato* regime being timely made in writing by the relevant Securityholder. The depository is responsible for accounting for *imposta sostitutiva* in respect of capital gains realised on each sale or redemption of the Securities (as well as in respect of capital gains realised upon the revocation of its mandate), net of any incurred capital loss, and is required to pay the relevant amount to the Italian tax authorities on behalf of the taxpayer, deducting a corresponding amount from the proceeds to be credited to the Securityholder or using funds provided by the Securityholder for this purpose. Under the *risparmio amministrato* regime, where a sale or redemption of the Securities results in a capital loss, such loss may be deducted from capital gains subsequently realised, within the same securities management, in the same tax year or in the following tax years up to the fourth. Under the *risparmio amministrato* regime, the Securityholder is not required to declare the capital gains in the annual tax return.

- (3) Any capital gains realised by Italian resident individuals holding the Securities not in connection with an entrepreneurial activity who have entrusted the management of their financial assets, including the Securities, to an authorised intermediary and have opted for the so-called "*risparmio gestito*" regime will be included in the computation of the annual increase in value of the managed assets accrued, even if not realised, at year end, subject to a 12.5 per cent. substitute tax, to be paid by the managing authorised intermediary. Under this *risparmio gestito* regime, any depreciation of the managed assets accrued at year end may be carried forward against increase in value of the managed assets accrued in any of the four succeeding tax years. Under the *risparmio gestito* regime, the Securityholder is not required to declare the capital gains realised in the annual tax return.

Where an Italian resident Securityholder is a company or similar commercial entity, or the Italian permanent establishment of a foreign commercial entity to which the Securities are effectively connected, capital gains arising from the Securities will not be subject to *imposta sostitutiva*, but must be included in the relevant Securityholder's income tax return and are therefore subject to Italian corporate tax.

Capital gains realised by non-Italian resident Securityholders are not subject to Italian taxation, provided that the Securities are held outside of Italy.

Atypical securities

In accordance with a different interpretation of current tax law, it is possible that Certificates would be considered as 'atypical' securities pursuant to Article 8 of Law Decree No. 512 of 30 September 1983 as implemented by Law No. 649 of 25 November 1983. In this event, payments relating to Certificates may be subject to an Italian withholding tax, levied at the rate of 27 per cent.

The 27 per cent. withholding tax mentioned above does not apply to payments made to a non-Italian resident holder of the Certificate and to an Italian resident holder of the Certificate which is (i) a company or similar commercial entity (including the Italian permanent establishment of foreign entities), (ii) a commercial partnership, or (iii) a commercial private or public institution.

Payments made by a non-resident Guarantor

With respect to payments made to Italian resident Securityholders by a non-Italian resident guarantor, in accordance with one interpretation of Italian tax law, any such payment made by the Italian non-resident guarantor could be treated, in certain circumstances, as a payment made by the relevant Issuer and would thus be subject to the tax regime described in the previous paragraphs of this section.

EU Savings Directive

Under EC Council Directive 2003/48/EC on the taxation of savings income, Member States are required to provide to the tax authorities of another Member State details of payments of interest (or similar income) paid by a person within its jurisdiction to an individual resident in that other Member State. However, for a transitional period, Belgium, Luxembourg and Austria are instead required (unless during that period they elect otherwise) to operate a withholding system in relation to such payments (the ending of such transitional period being dependent upon the conclusion of certain other agreements relating to information exchange with certain other countries). A number of non-EU countries and territories including Switzerland have agreed to adopt similar measures (a withholding system in the case of Switzerland).

Implementation in Italy of the EU Savings Directive

Italy has implemented the EU Savings Directive through Legislative Decree No. 84 of 18 April 2005 (Decree No. 84). Under Decree No. 84, subject to a number of important conditions being met, in the case of interest paid to individuals

which qualify as beneficial owners of the interest payment and are resident for tax purposes in another Member State, Italian paying agents (i.e. banks, *società di intermediazione mobiliare* ("**SIM**"), fiduciary companies, *società di gestione del risparmio* ("**SGR**") resident for tax purposes in Italy, Italian permanent establishments of non-Italian resident persons and any other Italian entity paying interest for professional or business reasons) shall not apply the withholding tax and shall report to the Italian Tax Authorities details of the relevant payments and personal information on the individual beneficial owner. Such information is transmitted by the Italian Tax Authorities to the competent foreign tax authorities of the state of residence of the beneficial owner.

GERMAN TAXATION

The following is a general discussion of certain German tax consequences of the acquisition, holding and disposal of Securities. It does not purport to be a comprehensive description of all tax considerations that may be relevant to a decision to purchase Securities, and, in particular, does not consider any specific facts or circumstances that may apply to a particular purchaser. This summary is based on the laws of Germany currently in force and as applied on the date of this Base Prospectus, which are subject to change, possibly with retroactive or retrospective effect.

As each series of Securities may be subject to a different tax treatment due to the specific terms of such series as set out in the respective Final Terms, the following section only provides some very general information on the possible tax treatment.

Prospective purchasers of Securities are advised to consult their own tax advisers as to the tax consequences of the purchase, ownership and disposition of Securities, including the effect of any state, local or church taxes, under the tax laws of Germany and each country of which they are residents.

Tax Residents

Until 31 December 2008

Payments of interest on the Securities, including interest having accrued up to the disposition of Securities and credited separately ("**Accrued Interest**"; *Stückzinsen*), if any, to persons who are tax residents of Germany (i.e., persons whose residence, habitual abode, statutory seat, or place of effective management and control is located in Germany) are subject to German personal or corporate income tax (plus solidarity surcharge (*Solidaritätszuschlag*) at a rate of 5.5 per cent. thereon). Such interest may also be subject to trade tax if the Securities form part of the property of a German trade or business. Accrued Interest paid upon the acquisition of Securities may give rise to negative income if the Securities are held as a non-business asset. In addition church tax may apply as a surcharge on the personal income tax.

Upon the disposition, assignment or redemption of Securities a holder holding the Securities as a non-business asset will have to include in his taxable income further amounts if the Securities can be classified as a financial innovation ("**Financial Innovation**", *Finanzinnovation*) under German tax law. In this case, generally the *pro rata* initial yield to maturity (*besitzzeitanteilige Emissionsrendite*) as determined as of the time of issue minus interest, including Accrued Interest already taken into account, is taxed as interest income. If the Securities do not have an initial yield to maturity or if the holder of the Securities fails to provide evidence of an existing (*pro rata*) initial yield to maturity and the tax authorities do not identify an initial (*pro rata*) yield to maturity, the difference between the proceeds from the disposal, assignment or redemption and the issue or purchase price (*Marktrendite*) is treated as interest income and is subject to income tax (plus solidarity surcharge and church tax thereon, if any) in the year in which the Securities are disposed of, assigned or redeemed. If the Securities are issued in a currency other than Euro, such difference will be computed in the foreign currency and will then be converted to Euro. However, according to decisions of the German Federal Tax Court, with respect to certain Financial Innovations that do not have an initial yield to maturity but for which a clear distinction between the investment income and gains or losses from the change in the value of the capital invested can be drawn, only the investment income should be taxable while the gains or losses should be taxable as capital gains as described in the fourth paragraph below. Further, according to recent case law, certain asset-linked certificates, the repayment of which is only partially guaranteed should only constitute positive or negative interest income upon disposal, assignment or redemption to the extent that the gain or loss relates to the portion of the capital invested the repayment of which is guaranteed. To the extent a Security qualifies as a Financial Innovation, upon the exchange of Securities for the underlying securities or other assets upon redemption generally the positive difference between the fair market value of the securities or other assets received at the time of exchange (plus a cash amount paid, if any) and the issue or purchase price of the Securities constitutes interest income subject to tax as described above.

Where Securities form part of the property of a German trade or business, each year the part of the difference between the issue or purchase price of the Securities and its redemption amount (if such amount is fixed at the time of the acquisition) attributable to such year as well as interest accrued must be taken into account as interest income and may also be subject to trade tax.

Capital gains from the disposal, assignment or redemption of Securities, other than income described in the second paragraph above, are only taxable to a German tax-resident individual if the Securities are disposed of within one year after their acquisition or form part of the property of a German trade or business, in which case the capital gains may also be subject to trade tax. All capital gains and all losses derived from such dispositions are netted for each calendar year. A loss of up to €511,500 (€1,023,000 for married couples filing joint returns) can be carried back to the previous year. If this is not possible or desired the loss can be carried forward and – subject to further requirements – set off against future capital gains but not against other income. If the balance of gains and losses from the sale of such Securities or other non-business assets by an individual is less than €512 in a given calendar year such gain will not be subject to German tax. Capital gains derived by German-resident corporate holders of Securities will be subject to corporate income tax (plus solidarity surcharge at a rate of 5.5 per cent. thereon) and trade tax and losses from the redemption or sale of the Securities might be deductible from the taxable income under certain circumstances.

If Securities are held in a custodial account that the holder of Securities maintains with a German branch of a German or non-German bank or financial services institution (the "**Disbursing Agent**") a 30 per cent. withholding tax on interest payments (*Zinsabschlag*), plus 5.5 per cent. solidarity surcharge on such tax, will be levied, resulting in a total tax charge of 31.65 per cent. of the gross interest payment. Withholding tax on interest is also imposed on Accrued Interest.

In addition, to the extent Securities are treated as Financial Innovations for German withholding tax purposes and are kept in a custodial account that the holder of Securities maintains with a Disbursing Agent. Such custodian will generally withhold tax at a rate of 30 per cent. (plus solidarity surcharge at a rate of 5.5 per cent. thereon) from the positive difference between the redemption amount or proceeds from the disposition or assignment and the issue or purchase price of the Securities if the Securities have been kept in a custodial account with such Disbursing Agent since the time of issuance or acquisition, respectively. Where Securities are issued in a currency other than Euro the difference will be computed in the foreign currency and will then be converted into Euro. If the Securities have not been kept in a custodial account with a Disbursing Agent since the time of issuance or acquisition, withholding tax of 30 per cent. (plus solidarity surcharge at a rate of 5.5 per cent. thereon) is applied to 30 per cent. of the amounts paid in partial or final redemption or the proceeds from the disposition or assignment of the Securities, respectively.

In computing the tax to be withheld, the Disbursing Agent may deduct from the basis of the withholding tax any Accrued Interest previously paid by the holder of a Security to the Disbursing Agent during the same calendar year. If, in the event of physical delivery, no cash payment is made up on redemption, the Disbursing Agent will request that the holder of Securities pays the withholding tax to it. If the holder of the Securities does not pay the amount to be withheld to the Disbursing Agent the latter must notify the tax authorities of such failure which will then collect the tax from the holder.

Withholding tax and the solidarity surcharge thereon are credited as prepayments against the German personal or corporate income tax and the solidarity surcharge liability of the German resident. Amounts over withheld will entitle the holder of Securities to a refund, based on an assessment to tax.

If the Securities qualify as futures transaction (*Termingeschäft*) within the meaning of sec. 2 para. 2 German Securities Trading Act (*Wertpapierhandelsgesetz*) or sec. 1 para. 11 sent. 4 German Banking Act (*Gesetz über das Kreditwesen*) in particular if the value of the conditioned or unconditioned financial instrument or a combination of conditioned or unconditioned financial instruments depends directly or indirectly on:

- the stock exchange or market price of securities,
- the stock exchange or market price of money market instruments,
- the quotation of currencies or other units of account,
- interest rates or other proceeds, or
- the stock exchange or market price of commodities or precious metal.

In addition, the following rules must be considered:

Capital gains from the redemption or exercise of the Securities are taxable to a German-resident individual: (i) if the Securities are settled by a cash payment provided that the time period between the acquisition of the Securities and cash settlement is not longer than one year; or (ii) if, in the event of physical delivery, the delivered securities are disposed of within one year after the right for physical delivery has been terminated. If the Securities expire worthless the acquisition cost of the Securities will not be considered as tax deductible according to a decree issued by the Federal Ministry of Finance.

If the Securities form part of the property of a trade or business, losses might only be offset against capital gains resulting from futures transactions in the current or preceding business year (with certain restrictions). If this is not possible or desired the loss can be carried forward and – subject to further requirements – set off against future capital gains from such futures transactions but not against other income. This generally does not apply to futures transactions hedging the investor's ordinary business. Further special rules apply to credit institutions, financial service institutions and financial institutions within the meaning of the German Banking Act.

From 1 January 2009

From 2009, withholding tax on interest payments, Accrued Interest and capital gains from the disposal, redemption, repayment or assignment of Securities (if the Securities were either acquired after 31 December 2008 or are classified as Financial Innovations) will be levied at a rate of 25 per cent. (plus solidarity surcharge at a rate of 5.5 per cent. thereon, the total withholding being 26.375 per cent.), provided that the Securities have been held in a custodial account with the same Disbursing Agent (which term shall also include from 2009 a German securities trading company or securities trading bank) since the time of their acquisition. If the German holder of the Securities is subject to church tax, a church tax surcharge will also be withheld upon application.

This treatment also applies to Securities held as non-business asset that qualify as futures transactions as outlined above if: (i) the Securities are acquired after 31 December 2008 and are settled by a cash payment; or (ii) in the event of physical delivery, if the delivered securities are delivered upon settlement as of 1 January 2009. Otherwise, the German tax regime described above for disposals prior to 1 January 2009 will continue to apply. At present, it is however unclear whether losses from Securities qualifying as futures transactions that expire worthless are deductible if acquired after 31 December 2008.

From 1 January 2009 ongoing payments on Securities for which neither a repayment of the principal nor a consideration for the use of capital has been (expressly or *de facto*) promised or granted ("**Fully Asset Linked Certificates**", *Vollrisikozertifikate*) will also be taxable investment income and if kept with a Disbursing Agent also subject to German withholding tax at a rate of 25 per cent. (plus the 5.5 per cent. solidarity surcharge thereon and, upon application, church tax).

If the Fully Asset Linked Certificates are acquired prior to 1 January 2009 and disposed of after 31 December 2008 but prior to 1 July 2009, the German tax regime described above for disposals prior to 1 January 2009 will continue to apply so that no German tax will be withheld from gains from the disposal, assignment or settlement of the Fully Asset

Linked Certificates. The same should apply if the Fully Asset Linked Certificates were acquired before 1 January 2009 and are disposed of after 30 June 2009 and have been held for not more than one year.

Otherwise, German withholding tax of 25 per cent. (plus the 5.5 per cent. solidarity surcharge thereon and, upon application, church tax) will apply to the gain from the disposal of Fully Asset Linked Certificates taxable as investment income regardless of the holding period provided that the Securities are held in a custodial account by the same Disbursing Agent.

To the extent Securities (including Fully Asset Linked Certificates) have not been kept in a custodial account with the Disbursing Agent since the time of acquisition, upon the disposal, redemption, repayment or assignment withholding applies at a rate of 26.375 per cent. (including solidarity surcharge) to 30 per cent. of the disposal proceeds, unless it has been notified of the actual acquisition costs of the Securities by the previous German Disbursing Agent or by a statement of a bank or financial services institution within the European Economic Area.

However, no withholding tax will apply to gains from the disposal of Securities held by a corporation while ongoing payments, such as interest payments under a coupon, are subject to withholding tax.

From 2009, the personal income tax liability of a German holder of the Securities deriving income from capital investments under the Securities is, in principle, settled by the tax withheld. To the extent withholding tax has not been levied, such as in case of Securities kept in custody abroad, the German holder of the Securities must report his income and capital gains derived from the Securities on his tax return and then will also be taxed at a rate of 25 per cent. (plus solidarity surcharge and church tax thereon, where applicable). Further, a German holder of the Securities may request that all investment income of a given year is taxed at his lower individual tax rate based upon an assessment to tax with any amounts over-withheld being refunded.

Where Securities form part of a trade or business or the income from the Securities qualifies as income from the letting and leasing of property the withholding tax will not settle the personal or corporate income tax liability. The German holder of the Securities will have to report income and related expenses on his tax return and the balance will be taxed at the German Securities holder's applicable tax rate. Withholding tax levied, if any, will be credited against the personal or corporate income tax of the German holder of the Securities.

Exemption from withholding tax and solidarity surcharge

In general, no withholding tax will be levied if the holder of the Securities is an individual: (i) whose Securities do not form part of the property of a German trade or business nor gives rise to income from the letting and leasing of property; and (ii) who filed an exemption certificate (*Freistellungsauftrag*) with the Disbursing Agent but only to the extent the interest income derived from the Securities together with other investment income does not exceed the maximum exemption amount shown on the exemption certificate. Similarly, no withholding tax will be deducted if the holder of Securities has submitted to the Disbursing Agent a certificate of non-assessment (*Nichtveranlagungsbescheinigung*) issued by the competent local tax office.

German Investment Tax Act

German tax consequences other than those discussed above would arise if the respective Securities were regarded as foreign investment fund units. In such case, withholding tax requirements for the Disbursing Agent as well as the taxation of the German holder of the Securities would depend on whether the disclosure and reporting requirements of the German Investment Tax Act were fulfilled. If this were not the case, the holder may be subject to tax on unrealised or fictitious income. A foreign investment fund is defined as a pool of assets subject to foreign law, invested pursuant to the principle of risk diversification in one or more of certain asset classes listed in the German Investment Act. A foreign investment fund unit exists if the investor has the right to request a redemption of its units against cash

equivalent to its *pro rata* portion of the net asset value of the foreign investment fund or, in the absence of such right of redemption, the foreign investment fund is subject to regulatory supervision of collective investments.

Non-residents

Interest, including Accrued Interest, and capital gains are not subject to German taxation, unless: (i) the Securities form part of the business property of a permanent establishment, including a permanent representative, or a fixed base maintained in Germany by the holder of Securities; or (ii) the interest income otherwise constitutes German-source income. In cases (i) and (ii) a tax regime similar to that explained above under "*Tax Residents*" applies.

Non-residents of Germany are, in general, exempt from German withholding tax on interest and the solidarity surcharge thereon. However, where the interest is subject to German taxation as set forth in the preceding paragraph and the Securities are held in a custodial account with a Disbursing Agent, withholding tax may be levied under certain circumstances. The withholding tax may be refunded based on an assessment to tax or under an applicable tax treaty.

Inheritance and Gift Tax

No inheritance or gift taxes with respect to any Securities will arise under the laws of Germany, if, in the case of inheritance tax, neither the decedent nor the beneficiary, or, in the case of gift tax, neither the donor nor the donee, is a resident of Germany and such Security is not attributable to a German trade or business for which a permanent establishment is maintained, or a permanent representative has been appointed, in Germany. Exceptions from this rule apply to certain German expatriates.

Other Taxes

No stamp, issue, registration or similar taxes or duties will be payable in Germany in connection with the issuance, delivery or execution of the Securities. Currently, net assets tax is not levied in Germany.

EU Savings Tax Directive

Under EC Council Directive 2003/48/EC on the taxation of savings income, Member States are required, from 1 July 2005, to provide to the tax authorities of another Member State details of payments of interest (or similar income) paid by a person within its jurisdiction to an individual resident in that other Member State. However, for a transitional period, Belgium, Luxembourg and Austria are instead required (unless during that period they elect otherwise) to operate a withholding system in relation to such payments (the ending of such transitional period being dependent upon the conclusion of certain other agreements relating to information exchange with certain other countries). A number of non-EU countries and territories including Switzerland have agreed to adopt similar measures (a withholding system in the case of Switzerland) with effect from the same date.

By legislative regulations dated 26 January 2004 the Federal Government enacted provisions implementing the Directive into German law. These provisions apply from 1 July 2005.

No gross-up for taxes withheld

Purchasers of the Securities should note that according to the Terms and Conditions neither the relevant Issuer nor the Guarantor nor any Paying Agent or any other person will assume any liability for taxes withheld from payments under the Securities, nor make any additional payments in regard of these taxes, i.e. no gross-up will apply if a withholding tax is imposed.

SWEDISH TAXATION

The following comments are of a general nature and included herein solely for information purposes. These comments are limited to Swedish withholding taxation as currently applicable and do not contain any statements as to the Swedish tax liability and tax consequences of the purchase, holding or disposal of the Securities. These comments are not intended to be, nor should they be construed to be, legal or tax advice. No representation with respect to the consequences to any particular prospective holder of a Security is made hereby.

The information contained in this section is not comprehensive and is not intended as tax advice and does not purport to describe all of the tax considerations that may be relevant to a prospective purchaser of the Securities. It is based upon Swedish tax laws and practice as in effect as of the date hereof which are subject to change.

PROSPECTIVE PURCHASERS OF THE SECURITIES ARE ADVISED TO CONSULT THEIR OWN ADVISORS AS TO THE TAX CONSEQUENCES OF AN INVESTMENT IN THE SECURITIES.

Swedish tax residents

Payments under the Securities classified as interest under Swedish tax regulations are subject to a withholding obligation in respect of private individuals and estates of deceased persons. The tax to be withheld is 30 per cent.

Non-residents

There is no Swedish withholding tax on interest payments to non-residents.

PORTUGUESE TAXATION

The following summary describes the tax regulations applicable to the acquisition, ownership, redemption and transfer, if any, of the Securities (warrants and certificates) under current Portuguese law, though it does not take into account any developments or amendments thereof after the date of this Base Prospectus whether or not such developments or amendments have retroactive effect.

It should be noted that this summary does not explain all possible tax consequences of the above-mentioned transactions or the tax regulations applicable to all categories of Securities' holders, some of which may be subject to special rules.

Prospective investors are therefore advised to consult their lawyers or tax advisers, who will be in a position to provide personalised advice in the light of their particular circumstances. Prospective investors should also pay attention to any changes in currently applicable legislation or administrative interpretations thereof that may occur in the future.

1. Warrants and Certificates that do not guarantee more than 100 per cent. of the principal

(A) Resident investors

(i) Individual investors

Income from operations related to warrants and certificates that do not guarantee more than 100 per cent. of the principal, in the case of its sale prior to the redemption as well as its redemption, should be qualified as a capital gain.

Income subject to Personal Income Tax ("**PIT**") obtained on the sale of certificates corresponds to the positive difference between the sale price and the acquisition price. Income subject to PIT obtained on the redemption of certificates corresponds, on the moment of that redemption, to the positive difference between the market price of the underlying asset and the certificate acquisition price.

Income subject to PIT when disposing of warrants is determined by the positive difference between the sale price and the acquisition price. Income subject to PIT in the exercise of warrants is determined, on the moment of that exercise, by the positive difference between the market price of the underlying asset and the exercise price added of the warrant acquisition price, for call warrants, and by the positive difference between the exercise price deducted of the warrant acquisition price and the market price of the underlying asset, for put warrants.

The individual may choose between the taxation of the positive difference between capital gains and losses at an autonomous rate of 10 per cent. or to aggregate that income to the remaining income to be subject to the general progressive tax rates varying between 10.5 per cent. and 42 per cent.

Capital losses do not take part in the calculation of the balance referred in the previous paragraph when the counterpart in the operation is resident in a tax haven.

Income obtained by resident individuals arising from operations related to warrants and certificates that do not guarantee more than 100 per cent. of the principal are not subject to Portuguese withholding tax.

(ii) Corporate investors

As to corporate entities resident in Portuguese territory, the income from operations related to warrants and certificates are considered as profits and subject to Corporate Income Tax ("CIT") at a 25 per cent. rate, possibly added to a municipal surcharge up to a maximum of 1.5 per cent., reaching a final maximum rate of 26.5 per cent

Income obtained by resident corporate investors arising from operations related to warrants and certificates that do not guarantee more than 100 per cent. of the principal are not subject to Portuguese withholding tax.

(B) Non-resident investors

Capital gains obtained by non-resident investors on the transfer or redemption of warrants or certificates issued by Portuguese resident entities are exempt from taxation in Portugal.

Such exemption is not however applicable to:

- (i) Non-resident corporate investors without permanent establishment in Portugal that are owned, directly or indirectly, with more than a 25 per cent. share, by Portuguese entities; and
- (ii) Non-resident investors without permanent establishment in Portugal that are resident in a tax haven.

In any case, should the investor be resident in a country with which Portugal has entered into a Double Tax Treaty ("DTT"), and should it be entitled to the benefits provided under such Treaty, usually the gains shall be taxable only in his country of residence, and not in Portugal.

Should the above-mentioned exemption or a DTT not apply/exist, the capital gains obtained on transactions with warrants and certificates will be subject to taxation in Portugal, at a 10 per cent. flat rate for individuals, and at a 25 per cent. flat rate for corporate investors.

Income obtained by non-resident investors arising from operations related to warrants and certificates that do not guarantee more than 100 per cent. of the principal are not subject to Portuguese withholding tax.

2. Certificates that guarantee more than 100 per cent. of the principal ("secured certificates") and other structured products (not included in 1. above)

(A) Resident investors

(i) Individual investors

(a) Income arising from the redemption of secured certificates and other structured products

Income deriving from secured certificates and other structured products is subject to a 20 per cent. withholding tax, if the issuer or the payer of the income is a Portuguese resident entity. In other cases the investor must aggregate the income with its taxable income, thus being subject to the general PIT rates (maximum marginal rate of 42 per cent.).

The investor may choose to treat the withholding tax as a final tax (when applicable) or to tax the income deriving from secured certificates or other structured products at the general progressive tax rates varying between 10.5 per cent. and 42 per cent., in which case the withholding will be treated as a payment on account of the final tax due.

(b) **Income arising from the transfer of secured certificates and other structured products**

Regarding the capital gains obtained on the transfer of secured certificates and other structured products, the investor may choose to tax them under the following two different rules:

- (1) Under the first rule, the net capital gains are subject to a flat tax rate of 10 per cent.
- (2) Under the second rule, the net capital gains are subject to the general PIT rates applicable to the individual's annual taxable income.

Capital losses do not take part in the calculation of the net capital gains when the counterpart in the operation is resident in a tax haven.

(ii) Corporate investors

In general, income arising from the redemption of secured certificates and other structured products is subject to a 20 per cent. withholding on account of the final tax due, if the issuer is a Portuguese resident entity.

No withholding tax shall be levied when the issuer of the secured certificates and other structured products is a non resident entity or on gains obtained in the transfer of the secured certificates.

Furthermore, no withholding tax is due on the income paid to Portuguese resident credit and financial institutions.

No withholding tax is also due on the income paid to Portuguese resident public utility entities exempt from CIT (including, namely, general public utility entities, charities and other non-governmental social entities), to the extent that the said entities provide the paying entity with evidence of their tax-exempt status.

Income arising from the transfer or redemption of secured certificates and other structured products is regarded as taxable income and therefore subject to Portuguese CIT, as a general rule, at a 25 per cent. tax rate, possibly added to a municipal surcharge up to a maximum of 1.5 per cent. of the CIT, reaching a final maximum rate of 26.5 per cent.

(B) Non-resident Investors

(i) Interest or income arising from the redemption of secured certificates and other structured products

Under Portuguese law, interest or income arising from the redemption of secured certificates and other structured products issued by a Portuguese resident entity paid to a non-resident investor will be subject to a final withholding tax at a 20 per cent. rate.

In addition, investors resident in a State with which Portugal has signed a DTT may benefit from the Treaty-reduced tax rate applicable to interest payments.

(ii) Income arising from the transfer of secured certificates and other structured products

The gains obtained by non-residents arising from the transfer of secured certificates and other structured products are exempt of taxation.

Notwithstanding, the gains exemption on the sale of secured certificates and other structured products issued by a Portuguese resident entity is not applicable:

- (a) to non-resident corporate investors without permanent establishment in Portugal that are owned, directly or indirectly, with more than a 25 per cent. share, by Portuguese entities;
- (b) to non-resident investors without permanent establishment in Portugal that are resident in a Tax Haven.

In any case, should the investor be resident in a country with which Portugal has entered into a DTT, and should it be entitled to the benefits provided under such DTT, usually the gains shall be taxable only in his country of residence, and not in Portugal.

Should the above exemption or a DTT not apply/exist, the capital gains obtained on the transfer of the secured certificates and other structured products will be subject to taxation in Portugal, at a 10 per cent. flat rate, for individual investors, and at a 25 per cent. flat rate, for corporate investors.

3. Indirect Taxation

The acquisition, redemption and transfer for a consideration of the Securities will not be subject to any Transfer Tax or Stamp Tax in Portugal and will be exempt from Portuguese Value Added Tax, in accordance with the Portuguese legislation.

4. Stamp Tax and CIT on Inheritance and Gifts

Acquisition of the Securities by individuals not for valuable consideration (by way of inheritance or gift) is subject to Stamp Tax, at a 10 per cent. rate, if the corresponding Issuer has its head office or its effective place of management in Portugal or a permanent establishment in this territory and the acquirer is a Portuguese resident.

Acquisition of the Securities by Portuguese resident corporate investors not for valuable consideration (by way of inheritance or gift) is regarded as taxable income and therefore subject to Portuguese CIT, as a general rule, at a 25 per cent. tax rate, possibly added to a municipal surcharge up to a maximum of 1.5 per cent. of the CIT, reaching a final maximum rate of 26.5 per cent.

Acquisition of the Securities by non-resident corporate investors not for valuable consideration (by way of inheritance or gift) is subject to CIT, at a 25 per cent. rate, if the corresponding Issuer has its head office or its effective place of management in Portugal.

5. EU Savings Directive

Under EC Council Directive no. 2003/48/EC, of 3 June 2003, on taxation of savings income in the form of interest payments, Member States are required to provide to the tax authorities of another Member State details of payments of interest (or similar income) paid by a person within its jurisdiction to an individual resident in that other Member State. However, for a transitional period, Belgium, Luxembourg and Austria are instead required (unless during that period they elect otherwise) to operate a withholding system in relation to such payments (the ending of such transitional period being dependent upon the conclusion of certain other agreements relating to information exchange with certain other countries).

A number of non-EU countries and certain dependent or associated territories of certain Member States have agreed to adopt similar measures (either provision of information or transitional withholding) in relation to payments made by a person within its jurisdiction to, or collected by such a person for, an individual resident in a Member State. In addition, the Member States have entered into reciprocal provision of information or transitional withholding arrangements with certain of those dependent or associated territories in relation to payments made by a person in a Member State to, or collected by such a person for, an individual resident in one of those territories.

Portugal has implemented the above Directive on taxation of savings income in the form of interest payments into the Portuguese law through Decree-Law no. 62/2005, of 11 March 2005, as amended by Law no. 39-A/2005, of 29 July 2005.

AUSTRIAN TAXATION

Taxation in Austria

This section on taxation contains a brief summary with regard to certain important principles which are of significance in Austria in connection with the Securities. This summary does not purport to exhaustively describe all possible tax aspects and does not deal with specific situations which may be of relevance for individual potential investors. It is based on the currently valid Austrian tax legislation, case law and regulations of the tax authorities, as well as their respective interpretation, all of which may be amended from time to time. Such amendments may also be effected with retroactive effect and may negatively impact on the tax consequences described above. It is recommended that potential purchasers of the Securities consult with their legal and tax advisors as to the tax consequences of their purchase, holding or sale. Tax risks resulting from the Securities (in particular from a possible qualification as a foreign investment fund pursuant to sec. 42(1) of the Austrian Investment Funds Act) shall be borne by the purchaser. In general, it has to be noted that the Austrian tax authorities have a rather critical attitude towards structured products which may also give rise to tax benefits.

General

Individuals resident in Austria are subject to income tax (*Einkommensteuer*) on their worldwide income (unlimited income tax liability; *unbeschränkte Einkommensteuerpflicht*). Individuals are considered resident if they have a permanent domicile (*Wohnsitz*) available in Austria and/or if they have their habitual place of abode (*gewöhnlicher Aufenthalt*) in Austria, otherwise they are regarded as non-resident. Non-resident individuals are subject to income tax only on income from certain Austrian sources (limited income tax liability; *beschränkte Einkommensteuerpflicht*).

Corporations resident in Austria are subject to corporate income tax (*Körperschaftsteuer*) on their worldwide income (unlimited corporate income tax liability; *unbeschränkte Körperschaftsteuerpflicht*). Corporations are considered resident if their place of effective management (*Ort der Geschäftsleitung*) is in Austria and/or if they have their legal seat (*Sitz*) in Austria, otherwise they are regarded as non-resident. Non-resident corporations are subject to corporate income tax only on income from certain Austrian sources (limited corporate income tax liability; *beschränkte Körperschaftsteuerpflicht*).

Both in case of unlimited and limited (corporate) income tax liability Austria's right to tax may be restricted by double taxation treaties.

Certificates

Austrian (corporate) income tax

In the opinion of the Issuer, the Certificates are in general to be qualified as bonds (*Forderungswertpapiere*) in the sense of sec. 93(3) of the Austrian Income Tax Act (*Einkommensteuergesetz*).

Individuals subject to unlimited income tax liability holding bonds as a non-business asset (*Privatvermögen*) are subject to income tax on all resulting interest payments (which term also encompasses the balance between the redemption price and the issue price) pursuant to sec. 27(1)(4) and 27(2)(2) of the Austrian Income Tax Act. Such interest payments are subject to a withholding tax of 25.0 per cent. in case they are paid out by an Austrian paying agent (*kuponauszahlende Stelle*). This withholding tax has the effect of final taxation (*Endbesteuerung*) in the case of a public placement of the bonds (*i.e.* no additional income tax is levied over and above the amount of tax withheld). Even if interest payments are not effected through an Austrian paying agent, a flat income tax rate of 25.0 per cent. applies in the case of a public placement of the bonds. Since in this case no withholding tax is levied, interest payments must be included in the income tax return. If the bonds are not legally and factually offered to an indefinite number of persons

then the interest payments must be included in the individual's income tax return and are subject to income tax at a marginal rate of up to 50.0 per cent., any withholding tax being creditable against the income tax liability.

Individuals subject to unlimited income tax liability holding bonds as a business asset (*Betriebsvermögen*) are subject to income tax on all resulting interest payments (which term also encompasses the balance between the redemption price and the issue price). Such interest payments are subject to a withholding tax of 25.0 per cent. in case they are paid out by an Austrian paying agent, this withholding tax having the effect of final taxation in the case of a public placement of the bonds (*i.e.* no additional income tax is levied over and above the amount of tax withheld). Even if interest payments are not effected through an Austrian paying agent, a flat income tax rate of 25.0 per cent. applies in the case of a public placement of the bonds. Again, such income has to be included in the income tax return. If the bonds are not legally and factually offered to an indefinite number of persons then the interest payments must be included in the individual's income tax return and are subject to income tax at a marginal rate of up to 50.0 per cent., any withholding tax being creditable against the income tax liability.

Corporations subject to unlimited corporate income tax liability are subject to corporate income tax on all interest payments (which term also encompasses the balance between the redemption price and the issue price) resulting from bonds at a rate of currently 25.0 per cent. Under the conditions set forth in sec. 94(5) of the Austrian Income Tax Act, no withholding tax is levied.

Private foundations (*Privatstiftungen*) pursuant to the Austrian Private Foundations Act (*Privatstiftungsgesetz*) fulfilling the prerequisites contained in sec. 13(1) of the Austrian Corporate Income Tax Act (*Körperschaftsteuergesetz*) and holding bonds as a non-business asset are subject to corporate income tax (interim taxation; *Zwischenbesteuerung*) on all resulting interest payments received (which term also encompasses the balance between the redemption price and the issue price) pursuant to sec. 13(3)(1) of the Austrian Corporate Income Tax Act at a rate of 12.5 per cent. in the case of a public placement of the bonds. If the bonds are not legally and factually offered to an indefinite number of persons, then the interest payments are subject to corporate income tax at a rate of 25.0 per cent. Under the conditions set forth in sec. 94(11) of the Austrian Income Tax Act, no withholding tax is levied.

Individuals subject to limited income tax liability in Austria holding bonds in the meaning of sec. 93(3) of the Austrian Income Tax Act are only subject to income tax at a rate of 25.0 per cent. in Austria if – broadly speaking – the bonds are attributable to an Austrian permanent establishment (*Betriebsstätte*). The same applies with respect to corporations subject to limited corporate income tax liability in Austria, the tax rate also being 25.0 per cent. If interest received by non-resident individuals and corporations is not subject to (corporate) income tax but if at the same time it is subject to withholding tax by virtue of an Austrian paying agent, the withholding tax will be refunded upon application. The Austrian Federal Ministry of Finance has also provided for the possibility for the non-resident investor to furnish proof of non-residency, in which case the Austrian paying agent may refrain from withholding in the first place.

Pursuant to sec. 42(1) of the Austrian Investment Funds Act (*Investmentfondsgesetz*), a foreign investment fund (*ausländischer Investmentfonds*) is defined as any assets subject to a foreign jurisdiction which, irrespective of the legal form they are organized in, are invested according to the principle of risk-spreading on the basis either of a statute, of the entity's articles or of customary exercise. This term, however, does not encompass collective real estate investment vehicles pursuant to sec. 14 of the Austrian Capital Markets Act (*Kapitalmarktgesetz*). It should be noted that the Austrian tax authorities have commented upon the distinction between index certificates of foreign issuers on the one hand and foreign investment funds on the other hand in the Investment Fund Regulations (*Investmentfondsrichtlinien*). Pursuant to these, no foreign investment fund may be assumed if for the purposes of the issuance no predominant actual purchase of the underlying assets by the issuer or a trustee of the issuer, if any, is made and no actively managed assets exist. If the index relates to a hedge fund, then the index must fulfil – apart from the prerequisites just mentioned – additional criteria in order to qualify as a foreign investment fund. The Austrian tax authorities envisage altering the criteria for the distinction between index certificates of foreign issuers on the one hand and foreign investment funds on the other hand. The publication of these changes is expected to be due shortly.

EU withholding tax

Sec. 1 of the Austrian EU Withholding Tax Act (*EU-Quellensteuergesetz*) – which transforms into national law the provisions of Council Directive 2003/48/EC of 3 June 2003 on taxation of savings income in the form of interest payments – provides that interest payments paid or credited by an Austrian paying agent to a beneficial owner who is an individual resident in another Member State are subject to a withholding tax if no exception from such withholding applies. Currently, the withholding tax amounts to 15.0 per cent. As of 1 July 2008, the withholding tax rate will be increased to 20.0 per cent. Regarding the issue of whether index certificates are subject to the withholding tax, the Austrian tax authorities distinguish between index certificates with and without a capital guarantee (a capital guarantee being the promise of repayment of a minimum amount of the capital invested or the promise of the payment of interest), with the underlying asset being of relevance.

Austrian inheritance and gift tax

Pursuant to the Austrian Inheritance and Gift Tax Act (*Erbschafts- und Schenkungssteuergesetz*), transfers of assets *inter vivos* and *inter mortuos* are taxable. Sec. 15(1)(17) of the Austrian Inheritance and Gift Tax Act provides for a tax exemption in the case of a transfer of bonds *inter mortuos* insofar as the bonds were legally and factually offered to an indefinite number of persons and insofar as the interest resulting from the bonds is subject to either final taxation or the special tax rate of 25.0 per cent. The Austrian Constitutional Court (*Verfassungsgerichtshof*) has recently declared the inheritance tax as well as the gift tax as unconstitutional. These two decisions will both become effective on 1 August 2008. The Austrian federal government has reacted to these decisions of the Austrian Constitutional Court in the following way: According to the currently pending draft of the Gift Notification Act 2008 (*Schenkungsmitteilungsgesetz 2008*) the inheritance tax as well as the gift tax are to expire as of 1 August 2008. This means that *inter alia* transfers of assets both *inter vivos* and *inter mortuos* after 31 July 2008 will neither be subject to inheritance tax nor to gift tax (except in the case of transfers to certain foundations). Instead of the inheritance and gift tax a notification obligation shall be introduced for certain gifts *inter vivos*.

Warrants

Austrian (corporate) income tax

Individuals subject to unlimited income tax liability holding warrants (*Optionsscheine*) as a non-business asset are subject to income tax at a marginal rate of up to 50.0 per cent. on any income resulting from the sale or exercise of the warrants within one year of acquisition (so called income from speculative transactions; *Einkünfte aus Spekulationsgeschäften*). Negative income from speculative transactions can only be offset against positive income from speculative transactions; an overall loss resulting from speculative transactions cannot be offset against any other type of income. Income from speculative transactions amounting to EUR 440.- at most in a calendar year remains tax-free.

Individuals subject to unlimited income tax liability holding warrants as a business asset are subject to income tax at a marginal rate of up to 50.0 per cent. on any income resulting from the sale or exercise of the warrants regardless of the time lapsed between acquisition and sale or exercise of the warrants. Losses from the sale or exercise of the warrants can in general be offset against any other income.

Corporations subject to unlimited corporate income tax liability are subject to corporate income tax of 25.0 per cent. on any income resulting from the sale or exercise of the warrants regardless of the time lapsed between acquisition and sale or exercise of the warrants. Losses from the sale or exercise of the warrants can in general be offset against any other income.

Private foundations pursuant to the Austrian Private Foundations Act fulfilling the prerequisites contained in sec. 13(1) of the Austrian Corporate Income Tax Act and holding warrants as a non-business asset are subject to corporate income

tax of 25.0 per cent. on any income resulting from the sale or exercise of the warrants within one year of acquisition. Negative income from such speculative transactions can only be offset against positive income from speculative transactions; an overall loss resulting from speculative transactions cannot be offset against any other type of income. Income from speculative transactions amounting to EUR 440.- at most in a calendar year remains tax-free.

Individuals subject to limited income tax liability in Austria holding warrants are only subject to income tax on income resulting from the sale or exercise of the warrants if – broadly speaking – the warrants are attributable to an Austrian permanent establishment, in which case a marginal rate of up to 50.0 per cent. applies. The same is true with respect to corporations subject to limited corporate income tax liability in Austria, however, with a tax rate of 25.0 per cent.

Finally, reference is made to sec. 2.1 regarding sec. 42(1) of the Austrian Investment Funds Act.

EU withholding tax

Sec. 1 of the Austrian EU Withholding Tax Act – which transforms into national law the provisions of the Council Directive 2003/48/EC of 3 June 2003 on taxation of savings income in the form of interest payments – provides that interest payments paid or credited by an Austrian paying agent to a beneficial owner who is an individual resident in another Member State are subject to a withholding tax if no exception from such withholding applies. Currently, the withholding tax amounts to 15.0 per cent. As of 1 July 2008, the withholding tax rate will be increased to 20.0 per cent. Pursuant to guidelines published by the Austrian Federal Ministry of Finance, income from options does not qualify as interest in the sense of the Austrian EU Withholding Tax Act.

Austrian inheritance and gift tax

Pursuant to the Austrian Inheritance and Gift Tax Act, transfers of assets *inter vivos* and *inter mortuos* are taxable. For the transfer of warrants *inter mortuos* the exemption provision of sec. 15(1)(17) of the Austrian Inheritance and Gift Tax Act does not apply. The Austrian Constitutional Court has recently declared the inheritance tax as well as the gift tax as unconstitutional. These two decisions will both become effective on 1 August 2008. The Austrian federal government has reacted to these decisions of the Austrian Constitutional Court in the following way: According to the currently pending draft of the Gift Notification Act 2008 the inheritance tax as well as the gift tax are to expire as of 1 August 2008. This means that *inter alia* transfers of assets both *inter vivos* and *inter mortuos* after 31 July 2008 will neither be subject to inheritance tax nor to gift tax (except in the case of transfers to certain foundations). Instead of the inheritance and gift tax a notification obligation shall be introduced for certain gifts *inter vivos*.

HUNGARIAN TAXATION

The following is a general discussion of certain Hungarian tax consequences related to interests, gains and other incomes resulting from the ownership, transfer, exercising or redemption of the Warrants and the Certificates. It does not purport to be a comprehensive description of all tax considerations, which may be relevant to a decision to purchase the Warrants and the Certificates, and, in particular, does not consider any specific facts or circumstances that may apply to a particular purchaser. It is based on laws currently in force in Hungary and as applied on the date of this Base Prospectus, which are subject to change, possibly with retroactive effect. Prospective purchasers of the Warrants and the Certificates are advised to consult their own tax advisers as to the tax consequences of the purchase, ownership and disposition of the Warrants and the Certificates, including the effect of any state or local taxes, under the tax laws of, and the practice of the tax authority in, Hungary and each country of which they are residents.

(i) Taxation of corporate Holders

Pursuant to the provisions of Act LXXXI of 1996 on Corporate Tax and Dividend Tax (the "**Corporation Tax Act**"), Hungarian tax resident corporate taxpayers are taxable on the basis of their world-wide income. Generally, entities established under the laws of Hungary (i.e. having a Hungarian registered seat) are deemed to be tax resident. Foreign entities having their place of management in Hungary are also considered as Hungarian resident taxpayers.

Generally, interests and gains and any other incomes resulting from the Warrants and the Certificates earned by Hungarian tax resident corporate Holders will be included in the regular tax base of the corporation tax. The general corporation tax rate in Hungary is 16 per cent. Under conditions determined by the Corporation Tax Act, a 50 per cent tax credit may apply to capital gains realised by transactions concluded on a regulated market, as defined by Act CXX of 2001 on the Capital Markets. Interests, gains and other incomes resulting from the Warrants and the Certificates shall be included in the base of the surtax levied on the basis of the provisions of Act LIX of 2006 on the Surtax Aimed to Improve the Balance of the State Budget and shall be subject to 4 per cent surtax.

Pursuant to the Act C of 1990 on Local Taxes, credit institutions, financial enterprises, insurance companies and investment enterprises may be subject to local business tax on the basis of the proceeds resulting from the Warrants and the Certificates. The maximum rate of the local business tax is 2 per cent.

Foreign resident corporations are not subject to tax in Hungary, provided that they do not have a permanent establishment in Hungary.

(ii) Taxation of Hungarian tax resident individual Holders

Act CXVII of 1995 on Personal Income Tax (the "**Personal Income Tax Act**") sets out the rules applicable to the income tax liability of Hungarian and foreign resident private individuals. Hungarian resident private individuals are subject to tax on the basis of their worldwide income, whereas foreign resident private individuals' tax liability is limited to their Hungarian source income, subject to the terms of the applicable tax treaties, if any.

Warrants

Exercise of options granted by the Warrants

The gains resulted from the Settlement Price of any Cash Settled Warrant is subject to 25 per cent tax, provided the gain is classified as a capital gain falling under Section 67 of the Personal Income Tax Act. Pursuant to Article 67 (5) of the Personal Income Tax, capital gains are subject to withholding tax to be

assessed, withheld, declared and paid by the Hungarian resident Payor (as defined below), if any, disbursing the proceeds to the Holder. The capital gain is also subject to 14 per cent health care tax up to HUF 450,000.

Should such gains not be classified as capital gains for tax purposes, they shall be included in the consolidated annual taxable income of the Holder, and shall be subject to the progressive tax rate schedule with a maximum tax rate of 36 per cent applied to any income in excess of HUF 1,700,000. Pursuant to Article 46 (3) e) of the Personal Income Tax Act, such gains are subject to withholding tax to be assessed, withheld, declared and paid by the Hungarian resident Payor, if any, disbursing the proceeds to the Holder. Consolidated annual income in excess of HUF 7,130,000 is subject, also, to a surtax of 4 per cent. The gains classified as part of the consolidated income are subject to a health care tax of 11 per cent, as well.

Pursuant to the Act XCII of 2003 on the Rules of Taxation, in respect of foreign source income (like the gains resulting from the exercising the options granted by the Warrants) a Payor shall mean the "paying agent" ("megbizott") (a legal person, other organization, or private entrepreneur) having tax residency in Hungary, if any, except financial institutions the role of which are limited to performing the bank transfer or payment. In respect of revenues originating from a transaction concluded with the involvement of a licensed stockbroker (e.g. the sale of the Warrant), Payor shall mean such stockbroker. If there is no Payor involved in the transaction or the Payor fails to withhold the tax, it is to be assessed, paid and declared by the Holder receiving the proceeds.

In case of Physical Delivery Warrants the receipt of the Relevant Asset by the Holder is not deemed to be an income if the Relevant Asset is a security. If the Relevant Asset is a commodity, the positive difference between the fair market value and the acquisition price of the commodity, reduced by any certified transaction costs is to be included in the consolidated annual taxable income of the Holder, and shall be subject to the progressive tax rate schedule with a maximum tax rate of 36 per cent applied to any income in excess of HUF 1,700,000. Consolidated annual taxable income in excess of HUF 7,130,000 is subject, also, to a surtax of 4 per cent. The gains classified as part of the consolidated taxable income are subject to a health care tax of 11 per cent, as well.

Sale of the Warrants prior to Exercising

The positive difference between the sale price and the acquisition price of the of the Warrant, if any, reduced by any transaction costs, shall be deemed as a capital gain for tax purposes falling under Section 67 of the Personal Income Tax Act and shall be subject to 25 per cent tax. The capital gain shall be subject to withholding tax to be assessed, withheld, declared and paid by the Hungarian resident Payor, if any, disbursing the proceeds to the Holder. The capital gain is also subject to 14 per cent health care tax up to HUF 450,000.

If the Warrant is sold by way of a stock exchange transaction in accordance with the trading rules of the particular stock exchange operating in any member state of the European Economic Area, the positive difference between the sale price and the acquisition price of the of the Warrant, if any, reduced by any transaction costs, shall be subject to 20 per cent tax. There is no withholding tax imposed on such transactions. The tax payable is to be assessed, paid and declared by 20th May of the calendar year following the year when the gain is earned by the Holder. The Holder can deduct certain losses resulting from stock exchange transactions from the taxable gain.

Certificates

Redemption of the Certificates

If the Certificates are classified as debt securities pursuant to the provisions of the Act No. CXX/2001 on Capital Market the positive difference between the Cash Settlement Amount/Optional Redemption Amount or

the amount due to the Holder at a Settlement Disruption Event and the acquisition price of the Certificate, if any, reduced by any transaction costs, shall be deemed as an interest income falling under Section 65 of the Personal Income Tax Act and shall be subject to 20 per cent tax. If the Certificates do not qualify as debt securities, the above taxable income shall be deemed as a capital gain falling under Section 67 of the Personal Income Tax Act and as such shall be subject to 25 per cent tax. The capital gain is also subject to 14 per cent health care tax up to HUF 450,000.

Capital losses arising from other transactions of the Holder cannot be offset against the above interest income or capital gain.

Pursuant to Article 65 (2) and 67 (5) of the Act No. CXVII/1995 on Personal Income Tax ("PIT") in Hungary, the interests or capital gains resulting from the redemption of the Certificates shall be subject to withholding tax to be assessed, withheld, declared and paid by the Hungarian resident Payor, if any, disbursing the proceeds to the investor. If there is no Payor involved in the transaction or the Payor fails to withhold the tax, it is to be assessed, paid and declared by the Holder receiving the proceeds. A Payor shall mean the "paying agent" ("megbízott") (a legal person, other organization, or private entrepreneur) having tax residency in Hungary, if any, except financial institutions the role of which are limited to performing the bank transfer or payment. In respect of revenues originating from a transaction concluded with the involvement of a licensed stockbroker (e.g. the sale of the Certificate), Payor shall mean such stockbroker. If there is no Payor involved in the transaction or the Payor fails to withhold the tax, it is to be assessed, paid and declared by the Holder receiving the proceeds.

In case of Physical Delivery Certificates the receipt of the Relevant Asset by the Holder is not deemed to be an income if the Relevant Asset is a security. If the Relevant Asset is a commodity, the positive difference between the fair market value and the acquisition price of the commodity, reduced by any certified transaction costs is to be included in the consolidated annual taxable income of the Holder, and shall be subject to the progressive tax rate schedule with a maximum tax rate of 36 per cent applied to any income in excess of HUF 1,700,000. Consolidated annual taxable income in excess of HUF 7,130,000 is subject, also, to a surtax of 4 per cent. The gains classified as part of the consolidated income are subject to a health care tax of 11 per cent, as well.

Interest

Any Interest paid with respect to a Certificate, which is classified as a debt security pursuant to the provisions of the Act No. CXX/2001 on Capital Market shall be deemed as an interest income falling under Section 65 of the Personal Income Tax Act and shall be subject to 20 per cent tax.

Interest paid with respect to a Certificate, which does not qualify as a debt security shall be included in the consolidated annual taxable income of the Holder, and shall be subject to the progressive tax rate schedule with a maximum tax rate of 36 per cent applied to any income in excess of HUF 1,700,000. Consolidated annual taxable income in excess of HUF 7,130,000 is subject, also, to a surtax of 4 per cent.

These payments are subject to withholding tax to be assessed, withheld, declared and paid by the Hungarian resident Payor, if any, disbursing the proceeds to the Holder. If there is no Payor involved in the transaction or the Payor fails to withhold the tax, it is to be assessed, paid and declared by the Holder receiving the proceeds.

Sale of Certificate before Maturity

The positive difference between the sale price and the acquisition price of the Certificate, if any, reduced by any transaction costs, shall be deemed as a taxable income and shall be subject to the same taxation treatment as the income resulting from the redemption of the Certificate as described above.

If a Certificate not qualifying as a debt security pursuant to the provisions of the Act No. CXX/2001 on Capital Market is sold by way of a stock exchange transaction in accordance with the trading rules of the particular stock exchange operating in any member state of the European Economic Area, the positive difference between the sale price and the acquisition price of the of the Certificate, if any, reduced by any transaction costs, shall be subject to 20 per cent tax. There is no withholding tax imposed on such transactions. The tax payable is to be assessed, paid and declared by 20th May of the calendar year following the year when the gain is earned by the Holder. The Holder can deduct certain losses resulting from stock exchange transactions from the taxable gain.

(iii) Foreign tax resident individuals

Interests and gains resulting from the Certificates are not deemed to be Hungarian source income, thus foreign tax resident private individual Holders shall not be taxable in Hungary in this respect, provided that they do not earn the interests and gains via their permanent establishment located in Hungary, and the interests and gains earned on the Certificates are not paid by a Hungarian permanent establishment of the party obliged to pay. Pursuant to Schedule 7 of the ART implementing the Savings Directive in Hungary, interests paid to citizens of any other Member States of the European Union by a Payor is subject to the data provision requirements prescribed by Section 7 of the ART.

POLISH TAXATION

(a) General Information

The following is a discussion of certain Polish tax considerations relevant to an investor resident in Poland or which is otherwise subject to Polish taxation. This statement should not be deemed to be tax advice. It is based on Polish tax laws and, as its interpretation refers to the position as at the date of this prospectus, it may thus be subject to change. Any change may be enacted retroactively and may negatively affect tax treatment, as described below. This description does not purport to be complete with respect to all tax information that may be relevant to investors due to their personal circumstances. Prospective purchasers of the Certificates are advised to consult their professional tax advisor regarding the tax consequences of the purchase, ownership, disposal, redemption or transfer without consideration of the Certificates.

(b) Taxation of a Polish tax resident private investor (natural person)

(1) Income from capital investments

Income other than interest derived by a Polish tax resident individual from financial instruments held as non-business assets, qualify as capital income according to Art. 17 of the Polish Personal Income Tax Act. Such income is subject to a 19 per cent. flat rate tax. The costs of acquiring the Certificates are recognised at the time the revenue is achieved. In principle, this income should be settled by the taxpayer by 30 April of the year following the year in which the income was earned. However, if the individual is also a taxpayer as referred to in Arts. 31, 33, 34 and 35 of the PIT Act (which are mostly persons who obtain income from employment or pensions), under one of the possible interpretations of Art. 40 of the PIT Act he/she is obliged to pay 19 per cent. monthly instalments by the twentieth day of the month following the month in which the income was earned. There are arguments as to whether this interpretation is correct, as it puts certain individuals in a worse financial position than they would otherwise have been in. Individuals are encouraged to seek professional advice in this respect.

(2) Withholding Tax on Interest Income

Interest income does not cumulate with general income subject to the progressive tax rate but is subject to 19 per cent. flat rate tax.

If the Certificates are kept in a securities account maintained with a Polish bank or a Polish brokerage house, such bank or brokerage house is generally required to withhold tax of 19 per cent. in respect of any interest or discount (i.e. the difference between the redemption price paid by the issuer and the initial purchase price of the Certificates paid by the investor) paid to an investor.

If interest is paid by a foreign entity, in principle the entity would not be obliged to withhold Polish income tax and the tax should be settled by the individual. Potentially the foreign entity could make withholdings pursuant to the laws of other jurisdictions. Withholding tax incurred outside Poland (including countries which have not concluded a tax treaty with Poland), up to an amount equal to the tax paid abroad, but not higher than 19 per cent. tax on the interest amount, could be deducted from the Polish tax liability.

(c) Taxation of a Polish tax resident (corporate income taxpayer or a natural person) holding the Certificates as a business asset

A Polish tax resident, a natural person or corporation holding the Certificates as a business asset, will be subject to income tax in respect of the Certificates (both on any capital gains and on interest/discount), following the same principles as those which apply to any other income received from business activity. As a rule, for Polish income tax purposes interest is recognised as revenue on a cash basis, i.e. when it is received and not when it has accrued. In respect of capital gains, the cost of acquiring Certificates will be recognised at the time the revenue is achieved. In respect of natural persons holding the Certificates as a business asset, the tax authorities may require that the tax on the income derived from interest/discount is withheld under the same principles which apply to individual private investors.

The appropriate tax rate will be the same as the tax rate applicable to business activity, i.e. 19 per cent. for a corporation and, in the case of a natural person, either 19 per cent. or the progressive tax rate up to 40 per cent. (down to 32 per cent. from 2009), depending on the taxpayer's choice and whether other requirements are met.

(d) Certificates held by a non-Polish tax resident (natural person or corporation)

Non-Polish residents are subject to Polish income tax only with respect to their income earned in Poland. If the Certificates are issued by a foreign entity, in principle interest should not be considered as having been earned in Poland. Capital gains should also not be considered as arising in Poland unless the Certificates are sold at a stock exchange in Poland (the Warsaw Stock Exchange). If the latter is the case, however, most of the tax treaties concluded by Poland provide for Polish tax exemption with respect to capital gains derived from Poland by a foreign tax resident. The treaties also mitigate Polish domestic withholding tax of 20 per cent. on interest (down to 15 per cent., 10 per cent., 5 per cent. or 0 per cent. depending on the relevant treaty and occasionally on the status of the recipient of the interest).

If a foreign recipient of income acts through a permanent establishment in Poland, as a matter of principle it should be treated in the same manner as a Polish tax resident.

CZECH REPUBLIC TAXATION

The information set out below is limited only to Czech withholding taxation as currently applicable and it does not purport to be a complete analysis of all Czech tax considerations that may be relevant to a decision to purchase, hold or dispose of the Securities. The information does not take into account or discuss the tax laws of any country other than the Czech Republic nor does it take into account specific double taxation treaties. Moreover, neither the individual circumstances, financial situation nor investment objectives of any prospective investor in the Securities are taken into account for the purposes of this information. The holders of the Securities should consult their own tax advisors as to the consequences under the tax laws of the country of which they are residents for tax purposes and the tax laws of the Czech Republic concerning the purchase, holding and disposition of the Securities. The information is based on the tax laws of the Czech Republic as in effect on the date of this Programme and their prevailing interpretations available on or before such date. All of the foregoing is subject to change, which could apply retroactively and could affect the continued validity of this information.

Withholding tax

No withholding tax will arise in respect of payments of interest or principal under the Securities in the Czech Republic.

Securing tax

In general, pursuant to Czech tax law, Czech tax resident holders of the Securities are required, under their own responsibility, to withhold and to remit to Czech tax authorities a 1% securing tax from the purchase price when purchasing investment instruments, such as the Securities, from a seller who is resident for tax purposes outside the European Union or the European Economic Area. Nevertheless, this obligation could be eliminated under a double taxation treaty concluded between the Czech Republic and the country in which the person selling the Securities is tax resident.

EU Savings Directive

Under EC Council Directive 2003/48/EC on the taxation of savings income, Member States, including the Czech Republic, are required to provide to the tax authorities of another Member State details of payments of interest (or similar income) paid by a person within its jurisdiction to an individual resident in that other Member State. However, for a transitional period, Belgium, Luxembourg and Austria are instead required (unless during that period they elect otherwise) to operate a withholding system in relation to such payments (the ending of such transitional period being dependent upon the conclusion of certain other agreements relating to information exchange with certain other countries). A number of non-EU countries and territories including Switzerland have agreed to adopt similar measures (either provision of information or transitional withholding) in relation to payments made by a person within its jurisdiction to, or collected by such a person for, an individual resident in a Member State.

SLOVAK REPUBLIC TAXATION

(a) General Information

The following is a discussion of certain Slovak tax considerations relevant to an investor resident in the Slovak Republic or which is otherwise subject to Slovak taxation. It is based on Slovak tax laws as at the date of this Base Prospectus, therefore, it may be subject to change. Any change may be enacted retroactively and may negatively affect tax treatment, as described below. This description does not purport to be complete with respect to all tax information that may be relevant to investors due to their personal circumstances. Prospective purchasers of the Securities are advised to consult their professional tax advisor regarding the tax consequences of the purchase, ownership, disposal, redemption or transfer without consideration of the Securities.

(b) Taxation of a Slovak Holder

(1) Income tax in general

Individuals residing for tax purposes in the Slovak Republic or corporate entities having their registered office or place of actual management in the Slovak Republic (the “**Slovak Holders**”) are considered taxpayers with unlimited tax duty under Slovak Income Tax Act (Act No. 595/2003 Coll., as amended). In general, a worldwide income of the Slovak Holders is subject to Slovak taxation.

Income of a Slovak Holder (either individual or corporate) derived from the Securities should be included in a general tax base or, in the case of Slovak individual, a partial tax base of that Slovak Holder, which tax base is subject to the 19 per cent. flat rate income tax.

(2) Withholding tax

Income derived from the Securities paid by a foreign entity is not subject to Slovak withholding tax and the tax should be settled by the Slovak Holder. Potentially the foreign entity could make withholdings pursuant to the laws of other jurisdictions.

Interest income (i) derived from the Securities qualifying as debt securities and (ii) originating from a source in the Slovak Republic is subject to 19 per cent. flat rate withholding tax in the case of the following investors:

- an individual;
- a corporate entity which is not established for entrepreneurial purposes;
- the National Property Fund of the Slovak Republic;
- the National Bank of Slovakia;
- a non-Slovak Holder which does not conduct business in the Slovak Republic through its permanent establishment; and
- a non-Slovak Holder which has a permanent establishment in the Slovak Republic, however, the income demonstrably does not relate to such permanent establishment.

Income from the Securities qualifying as debt securities issued by a foreign issuer may qualify as having its source in the Slovak Republic if the Securities are kept in a securities account maintained

with a Slovak custodian (investment firm). In such case, the Slovak custodian (investment firm) may be obliged to withhold 19 per cent. Slovak income tax with respect to the income paid to the investor.

(c) Taxation of a non-Slovak Holder

Non-Slovak Holders are subject to Slovak income tax only with respect to their income originating from a source in the Slovak Republic. In principle, income derived from the Securities issued by a foreign entity should not be considered as originating from a source in the Slovak Republic. The only exemption may be the situation described in paragraph (b) (2) above where the Securities are kept in a securities account maintained with a Slovak custodian (investment firm). In such case, Slovak custodian (investment firm) may be obliged to withhold 19 per cent. Slovak income tax with respect to the income paid to the investor.

If a non-Slovak Holder acts through a permanent establishment in the Slovak Republic, as a matter of principle it should be treated in the same manner as a Slovak Holder.

U.S. FEDERAL INCOME TAXATION

United States Internal Revenue Service (the "**IRS**") Circular 230 Notice: To ensure compliance with IRS Circular 230, prospective investors are hereby notified that: (a) any discussion of U.S. federal tax issues contained or referred to in this Base Prospectus or any document referred to herein is not intended or written to be used, and cannot be used by prospective investors for the purpose of avoiding penalties that may be imposed on them under the United States Internal Revenue Code of 1986, as amended (the "**Code**"); (b) such discussion is written for use in connection with the promotion or marketing of the transactions or matters addressed herein; and (c) prospective investors should seek advice based on their particular circumstances from an independent tax advisor.

The following summary describes certain U.S. federal income tax considerations that may be relevant to a U.S. holder (as defined below) who purchases a Warrant or Certificate. The rules governing the U.S. federal income taxation of option transactions and other derivative financial instruments are complex and depend on a taxpayer's particular circumstances. Accordingly, this summary does not purport to be a comprehensive description of all of the tax considerations that may be relevant to any particular investor in a Warrant or Certificate. In particular, this summary deals only with holders of a Warrant or Certificate who purchase in the initial offering at the applicable issue price and in whose hands the stock, debt or other property underlying the Warrant or Certificate would be capital assets for U.S. federal income tax purposes. In addition, this discussion assumes that the Warrants are treated as options for U.S. federal income tax purposes, and that when issued they are not significantly "in-the-money".

This summary also does not discuss the U.S. federal income tax treatment of a U.S. holder who is a member of a class of holders subject to special rules, such as:

- a dealer in securities or derivative financial instruments;
- a trader in securities or derivative financial instruments that elects to use a mark-to-market method of accounting for securities holdings;
- a bank;
- a life insurance company;
- a tax-exempt organisation;
- an entity that is treated for U.S. federal income tax purposes as a partnership or other pass through entity;
- an investor who purchases a Warrant or Certificate with respect to stock in a company that is treated as a passive foreign investment company ("**PFIC**") for U.S. federal income tax purposes;
- an investor who purchases a Warrant or Certificate and holds any other position (whether long or short, direct or indirect) in any asset underlying such Warrant or Certificate;
- an investor who purchases a Warrant or Certificate that is part of a hedging transaction or that has been hedged against currency risk;
- an investor who purchases a Warrant or Certificate that is part of a straddle or conversion transaction for U.S. federal income tax purposes; and
- an investor who is a United States person and whose functional currency for U.S. federal income tax purposes is not the U.S. dollar.

As a consequence of the foregoing, it should be particularly noted that this summary does not address the special tax considerations that apply to an investment in a combination of Warrants or Certificates with respect to the same underlying assets. Further, this summary does not address alternative minimum tax consequences or the consequences to holders of equity interests in a holder of a Warrant or Certificate.

Any of the foregoing circumstances might substantially alter the tax consequences described below, and, in some instances, may require specific identification of positions in the relevant Warrant or Certificate before the close of the day on which they are acquired. For example, if the straddle rules were to apply, a U.S. holder of a Warrant or Certificate might be required to (i) recognise all or a portion of any gain on such Warrant or Certificate that would otherwise be long-term or short-term capital gain, as ordinary income or, if applicable, short-term capital gain, (ii) defer all, or a portion, of any loss realised upon the sale, exchange, exercise, cancellation or lapse of such Warrant or Certificate and (iii) capitalise any interest or carrying charges incurred by such U.S. holder with respect to such Warrant or Certificate.

This summary is based on laws, judicial decisions, and regulatory interpretations in effect on the date hereof, all of which are subject to change, possibly on a retroactive basis.

Additional U.S. federal income tax consequences, if any, applicable to a particular Warrant or Certificate (including any Inflation Index Warrant, Inflation Index Certificate, Hybrid Warrant or Hybrid Certificate) will be set forth in the applicable Final Terms.

The rules governing the taxation of option transactions and derivative financial instruments are complex and depend on a taxpayer's particular circumstances. U.S. holders are strongly urged to consult their own tax advisors concerning the U.S. federal, state, local, foreign and other national tax consequences of the ownership and disposition of Warrants or Certificates in their particular circumstances. U.S. holders should also consult their tax advisors as to the possibility of changes of law affecting taxation of derivative financial instruments with contingent payments, including prepaid forward contracts.

For purposes of this discussion, a "U.S. holder" is a holder of a Warrant or Certificate that is (i) an individual who is a citizen or resident of the United States, (ii) a domestic corporation or (iii) otherwise subject to U.S. federal income taxation on a net income basis in respect of the Warrant or Certificate. A "non-U.S. holder" is a holder of a Warrant or Certificate that is a non-resident alien individual or a foreign corporation.

Warrants

Premium

Premium paid by a U.S. holder for a Warrant will generally be treated as a non-deductible capital expenditure, and premium received by a U.S. holder for a Warrant that it writes will generally not be includible in income upon receipt. As described in the following two sections, the amount of such premium will be taken into account upon the exercise, sale, transfer, cash settlement, or lapse of the Warrant.

Physical Settlement of Warrants

A U.S. holder who receives the underlying property pursuant to the exercise of a Call Warrant that the investor has purchased or pursuant to the exercise of a Put Warrant that the investor has written will generally not recognise gain or loss on such exercise. Instead, the investor will generally be treated as purchasing the underlying property as of the exercise date in exchange for the sum of the exercise price and the amount of the premium that the investor paid for the Warrant in the case of a Call Warrant purchased by the investor, and for the exercise price reduced by the amount of the premium that the investor received for the Warrant in the case of a Put Warrant written by the investor. The investor's

holding period for the underlying property will begin on the day after the date of exercise or, in the case of stock or corporate securities, on the exercise date.

A U.S. holder who delivers the property underlying a Put Warrant pursuant to the exercise of such Warrant that the investor has purchased will generally be treated as selling the underlying property as of the exercise date. Accordingly, such an investor will generally recognise capital gain or loss equal to the difference between (i) the exercise price less the amount of the premium that the investor paid for the Put Warrant and (ii) the investor's tax basis in the underlying property. Because the purchase of a Put Warrant will generally constitute a "short sale" within the meaning of Section 1233 of the Code, whether such capital gain or loss will be long-term or short-term capital gain or loss will depend on the application of the short sale rules. In addition, a U.S. holder may be subject to the straddle rules with respect to its investment in the Warrant. U.S. holders should consult their own tax advisors with regard to the application of the short sale and straddle rules in their particular circumstances.

A U.S. holder who delivers the property underlying a Call Warrant pursuant to the exercise of such Warrant that the investor has written will generally be treated as selling the underlying property as of the exercise date. Accordingly, such an investor will generally recognise capital gain or loss equal to the difference between (i) the sum of the exercise price and the amount of the premium that the investor received for the Warrant and (ii) the investor's tax basis in the underlying property. Such capital gain or loss generally will be long-term capital gain or loss if the underlying property was held for more than one year.

Sale, Transfer, Cash Settlement, or Lapse of Warrants

A U.S. holder who has purchased a Warrant will generally recognise capital gain or loss upon the sale, transfer, cash settlement or lapse of the Warrant in an amount equal to the difference between (i) the amount realised by the investor from such sale, transfer, settlement, or lapse and (ii) the amount of the premium that the investor paid for the Warrant. Such capital gain or loss generally will be long-term capital gain or loss if the Warrant was held for more than one year. Certain exceptions to such treatment are noted below and, if appropriate, may be addressed in the applicable Final Terms. A U.S. holder who has written a Warrant will generally recognise short-term capital gain (equal to the premium) upon a lapse of the Warrant.

Mark-to-Market Rules

Under Section 1256 of the Code, special mark-to-market and character rules apply in the case of certain "nonequity" options (including in respect of debt). Unless the Warrants are listed on a "qualified board or exchange" for purposes of Section 1256, however, these mark-to-market rules will not be applicable to U.S. holders of the Warrants. The U.S. Treasury Department has not currently designated the AEX as a "qualified board or exchange". The rules under Section 1256 will not apply to the Share Warrants in any event.

Certificates

Classification of the Certificates

Depending on the terms of a Certificate, such Certificate could be treated as one or more of the following: (i) a prepaid forward contract (which, depending on the terms, may be subject to embedded options), (ii) a combination of a loan (or deposit) and a forward contract, (iii) an outright or constructive ownership interest in the property underlying such Certificate, (iv) a contingent payment debt instrument, or (v) a combination of a loan (or deposit) and one or more options. Additional U.S. federal income tax consequences applicable to a particular issuance of Certificates will be set forth in the applicable Final Terms.

No ruling is being requested from the IRS with respect to the Certificates, and the treatment of the Certificates described below is not binding on the IRS or the courts. As a result, significant aspects of the U.S. federal income tax consequences of an investment in the Certificates are uncertain.

Tax Treatment of (Prepaid) Forward Contracts (With or Without a Loan)

If any Certificates are treated as (prepaid) forward contracts (with or without a loan) for U.S. federal income tax purposes, the following description should apply to such Certificates.

Interest Payments. Payments of interest (if any) will generally be taxable to a U.S. holder as ordinary interest income at the time that such payments are accrued or are received (in accordance with the U.S. holder's method of tax accounting).

Physical Settlement. If the Certificates are treated as (prepaid) forward contracts, a U.S. holder who receives underlying stock or debt pursuant to the settlement of a Certificate that the investor has purchased will generally not recognise gain or loss on such settlement. The investor will generally be treated as acquiring the property underlying the Certificate, as of the date of settlement, in exchange for the amount that it paid to acquire the Certificates.

Cash Settlement, Sale, or Other Disposition of the Certificates. If the Certificates are treated as (prepaid) forward contracts, upon the receipt of cash upon settlement of a Certificate or upon the sale or other disposition of such Certificate, a U.S. holder will recognise taxable gain or loss, equal to the difference between the amount realised (generally, the amount of cash received) and such U.S. holder's tax basis in the Certificate. In general, a holder's tax basis in a Certificate will equal the amount that such holder paid to acquire the Certificate. Subject to the discussion below under "Constructive Ownership", any such gain or loss generally will be long-term capital gain or loss if the Certificates were held for more than one year at the time of settlement or at the time of sale or other disposition.

Constructive Ownership. Some or all of the net long-term capital gain arising from certain "constructive ownership" transactions may be characterised as ordinary income, in which case an interest charge would be imposed on the deemed underpayment of tax on any such ordinary income treated as deferred under these rules. These rules have no immediate application to forward contracts in respect of most property underlying the Certificates, since they are only applicable to the extent that the underlying property directly or indirectly includes shares of issuers treated as PFICs or as certain "pass thru" entities. These rules, however, grant discretionary authority to the U.S. Treasury Department to expand the scope of "constructive ownership" transactions to include forward contracts in respect of the stock of all corporations, in addition to forward contracts in respect of any debt instrument. The rules separately also direct the Treasury to promulgate regulations excluding a forward contract that does not convey "substantially all" of the economic return on any underlying asset from the scope of "constructive ownership" transactions. It is not possible to predict whether such regulations will be promulgated by the U.S. Treasury Department, or the form or effective date that any regulations that may be promulgated might take.

Interest in the Underlying Property

Depending on the terms of particular Certificates, a U.S. holder could be treated as owning the property underlying those Certificates for U.S. federal income tax purposes. In that event, for example, in the case of Index Certificates, the U.S. holder would be required to recognise appropriate amounts of capital gain on the disposition of any shares included in the underlying Index each time that the Index is rebalanced. In such a case, such U.S. holder also would be subject to tax on dividends on shares included in the Index in an amount equal to the gross dividends paid by companies whose shares are included in the Index. In addition, any current expenses (including any withholding taxes) in respect of shares included in the Index would be treated as if made directly by the U.S. holder, and the deductibility of such expenses (or creditability of such withholding taxes) could be subject to certain limitations.

Contingent Payment Debt Instruments

If any Certificates are treated as contingent payment debt instruments, the tax consequences to a U.S. holder would be determined under U.S. Treasury regulations governing contingent payment debt instruments (the "**Contingent Payment Regulations**"). The Contingent Payment Regulations are complex, but very generally apply the original issue discount rules of the Code to a contingent payment debt instrument by requiring that original issue discount be accrued every year at a "comparable yield" for the issuer of the instrument, determined at the time of issuance of the obligation. In addition, the Contingent Payment Regulations require that a projected payment schedule, which results in such a "comparable yield", be determined by the issuer, and that adjustments to income accruals be made to account for differences between actual payments and projected amounts. To the extent that the comparable yield as so determined exceeds the projected payments on a contingent debt instrument in any taxable year, the owner of that instrument will recognize ordinary interest income for that taxable year in excess of the cash the owner receives and such excess would increase the U.S. holder's tax basis in the debt instrument. In addition, any gain realized on the sale, exchange or redemption of a contingent payment debt instrument will be treated as ordinary income. Any loss realized on such sale, exchange or redemption will be treated as an ordinary loss to the extent that the holder's original issue discount inclusions with respect to the obligation exceed prior reversals of such inclusions required by the adjustment mechanism described above. Any loss realized in excess of such amount generally will be treated as a capital loss.

Loan and One or More Options

If any Certificates are treated as a combination of a loan (or deposit) and one or more options, in general, payments of interest (if any) will be taxable to a U.S. holder as ordinary interest income at the time that such payments are accrued or are received (in accordance with the U.S. holder's method of tax accounting), while payments in respect of the options would be taxable in a manner similar to the taxation of corresponding payments under Warrants.

Possible Alternative Tax Treatment

If a Certificate is treated as a unit consisting of a loan and a forward contract (or a loan and one or more options), a U.S. holder could be required to accrue a significant amount of original issue discount on a current basis during the period in which it holds the Certificate.

It is also possible that future regulations or other IRS guidance would require a U.S. holder to accrue income on the Certificates on a current basis. The IRS and U.S. Treasury Department have issued proposed regulations that require the current accrual of income with respect to contingent non-periodic payments made under certain notional principal contracts. The preamble to the regulations states that the "wait and see" method of tax accounting does not properly reflect the economic accrual of income on such contracts, and requires a current accrual of income with respect to some contracts already in existence at the time the proposed regulations were released. While the proposed regulations do not apply to prepaid forward contracts, the preamble to the proposed regulations expresses the view that similar timing issues exist in the case of prepaid forward contracts. If the IRS published future guidance requiring current accrual of income with respect to contingent payments on prepaid forward contracts, it is possible that a U.S. holder could be required to accrue income over the term of the Certificates.

In December 2007, the IRS and U.S. Treasury Department issued a notice (the "Notice") that requests public comments on a comprehensive list of tax policy issues raised by prepaid forward contracts. The Notice contemplates that such instruments may become subject to taxation on a current accrual basis under one or more possible approaches, including a mark-to-market methodology, a regime similar to the Contingent Payment Regulations and categorization of prepaid forward contracts as debt. The Notice also contemplates that all (or significant portions) of an investor's returns under prepaid forward contracts could be taxed at ordinary income rates (as opposed to capital gains rates) and the treatment of prepaid forward contracts as "constructive ownership" transactions which would result in the characterization of a

portion or all of gain on the applicable Notes as ordinary income and the imposition of an interest charge on deemed underpayment of tax on ordinary income deemed deferred.

Furthermore, in December 2007, legislation was proposed (the “Proposed Legislation”) that would require holders of certain prepaid forward contracts to accrue interest income on an annual basis at the minimum of the rate of accrual or crediting provided in the prepaid forward contract or at the monthly “Federal short term rate”, a rate published by the IRS on a monthly basis that is based on the market yields on short term Treasury obligations. The Proposed Legislation would apply to prepaid forward contracts acquired after the date of enactment and would have no implication as to current law. However, it is currently impossible to predict what legislation, if any, may be issued with respect to prepaid forward contracts and what guidance, if any, will be issued as a result of the Notice, and whether any such legislation or guidance could have retroactive effect.

Foreign Currency Rules

Payments of premium, exercise price, sale proceeds, and cash settlement amounts in respect of Warrants or Certificates that are denominated in a currency other than the U.S. dollar will be subject to special U.S. tax rules regarding foreign currency transactions. U.S. holders should consult their own tax advisors concerning the application of these rules in their particular circumstances.

Non-U.S. Holders

Except as noted in the applicable Final Terms, the following summary describes the tax consequences to non-U.S. holders of investing in Warrants or Certificates.

Under U.S. federal income tax law as currently in effect, holders of Certificates that are non-U.S. holders will not be subject to U.S. federal income taxes, including withholding taxes, on any payments of interest on the Certificates so long as the beneficial owner of the Certificates provides an Internal Revenue Service Form W 8BEN or otherwise satisfies applicable documentary requirements for establishing that it is a non-U.S. holder, unless such interest is effectively connected with the conduct by the holder of a trade or business in the United States.

Provided that the beneficial owner of the Warrant or Certificate provides an Internal Revenue Service Form W-8BEN or otherwise satisfies applicable documentary requirements for establishing that it is a non-U.S. holder, the gain realised on any sale or exchange of the Warrants or Certificates or lapse of the Warrants by a non-U.S. holder will not be subject to U.S. federal income tax, including withholding tax, unless (i) such gain is effectively connected with the conduct by the holder of a trade or business in the United States or (ii) in the case of gain realised by an individual holder, the holder is present in the United States for 183 days or more in the taxable year of the sale and either (A) such gain or income is attributable to an office or other fixed place of business maintained in the United States by such holder or (B) such holder has a tax home in the United States.

A non-U.S. holder who receives underlying property pursuant to the terms of a Warrant or Certificate will generally not recognise gain or loss on the receipt of such property.

Information Reporting and Backup Withholding

The paying agent will be required to file information returns with the IRS with respect to payments made to certain U.S. holders of Warrants or Certificates. In addition, certain U.S. holders may be subject to backup withholding tax in respect of such payments if they do not provide their taxpayer identification numbers to the paying agent. Persons holding Warrants or Certificates who are not U.S. holders may be required to comply with applicable certification procedures to establish that they are non-U.S. holders in order to avoid the application of such information reporting requirements and backup withholding tax.

OTHER TAXATION

The payment of the Cash Settlement Amount on the Securities, if any, will be made subject to withholding taxes and other taxes which the law may impose on holders of the Securities.

Individuals and legal entities should consult their usual tax advisors with respect to the tax treatment which applies to them.

In addition, holders of the Securities should comply with the tax laws applicable in the jurisdiction in which they are resident, subject to the application of any applicable tax treaty in force between France or, as the case may be, the Netherlands, and such jurisdiction.

Purchasers of Securities may be required to pay stamp taxes and other charges in accordance with the laws and practices of the country of purchase in addition to the issue price of each Security.

TRANSACTIONS INVOLVING SECURITIES MAY HAVE TAX CONSEQUENCES FOR POTENTIAL PURCHASERS WHICH MAY DEPEND, AMONGST OTHER THINGS, UPON THE STATUS OF THE POTENTIAL PURCHASER AND LAWS RELATING TO TRANSFER AND REGISTRATION TAXES. POTENTIAL PURCHASERS WHO ARE IN ANY DOUBT ABOUT THE TAX POSITION OF ANY ASPECT OF TRANSACTIONS INVOLVING SECURITIES SHOULD CONSULT THEIR OWN TAX ADVISERS.

Transactions involving Securities may have tax consequences for potential purchasers which may depend, amongst other things, upon the status of the potential purchaser and may relate to transfer and registration taxes.

Condition 12 ("Expenses and Taxation") (in relation to Warrants) and Condition 12 ("Expenses and Taxation") (in relation to Certificates) should be considered carefully by all potential purchasers of any Securities.

All prospective holders should seek independent advice as to their tax positions.

U.S. EMPLOYEE RETIREMENT INCOME SECURITY ACT OF 1974

The U.S. Employee Retirement Income Security Act of 1974, as amended ("**ERISA**"), imposes certain restrictions on employee benefit plans ("**ERISA Plans**") that are subject to ERISA and on persons who are fiduciaries with respect to these ERISA Plans. In accordance with ERISA's general fiduciary requirements, a fiduciary with respect to an ERISA Plan who is considering the purchase of U.S. Securities on behalf of the ERISA Plan should determine whether the purchase is permitted under the governing ERISA Plan documents and is prudent and appropriate for the ERISA Plan in view of its overall investment policy and the composition and diversification of its portfolio. Other provisions of ERISA and Section 4975 of the Internal Revenue Code of 1986, as amended (the "**Code**"), prohibit certain transactions involving the assets of an ERISA Plan (as well as those plans that are not subject to ERISA but which are subject to Section 4975 of the Code, such as individual retirement accounts ("**IRAs**") or Keogh plans (together with any entities whose underlying assets include the assets of any such plans or accounts and with ERISA Plans, "**Plans**")) and persons who have certain specified relationships to the Plan ("parties in interest" within the meaning of ERISA or "disqualified persons" within the meaning of Section 4975 of the Code). A party in interest or disqualified person who engages in a prohibited transaction may be subject to excise taxes and other penalties and liabilities under ERISA and/or the Code. A fiduciary of a Plan (including the owner of an IRA) that engages in a prohibited transaction may also be subject to penalties and liabilities under ERISA and/or the Code.

BNPP, directly or through its affiliates, may be considered a "party in interest" or a "disqualified person" with respect to many Plans. The purchase of U.S. Securities by a Plan with respect to which BNPP is a party in interest or a disqualified person may constitute or result in a prohibited transaction under Section 406 of ERISA or Section 4975 of the Code. Certain exemptions from the prohibited transaction provisions of Section 406 of ERISA and Section 4975 of the Code may be applicable, however, depending in part on the type of Plan fiduciary making the decision to acquire such U.S. Securities and the circumstances under which such decision is made. Included among these exemptions are Prohibited Transaction Class Exemption ("**PTCE**") 84-14 (an exemption for certain transactions determined by an independent qualified professional asset manager), PTCE 91-38 (an exemption for certain transactions involving bank collective investment funds), PTCE 90-1 (an exemption for certain transactions involving insurance company pooled separate accounts), PTCE 95-60 (an exemption for certain transactions involving insurance company general accounts), PTCE 96-23 (an exemption for certain transactions determined by an in-house asset manager) or section 408(b)(17) of ERISA and section 4975(d)(20) of the Code (together, an exemption for transactions with certain providers). There can be no assurance that any of these exemptions or any other exemption will be available with respect to any particular transaction involving the U.S. Securities. Any Plan fiduciary (including the owner of an IRA) considering the purchase of U.S. Securities should consider carefully the possibility of prohibited transactions and the availability of exemptions. U.S. governmental, church and non-U.S. plans, while not subject to the fiduciary responsibility provisions of ERISA or the provisions of Section 4975 of the Code, may nevertheless be subject to local, state, federal or non-U.S. laws that are substantially similar to the foregoing provisions of ERISA and the Code. ANY PENSION OR OTHER EMPLOYEE BENEFIT PLAN, INCLUDING ANY SUCH GOVERNMENTAL, CHURCH OR NON-U.S. PLAN AND ANY INDIVIDUAL RETIREMENT ACCOUNT, PROPOSING TO ACQUIRE ANY U.S. SECURITIES SHOULD CONSULT WITH ITS COUNSEL.

By its purchase of any U.S. Security, the purchaser or transferee thereof (and the person, if any, directing the acquisition of the offered U.S. securities by the purchaser or transferee) will be deemed to represent, on each day from the date on which the purchaser or transferee acquires the U.S. Securities through and including the date on which the purchaser or transferee disposes of its interest in such U.S. Securities, either that (a) such purchaser or transferee is not a Plan, an entity whose underlying assets include the assets of any Plan by reason of Department of Labor Regulation section 2570.3-101 or otherwise, or a governmental, church or non-U.S. plan which is subject to any or non-U.S., federal, state or local law that is substantially similar to the provisions of Section 406 of ERISA or Section 4975 of the Code or (b) its purchase, holding and disposition of such U.S. Securities (including, if applicable, the receipt of any Guaranty or Entitlement) will not result in a prohibited transaction under Section 406 of ERISA or Section 4975 of the Code (or in

the case of a governmental, church or non-U.S. plan, any substantially similar non-U.S., federal, state or local law) unless an exemption is available with respect to such transactions and all the conditions of such exemption have been satisfied.

Nothing herein shall be construed as a representation that any investment in U.S. Securities would meet any or all of the relevant legal requirements with respect to investments by, or is appropriate for, Plans generally or any particular Plan.

The above discussion may be modified or supplemented with respect to a particular offering of U.S. Securities, including the addition of further ERISA restrictions on purchase and transfer. Holders should consult the applicable Final Terms for such additional information.

**NOTICE TO PURCHASERS AND HOLDERS OF U.S. SECURITIES AND
TRANSFER RESTRICTIONS**

As a result of the following restrictions, purchasers of U.S. Securities are advised to consult legal counsel prior to making any purchase, offer, sale, resale, exercise, redemption or other transfer of such U.S. Securities.

Each purchaser of U.S. Securities will, by its purchase of such U.S. Securities, be deemed to acknowledge, represent and agree as follows (terms used in this paragraph that are defined in Rule 144A, Regulation S or the Conditions are used herein as defined therein):

- (i) that either: (a) in the case of the issue or transfer of a U.S. Security to or for a person who takes delivery in the form of U.S. Securities represented by a Rule 144A Global Security, it is a QIB, purchasing (or holding) the U.S. Securities for its own account or for the account of one or more QIBs and it is aware, and each beneficial owner of such U.S. Securities has been advised, that any sale to it is being made in reliance on Rule 144A or (b) in the case of the issue or transfer of U.S. Securities to or for a person who takes delivery in the form of a Private Placement Definitive Security, it is an AI, purchasing (or holding) such U.S. Security for its own account or for the account of one or more AIs and it is aware, and each beneficial owner of such U.S. Security has been advised, that any sale to it is being made in reliance on an exemption from the registration requirements of the Securities Act and it has delivered an Investor Representation Letter or (c) in the case of the issue or transfer of a U.S. Security to or for a person who takes delivery in the form of U.S. Securities represented by a Regulation S Global Security, it is outside the United States and is not a U.S. person;
- (ii) that in issuing a U.S. Security linked to any Relevant Asset, BNPP is not making, and has not made, any representations whatsoever as to the Relevant Asset or any information contained in any document filed by the issuer of such Relevant Asset with any exchange or with any governmental entity regulating the purchase and sale of securities or a U.S. Security linked to any Relevant Asset;
- (iii) that BNPP and any affiliate of BNPP may, whether by virtue of the types of relationships described above or otherwise, at the date hereof or at any time hereafter be in possession of information in relation to the issuer of a Relevant Asset which is or may be material in the context of an issue of U.S. Securities linked to such Relevant Asset and which is or may not be known to the general public or any Holder. U.S. Securities linked to any Relevant Asset do not create any obligation on the part of BNPP or any affiliate to disclose to any Holder any such relationship or information (whether or not confidential) and neither BNPP nor any other affiliate of BNPP shall be liable to any Holder by reason of such non-disclosure. No such information has been used in the selection of any issuer of a Relevant Asset for any U.S. Securities linked to any Relevant Asset;
- (iv) that BNPP and any affiliate of BNPP may have existing or future business relationships with the issuer of a Relevant Asset (including, but not limited to, lending, depositary, risk management advisory or banking relationships), and will pursue actions and take steps that it deems or they deem necessary or appropriate to protect its or their interests arising therefrom without regard to the consequences for a Holder of a U.S. Security linked to the issuer of a Relevant Asset;
- (v) that the market value of U.S. Securities linked to the issuer of a Relevant Asset may be adversely affected by movements in the value of the issuer of the Relevant Asset or in currency exchange rates;
- (vi) that the Settlement Amount in respect of any U.S. Security may be less than its issue price;
- (vii) that no U.S. Securities have been or will be registered under the Securities Act or any applicable U.S. state securities laws, and no U.S. Securities may be offered or sold within the United States or to, or for the account or benefit of, U.S. persons except as set forth below;

- (viii) if in the future it decides to resell, pledge or otherwise transfer the U.S. Securities or any beneficial interests in the U.S. Securities, it will do so only (a) to a person whom the seller reasonably believes is a QIB purchasing for its own account or for the account of a QIB in a transaction meeting the requirements of Rule 144A, or to an AI pursuant to an exemption from registration under the Securities Act, (b) outside the United States to a non-U.S. person in compliance with Regulation S, (c) otherwise pursuant to an exemption from registration under the Securities Act (if available) or (d) pursuant to an effective registration statement under the Securities Act, in each case, in accordance with all applicable U.S. state securities laws and as provided in the applicable Final Terms;
- (ix) it will, and will require each subsequent Holder to, notify any purchaser of U.S. Securities from it of the resale restrictions referred to in paragraph (viii) above, if then applicable;
- (x) that U.S. Securities initially offered in the United States to QIBs will be represented by a Rule 144A Global Security, that U.S. Securities offered to AIs will be in the form of Private Placement Definitive Securities and that, in each such case, the U.S. Securities offered outside the United States in reliance on Regulation S will be represented by a Regulation S Global Security;

- (xxiv) that the AI acknowledges that BNPP and others will rely upon the truth and accuracy of the foregoing acknowledgements, representations and agreements, and it agrees that if any of such acknowledgements, representations or agreements made by it are no longer accurate, it shall promptly notify BNPP.

OFFERING AND SALE

No action has been or will be taken by BNPP B.V., BNPP or the Managers that would permit a public offering of any Securities or possession or distribution of any offering material in relation to any Securities in any jurisdiction where action for that purpose is required. No offers, sales, re-sales or deliveries of any Securities, or distribution of any offering material relating to any Securities, may be made in or from any jurisdiction except in circumstances which will result in compliance with any applicable laws and regulations and which will not impose any obligation on BNPP B.V., BNPP and/or the Managers.

United States

None of the Securities, the Guarantees or, in the case of Physical Delivery Securities, the Entitlement to be delivered upon the exercise (in the case of Physical Delivery Warrants) or the redemption (in the case of Physical Delivery Certificates) of such Securities have been, or will be, registered under the Securities Act or any state securities laws, and trading in the Securities has not been approved by the Commodity Futures Trading Commission under the United States Commodity Exchange Act, as amended. Neither Issuer has registered as an investment company pursuant to the Investment Company Act. Unless otherwise specified in the applicable Final Terms, the Securities are being offered and sold pursuant to the registration exemption contained in Regulation S under the Securities Act. No Securities of such series, or interests therein, may at any time be offered, sold, resold, traded, pledged, exercised, redeemed, transferred or delivered, directly or indirectly, in the United States or to, or for the account or benefit of, a U.S. person, and any offer, sale, resale, trade, pledge, exercise, redemption, transfer or delivery made, directly or indirectly, within the United States or to, or for the account or benefit of, a U.S. person will not be recognised. The Securities of such series may not be legally or beneficially owned at any time by any U.S. person, as such term may be defined in Regulation S under the Securities Act, and accordingly are being offered and sold outside the United States to non-U.S. persons in reliance on Regulation S.

As used herein, a "U.S. person" is any person who is (i) a natural person resident in the United States; (ii) a corporation, partnership or other entity organised in or under the laws of the United States or any political subdivision thereof or which has its principal place of business in the United States; (iii) any estate or trust which is subject to United States federal income taxation regardless of the source of its income; (iv) any trust if a court within the United States is able to exercise primary supervision over the administration of the trust and if one or more United States trustees have the authority to control all substantial decisions of the trust; (v) a pension plan for the employees, officers or principals of a corporation, partnership or other entity described in (ii) above; or (vi) any other "U.S. person" as such term may be defined in Regulation S under the Securities Act.

If specified in the applicable Final Terms, certain issues of Securities of BNPP only may be offered and sold in the United States. Such U.S. Securities may only be offered and sold to (a) persons reasonably believed to be QIBs in reliance upon the exemption from the registration requirements of the Securities Act provided by Rule 144A and (b) certain AIs in reliance upon an exemption from the registration requirements of the Securities Act. In either such case, such U.S. Securities may concurrently be offered and sold to non-U.S. persons in offshore transactions in reliance on Regulation S. For further information on certain restrictions on resale, transfer, exercise and redemption, see "Notice to Purchasers and Holders of U.S. Securities and Transfer Restrictions". Offers and sales of U.S. Securities in the United States will be made only through broker-dealers who are registered as such under the Exchange Act.

Securities related to a specified currency or basket of currencies, a specified commodity or basket of commodities, a specified interest rate or basket of interest rates or a specified inflation Index or basket of inflation Indices, or Hybrid Warrants related to any of these asset classes, may not at any time be offered, sold, resold, held, traded, pledged, exercised, redeemed, transferred or delivered, directly or indirectly, in the United States or to, by or for the account or

benefit of, persons that are U.S. persons as defined in Regulation S under the Securities Act or that are not non-United States Persons as defined in Rule 4.7 under the United States Commodity Exchange Act, as amended.

U.S. Securities are being offered from time to time within the United States by the Bank through BNP Paribas Securities Corp., a broker-dealer affiliate of the Bank (the "**Initial Dealer**"), or one or more other broker-dealers appointed by the Bank from time to time (collectively with the Initial Dealer, the "**U.S. Dealers**"). The U.S. Securities may be sold to each U.S. Dealer at a discount, as principal, for resale to investors or other purchasers at varying prices related to prevailing market prices at the time of resale, to be determined by such U.S. Dealer or, if so agreed, at a fixed offering price. The Bank will have the sole right to accept offers to purchase U.S. Securities and may reject any proposed purchase of U.S. Securities in whole or in part. Each U.S. Dealer will have the right, in its discretion reasonably exercised, to reject any proposed purchase of U.S. Securities through it in whole or in part.

The Bank has reserved the right to sell U.S. Securities through one or more other dealers in addition to the U.S. Dealers and directly to investors on its own behalf in those jurisdictions where it is authorised to do so. No commission will be payable by the Bank to any of the U.S. Dealers on account of sales of U.S. Securities made through such other dealers or directly by the Bank.

In addition, the U.S. Dealers may offer the U.S. Securities they have purchased as principal to other dealers. The U.S. Dealers may sell U.S. Securities to any dealer at a discount and, unless otherwise specified in the applicable Final Terms, such discount allowed to any dealer will not be in excess of the discount to be received by such U.S. Dealer from the Bank. Unless otherwise indicated in the applicable Final Terms, any U.S. Securities sold to a U.S. Dealer as principal will be purchased by such U.S. Dealer at a price equal to 100 per cent. of the principal amount thereof less a percentage equal to the commission applicable to any agency sale of U.S. Securities of identical maturity, and may be resold by the U.S. Dealer to investors and other purchasers as described above. After the initial offering of U.S. Securities to be resold to investors and other purchasers, the offering price (in the case of U.S. Securities to be resold at a fixed offering price), the concession and discount may be changed.

The Bank has agreed to indemnify each U.S. Dealer against, or to make contributions relating to, certain civil liabilities, including liabilities under the Securities Act.

The Initial Dealer has advised the Bank that the Initial Dealer may make a market in the U.S. Securities; however, the Bank cannot provide any assurance that a secondary market for the U.S. Securities will develop. After a distribution of a series of U.S. Securities is completed, because of certain regulatory restrictions arising from its affiliation with the Bank, the Initial Dealer may not be able to make a market in such series of U.S. Securities or, except on a limited, unsolicited basis, effect any transactions for the account of any customer in such series of U.S. Securities. Other broker-dealers unaffiliated with the Bank will not be subject to such prohibitions.

This Base Prospectus and any Final Terms may be used by affiliates of the Bank in connection with offers and sales related to secondary market transactions in the U.S. Securities. Such affiliates may act as principal or agent in such transactions. Such sales will be made at prices related to prevailing prices at the time of a sale.

BNP Paribas Securities Corp., the Initial Dealer for the U.S. Securities offered hereby, is a subsidiary of the Bank.

Each U.S. Dealer may be deemed to be an "underwriter" within the meaning of the Securities Act, and any discounts and commissions received by it and any profit realised by it on resale of the U.S. Securities may be deemed to be underwriting discounts and commissions.

Each purchaser of U.S. Securities offered hereby in making its purchase will be deemed to have represented and agreed with the Bank as set forth under "Notice to Purchasers and Holders of U.S. Securities and Transfer Restrictions" herein.

In connection with sales of U.S. Securities outside the United States, each U.S. Dealer will be required to agree that, except as described in the preceding paragraph, it has not offered, sold or delivered, and will not offer, sell or deliver, any Securities within the United States or to, or for the account or benefit of, U.S. persons (a) as part of its distribution at any time and (b) otherwise until 40 days after the later of the commencement of an offering and the closing date, and it will have sent to each dealer or distributor to which it sells such U.S. Securities during the Distribution Compliance Period a confirmation or other notice setting forth the restrictions on offers and sales of such U.S. Securities within the United States or to, or for the account or benefit of, U.S. persons.

In addition, until 40 days after the commencement of an offering of U.S. Securities pursuant to the registration exemption contained in Regulation S under the Securities Act, an offer or sale of such U.S. Securities within the United States by any dealer that is not participating in such offering may violate the registration requirements of the Securities Act if such offer or sale is made otherwise than in accordance with Rule 144A or another available exemption under the Securities Act.

Terms used above have the meanings given to them by Rule 144A and Regulation S.

The Final Terms in respect of any U.S. Securities will set forth additional information relating to the offering, sale or distribution of U.S. Securities.

European Economic Area

Please note that in relation to EEA States, additional selling restrictions may apply in respect of any specific EEA State, including those set out below in relation to the United Kingdom, France, the Netherlands, Italy, Spain and Portugal.

In relation to each Member State of the European Economic Area which has implemented the Prospectus Directive (each, a "**Relevant Member State**"), with effect from and including the date on which the Prospectus Directive is implemented in that Member State (the "**Relevant Implementation Date**") the Securities may not be offered to the public in that Relevant Member State, except that with effect from and including the Relevant Implementation Date, Securities may be offered to the public in that Relevant Member State:

- in (or in Germany, where the offer starts within) the period beginning on the date of publication (or in Austria, beginning on the bank working day following the bank working day on which a prospectus has been published) of a prospectus in relation to those Securities which has been approved by the competent authority in that Relevant Member State or, where appropriate, approved in another Relevant Member State and notified to the competent authority in that Relevant Member State, all in accordance with the Prospectus Directive and ending on the date which is 12 months after the date of such publication;
- at any time to legal entities which are authorised or regulated to operate in the financial markets or, if not so authorised or regulated, whose corporate purpose is solely to invest in securities;
- at any time to any legal entity which has two or more of (1) an average of at least 250 employees during the last financial year; (2) a total balance sheet of more than €43,000,000; and (3) an annual net turnover of more than €50,000,000, as shown in its last annual or consolidated accounts; or
- at any time in any other circumstances which do not require the publication by the Issuer of a prospectus pursuant to Article 3 of the Prospectus Directive.

For the purposes of this provision, the expression an "**offer of Securities to the public**" in relation to any Securities in any Relevant Member State means the communication in any form and by any means of sufficient information on the terms of the offer and the Securities to be offered so as to enable an investor to decide to purchase or subscribe the Securities, as the same may be varied in that Member State by any measure implementing the Prospectus Directive in

that Member State and the expression "**Prospectus Directive**" means Directive 2003/71/EC and includes any relevant implementing measure in each Relevant Member State.

Any offer, sale or delivery of the Securities or distribution of copies of the Base Prospectus or any other document relating to the Securities in the Republic of Italy under (a) or (b) above must be:
